

AUDIT COMMITTEE – 9TH DECEMBER 2015

SUBJECT: CORPORATE RISK MONITORING

REPORT BY: ACTING DIRECTOR OF CORPORATE SERVICES & S151 OFFICER

1. PURPOSE OF REPORT

- 1.1 To provide an update of the Corporate Risk Register in accordance with the recommendations to Audit Committee at their meeting 17th September 2013.
- 1.2 To afford Audit Committee the opportunity to satisfy itself that appropriate arrangements are in place for the council's risk management processes to be regularly and robustly monitored and scrutinised.
- 1.3 Members have a critical role to play in evaluating the council's risk management arrangements and in particular understanding how the council identifies, manages and, where possible, mitigates/removes risk. Risk Management is crucial to the effective delivery of council services.

2. SUMMARY

- 2.1 At its meeting on the 17th September 2013 Audit Committee accepted the council's new Risk Management Strategy and supporting Guidelines, which were subsequently approved by Cabinet on the 2nd October 2013.
- 2.2 The Strategy identified the role of Audit Committee in the risk monitoring process as being:
 - Review the effectiveness of the risk management and internal control framework
 - Review the Council's Risk Management Strategy and how it is being implemented
 - Review and challenge the risk register and resultant action plans for the council's key strategic and corporate risks
 - Satisfy itself that robust processes and procedures exist and are applied for the management of operational risks including health & Safety risks.
- 2.3 For some time Corporate Management Team (CMT) has identified and monitored the council's key corporate risks. Monitoring arrangements have been strengthened following the introduction of the Risk Management Strategy. CMT now monitor the Council's Corporate Risks on a monthly basis and report progress to Cabinet on a regular basis. The Strategy identifies that the Corporate Risk Register should be owned and understood by Cabinet and CMT. It also recognises that Audit Committee would be the guardians of the risk management strategy and should satisfy itself that it is being adhered to.
- 2.4 A programme of Risk Management training has been introduced for members commencing with Audit Committee (30th October 2013). Cabinet Members have also received training. Further and continuous training will be provided to satisfy one of the Proposals for Improvement identified in the Auditor General's Corporate Governance Follow Up Report.

3. LINKS TO STRATEGY

- 3.1 Service improvement and delivery is key to delivering council priorities and risk management is a crucial element.

4. THE REPORT

- 4.1 Attached as Appendix 1 is the most recent version of the council's Corporate Risk Register. These risks are reviewed on a monthly basis by CMT and include:

- A description of each individual risk
- An assessment of the risk using the normal Red/Amber/Green (RAG) identification
- Details of mitigation measures put in place
- Identification of the risk owner

- 4.2 The Corporate Risk Register is compiled generally in the following ways:

1. CMT collectively identify organisational risks that arise from such sources as national/regional agendas, changing legislation, budget settlements, partnership risks, project risks etc.
2. CMT collectively identify whole authority operational risks that could result from Regulatory inspections/reviews, political influences, work force planning, performance management etc.
3. Directors escalate operational risks that in their opinion require a corporate approach to their management.

- 4.3 The Corporate Risk Register is a 'living document' and changes at every review as new risks are introduced, existing risks are closed, or existing risk's RAG assessment is updated.
