7. RHAGLEN BAND B YSGOLION AC ADDYSG YR 21AIN GANRIF - ADRODDIAD AMCAN STATUDOL AR GYFER YSGOL CAE'R DRINDOD

Cyhoeddodd y Cynghorydd W. David fudd personol a rhagfarnus mewn perthynas ag Eitem 7 (Rhaglen Band B Ysgolion ac Addysg yr 21ain Ganrif - Adroddiad Gwrthwynebiad Statudol ar gyfer Ysgol Cae'r Drindod) gan fod perthynas deuluol a ffrind agos yn Is-lywydd Clwb Rygbi Penallta, hefyd roedd ei fab wedi ysgrifennu llythyr yn cefnogi barn rhai o'r gwrthwynebwyr. Gadawodd y Cynghorydd W. David y cyfarfod pan drafodwyd yr eitem.

Cyflwynodd yr Aelod Cabinet dros Ddysgu a Chyflawniad yr adroddiad i ddiweddarau'r Aelodau mewn perthynas â chynnig Band B Ysgol yr 21ain Ganrif mewn perthynas ag Ysgol Cae'r Drindod. Atgoffwyd yr aelodau mai'r cynnig yw ehangu Ysgol a Chanolfan Adnoddau presennol Cae'r Drindod yn Ystrad Mynach, trwy adeilad estyniad a lle chwarae awyr agored newydd gyda dyddiad cwblhau disgwylidig ym mis Medi 2023. Dywedwyd wrth yr Aelodau y bydd yr adeilad newydd arfaethedig yn cyflenwi cyfleusterau ychwanegol i ddarparu ar gyfer y galw cynyddol am leoedd a darparu ystafelloedd dosbarth ychwanegol, ardaloedd ymyrraeth arbenigol a lle chwarae awyr agored. Cynigiwyd y bydd y cyfleuster ychwanegol hefyd yn gartref i neuadd hyblyg newydd, pwll hydrotherapi a chyfleusterau chwarae meddal i gynyddu'r ddarpariaeth ar y safle a fydd hefyd yn cael ei hystyried at ddefnydd y gymuned ar adegau addas yn unol ag amserlen y cwricwlwm. Amlygwyd y bydd y datblygiadau hyn yn sicrhau y gall yr ysgol ddarparu ar gyfer anghenion newidiol a mwy cymhleth disgyblion ag Anghenion Dysgu Ychwanegol (ADY) ar draws y Cyngor, ar hyn o bryd ac yn y dyfodol a sicrhau cydymffurfriad â'r Ddeddf Anghenion Dysgu Ychwanegol a'r Tribiwnlys Addysg (Cymru) newydd.

Crynowyd y cynigion lliniaru ar gyfer y cae yn Trindod 1 a dywedwyd wrth yr Aelodau bod adroddiad lliniaru llawn ynghlwm fel Atodiad 3. Cyfeiriwyd at y papur briffio carthffosiaeth sydd ynghlwm wrth yr adroddiad fel Atodiad 4.

Derbyniodd y Pwyllgor Craffu sylwadau gan S. Lowe (Clwb Rygbi Penallta) a N. Sargent (Grŵp Achub Mannau Gwyrdd Ystrad), a amlinellodd eu gwrthwynebiadau i gynnig Band B Ysgolion ac Addysg yr 21ain Ganrif mewn perthynas ag Ysgol Cae'r Drindod. Anerchodd A. Hurst (Is-gadeirydd Llywodraethwyr yn Ysgol Cae'r Drindod) y Pwyllgor Craffu i gefnogi cynnig Band B Ysgolion ac Addysg yr 21ain Ganrif mewn perthynas ag Ysgol Cae'r Drindod. Cafwyd cyflwyniad gan Reolwr Ysgolion yr 21ain Ganrif ar yr Adroddiad Gwrthwynebiad a dogfennaeth ategol mewn perthynas ag Ysgol a Chanolfan Adnoddau Cae'r Drindod.

Trafododd yr Aelodau yr adroddiad yn fanwl. Yn ystod y ddadl, gofynnwyd am bwyntiau eglurhad ar wahanol agweddau ar yr adroddiad ac ymatebodd Swyddogion i'r pwyntiau a godwyd.

Gofynnwyd am eglurhad mewn perthynas â'r 238 o wrthwynebiadau a dderbyniwyd a gofynnwyd am ddadansoddiad o dan y pum maes o wrthwynebiad a restrir yn yr adroddiad. Gofynnwyd am ragor o wybodaeth am nifer y gwrthwynebiadau a dderbyniwyd ynghylch man agored a cholli cyfleusterau chwaraeon. Dywedodd Rheolwr Ysgolion yr 21ain Ganrif wrth y Pwyllgor Craffu nad oedd y wybodaeth hon ar gael yn ystod y cyfarfod ond y byddai'n cael ei darparu i'r Aelodau.

Mynegwyd pryderon ynghylch y mesurau lliniaru arfaethedig. Mewn ymateb i ymholiad Aelod ynghylch maint caeau chwaraeon Trindod 1 (T1) a Trindod 2 (T2), cadarnhaodd y Rheolwr Chwaraeon a Datblygu fod cae T2 yn llai, ond mai'r mesur lliniaru ar gyfer colli T1 yw'r cae ychwanegol yng Nghanolfan Hamdden Sue Noake. Dywedodd y Pennaeth Adfywio a Chynllunio bod pob cae chwaraeon yn ddarostyngedig i ofynion Polisi 8 ledled y Sir yn y Cynllun Datblygu Lleol, felly byddai'n rhaid darparu lliniaru digonol i gyfiawnhau colli T1 gan nad yw'n weddill i'r gofyniad. Cododd yr Aelod bryderon hefyd mewn perthynas â T3, a

fyddai'n ardal lle gallai dŵr storm Gronni, a rhagwelodd y byddai'n amhosibl ei ddefnyddio mewn adegau o lifogydd.

Cododd un Aelod nifer o gwestiynau ynghylch y cyfleusterau ychwanegol a gynigiwyd ar gyfer ehangu Ysgol Cae'r Drindod, yn enwedig mewn perthynas â Chanolfan Blant arfaethedig ar y safle. Yn ystod y drafodaeth cyfeiriwyd at y broses ymgynghori a mynegwyd pryderon nad oedd yr awdurdod wedi ymgynghori â'r gymuned ehangach. Dywedodd Rheolwr Ysgolion yr 21ain Ganrif fod rhestr ymgynghori yn cael ei nodi'n benodol gan Lywodraeth Cymru a bod clywed llais y disgybl o'r ysgol yr effeithir arni yn ofynnol fel rhan o'r broses ymgynghori. Dywedwyd wrth yr aelodau bod y rhestr o'r ymgynghoreion sy'n ofynnol wedi'i darparu yng Nghod Trefniadaeth Ysgolion 2018.

