

CABINET – 22ND JULY 2020

SUBJECT: PUBLIC SPACE PROTECTION ORDER - DOG CONTROL ON SPORTS PITCHES

REPORT BY: INTERIM CORPORATE DIRECTOR, COMMUNITIES

1. PURPOSE OF REPORT

- 1.1 To seek authority to consult on the amendment to the Public Spaces Protection Order 2017 (PSPO) to include the exclusion of dogs from marked sports pitches.

2. SUMMARY

- 2.1 Public Spaces Protection Orders were introduced by the Anti-social Behaviour, Crime and Policing Act 2014 and can be used to regulate activities in particular public places to ensure that the law-abiding majority can use and enjoy public spaces safe from anti-social behaviour. As such, these Orders provide an opportunity to enhance the Council's enforcement ability to respond to public opinion regarding dog fouling.
- 2.2 In September 2017 Cabinet approved and adopted the Public Spaces Protection Order 2017; the Order includes the following restrictions:
- Excluding dogs from all enclosed children's play and multi-use games areas
 - Requiring dogs to be kept on leads in enclosed memorial gardens
 - Requiring dog owners to remove dog faeces in public places
 - Requiring dog owners to carry an appropriate receptacle for dealing with the waste that their dogs produce (that is to always have the means to pick their dog faeces)
 - Requiring dog owners to put their dogs on a lead when directed to do so by an authorised officer on any public land where the dog is considered to be out of control or causing harm or distress to prevent a nuisance.
- 2.3 In addition to the decision to proceed with the above proposals Cabinet also resolved at an earlier meeting held on the 18th January 2017 that the proposal to exclude dogs from all council owned marked sports/playing pitches on a seasonal basis should be omitted at that stage of the process, and be reviewed after a period of 12 months or once the impact of the above provisions can be established.
- 2.4 Consequently, the report presents a review of the current position regarding dog fouling since implementation of the Order including the results of an informal consultation undertaken with sports clubs across the county borough; (the results of which are detailed in the report below) with 88% agreeing that dogs should be prohibited from marked sports pitches. An overview of the consultation responses (summary report) is attached at Appendix 1.

2.5 A portfolio of all marked council sports pitches is included in Appendix 3.

3. RECOMMENDATIONS

3.1 Members are requested to consider undertaking a 10 week public consultation exercise on the proposal to amend the Public Spaces Protection Order 2017 to include a provision to exclude dogs from marked sports/playing pitches when it becomes possible to carry out meaningful consultation with the public and relevant stakeholders.

3.2 It is recommended that the amended Public Space Protection Order will last for a three year period.

4. REASONS FOR THE RECOMMENDATIONS

4.1 To protect public health and well-being.

5. THE REPORT

5.1 Dog fouling is unsightly, unpleasant and can lead to serious illness in humans such as Toxocariasis; which can develop from direct contact with contaminated dog's faeces and in some cases potentially lead to blindness. Particular concern is therefore raised in relation to children and other sports pitch users coming into contact with dog faeces.

5.2 Public Spaces Protection Orders were introduced by the Anti-social Behaviour, Crime and Policing Act 2014 (the Act) and can be used to regulate activities in particular public places, to ensure that the law-abiding majority can use and enjoy public spaces, safe from anti-social behaviour. Whilst the Act allows local authorities to regulate activities in public places, the legislation specifies certain requirements which must be considered prior to making an Order.

5.3 A local authority may make a Public Spaces Protection Order if it is satisfied on reasonable grounds that two conditions are met. The first condition is that activities carried on in a public place within the authority's area have had a detrimental effect on the quality of life of those in the locality or it is likely that the activities will be carried on in a public place and that they will have such an effect. The second condition is that the effect or likely effect is likely to be of a persistent or continuing nature, is likely to be such as to make the activity unreasonable and justifies the restriction imposed by the Order.

