REPORT BY: CHIEF EDUCATION OFFICER

1. PURPOSE OF REPORT

1.1 To inform Members on proposals for the 2018/19 Education Capital Programme, prior to consideration by Cabinet on 14th March 2018.

2. SUMMARY

2.1 The report identifies proposals for the allocation of Education Capital Budgets for the 2018/19 financial year in the context of the 3 year Capital Programme 2018/19 – 2020/21. This is subject to agreement of the budget by Special Council at its meeting on 22nd February 2018.

3. LINKS TO STRATEGY

- 3.1 The report considers the use of capital resources within Education to ensure the Council's key strategies are best achieved.
- 3.2 The report links directly to the Education for Life, sustainability, regeneration and equality strategies. The report also links to the Learning theme of Caerphilly Delivers, the Local Service Board single integrated plan.
- 3.3 The report maximises our contribution to the Well-being Goals of the Well-being of Future Generations Act (Wales) 2015, as listed below:
 - A healthier Wales, supporting vulnerable learners can improve their well-being and add educational achievement.
 - A more equal Wales, a society that enables people to fulfil their potential no matter what their background is; and.
 - A Wales of cohesive communities (in the context of improving quality of life with attractive, viable, safe and well connected communities).

4. THE REPORT

4.1 Special Council, at its meeting on 22 February 2018, are due to consider a medium term financial strategy 2018/19 - 2022/23. This includes a 3 year forward capital programme for Education, as follows:

| <u>Scheme</u> | 2018/19 £'000 | 2019/20 £'000 | 2020/21 £'000 |
|--------------------------|------------------|------------------|------------------|
| Additional Accommodation | 223 | 223 | 223 |
| Asset Management | 595 | 595 | 595 |
| Health & Safety | 298 | 298 | 298 |
| School Security | 100 | 100 | 100 |
| Boiler Replacement | 218 | 218 | 218 |
| | | | |
| | 1,434 | 1,434 | 1,434 |

- 4.2 On 24 February 2015 Scrutiny members were made aware of the budgetary pressures being faced in the context of electrical rewiring works in schools.
- 4.3 A sum of £2m towards electrical rewiring works in schools was allocated from the agreed programme amount over the 3 year period 2014/15-2016/17, funded as follows:

Asset Management £300k p.a. for 3 years = £900k Health & Safety £300k p.a. in 2015/16 + 2016/17 = £600k School Security and Boiler Replacement £250k p.a. in 2015/16 + 2016/17 = £500k.

- 4.4 These works are now at the completion stage and an underspend of circa £500k is currently predicted on this project.
- 4.5 The Council's Health and Safety team are currently in the process of updating Fire Risk Assessments in Schools. As a result of Grenfell there has been a greater focus on the type of build and the requirement to ensure adequate compartmentalisation in buildings. The Council's Health and Safety Team are working with the fire service in this regard. At this stage neither the full cost implications or the impacted schools are known. It is recommended that the underspend of £500k in 4.4 above be reserved for this use. This recommendation will be considered by Cabinet on 14th March 2018.
- 4.6 The proposals for the 2018/19 budget are outlined in detail below. Education colleagues have worked closely with both the Council's Health & Safety and Building Consultancy teams when determining the priority projects.

4.7 Additional Accommodation £223k

- 4.7.1 The annual capital allocation of £223k equates to circa 1 additional classroom per annum.
- 4.7.2 Due to the current and increasing demand for in-catchment places at Ystrad Mynach Primary School it is recommended that this sum, plus the 2019/20 allocation, be used to create a two storey classroom extension on the existing school site.

4.12.3 The above proposals result in uncommitted sums of £29k against the Schools Security budget, £29k against Health & Safety budget and £34k for 50/50 projects. This will allow for any small project variations and any urgent in year bids.

5. EQUALITIES IMPLICATIONS

- 5.1 Many of the initiatives contained within the Education capital budget seek to address equality issues.
- 5.2 The LA has an obligation under section 88 and Schedule 10 of the Equality Act 2010 to prepare an accessibility strategy. This is a strategy for increasing the extent to which disabled

pupils can participate in the schools' curriculums; improving the physical environment of the schools for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the schools and improving the delivery to disabled pupils of information which is readily accessible to pupils who are not disabled.

5.3 The specific proposals for 2018/19, where relevant, comply with the strategy.

6. WELL-BEING OF FUTURE GENERATIONS

- 6.1 The Welsh Government (WG) 21st Century Schools and Education Band A programme 2014-2019 has resulted in an investment of £56.5m in education within the County Borough. This has been funded 50% by WG and 50% by the Authority. There were 5 projects identified as part of the programme. Two are now complete, Islwyn High School which opened in July 2017, and Y Gwyndy Welsh Medium Secondary School which is an expansion of Ysgol Gyfun Cwm Rhymni in the Caerphilly Basin which also incorporated a New Primary School Ysgol Gynradd Gymraeg Caerffili. The Abertysswg/Pontlottyn Primary School Building, which is part of the Idris Davies 3 to 18 school opened in January 2018. These are state of the art 21st Century School developments. The extension of Newbridge School has recently started with completion scheduled for September 2018 and the final scheme invested £2M into a refurbishment project at Blackwood Comprehensive.
- 6.2 The Authority has recently submitted to WG their bid in relation to the 21st Century Schools Band B programme which will run from 2019 for a 5 year period and will focus on the improvement of the condition of school buildings, maximising community usage and ensuring the right schools in the right places.