Yn ystod y drafodaeth, gofynnwyd am bwyntiau eglurhad ar wahanol agweddau ar yr adroddiad ac ymatebodd y Cyfarwyddwr Corfforaethol dros Addysg a Gwasanaethau Corfforaethol i'r pwyntiau a godwyd. Mewn ymateb i ymholiad mewn perthynas â chyfleusterau parcio yng Nghanolfan Hamdden Sue Noake, dywedwyd wrth yr Aelodau mai mater i'r Pwyllgor Cynllunio fyddai parcio. Darparwyd eglurhad hefyd ar y mesurau lliniaru ac eglurwyd mai llain gyfatebol ychwanegol yn yr ardal (Sue Noake 2) oedd y lliniaru arfaethedig ar gyfer y cynlluniau i ail-bwrpasu Trindod 1, yn ogystal â nifer o fesurau gwella ychwanegol yn Trindod 2, Trindod 3 a Sue Noake, fel yr amlinellwyd yn yr Adroddiad Gwrthwynebiad a'r Papur Lliniaru ategol. Yn ychwanegol at hyn, amlinellwyd bod y Cyngor wedi gweithio gyda Chlwb Rygbi Penallta er mwyn adnabod gwelliannau ychwanegol i'r cae yn Sue Noake 1, gan gynnwys safle caled, darpariaeth rhwystrau, mynediad brys i gerbydau, gwelliannau sylweddol i'r cyfleusterau newid er mwyn dod â dwy ystafell newid ychwanegol yn ôl i ddefnydd ac ystafell cymorth cyntaf meddygol.

Mewn ymateb i ymholiad Aelod ynghylch darparu ysgol newydd neu ychwanegol, dywedodd Rheolwr Ysgolion yr 21ain Ganrif fod y ddau opsiwn wedi cael eu hystyried fel rhan o arfarniad opsiynau mewn cam gwerthuso achos busnes Llywodraeth Cymru, ond yr opsiwn a sgoriwyd oedd yn cael ei ffafrio oedd ehangu safle presennol yr ysgol. Cwestiynodd yr Aelod ansawdd cyfleusterau lloeren ADY ledled y Fwrdeistref Sirol ac awgrymodd y byddai ysgol newydd yn opsiwn gwell. Pwysleisiodd yr Arweinydd Cynhwysiant ac ADY fod anghenion y disgyblion a thrafodaethau gyda rhieni yn ffactorau allweddol wrth leoli disgyblion fel rhan o broses drwyadl a ddilynwyd trwy gydol datblygiad y model prif ganolfan a lloerennau a sut mae cynlluniau i wella darpariaeth yng Nghaeau'r Drindod a'r ddarpariaeth loeren yn cwrdd â'r gofynion a osodwyd yn y Ddeddf Anghenion Dysgu Ychwanegol.

Cyflwynwyd Cynnig yn gofyn am ohirio'r penderfyniad er mwyn caniatáu i'r costau ar gyfer ysgol newydd gael eu cyflwyno mewn adolygiad. Dywedodd y Pennaeth Cynllunio a Strategaeth Addysg wrth yr Aelodau fod y cynnig wedi'i ddwyn gerbron y Pwyllgor Craffu Addysg ar ddau achlysur blaenorol a bod y broses Achos Busnes i Lywodraeth Cymru wedi'i chymeradwyo ar gyfer yr ehangu hwn. Amlinellwyd sut y byddai'n rhaid datblygu Arfarniad Opsiynau pellach ac Achos Busnes arall pe bai'r Cynnig a gyflwynwyd yn cael ei basio ac y byddai hynny'n oedi'r broses yn sylweddol. Dywedodd y Swyddog fod yr Arfarniad Opsiynau a drafodwyd ar ddau achlysur blaenorol wedi cynnwys opsiwn ar gyfer ysgol wedi'i hadeiladu o'r newydd. Roedd yr Arfarniad Opsiynau wedi diystyru'r opsiwn hwn. Atgoffodd Rheolwr Ysgolion yr 21ain Ganrif yr Aelodau fod y penderfyniad i fwrw ymlaen ag ehangu Ysgol Cae'r Drindod yn ganlyniad argymhelliad gan weithgor trawsbleidiol a edrychodd ar yr holl opsiynau ar draws y Fwrdeistref Sirol fel rhan o raglen Band B. Clywodd yr aelodau sut yr oedd y penderfyniad hwn yn rhagflaenu'r cais i symud ymlaen i Achos Busnes, er bod pob cynnig yn cael ei ystyried yn ôl ei deilyngdod ei hun ac yn destun craffu a chymeradwyaeth lawn gan y Cabinet a Llywodraeth Cymru.

Dywedodd y Cyfarwyddwr Corfforaethol dros Addysg a Gwasanaethau Corfforaethol wrth yr Aelodau fod y Pwyllgor Craffu Addysg wedi pleidleisio o'r blaen ar y mater hwn fel rhan o'r broses ac argymhellwyd symud ymlaen i'r cam ymgynghori statudol gyda'r opsiwn a ffefrir yn Opsiwn 4. Amlygwyd nad oedd unrhyw Aelodau wedi pleidleisio yn erbyn yr argymhelliad bryd hynny. Yn ystod y ddadl, mewn ymateb i honiad Aelod ei fod wedi pleidleisio yn erbyn yr

argymhelliad o'r blaen, cadarnhaodd y Cyfarwyddwr Corfforaethol dros Addysg a Gwasanaethau Corfforaethol fod y cofnod yn dangos bod 13 pleidlais o blaid a 2 yn ymatal pan ddaethpwyd â'r penderfyniad gerbron y Pwyllgor Craffu Addysg yn eu cyfarfod ym mis Tachwedd 2020.

Cynigiwyd ac eiliwyd cynnig i ddiwygio'r argymhellion er mwyn gohirio'r penderfyniad ar gyfer adolygiad pellach, gan nad oes unrhyw gostiadau ar gyfer ysgol newydd. Datganwyd bod y cynnig wedi'i gollu yn dilyn cynnal pleidlais ar lafar.

Gofynnwyd am sicrwydd ar y mesurau lliniaru cyn cynnal pleidlais ar argymhelliad yr adroddiad. Sicrhawyd yr Aelodau gan y Pennaeth Adfywio a Chynllunio y byddai hyn yn rhan sylfaenol o'r Cais Cynllunio.

Cynigiwyd ac eiliwyd y dylid cymeradwyo'r argymhellion ynddo am y rhesymau a roddir yn adroddiad y Swyddogion. Trwy bleidleisio galwadau rholio llafar, cymeradwywyd hyn gan y mwyafrif a oedd yn bresennol.

Cynigiwyd ac eiliwyd y dylid cymeradwyo'r argymhellion yn adroddiad y Swyddogion am y rhesymau a roddir ynddo. Cymeradwywyd hyn gan y mwyafrif oedd yn bresennol yn dilyn cynnal pleidlais ar lafar.

PENDERFYNWYD bod y Pwyllgor Craffu Addysg yn: -

- a) cymeradwyo'r argymhellion a wnaed yn yr Adroddiad Gwrthwynebiad cyn i'r Cabinet eu hystyried ar 7 Ebrill, 2021.
- b) cymeradwyo'r mesurau lliniaru arfaethedig a'r cynnig i ariannu'r gost amcangyfrifedig o £300,000 o Gyfraniad Refeniw Cyllid Amrywiol 2020/21 i gyllideb Gwariant Cyfalaf (RCCO).