5.4 In September 2017 Cabinet approved and adopted the Public Spaces Protection Order 2017; the Order includes the following restrictions:

- Excluding dogs from all enclosed children's play and multi-use games areas
- Requiring dogs to be kept on leads in enclosed memorial gardens
- Requiring dog owners to remove dog faeces in public places
- Requiring dog owners to carry an appropriate receptacle for dealing with the waste that their dogs produce (that is to always have the means to pick their dog faeces)
- Requiring dog owners to put their dogs on a lead when directed to do so by an authorised officer on any public land where the dog is considered to be out of control or causing harm or distress to prevent a nuisance.

5.5 In addition to the decision to proceed with the above proposals Cabinet also resolved at an earlier meeting held on the 18th January 2017 that the proposal to exclude dogs from all council owned marked sports/playing pitches on a seasonal basis should be omitted at that stage of the process, and be reviewed after a period of 12 months or once the impact of the above provisions can be established. The Order came into force on 20th October 2017 and the requirement for dog owners to carry an appropriate receptacle for dealing with the waste that their dogs produce was the subject of an informal enforcement phase initially.

- 5.6 The current Dog Control PSPO expires in October 2020. However at present the impacts of the Covid-19 pandemic mean that there is insufficient time to undertake and consider a meaningful consultation on this potential amendment to the Order. Therefore the Head of Public Protection, Community & Leisure Services is progressing a proposal to extend the current Order by 1 year without amendment to allow all of the existing restrictions of the Order to remain in place. This will allow for a meaningful consultation to take place on the proposal to amend the Order to include a provision to exclude dogs from marked sports/playing pitches which is the subject of this report.
- 5.7 Since the introduction of the PSPO in October 2017 over 1940 complaints of dog fouling have been investigated. 39 Fixed Penalty Notices have been served for dog fouling and 59 have been served for failing to carry bags to clean up dog waste.
- 5.8 To further inform the review a consultation exercise recently carried out with 82 sports clubs in the borough yielded 24 responses. 33% of clubs responded that dog fouling on sports pitches had increased, 38% said it was the same, and 25% reported a decrease.
- 5.9 Out of the 24 clubs who responded 21 (88%) supported prohibiting dogs from marked sports pitches, 2 (8%) disagreed with the proposal and 1 (4%) did not know. A range of comments were provided by the respondents and are detailed with the survey summary attached as appendix 1. This is in contrast to the consultation undertaken in 2017 for the original PSPO, during which 54% of those who completed the survey agreed with the proposal to introduce a new requirement that makes it an offence to allow dogs onto all marked sports playing pitches owned by Caerphilly CBC. The proposal was supported by local sports clubs.
- 5.10 The council launched an environmental awareness campaign entitled 'Enough is Enough' to coincide with the introduction of the PSPO. Using an integrated approach, the campaign sought to clearly explain the various elements of the order and the possible consequences of non-compliance. A blend of digital (Facebook, Twitter, web, email, video content) and traditional (Newspaper, press, signage etc) was used to communicate the changes, with pupils from Ystrad Mynach Primary School helping to launch the campaign with a clear message to irresponsible dog owners that 'Enough is Enough'.
- 5.11 The council has since continued to raise awareness of the order, in particular focussing on instances where individuals have been found to be in breach of it. This has helped reinforce the proactive stance that enforcement officers are taking in enforcing the PSPO, and has been well received by residents.
- 5.12 The Act requires that before it can make a PSPO the Council must carry out the *necessary consultation*, the *necessary publicity* and the *necessary notification*. This includes the publication of the text of the proposed PSPO on the Council's Website, consultation with Gwent Police and other community representatives the Council considers appropriate to consult, together with notification to Community Councils across the County Borough. It is proposed that a consultation will be conducted via an on-line survey. Additionally, other stakeholder groups will be contacted directly and invited to respond to the survey. Such stakeholders will include the Kennel Club, Dogs Trust, RSPCA, sports clubs, Parent Network, Voluntary Sector, Community Safety Networks, Head Teachers for the attention of parents (not exhaustive).
- 5.13 Cabinet members are asked to consider the proposed amendment to the Public Space Protection Order 2017 and approve a 10 week consultation.

