In November the Council will be launching a new initiative called 'High Street Hero' which asks people to nominate those retailers in our town centres who provide excellent customer service, offer value for money and show great product knowledge. Retailers who receive a nomination will be featured across the Council's social media channels and also on the corporate website. In addition, each nominated businesses will be awarded a 'High Street Hero' certificate and window sticker to show that customers recognise and value the business. The aim of the scheme is to raise the profile of shops on our high streets and encourage people to invest at least some of their retail spend locally, especially in the period leading up to Christmas.