ATAL RHEOLAU SEFYDLOG

Cynigiwyd ac eiliwyd i atal Rheolau Sefydlog i ganiatáu i'r cyfarfod fynd ymlaen y tu hwnt i 3 awr. Cytunwyd yn unfrydol ar hyn trwy bleidlais Microsoft Forms.

8. RHAGLEN BAND B YSGOLION AC ADDYSG YR 21AIN GANRIF A - ADRODDIAD AMCAN STATUDOL AR GYFER YSGOL GYMRAEG CWM GWYDDON

Cyflwynodd yr Aelod Cabinet dros Ddysgu a Chyflawniad yr adroddiad i ddiweddarau Aelodau mewn perthynas â Chynigion Band B Ysgolion yr 21ain Ganrif mewn perthynas ag Ysgol Gymraeg Cwm Gwyddon. Atgoffwyd yr aelodau mai'r bwriad yw adleoli Ysgol Gymraeg Cwm Gwyddon i ysgol darpariaeth cyfrwng Cymraeg bwrpasol newydd i'w lleoli ar safle gwag hen Ysgol Uwchradd Cwmcarn gyda dyddiad agor disgwyliedig ym mis Medi 2023. Hysbyswyd yr aelodau y bydd yr adeilad newydd fel rhan o'r cynnig yn ymgorffori cyfleuster cynradd gyda Gofal Plant, Canolfan Adnoddau Arbenigol, Meithrinfa, Codi'n Dair a phrif ystafelloedd dosbarth yr ysgol, prif neuadd ymgynnull, gofod technoleg bwyd, llyfrgell a gofod TG a bydd hefyd yn gwella'r gofod dysgu awyr agored trwy gynnwys ardaloedd chwarae allanol, offer chwaraeon MUGA a mynediad i gae glaswellt. EDUCATION SCRUTINY COMMITTEE – 17TH MAY 2021

**SUBJECT: DIRECTORATE PERFORMANCE ASSESSMENT SIX MONTH
UPDATE 2020**

**REPORT BY: CORPORATE DIRECTOR - EDUCATION AND CORPORATE
SERVICES**

1. PURPOSE OF REPORT

- 1.1 To present Scrutiny with the new Education Directorate Performance Assessment (DPA) which is part of the Council's new Performance Framework.
- 1.2 The DPA provides information and analysis for the 6-month period April – November 2020. The DPA forms part of the overall Council 'self-assessment' activity, of which members are invited to discuss, challenge and scrutinise the information in the DPA.

2. SUMMARY

- 2.1 The Council's Performance Framework had been in its current format for several years and formed a foundation stone of the Council's governance arrangements.
- 2.2 As the Council embarked on its ambitious Transformation Programme, Team Caerphilly, alongside the emergence of new legislation such as the Local Government and Elections (Wales) Bill 2019, it became both timely and opportune that the Framework was redeveloped and enhanced.
- 2.3 The new Performance Framework was endorsed by Cabinet February 2020 and this report introduces one of the key components of the Framework, the Directorate Performance Assessment, (DPA). The DPA is a 'self-assessment' of Directorate's progress across a wide range of information types.
- 2.4 Directorate Performance Assessments are an opportunity to bring together a range of information and intelligence into one picture to answer the self-assessment question of 'how well are we performing and how do we know? Appendix 1 is the Education Directorate Performance Assessment up to November 2020.

3. RECOMMENDATIONS

- 3.1 Members review the attached document (Appendix 1) and discuss, challenge and scrutinise the information contained within.

4. REASONS FOR THE RECOMMENDATIONS

- 4.1 Scrutiny members are involved in the 'self-assessment' process by scrutinising the information within the Directorate Performance Assessment. This also supports the principles within the new section (Part 6, Chapter 1) of the Local Government and Elections (Wales) Bill which provides for a new performance and governance regime for principal councils

5. THE REPORT

- 5.1 The Council started reviewing its Performance Management Framework 2 years ago with a view to making better use of the wide range of information and intelligence that it holds and to future proof any new processes in line with the new Performance legislation.

- 5.2 The new Performance Framework has been developed to meet several strategic and operational needs as well as to align with emerging legislation and further the Council's desire to be a high performing learning organisation focused on meeting the needs of its residents.

- 5.3 The framework was piloted in 2019 and endorsed by Cabinet February 2020

- 5.4 Part of the framework was to develop a reporting dashboard at directorate level. This report introduces and shares the Educations DPA. To show how the DPA fits into the overall framework the components are noted below.

5.5 The Framework

The Council's new Performance Framework has several component parts:

- Corporate Performance Assessment (CPA)
- **Directorate Performance Assessment (DPA)**
- Service Planning, identifying priorities resources and actions to improve.
- Risk Management – the barriers that may prevent improvement.
- MyTime Extra – personal learning and development, skills to deliver on objectives.

- 5.6 The Corporate Performance Assessment (CPA) dashboard is used by the Corporate Management Team (CMT) and Cabinet to monitor the Council's progress in delivering its strategic priorities, identifying and challenging areas of underperformance and discussing and agreeing any remedial actions that may be required.

The dashboard is received by CMT on a quarterly basis as well as being shared twice yearly with Cabinet. While the dashboard itself offers a rich insight, it is set at a high-level position and designed to be an 'at a glance' overall picture.

The detail that sits underneath it is within the DPA.

5.7 Directorate Performance Assessment (DPA)

The DPA dashboards are developed for all directorates. The report provides Directorate Management Teams with a range of data to keep progress under review, drive performance improvement and manage resources, intelligence and risks. Information within the DPA dashboards is grouped as follows:

- Overall summary of the Quarter
- Progress on a Directorate's Priorities
- Performance Data
- Customer Intelligence
- Resources – financial / workforce and assets
- Risk Register
- Well-being Objectives
- Lessons Learned
- Conclusion

The DPAs are received by Senior Management Teams on a quarterly basis providing opportunities to account for progress, challenge performance and agree improvement activity. Data from DPAs will be shared with relevant Scrutiny Committees twice yearly.

5.8 The focus of the Directorate Performance Assessments (Appendix 1) is to continue our development as a learning organisation. The DPA is less about performance and targets (though they have their place) rather is designed to provide a wider picture of knowledge and learning, to identify cause and effect and to invite mature conversations that enhance learning which leads to improvement.

5.9 Conclusion

The Council's new Performance Framework as set out will provide Cabinet, Scrutiny Committees, CMT and DMTs with a regular and embedded mechanism for monitoring progress, managing performance and driving improvement. The dashboards, which provide 'a single source of the truth', enable key aspects of performance to be discussed, action to be agreed and learning to be generated. The ability to specifically link individual contributions to organisational goals provides a platform for every employee to understand how they fit and to be recognised for the part they play in delivering the Council's objectives

6. ASSUMPTIONS

6.1 No assumptions were thought to be required in this report.

7. SUMMARY OF INTEGRATED IMPACT ASSESSMENT

7.1 This report is for information and has no decision-making requests, so the Council full Equality Impact Assessment process does not to be applied. Information on equalities and Welsh language will be included appropriately within the DPA's and CPA's as part of a picture of Directorate's self-assessments.