6. ASSUMPTIONS

- 6.1 There are no assumptions associated with this report, as it is a factual statement of enforcement activity.

7. LINKS TO RELEVANT COUNCIL POLICIES

- 7.1 Enforcing public protection legislation is a statutory duty and this activity contributes to the Caerphilly Public Services Board's Wellbeing Plan, The Caerphilly We Want 2018 – 2023; and Objective 1 of the Council's Strategic Equality Plan 2016-2020.
- 7.2 The work also supports the following Corporate Well-being Objectives, identified within the Council's Corporate Plan 2018-23:
- WBO 5: Creating a county borough that supports a healthy lifestyle in accordance with the Sustainable Development Principle within the Well-being of Future Generations (Wales) Act 2015

8. WELL-BEING OF FUTURE GENERATIONS

- 8.1 The Wellbeing of Future Generation (Wales) Act 2015 is about improving the social, economic, environmental and cultural wellbeing of Wales. It requires public bodies to think more about the long-term, working with people and communities, looking to prevent problems and take a more joined up approach. This will create a Wales that we all want to live in, now and in the future. Public Protection enforcement activity contributes to the following Well-being Goals within the Act:

- A resilient Wales
- A prosperous Wales
- A healthier Wales
- A more equal Wales
- A Wales of cohesive communities
- A Wales of vibrant culture and thriving Welsh language

- 8.2 The Well-being of Future Generations (Wales) Act 2015 sets out the sustainable development principle against which all public bodies in Wales should assess their decision-making. The aim of the legislation is to ensure the well-being of future generations through maximising the contribution public bodies make towards the well-being goals. In using the sustainable development principle it is incumbent that the authority considers the whole of the population it serves and considers the effect of its actions on future generations. The principle, also known as the five ways of working is assessed as below:

LONG TERM – we aim to sustain our enforcement programmes over the long term and whilst we will always prioritise high risk issues we will endeavour to address low, medium, and unrated risks to ensure that issues do not worsen over time.

INVOLVEMENT- we rely on information and intelligence to inform both our programmed and reactive activities. We seek feedback from those that we regulate and work to promote compliance through information and awareness raising. We undertook consultation on the Public Protection Enforcement Policy.

PREVENTION - Any measures that reduce exposure to dog fouling will promote and protect public health and safety, thereby preventing harm from occurring.

COLLABORATION – Public Protection services collaborate extensively with partner agencies including Gwent Police.

INTEGRATION – Public Protection enforcement activity makes a contribution to a number of the Well-being Goals within the Well-being of Future Generation (Wales) Act 2015.

9. EQUALITIES IMPLICATIONS

9.1 Under Section 149 of the Equality Act 2010 which states that:

A public authority must, in the exercise of its functions, have due regard to the need to —

- (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The principle of 'due regard' has been well established in case law. The important elements are that:

Decision makers should be aware of the implications of the public sector equality duty when making decisions.

Due regard must be a conscious part of the decision.

Analysis of facts must be rigorous and undertaken with an open mind- with substantial attention to relevant facts and research and attention paid to conflicting views.

Consultation must take place in a meaningful way with interested parties.

And, that the public sector equality duty is an ongoing one.

9.2 The exclusion of dogs from playing pitches will benefit children, youth and adults that play sport on marked sports pitches, as it will help provide a clean and safe area for sports to be played on. Whilst we do not hold any data it is understood that users of the Council's sports pitches tend to be drawn from younger age groups. There could be a negative impact upon older people or people with disabilities who have limited mobility if they have to travel to other locations to exercise their dogs, but it is considered that there is ample alternative open space outside of marked sports/playing pitches in the county borough.

9.3 Dog fouling legislation provides exemptions in particular cases for registered blind people, deaf people and for other members of the public with disabilities who make use of trained assistance dogs. Consideration will need to be given to the application of these exemptions across the different proposals.

