1. Corporate Policy Statement:

- 1.1 Caerphilly County Borough Council is committed to ensuring that everyone living within the Borough is safe and protected and that our statutory responsibilities to safeguard and protect children, young people and vulnerable adults are effectively met.
- 1.2 Safeguarding children and adults from abuse is everybody's business. We all share a responsibility, both corporately and individually, to ensure that all children and adults are treated with respect and protected from others who may abuse them. All Council employees, Elected Members, volunteers and contractors who come into contact with children or vulnerable adults in the course of their duties are expected to understand their responsibility and wherever necessary, to take action to safeguard and promote their welfare.
- 1.3 As part of the Council's commitment to safeguarding, we work proactively with our partners under the auspices of the South East Wales Safeguarding Children Board (SEWSCB) and the Gwent Wide Adult Safeguarding Board (GWASB) to ensure that statutory guidance is followed, awareness and good practice is promoted and the children and adult's workforce practices safely and effectively. Helpful guidance on professional conduct and safe working practice can be found in Appendix 1 (page 15).

Scope:

- 1.4 This policy covers all Council employees, Elected Members, volunteers and contractors.
- 1.5 While employees, Elected Members, volunteers and contractors are likely to have varied levels of contact with children, young people and vulnerable adults as part of their duties, everyone should be aware of the potential indicators of abuse and neglect and be clear about what to do if they have concerns. Responsibilities are limited and it is important to remember that:

IT IS NOT the responsibility of any Council employee, Elected Member, volunteer or contractor to determine whether abuse or neglect is actually taking place.

HOWEVER,

IT IS the responsibility of the employee, Elected Member, volunteer or contractor to take the actions set out in this policy if they are concerned that abuse or neglect may be taking place.

2. What is safeguarding?

2.1 Safeguarding means protecting individual's health, well being and human rights and enabling them to live free from harm, abuse and neglect (Care Quality Commission, 2014)

2.2 The Social Services and Well Being (Wales) Act 2014 defines abuse and neglect as:

'Abuse' means physical, sexual, psychological, emotional or financial abuse and includes abuse taking place in any setting, whether in a private dwelling, an institution or any other place. 'Financial abuse' includes:

- Having money or other property stolen;
- Being defrauded;
- Being put under pressure in relation to money or property;
- Having money or other property misused.

'Neglect' means a failure to meet a person's basic physical, emotional, social or psychological needs which is likely to result in an impairment of the person's well being for example, an impairment of the person's health or, in the case of a child, an impairment of the child's development.

Safeguarding Children and Young People

2.3 For the purposes of this policy, a child is defined as anyone who has not yet reached their eighteenth birthday. 'Children' therefore means 'children and young people' throughout this document. The fact that a child has reached 16 years of age, is living independently or is in further education, is a member of the armed forces, is in hospital or in custody in the secure estate does not change his or her status or entitlement to services or protection under current legislation.

Safeguarding Vulnerable Adults at Risk

2.4 For the purposes of this policy, an adult is defined as being over eighteen years of age. A vulnerable adult becomes an adult at risk when they:

- a) are experiencing or are at risk of abuse or neglect;
- b) have the need for care and support (whether or not the authority is meeting any of those needs); and
- c) as a result of those needs is unable to protect him/herself against the abuse or neglect or the risk of it.

(Social Services and Well Being (Wales) Act 2014)

Violence Against Women, Domestic Abuse and Sexual Violence (VAWDA&SV)

- 2.5 The Violence Against Women, Domestic Abuse and Sexual Violence (Wales) Act 2015 aims to improve arrangements for the prevention of gender based violence, abuse and sexual violence. The protection of victims and support for people affected is underpinned by the 'Ask and Act' duty placed on public service staff to ask potential victims about the possibility that they may be experiencing VAWDASV and act so as to reduce suffering and harm.

Counter-terrorism and risk of radicalisation

- 2.6 Local authorities have a duty to identify vulnerable individuals and families at risk of radicalisation from all forms of extremism. The Counter Terrorism and Security Act 2015 and its guidance, identifies that children and adults may be vulnerable to ideologies that place them, their families and the general public in danger should they be enticed to act upon extremist beliefs. Identifying individuals at risk and determining what action is necessary to support them is complemented by the 'Channel' multi-agency intervention process which deters continued involvement.

Modern Day Slavery

- 2.7 Modern day slavery encompasses slavery, sexual exploitation, human trafficking, forced labour and domestic servitude. Traffickers and slave masters use whatever means they have at their disposal to coerce, deceive and force individual's into a life of abuse, servitude and inhumane treatment. In March 2015, the Modern Day Slavery Bill consolidated and simplified existing offences into a single Act ensuring that perpetrators can receive suitably severe punishments. The Bill also introduces new powers for the courts to place restrictions on individuals to protect people from the harm caused by modern day slavery.
- 2.8 Modern day slavery is a hidden, pervasive crime targeted towards those individuals most vulnerable. The Council and BAWSO are first responding organisations to cases of slavery. Contact details for BAWSO are included in Appendix 6.