8. FINANCIAL IMPLICATIONS

- 8.1 There are no financial implications within this report, however the DPA (Appendix 1) has a section on resources including relevant budget out turns as part of the overall self-assessment of the directorate.

9. PERSONNEL IMPLICATIONS

- 9.1 There are no personnel implications within this report, however the DPA (Appendix 1) has a section called 'resources' which provides data on a range of workforce aspects

10. CONSULTATIONS

- 10.1 Any consultation responses have been included with in this report.

11. STATUTORY POWER

- 11.1 The Local Government Measure (2009) and Local Government and Elections (Wales) Bill.

Summary & Priorities

Quarter 1 & 2 (April to September) 2020

The performance period under review aligns with the first six months of the COVID-19 pandemic. It is important to recognise that during this time, Caerphilly Council and the communities it serves have been severely impacted by the virus with some services ceased, some delivered in alternative ways and many of the Council's staff redeployed in support of services that had not existed prior to the beginning of the financial year. The reintroduction of many of those services only a matter of months on, along with key governance processes such as the Council's DPA process, demonstrates how the Council has begun to return to a semblance of normality while also continuing to protect our people and place from COVID-19. I would like to record my appreciation of Education and School based staff for the way in which they have adapted, transformed working practices and done whatever has been asked of them during this time.

In terms of specific performance updates during Q1 and Q2, I would like to place on record my thanks for the way in which our Schools, supported by the LEA, have closed; transitioned in to childcare hubs; introduced an innovative approach to delivering FSMsupported blended learning; partially reopened, and then opened again fully in September while doing everything in their power to keep staff and pupils as safe as possible. The work that has been done and the commitment and bravery that has been required cannot be underestimated. Since returning to school in September the focus has very much been on catching up with lost lesson time, particularly for examination age pupils as well as overcoming the significant challenges associated with a reintroduction of face to face teaching; home to school transport and hot school catering. The workload pressures on Head Teachers and LEA staff to support this effort have been immense and protracted and concerns are growing about the resilience of the school community should the pandemic response continue into the medium term. To assist, a wide range of financial, technical and wellbeing support is being wrapped around the sector.

Some of the specifics that have been achieved throughout the period are as follows:

- Safe systems of work and comprehensive Risk Assessments introduced ahead of a return to school along with COVID secure approaches to Transport, Catering and Pupil ingress/egress
- The introduction of an application process for childcare places across the emerging childcare hubs and the process of accepting children was developed and implemented in only a matter of days
- Free to use and publicly available WiFi has been installed across every school site to enable greater use of smart devices across school settings
- Levels of FSM uptake have increased by 20% following the introduction of an innovative FSM delivery approach that has placed food on the plates of every learner and also kept local businesses afloat
- Agreement and funding from Cabinet to introduce a whole Borough approach to cashless catering which is now being rolled out
- Creation of a daily COVID dashboard for schools to enable incidences of positive cases and associated self isolation periods to be monitored and managed to keep schools open in very difficult circumstances
- Further innovations have been introduced across the Library Service such as the Order and Collect Scheme which is now being rolled out across every Library setting
- Support for the vulnerable from across Education has been exceptional with vulnerable learners a specific focus throughout lockdown for functions such as the Youth Service, EWO and ALN Teams
- Staff from across Education have been redeployed into critical support roles for the organisation with Childcare Hubs, FSM delivery, the Council's Buddy Scheme, Customer First and even the AB UHB benefitting from the support of Education staff
- The 21st Century Schools Business Cases for the expansion of Trinity Fields and the move of Ysgol Cwm Gwyddon have been developed and approved for consultation by Cabinet

In response to COVID 19, the buddy scheme was set up beginning on the 16th March 2020 to deliver a community response to support vulnerable people and those who were self-isolating. The Corporate Policy Unit managed the system with assistance from across all Council Services. Services that had effectively shut down mainstream activity offered staff to the Buddy scheme as part of the normal working week. 590 staff responded as volunteers to support this group; to provide support with shopping, prescription pick-up, keeping in touch etc. At the peak 1560 Vulnerable People were registered on the scheme.