9.4 An Equality Impact Assessment has been drafted and is attached at Appendix 2. The draft EIA will be developed further using information received through the consultation.

10. FINANCIAL IMPLICATIONS

10.1 Experience suggests that following public consultation, there is likely to be significant officer time in developing the proposals. Thereafter, there will be the cost of producing and erecting

new signage in the designated areas, amounting to circa £10,000, this will come from within existing Environmental Health budgets.

- 10.2 The income that is generated by the imposition of fixed penalty notices or recovery of court costs is included in the revenue budget.

11. PERSONNEL IMPLICATIONS

- 11.1 Temporary increase in workload to conduct the consultation and to develop the amended PSPOs. Any additional restrictions imposed may increase the potential for staff to be placed in confrontational situations. It would be important to ensure that the necessary training and procedures are in place so that staff are able to assist with the expectations in relation to enforcement of these proposals.

During last season, has the amount of dog fouling on your club sports pitch increased, decreased or stayed the same?

Do you agree or disagree that dogs should be prohibited from marked sports playing pitches?

Please give reasons for your answers below.

The danger involved in respect of becoming infected as a result of coming into contact with dog fouling completely outweighs any reason why they should be allowed on these fields. There is ample availability of areas to walk pets with allowing the to ram and foul our fields. We have known games stopped 7 times in 80 minutes to clear dog mess that was missed during the pre match sweep and this is not acceptable. Dog fouling bins are not present at our pitch and I have never witnessed any sort of monitoring present.

There is no reason for dogs to be exercised on sports playing pitches.

We have had to stop games because of the amount of dog fouling on the Pitch at Fields Park. We try and check field before game, but sometimes we miss some.

Loads of other areas available to take your dog

Strongly feel dogs should not be permitted on sports or children's play areas for risk of fouling pitches and harm to people. If they are in the vicinity they should be on leads at all times

Our field at Rhymney RFC is fully enclosed by security fencing, so fouling has not been an issue.

I walk my dog through the park but won't let her on the rugby pitch not even to wee. Fouling is a problem but it's lazy owners to blame not the dog.

Please give reasons for your answers below.

Unfortunately no one in my villave has taken any notice of the rule, as there is not a sign by the entrance of the football pitch to let them know. This is due to no one enforcing the rule. So as there is no one there to tell them about the rule, they still let their dogs run free on my football pitch. Unless there is someone there constantly, to enforce the rule most dog owners have not taken any notice of the rule. So for the health and safety of the football player at my club, the rule needs to be changed to Ban

Dogs should have their own areas like special dog parks. We have issues of where we can train also as council pitches shut down through the summer so we look to use the showfield which is an absolute disgrace. It's where people take their children to learn how to ride bikes, have picnics and enjoy the dry weather but get put off due to the dog mess and also dogs running freely off their leads. With a rise in dog attacks then I think it is vital that dogs have their own space away from public areas that children use

With all the teams adult and children that participate in sport on Abercarn Welfare it only takes one instance of dog excrement to infect a player and it could cause major health problems. I own a dog and would certainly not entertain walking him on a field that is used by for sports activities.

I think it's disgusting that children could fall in dog mess whilst playing football. This needs to be policed in a much better way with fines to dog owners to be visible and become a deterrent

Risk to health for ANYONE playing on the pitch.

