Scenario 1

- If the bailiffs hold more than 1 liability order for a debtor & progress to an AVR visit (first time) the bailiff may charge £125.00.
- Subsequent visits will attract a £50.00 AVR fee, provided the bailiffs hold an additional levied liability order to which an AVR fee has not previously been applied.

Scenario 2

- If any more liability orders are received at a later date for the same debtor, they would be dealt with as a separate action i.e. £125.00 for the first AVR visit.
- Subsequent visits will attract £50.00 AVR fee, provided the bailiffs hold an additional levied liability order to which an AVR fee has not previously been applied.

In both scenarios bailiffs cannot charge an AVR fee once all available levied liability orders have had an AVR fee applied.

AVR Fees – Council Tax

The Local Authority's written consent (fax) must be obtained **before** the bailiff charges an AVR fee on attending to remove goods. An AVR fee is **not** to be charged on a first or subsequent visit unless the debtor refuses to sign a Walking Possession agreement.