Name of Priority	Completion Date	RAG	Progress - Achievements - Comments
Aim the reduce the impact of poverty on Early Years	Ongoing	●	<p>Welsh Government announced a new funded childcare scheme which we made operational during April 2020. This was a redirect of the Childcare Offer funding and aimed predominantly at children aged 0-5years from families of key workers who needed to attend the workplace as well as very vulnerable children. During April to 31st August 2020, we supported 555 children aged 0-5years with funded childcare places.</p> <p>Families First and Flying Start early intervention support was delivered virtually throughout the period, ensuring families were contacted and had access to support as they needed it. Many projects used social media closed groups to maintain contact, build peer support networks, support communities to support each other, doorstep drops of activity packs relevant to the age and stage of the children.</p> <p>Health visitors and family workers and additional needs workers in Flying Start continued to do in person contacts in clean rooms for families where there were greater concerns, including for those where there were safeguarding concerns, very vulnerable families, complex family needs, and digitally excluded. The doorstep drops of activity packs with the doorstep contact supported families who felt very isolated and were struggling to support their child's development.</p> <ul style="list-style-type: none"> • Over 200 parents were supported through the parent network closed groups plus wider parents in the community through the food parcels. • 148 families with 151 children of which, 10 are pregnant, were being contacted weekly by parenting team. • 28 parents were being contacted weekly for support by ALN team with a further 6 being supported through in person contact in clean rooms. • 72 parents were supported with children's language delays and have since accessed in person support in clean rooms as well as virtual support. • The Flying Start childcare team initially was redirected to support key worker children alongside school hubs. However, they restarted for Flying Start children from 29th June and have continued since then to engage and support children's development. While the Flying Start children were not attending setting, 800 children had doorstep drops of individualised development activity packs. Also, during the summer holidays all children from the childcare settings had weekly delivery drops to support their development at home. <p>The Childcare Offer was restarted from 1st September for working parents of 3 year olds in part time Education. 528 children accessed funded childcare placement through the Childcare Offer in September, saving parents just over £157k in childcare fees for September and supporting the sustainability of small local childcare businesses</p>
Raise standards of attainment.	Ongoing	●	<p>Prior to lockdown, Standards and provision at end of Foundation Phase and Key Stage 2 were judged to be good. This is evidenced by individual pupil level data, and Estyn outcomes. However, two Welsh medium schools were inspected in Autumn 2019 where standards were judged by Estyn to be adequate. As a result, both schools were placed in the category of 'significant improvement'.</p> <p>Verified Key Stage 4 data for 2018/19 (verified by WG Core data sets, published Jan 2020) identified an improving trend across a range of legacy indicators and newly implemented interim measures. Summary over one year indicated improvements in SCC, Literacy, Numeracy, Science and all Legacy measures (except Level 1). This is against a national picture where there has been a decline in performance against a number of indicators. However, the number of pupils achieving no qualifications has also risen from 0.9% in 2017-18 to 1.7% in 2018-19. This is 0.8% higher than the national average.</p> <p>Key Stage 5 performance is a mixed picture which has resulted in an increase focus on performance measures related to pupils achieving 3 A-C and A*-A qualifications.</p> <p>In response to the Coronavirus (Covid-19) pandemic, the Welsh Government cancelled all statutory data collections that would have been due to take place in Summer 2020. This means that no end of key stage data was submitted, therefore there is no data available for FP through to KS3. Due to the cancellation of summer 2020 GCSE, AS and A level examinations, the Welsh Government will not be reporting on KS4 and KS5 school performance measures for 2019/20. Analysis of standards for this year cannot include aggregated LA data or individual school performance data and, therefore, comparison of year on year progress is not possible.</p> <p>Strategies have been initiated by schools that aim to minimise the impact of the disruption. This includes a range of professional learning activities for school and LA staff to develop effective blended and distance learning strategies. This pedagogical strategy is however in its infancy and will require significant ongoing development and refinement.</p>
Reduce the impact of poverty on attainment for both vocational and non-vocational qualifications to provide equity of opportunity.	Ongoing	●	<p>Youth Workers have continued to work with pupils from Learning Pathway Centres to enable the attainment of accreditation during lockdown.</p> <p>In the past year and including the earlier stages of lockdown, 120 young people in the Youth Service have achieved over 340 national (non GCSE) qualifications and over 2600 young people have achieved over 8000 local awards</p>
Reduce the Impact of Poverty upon communities	Long term and ongoing	●	<p>Verified Key Stage 4 data for 2018/19 (verified by WG Core data sets, published Jan 2020) identified an improving trend across a range of legacy indicators and newly implemented interim measures for FSM pupils. The performance of FSM pupils was broadly in line with the Welsh average. As stated above, the cancellation of summer 2020 GCSE, AS and A level examinations has meant that the Welsh Government will not be reporting on KS4 and KS5 school performance measures for 2019/20.</p> <p>At the onset of lockdown, the Youth Service Supported Catering's food delivery arrangements by constructing and providing a suitable risk assessment for the delivery of FS meals for all CCBC staff and volunteers – youth workers contributed to the distribution of free school meals to vulnerable families throughout the lockdown period.</p> <p>Feedback from schools indicates that FSM pupils were more likely to be affected by the lockdown period. The Edtech strategy has been repurposed as a response to this (see below).</p>

Summary & Priorities

<p>Help those who are able to follow a non-traditional attainment path.</p>	<p>Mar-20</p>		<p>Provision and standards during the period April to September was obviously dominated by the adaptations necessary to the pandemic. Whilst during the initial period our blended learning approach was called into action, towards the latter all provisions were active with re-integration programmes focused on wellbeing, of both staff and students, alongside the identification of learning gaps which have informed our curriculum diet for the Autumn Term 20.</p> <p>Of significance during this time has been the development of remote learning for our students currently on Home Tuition. Work has been undertaken by a large proportion of the EOTAS team in linking our LA based tutors with clusters of schools, developing IT capabilities of both adults and students and developing re-integration plans where appropriate. This has already had a positive impact in the reduction of resources used to employ agency workers. Savings are currently being re-directed towards the recruitment of further LA based tutors.</p> <p>The process of supporting these students has been significantly strengthened with the appointment of two Assistant Educational Psychologists who are working directly with students and their families, identifying barriers and facilitating progress back to mainstream schools. A key action arising from scrutiny of NEETs performance data and trends over the past 5 years has been the development of NEETs strategy that captures and harmonises related activity across the Education directorate and elsewhere within the authority. A draft is currently being refined and a specific set of actions will accompany release of the document late Autumn 2020.</p>
<p>Support learning that enables young and adult employment opportunities including a focus on 'future skills'</p>	<p>Long term and ongoing</p>		<p>Yearly targets have been achieved however this period covers the Covid 19 – lockdown and during this time we were only able to provide support to our participants via email and telephone calls. It must be noted that many of these participants have been unemployed for a considerable period and need intensive support to gain qualifications and employment. However, despite limited It access and initial difficult using emails and the internet 30 participants gained QCF employability related qualifications and 9 participants gained employment during this period. Youth Service Engagement and Progression arrangements have continued support for traineeship take up within the authority and is championing the new Wales-wide apprenticeship scheme. Destinations secured for school leavers include take up of significant amounts of training opportunities, vocational and otherwise, in further education.</p>
<p>Improve digital skills for all ages.</p>	<p>Long term and ongoing</p>		<p>The Edtech programme has also been repurposed in response to the national lockdown and risk to digitally disengaged learners. Wave 1 -3: The network infrastructure as part of waves 1-3 to replace network switches and access points in progressing. 33 schools completed, 37 school partially completed, 17 schools remaining.</p> <p>Wave 4: The investment in filtered Guest wifi throughout schools has enabled pupils to use their own suitably enabled devices. A further £1.4 m Edtech funding has been allocated to purchase 7710 Lenovo Chromebooks for learners without their own device. Roll out plan required to consider priority year groups to receive devices.</p> <p>As part of the Stay Safe, Stay Learning project a total number of 1076 laptop devices from 47 schools were repurposed into Chromebooks and supplied to learners. EAS have produced an IT self-evaluation toolkit to enable schools to identify strategic priorities in the development of digital learning. This initiative is in its infancy but is currently being trialled by schools that form part of the IT Stakeholder group.</p>
<p>Improve the learning environment.</p>	<p>Long term and ongoing</p>		<p>The 21st Century Schools Team have been managing a range of investment and development opportunities to support building improvements across schools in the Borough.</p> <ul style="list-style-type: none"> • 21st Century Schools and Colleges Band A Programme – Trinity Fields refurbishment • 21st Century Schools and Colleges Band B Programme – Ysgol Gymraeg Cwm Gwyddon / Trinity Fields – proposals are currently at consultation stage and a report is being prepared for Cabinet to decide on whether to proceed with both projects. • CCBC Capital Maintenance Programme • WG Capital Maintenance Programme • WG Welsh Medium Grant • WG Childcare Grant • Community Hubs – Athletics track at Oakdale • Sporting Facilities – 3G pitches at St Cenydd, Lewis School Pengam, Cwm Rhymini (Gelli Haf)
<p>Safeguard all children and young people in order to create a climate for learning, particularly the most vulnerable.</p>	<p>Sep-20</p>		<p>The education safeguarding coordinator post has been appointed to. Training for schools (train the trainer is ongoing) and networks with secondary and primary DSPs have been established. School audits are being undertaken in line with the schedule.</p> <p>The Educational Psychology Service (EPS) provided direct support to the childcare hubs including to the most vulnerable pupils linked to our special school, consultation regarding individual concerns and support for pupil and staff wellbeing. The EPS also set up a helpline for professionals and parents, which was accessed by both schools and parents who were struggling to cope with their children’s ALN and increased anxiety. A virtual meeting was held with all of the secondary school Pastoral Leads to discuss how schools were supporting their most vulnerable pupils during the lockdown period; this provided an opportunity to provide guidance and for schools to share examples of good practice. The EPS also made contact with school ALNCo’s to ascertain, via a survey, how ELSA support was being provided to the most vulnerable pupils during school closures. Bereavement support was also provided to both schools and parents, this included helping schools to identify which pupils would be most impacted by the bereavement, so that support could be provided to these pupils. The school-based counsellors provided weekly check-ins with the pupils who opted in to this service and who were receiving counselling prior to school closures. Online individual and small group CBT support was also provided to those pupils who were identified as very anxious, who were receiving this intervention prior to lockdown and who opted for this support to continue during lockdown.</p> <p>EP contact was made with all schools immediately prior to both the 2 week ‘Check in, Catch up and Prepare’ return to school in the summer term and the start of the Autumn term, to discuss how schools could support the return of pupils in general and specifically those they considered to be most vulnerable. Linked to this, the EPS created two guidance booklets based on a trauma-informed approach to support schools to prepare for pupils return to school by supporting their understanding of the impact of covid-19 on wellbeing and by providing guidance and practical strategies that schools could implement to support both staff and pupil wellbeing as a pre-requisite to create a climate for learning</p>