It's a sports venue where it's obvious to all that people use

I agree that dogs shouldn't be allowed on marked playing fields due to owners not cleaning up after them

We have to pick it up before each game, which we should not have to do, it is dangerous if a player lands on it, our pitch (Llanfabon drive) it is open to the public so it is hard to stop people using it to walk their dogs on it and not pick their mess up, we would like to have it closed off but that's another story

No matter the diligence of the dog walker either small amounts or complete mess is still left on the field Children of all ages are encouraged to take part in physical activity and should not be put in a dangerous or filthy situation At this moment public fields are accessible with no means (bins) to dispose the waste The only option to prevent dog fouling is to completely fence off playing fields denying access

There is enough open space around this area to avoid dog owners walking on sports playing fields in my experience the main problem is the older age group who I have seen walk away without cleaning up after their pets and excuses range from not having enough bags to sheer arrogance and the younger generation leading the way here and being more responsible. It is a sorry state that when before our children can play on these areas a inspection as to be made to clear dog mess and never once have I had a empty bucket

Banning dogs from sports pitches isn't the issue it's the irresponsible owners who are at fault. More wardens should be employed to punish those who are to blame for allowing their dogs to foul on sports pitches, although where possible more strategically placed waste bins may help the situation.

we play at 11.30 so are generally the second game of the day so any dog fouling issues have been cleared by then it is acknowledged that it is almost impossible to stop dogs from access to playing pitches when they are in public parks

There is no problem with the dogs on the pitches it is the owners who do not clean up after them that is the problem.

As a coach I have to pick up dog mess off the pitch every training session and match days

There are ample areas within the Borough for dogs to be walked. Sports pitches have a defined purpose and dogs should not be allowed on them under any costs, people are in regular contact with the ground during some sports and the risks that dog faeces carry are far too great to take any chances.

Please give reasons for your answers below.

Dog fouling creates a hazard for those who play sport on the marked pitches contained in the parks within the borough. There are enough open grass areas within parks for dog owners to exercise their dogs without encroaching on the marked pitches. There are still instances where dog owners exercise their dogs on marked pitches and do not pick up the faeces deposited by their pets. I'm sure many of these people do not realise the risk this presents to those who partake in the sports which are played on the pitches

EQUALITY IMPACT ASSESSMENT FORM

October 2019

THE COUNCIL'S EQUALITIES STATEMENT

This Council recognises that people have different needs, requirements and goals and we will work actively against all forms of discrimination by promoting good relations and mutual respect within and between our communities, residents, elected members, job applicants and workforce.

We will also work to create equal access for everyone to our services, irrespective of ethnic origin, sex, age, marital status, sexual orientation, disability, gender reassignment, religious beliefs or non-belief, use of Welsh language, BSL or other languages, nationality, responsibility for any dependents or any other reason which cannot be shown to be justified.

EIAs are a legal requirement under equalities legislation (Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011) where the potential for a significant negative impact has been identified. This legislation has been in place since 2000. We also have a legislative duty to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct that is prohibited by the Equality Act 2010
- advance equality of opportunity between people who share a relevant protected characteristic and those who do not
- foster good relations between people who share a protected characteristic and those who do not.

The Act explains that having due regard for advancing equality involves:

- removing or minimising disadvantages experienced by people due to their protected characteristics
- taking steps to meet the needs of people from protected groups where these are different from the needs of other people
- encouraging people with protected characteristics to participate in public life or in other activities where their participation is disproportionately low.

The protected characteristics are:

- | | |
|----------------------------------|----------------------------------|
| • Age | • Race |
| • Disability | • Religion, Belief or Non-Belief |
| • Gender Re-assignment | • Sex |
| • Marriage and Civil Partnership | • Sexual Orientation |
| • Pregnancy and Maternity | • Welsh Language* |

* The Welsh language is not identified as a protected characteristic under the Equality Act 2010, however in Wales we also have to treat Welsh and English on an equal basis as well as promoting and facilitating the use of the Welsh language.

DATE FOR NEXT REVIEW OR REVISION	If Cabinet is minded to proceed with the proposal, the EIA will be reviewed and further informed by public feedback

***Throughout this Equalities Impact Assessment Form, 'proposal' is used to refer to what is being assessed, and therefore includes policies, strategies, functions, procedures, practices, initiatives, projects and savings proposals.**

The aim of an Equality Impact Assessment (EIA) is to ensure that Equalities and Welsh Language issues have been proactively considered throughout the decision making processes governing work undertaken by every service area in the Council as well as work done at a corporate level.