Recognition of abuse or concerns

- 2.9 Guidance in respect of possible signs and symptoms of each form of abuse can be found at Appendix 2 (from page 16). This Appendix details generic factors and those factors as they relate to Children and Adults for each category of abuse.

3. Responsibilities for Safeguarding:

- 3.4 Safeguarding responsibilities for all employees are emphasised from the point of recruitment and throughout their employment. There are clear lines of accountability, responsibility and support regarding safeguarding throughout the authority and these are achieved via relevant staff guidance, code of conduct (including disciplinary procedures) and specific policies and procedures which all staff must adhere to.
- 3.5 The Council has a range of policies and procedures available to promote and support staff to raise concerns about the safety and welfare of children and adults. These include the Whistle Blowing Policy which provides guidance for staff to report concerns or suspicions about other employees or contractors.

All Employees of the Council

- 3.10 The Council expects all employees to take all reasonable steps to ensure the safety of any child or adult involved in any activity or interaction for which they are responsible. - 3.11 Any person responsible for, or working with, children or vulnerable adults in any capacity, whether paid or unpaid, is considered both legally and morally, to owe them a duty of care. This includes a duty to behave in a manner that does not threaten, harm or put people at risk of harm from others.
- 3.12 All employees have a responsibility to conduct themselves in their private lives in a manner that does not compromise their position in the workplace or call into question their suitability to work with children or vulnerable adults.
- 3.13 All employees should:
- Be alert to the possibility of harm, abuse and neglect
 - Participate in relevant safeguarding training and multi agency working to safeguard children and vulnerable adults

- 3.14 All employees working for or on behalf of the Council have a duty to report any concerns they may have for the welfare and/or protection of children and vulnerable adults. The duty to report is a legal requirement and may have serious consequences for the employee who fails to report appropriately. The process to follow to make referrals is contained in Appendix 5 (page 26).
- 3.15 Each service area where there is direct contact with the public, has a Designated Safeguarding Officer (DSO) responsible for safeguarding. The DSO provides advice and guidance and is responsible for ensuring procedures are followed regarding safeguarding concerns about a child or

vulnerable adult including allegations against members of staff. The DSO responsibilities and their contact details are listed in Appendices 3 & 4 (from page 24).

How to make a referral
LISTEN, SHARE, RECORD

LISTEN

If you are concerned because of something a child or vulnerable adult is saying, you should not attempt to take any action directly but **you should**:

- Stay calm
- Listen carefully, do not directly question him or her, instead use open questions; what, where, when, who?
- Never stop them talking if they are freely recalling significant events
- Tell them what you will do next and who you will inform (see below)
- Never promise to keep what you have been told secret or confidential
- Make a note of the discussion, taking care to record what was said, when and where it happened and who else was present

SHARE

Any safeguarding concerns should be discussed with the Designated Safeguarding Officer (DSO) in the respective Service area. With the support of the DSO the decision to refer a concern to Social Services will be made and responsibility for referring will be agreed ie the staff member or the DSO will make the referral.

Should the concerns relate to a professional, the same procedure will apply.

Referrals in relation to a concern about a child, young person or adult should be made to Social Services as soon as possible and certainly **within 24 hours**.

Social Services Information, Advice and Assistance Service can be contacted on: **0808 100 1727**

Outside office hours, referrals should be made to the South East Wales Emergency Duty Team or if there is immediate risk, to the Police.

The Emergency Duty Team can be contacted on: **0800 328 4432**

Elected Members, employees, volunteers and contractors should be aware that they **cannot remain anonymous** when making a referral.

The Duty Worker taking the referral should be given as much information as possible if it is available to the referrer. This will include the following:

- Full name of the subject of the concern
- Their date of birth or age
- Their address
- The nature of the concern
- Who may be responsible
- Their name and relationship (if any)
- What happened
- When and where
- What has been done in response
- Whether or not the Police have been informed
- The names and relationship of those with caring responsibility
- The names and ages of any other adults living in the household
- The names of any professionals known to be involved eg school, GP
- Any information affecting the potential safety of staff
- The allocated social worker or team if known/if applicable

RECORD

All telephone referrals should be confirmed in writing within two working days. For Children, a Multi Agency Referral Form (MARF) should be used [insert hyperlink](#) and for an Adult referral a POVA Advice/Adult Protection Referral Form (APRF) [insert hyperlink](#) should be used.