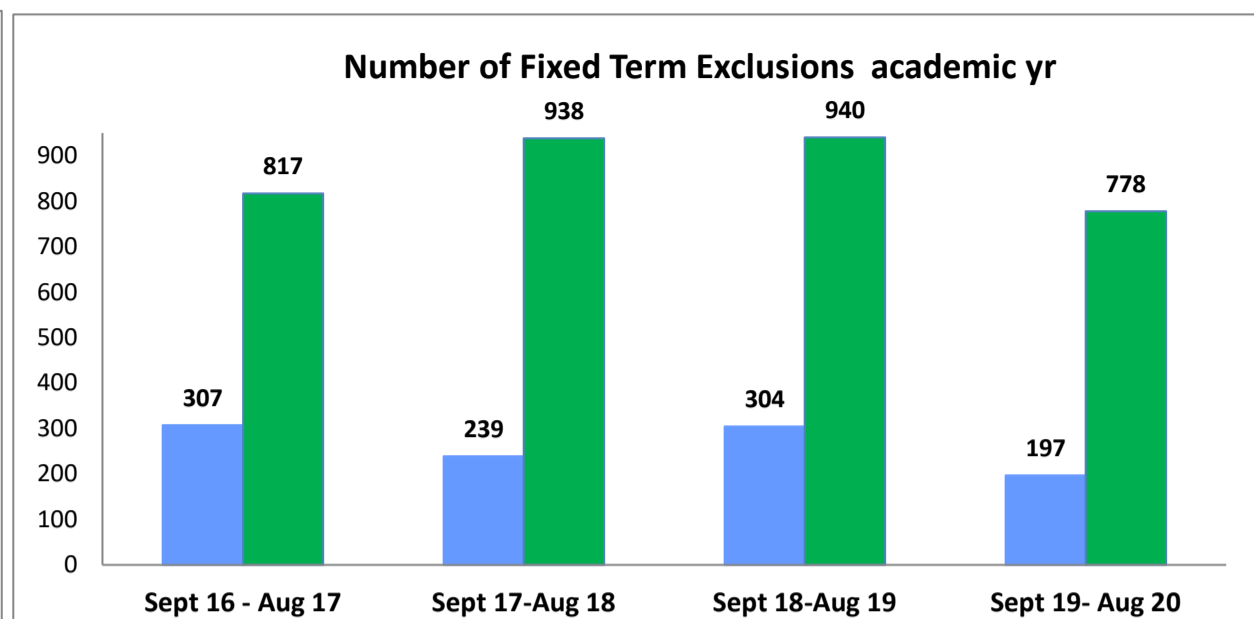

RAG Status

- Black Not yet started or too early to report any progress (achievements/changes)
- Red Started but not progressing well
- Amber Started with reasonable progress achieved
- Green Going well with good progress

Priority 6 - Reduce the rates of exclusion, therefore impacting upon pupil attainment

Primary Schools Secondary Schools

Priority 2 - Increase the percentage of pupil attendance across primary and secondary in order to maximise pupils' learning

* All exclusion data will be confirmed when verified

What is the Performance information telling us?

The LA revised attendance strategy impacted positively on improving attendance trends in secondary schools - a rise of 0.7% over 3 years. The September 2019 Welsh Government Statistical Release identifies improvement compared with outh Local Authorities (18/19-7th, 17/18-17th, 16/17-21st). Primary attendance over three years made more marginal gains but was still favourable compared to local authorities with similar numbers of FSM pupils.

However, the decision by Welsh Government to cancel all statutory data collections related to attendance and pause all statistical releases due to the coronavirus outbreak has meant that there will not be an official record of pupil attendance for 2019-2020. WG data collection (if any) for 2020-2021 will not be a measure of the impact of the attendance strategy, but largely reflect the number of pupils required to isolate as a result of advice from environmental health services. The education welfare service has repurposed itself to support the welfare of individual families, supporting the pupils return to school on a case by case basis.

Similarly, the statistical release for exclusions has also been paused, therefore, preventing a comparison against other local authorities. Prior to lockdown, pupil exclusion across a range of indicators remained too high (number of fixed term exclusions, number of pupils, number of permanents) and was a significant area for improvement. As in the case of the educational welfare service, education psychology and the inclusion team work with schools and individul pupils to limit the number of exclusions during the lockdown period.

Q3 reporting will include internal data monitoring of both attendance and exclusion rates. A report (embedded below) is going to scrutiny 26th Nov to provide contextual information on this years data to members.

Foundation Phase, Key Stage 2, Key Stage 3.

In 2018, teacher assessment data is to be utilised solely to inform approaches to teaching and learning in the classroom, rather than as a tool for accountability. Therefore, teacher assessment data and National Reading and Numeracy Test data at a school, local authority and consortia level will no longer be published. This applies to the Foundation Phase, Key Stage 2 and Key Stage 3 in all maintained primary and secondary schools.

Key Stage 4

Measures

In 2019, Welsh Government have moved away from threshold measures. The interim performance measures are made up of five headline measures, all based on points scores. Reports on these measures will include Year 11s only.

Capped 9 score- calculates the average of the scores for the best awards for all individual learners in the cohort, capped at a specified volume of GCSEs or equivalent qualifications.

Literacy- calculates the average of the scores for all individual learners in the cohort, taking the best grade from any of the literature or first language Welsh or English GCSEs awarded to a learner.

Numeracy- calculates the average of the scores for all individual learners in the cohort, taking the best grade from either of the mathematics or mathematics – numeracy GCSEs awarded to a learner.