The Council's work across Equalities, Welsh Language and Human Rights is covered in more detail through the [Equalities and Welsh Language Objectives and Action Plan 2016-2020](#).

When carrying out an EIA you should consider both the positive and negative consequences of your proposals. If a project is designed for a specific group e.g. disabled people, you also need to think about what potential effects it could have on other areas e.g. young people with a disability, BME people with a disability.

There are a number of supporting guidance documents available on the [Corporate Policy Unit Portal](#) and the Council's Equalities and Welsh Language team can provide advice as the EIA is being developed. Please note that the team does not write EIAs on behalf of service areas, the support offered is in the form of advice, suggestions and in effect, quality control.

PURPOSE OF THE PROPOSAL

1	<p>What is the proposal intended to achieve?</p> <p>We are considering amending the Council's current Public Spaces Protection Order (PSPO) relating to dog control in Caerphilly CBC</p> <p>PSPOs are a provision within the Antisocial Behaviour, Crime and Policing Act 2014 intended to deal any particular nuisances or problems in a defined area that are detrimental to the local community's quality of life. They can help by giving local authorities and police additional powers to tackle anti-social behaviour. The aim is to stop individuals or groups committing anti-social behaviour in public spaces by introducing restrictions on the use of an area.</p> <p>The proposed amendment to the current Public Spaces Protection Order would introduce a new measure to help tackle irresponsible dog owners. It is proposed to exclude dogs from all Council owned marked sports/playing pitches.</p> <p>Failure to comply with a PSPO would result in the dog's owner being issued with a fixed penalty notice. In the event of the fixed penalty notice not being paid, it is the Council's policy to prosecute.</p>

2	<p>Who are the service users affected by the proposal?</p> <p>The proposed amendment to the PSPO will affect everyone in the County Borough and affect anyone who is in control of a dog(s).</p> <p>Exemptions will be implemented for registered assistance dogs.</p> <p>The proposed amendment will affect users of the Council's marked sports/playing pitches and their families.</p>

IMPACT ON THE PUBLIC AND STAFF

3	<p>Does the proposal ensure that everyone has an equal access to all the services available or proposed, or benefits equally from the proposed changes, or does not lose out in greater or more severe ways due to the proposals?</p> <p>The proposal will not adversely affect service users as they will apply equally across</p>

the County Borough and there is ample alternative open space for dog walkers.

The proposed amendment will be beneficial to users of the Council's marked sports/playing pitches. The Council does not hold data, but anecdotally a higher proportion of these users are from younger age groups.

Dog Control Order and dog fouling legislation provides exemptions in particular cases for registered blind people, deaf people and for other members of the public with disabilities who make use of trained assistance dogs. It is proposed that these exemptions would apply to the amended Order.

4	Is your proposal going to affect any people or groups of people with protected characteristics?

INFORMATION COLLECTION

This can include an analysis of service users.</p> <p>Parks, sports pitches and public spaces are accessed by the community as a whole. CONSULTATION

7	<p>Please outline the consultation / engagement process and outline any key findings.</p> <p>An informal 12 week consultation took place with residents and stakeholders from April 2016 on a draft PSPO relating to dog control. 456 completed surveys were returned and a number of additional written responses were received from individuals and stakeholders.</p> <p>Fifty four percent of those who completed the survey agreed with the proposal to introduce a new requirement that makes it an offence to allow dogs onto all marked sports playing pitches owned by Caerphilly CBC. The proposal was supported by local sports clubs. However, a number of key stakeholders, including the Kennel Club, were in disagreement with the proposals and consequently, the draft order was amended to take on board the outcomes of the initial public consultation. As a result, the exclusion of dogs from council owned sports/playing pitches was removed from the revised draft order.</p> <p>A number of comments were received to the 2016 consultation that identified age and disability as areas for consideration when allowing dogs on sports and playing fields. A full list of comments is available in the Appendix of the report however a few comments have been included below as examples:</p> <p><i>“As a disabled person I often use sports and playing fields to exercise my dog as they are accessible and flat. My dog needs to be off lead so I can throw a toy as I cannot walk far. If I could not take my dog here I am unsure of where I could access. This goes for many elderly and disabled people in the county.”</i></p> <p><i>“My age and disability make it difficult for me to access green spaces which requires me to walk up or down steep terrains. Without using a car I can not make use of the countryside. The only practicable green spaces available to me without a car are sports fields that are flat, allowing me to enjoy the fresh air, exercise myself and my dog. If I am denied access to these area, I feel it will detrimental to health and well being.”</i></p> <p>In May 2019, an informal consultation has was been carried out with 82 sports clubs in across the county Borough. The informal consultation comprised of a questionnaire of closed questions regarding dog fouling on sports pitches. Out of the</p>

	<p>24 clubs who responded, 71% (17 clubs) felt that the amount of dog fouling had increased or stayed the same, 88% (21 clubs) supported prohibiting dogs from marked sports pitches. No one who responded to the survey identified any impacts on protected characteristics.</p> <p>The informal consultation comprised of a questionnaire of closed questions regarding dog fouling on sports pitches.</p> <p>It is proposed to undertake a public and stakeholder consultation for a period of 10 weeks and this will be preceded by wide scale communication and engagement e.g. via the local press media, and the Council’s website, social media accounts and newsletter “Newslines”. Communication will continue throughout the consultation period with a view to raising awareness of the consultation and increasing the response rate.</p> <p>The key consultation tool will be a questionnaire made available for online completion and pdf for printing if required, via the Council’s Website and shared on social media. The survey will also be provided in paper format at some key Council venues and with paper and alternative formats will be available on request.</p> <p>Stakeholder groups will be contacted directly via e-mail or in writing and invited to respond to the survey. Those to be contacted will include the Kennel Club, Dogs Trust, RSPCA, Parent Network, Voluntary Sector, Community Safety Networks and all Head Teachers for the attention of parents. Groups representing the different equalities strands will also be consulted directly.</p> <p>This is a draft Equality Impact Assessment which will be informed by the consultation response.</p>

MONITORING AND REVIEW

<p>8</p>	<p>How will the proposal be monitored?</p> <p>It is proposed to monitor the proposals annually and review the number of service requests received.</p> <p>Any service requests received that identify any issues will be reviewed.</p> <p>The PSPO will be reviewed every 3 years. The Order can be considered before that time if the evidence is received that there is a need for additional controls or changes.</p>

**Caerphilly County Borough Council
Anti-Social Behaviour, Crime & Policing Act 2014**

Caerphilly County Borough Council (Dog Control) Public Spaces Protection Order 2020

Caerphilly County Borough Council (“the Council”) hereby makes the following Public Spaces Protection Order (“the Order”) in exercise of its powers under Sections 59 of the Anti-Social Behaviour, Crime & Policing Act 2014 (“the Act”) and all other enabling powers hereby makes the following Order:

1. This Order may be cited as the Caerphilly County Borough Council (Dog Control) Public Spaces Protection Order 2020:
2. This Order will come into force on 2020 and will remain in force for a period of three years unless varied or discharged by further orders of the Council:

3. **Introduction**

- (a) The failure to “pick up” after a dog has fouled on publicly accessible land is an important issue in the local environment generally, the effect of which is detrimental on the quality of life of the community at large. It causes risks to health and defaces the land and is therefore important that the community recognise the need to clean up after their dogs and to ensure that they have with them at all times an appropriate receptacle to do so.
- (b) When not properly supervised and kept under control dogs that are allowed off a lead in public areas may cause a nuisance and injury to members of the public and other animals.
- (c) Dogs in children’s play areas can become aggressive if startled. They may also defecate in these areas, which may cause a health risk to the children using them.
- (d) The Order is made because the Council is satisfied on reasonable grounds that the behaviour set out above has had and is likely to continue to have a detrimental effect on the quality of life of people within the County Borough. Furthermore that the effect is likely to be of a persistent or continuing nature and is or will be unreasonable and justifies the requirements set out in this Order which seeks to prevent or reduce the detrimental effects of the activities referred to above, by imposing reasonable restrictions and requirements on people whilst in charge of dogs on public land.