Science- The science measure calculates the average of the scores for all individual learners in the cohort, taking the best grade from science GCSEs awarded to a learner. Currently this is limited to awards in the WJEC suite of science GCSE qualifications available to learners.

Welsh Bacc Skills Challenge Certificate-The Welsh Baccalaureate Skills Challenge Certificate measure calculates the average of the scores for the Welsh Baccalaureate Skills Challenge Certificate awards for all individual learners in the cohort, whether it is the Foundation (Level 1) or the National (Level 2) award.

However, In response to the Coronavirus (Covid-19) pandemic, the Welsh Government cancelled all statutory data collections that would have been due to take place in Summer 2020. This means that no end of key stage data was submitted, therefore there is no data available for FP through to KS3. Due to the cancellation of summer 2020 GCSE, AS and A level examinations, the Welsh Government will not be reporting on KS4 and KS5 school performance measures for 2019/20. Analysis of

% of year 11 leavers from schools who are not in education, employment and training (NEETS)

NEET Performance data received for Academic year 18/19 (above as 19/20)

declined to 2.40% and this equates to 47 pupils out of 1937. Of those 47 pupils 27 were unable to enter employment, education or training due to health or medical issues. This would give a performance of 1.03% for those 20 pupils who did continue into employment, education and training

Due to the Covid situation the NEET figure may rise for the next reporting period as the nature of the work requires considerable contact opportunities and face to face support and the Virus lockdown restricted this level of contact opportunities, compounded by the closure of Schools, in the Summer term of 2020. This has resulted in elevated numbers of vulnerable young people without confirmed post-school destinations, particularly those already less engaged with schools for various reasons and this may result in a decline in the NEETS figure.

We have identified this as a new risk in the Directorate Risk Register.

Young People engaged in the Youth Service

Youth Service

The number of registered young people who engaged with the youth service during 2019/20 totalled 5,426 individuals. This exceeded the target of 4000. Registered young people include all those who consent to personal details and information being held and processed, and who access the service on a regular basis. 'Unregistered' young people include:

- Young people who use provisions as a drop in to access advice and support but may not want to register with the service
- Young people who engage with youth workers during detached and outreach work on the streets,
- Young people who benefit from sessions provided by youth workers in schools, colleges and other youth support services .

The number of registered young people engaged during 2019/20 represents 17% of the youth population (those aged 10-25 years), an increase on the previous year. The result compares favourably to the Wales average recorded for 2018/19, where LA Youth Services engaged with an average of 15% of the youth population. Within our region, in 2018/19, Newport engaged 7%, Torfaen 10%, Blaenau Gwent 17% and Monmouthshire 26%. There are currently no figures available for 2019/20.

The decrease in the percentage of the population registered since 2013 could be due to a number of factors including :

- A reduction in the number of youth clubs offering universal access (e.g. there were 26 youth clubs open in 2013).
- A reduction in the number of youth club nights each week for many clubs.
- A loss of projects that had the capacity for large number of young people such as Communities first funded Hub Project.
- The changing nature of grant funded projects which has seen a shift to more targeted interventions with young people with

Employment Performance

This period covers the Covid 19 – lockdown and during this time we were only able to provide support to our participants via email and telephone calls. It must be noted that many of these participants have been unemployed for a considerable period and need intensive support to gain qualifications and employment. However, despite limited It access and initial difficult using emails and the internet 30 participants gained QCF employability related qualifications and 9 participants gained employment during this period.

COMPLAINTS RECEIVED

Notes:

Please note that 'Schools' figure only capture complaints that have come through to the L.A. Schools have their own complaints policy/process that must be dealt with by the school. However the L.A may give advice and guidance on these complaints but direct them back to the school for response, some complaints go straight to the school and the L.A will not record these. These numbers only reflect the complaints we are aware of.

Complaints April - Sept 2020

This period relates from the start of lockdown and COVID-19. These issues have dominated complaints and queries. Within the first couple of weeks of lockdown, we received a lot of queries and a high call volume relating to Hub placements for key workers. These were not logged as complaints but dealt with by the department.

COVID-19 is the common theme for these 2 quarters and will probably continue for some time to come, dealing with the concerns and anxieties of parents during the lockdown period, dealing with hub queries, planning the return to school and the actual return.

If there are any pressing issues or contentious complaints that arise throughout the year, management are kept informed and involved in the plan of action moving forward. We received 3 compliments this quarter. Our schools have expressed uncertainty in how to handle complaints so were putting on a schedule of training for Head Teachers and Governors including managing conflict. The training will be in partnership with our internal complaints team, EAS and Legal Services

% of Young People satisfied with quality of service received

Satisfaction

A total of 1549 young people completed the survey, representing 28% of all registered young people. This is an excellent result, with many surveys conducted post lockdown to ensure the data was collected for the year.

99% of young people reported that they were very happy and happy with the service, exceeding the target of 80%.

In addition to this result, many very positive evaluative comments are received regularly, thanking youth

Reduction from last year's return. Possibility we may remain in top quartile for Wales.

* The data in the table above represents an overview of Estyn inspections from September 2017 to March 2020. This is from the introduction of a revised framework for Estyn inspections to the period where all activity was suspended due to the coronavirus outbreak. Estyn's guidance on self-evaluation for local authority inspections states that judgements will be based on evidence from inspections over a three year period. Therefore, evaluations have to take all inspections during this timeframe into account. Estyn inspections have been suspended until September 2021.

In terms of Library's the number of visits to our library are reducing and this is a trend across Wales. Our School Engagement Strategy aims to reverse this by bringing younger children and growing the age profile of visitors.

The Library Standards for 19/20 are shown to the left, however it should be noted these standards have not yet been verified. We have not yet been given a verification date and if verification changes the outcome we will update this in quarter 3.

Assets

The Council has 86 schools and 1 Pupil Referral Unit , 18 public libraries and 6 Community Education Venues (used predominantly by Youth and Adult Services)

Condition surveys undertaken for all schools support the Directorate when prioritising works to be carried out from a limited Capital budget, £1.4 million (this excludes Welsh Government capital grant funding). The surveys show backlog maintenance for P1, P2 & P3 tasks of circa £30m.

Fire Risk Assessment remedial works continues to be a challenge with £500K of the capital programme and £500K of the maintenance grant already allocated, and being closely monitored. Spend to date is circa £300k.

What is our People Resource and Asset Resource Information telling us?

In summary, based on actual income & expenditure details to the end of August 2020, together with data used to forecast for future months, the projected revenue overspend position for Education & Lifelong Learning is £98k. This variance is supported by an underspend position for Education and Corporate Services. Overall the current projection is an underspend for Education and Corporate Services of £211k.

In terms of Assets and Welsh Government Capital Grant Funding :

The Athletics track (£0.755m) - (located at Rhiw Syr Daffydd Primary) is almost complete, weather conditions mean that the top surface cannot be laid until the spring when we would anticipate a spell of good weather.

The 4 Welsh Medium grant schemes (£5.4m) and 14 Childcare schemes (£5.8m) are progressing well. The Welsh Medium schemes are joint funded with the Childcare schemes.

In addition to the £2.4m allocated in a previous year, an additional capital maintenance grant of £2.5m has been funded by Welsh Government for 2020/21. We are currently in the process of confirming schemes based on prioritisation within the condition surveys. To date circa £900k has been spent on projects. This funding is being used to target high priority areas, with a focus on roofs and boilers.

Band A 21st Century Funding - Work is continuing on the final Band A scheme at Trinity Fields (£1.3m), spend to date is circa £550k.

Delays have been experienced in areas of the capital programme this year due to restrictions linked to the current pandemic.

CMT16	School Attainment	<p>1. National lockdown will have resulted in significant gaps in pupils' learning. The extent to this challenge is dependent on a range of issues including:</p> <ul style="list-style-type: none"> - the effectiveness of blending and distance learning strategies; - pupils' access to digital technology from home; - capacity for support from home. <p>It is currently too early to fully assess the impact of the lockdown period on standards and progress of learners .</p> <p>2. The start of the new term was also characterised by a higher than expected number of pupils being required to self-isolate as a result of the rise in infections. Again, this will have impacted on pupils' learning.</p> <p>3. A range of professional learning opportunities have been developed to support the implementation of blended and distance learning. However, this initiative is still at an early developmental stage.</p>	<p>1. CMT42 NEW	Exit from the EU (Brexit)	<p>The decision to leave the EU and the looming deadline to secure an exit deal has created considerable uncertainty.</p> <p>Moving forward it is difficult to determine what impact the exit from the EU will have in the medium to longer-term for Caerphilly CBC and our communities. The Withdrawal Agreement has been approved by Parliament and is now working its way through the House of Lords. The UK will leave the EU on the 31st January 2020 and there will then be an eleven month transition period to discuss the finer details of the deal and the future working relationship with the EU. Failure to maintain and/or improve service delivery 3. Managing staff morale in light of cuts 4. Failure to take early decisions on which services should be cut could lead to poor planning	There are currently no significant issues with regards to achieving the MTFP savings proposals identified for 20-21, so we have revised 20-21 to a medium rating for Oct20. The only issue may be around the impact of additional cost pressures linked to covid that won't all be funded by WG. That position isn't completely clear and won't be for a while yet and this may alter the rating later on.	Education & Lifelong Learning MTFP savings proposals for 2020/21 were presented to Education for Life Scrutiny on 9th December 2019. ELL002	Grant Funding	Directorate Grant Funding is circa £30m. Grant funding gives a degree of uncertainty for future planning purposes; 1. Annual grants may not be renewed posing significant risk to medium and long term financial planning. 2. If external audit identify a failure to comply with terms and conditions, then potentially the grant funding body could claw back the grant funding previously awarded and paid which will impact significantly upon the Authority's budget that year. ELL004	School Buildings	Determine the current level of backlog maintenance in schools and prioritise works, working in collaboration with Health & Safety and Building Consultancy colleagues.	1. The ambitious 21st Century Schools proposals will significantly reduce backlog maintenance. 2. Condition surveys have now been completed for all schools and show backlog maintenance for P1, P2 & P3 tasks amount to £32 million. 3. Ensure limited capital resources targets highest priority areas.	The Directorate is working closely with Building Consultancy and Health & Safety to ensure the Authority limited annual school maintenance budget targets highest priority. The 21st Century School proposals are closely monitored by the School Strategy Board ensuring progress is on target. Following Grenfell there has been a greater focus on the type of build and adequate compartmentalisation in all fire risk assessments. Despite a £500K budget being set aside from the Council's own budget and an additional £500K from WG grant this area is seen as a significant financial pressure for future years. An additional £2.5 million pounds has been allocated by WG for maintenance projects in schools 2020/21. ELL005	Vulnerable Learners	Numbers of pupils identified as vulnerable have risen significantly in recent years and schools are increasingly challenged to offer appropriate provision for them. There are examples where pupils cannot be educated in mainstream settings and require specific provision outside the school site so that their needs can be met. 1. No. of pupils requiring EOTAS provision is increasing. 2. The costs of external provision have increased. 3. High quality provision and appropriate destinations for these pupils is limited. 4. Statutory posts in place by January 2021 (LA and schools). Compatible IT systems must be developed to ensure digital processes are in place. Highlight as a budget pressure for future.	Targets for implementation have been revised in light of changes by WG to implementation date. Work ongoing with Welsh Government and locally to ensure minimum requirement for IT systems are in place that will allow development of digital systems. LA appointments are in process. NEW	NEETS	Risk – NEET's is young people who are not in education, employment or training. This data started being recorded in 2012 when the rate was 5.8%. Considerable hard work went into helping young people which reduced the figure to as low as 1.9% in 16/17. Currently NEETs averages around 2% equating to around 40 young people. However during the course of this year the Authority's NEETs target for the 2019/20 cohort of year 11 pupils is likely to be adversely affected as the Virus lockdown has restricted the breadth of contact opportunities usually available to the Youth Service, compounded by the closure of Schools, in the Summer term of 2020. This has resulted in elevated numbers of vulnerable young people without confirmed post-school destinations, particularly those already less engaged with schools for various reasons and this may result in a decline in the NEETS figure.	The data is published in Oct to Nov 2020 which will tell us how severe the decline may be.	New Risk	New	New	New	High	This is a high risk for future generations as starting adult life with no or limited skills, qualifications or life opportunities will affect individual quality of life and the long term quality within communities	High

Conclusion

Highlights - what is going well

- No school has closed to COVID despite incredibly challenging circumstances. The commitment to providing an education and keeping schools open has been incredible
- Front line delivery and support services have worked together incredibly well and have demonstrated the benefits of doing whatever is necessary in support of the service
- The levels of FSM take up across the Community has risen by 20% and the work undertaken to increase equality through cashless catering should maintain the levels
- Distance and blended learning practice has developed significantly and some of Caerphilly's schools are now leading the way
- The Council was able to support front line NHS staff and key workers through the provision of childcare hubs throughout lockdown
- Elyn commentary on the leadership and approaches shown by Caerphilly towards its schools throughout the response has been very encouraging
- The introduction of new technology through EdTech, public WiFi across schools and tools such as Microsoft Teams has enabled teaching and learning to be delivered despite learners not always being able to attend class
- Collaborative working across Council directorates and external agencies has shown what can be delivered in spite of adversity
- The response from staff and residents to the buddy scheme was positive and staff involved gained a real sense of purpose, demonstrating a high level of goodwill towards the support the council offered. Cabinet Members have agreed to support a 'corporate volunteering scheme' to enable staff who have built up friendships with the vulnerable people they have supported over a number of months, to continue, helping to promote independence, resilience and preventing isolation and loneliness.

What have we learnt, what needs improving and why?

- It will be important that those schools who are not as advanced in their approaches to blended and distance learning have the opportunity to learn from others and can catch up quickly
- It doesn't matter how good the guidance is, situations such as this require good judgement and a balanced approach to decision-making
- Role clarity and regular communication is key to keeping the team together which in turn is key to effective delivery.