4. **Definitions**

- (a) “Authorised Person(s)” means a constable or a person authorised by the Council under Section 68 of the Act.
- (b) “Appropriate Receptacle” means any bag, or receptacle which is designed for the purpose of holding dog faeces for disposal.
- (c) “for the purpose of this Order a “disability” means a condition that qualifies as a disability for the purposes of the Equality Act 2010 and a “disabled person” means a person who has such a disability.

5. Restrictions and Requirements

- (a) The effect of the Order is to impose the restrictions and requirements as set out in Parts 1 to 5 below.

Part 1 – Dog Fouling

1. If a dog defecates at any time on land to which this Part of the Order applies, and the person who is in charge of the dog at that time fails to remove the faeces from the land forthwith, that person shall be guilty of an offence unless he can show that:-

- (a) They have a reasonable excuse for failing to do so; or
(b) The owner, occupier, or other person or authority having control of the land has consented (generally or specifically) to him failing to do so;

2. This Part of the Order applies to all public places in the County Borough of Caerphilly.

For those purposes a “public place” means any place to which the public or any section of the public has access, on payment or otherwise, as of right or by virtue of express or implied permission.

3. For the purpose of this Part of the Order:-

- (a) Placing the faeces in a receptacle on the land which is provided for this purpose, or for the disposal of waste, shall be a sufficient removal from the land;
(b) Being unaware of the defecation (whether by reason of not being in the vicinity or otherwise), or not having a device for or other suitable means of removing the faeces, shall not be a reasonable excuse for failing to remove the faeces;

Part 2 – Carry Appropriate Receptacle

1. If a person who is in charge of a dog at any time on land to which this part of the Order applies does not have or produce when requested by an Authorised Person, an Appropriate Receptacle for picking up dog faeces, that person shall be guilty of an offence unless:-

- (a) they have reasonable excuse for failing to do so; or
(b) the owner, occupier or other person or authority having control of the land has consented (generally or specifically) to his failing to do so.

2. This part of the Order applies to all public places in the County Borough of Caerphilly.

 - (a) They have reasonable excuse for failing to do so; or
 - (b) The owner, occupier or other person or authority having control of the land has consented (generally or specifically) to him failing to do so.
2. For these purposes, a “lead” means any rope, cord, leash or similar item used to tether, control or restrain a dog, but does not include any such item which is not actively being used as a means of restraint so that the dog remains under a person’s close control.

Part 4 – Dogs On Leads By Direction

1. A person in charge of a dog will be guilty of an offence if at any time on land to which this part of the Order applies, they fail to comply with a direction given to them by an Authorised Officer to put and keep the dog on a lead of not more than two metres in length for such period and/or in such circumstances as directed by the Officer, unless that person can show that:-
 - (a) they have a reasonable excuse for failing to do so; or
 - (b) The owner, occupier, or other person or authority having control of the land, has consented (generally or specifically) to him failing to do so.
2. For these purposes, as “lead” means any rope, cord, leash or similar item used to tether, control or restrain a dog, but does not include any such item which is not actively being used as a means of restraint so that the dog remains under a person’s close control.

For these purposes, a “public place” means any place to which the public or any section of the public has access, on payment or otherwise, as of right or by virtue of express or implied permission.
4. For the purposes of this Part of the Order, an Authorised Person may only direct a person to put and keep a dog on a lead if such restraint is reasonably necessary to prevent a nuisance or behaviour by the dog that is likely to cause annoyance or disturbance to any other person, or the worrying or disturbance of any animal.

1. A person in charge of a dog will be guilty of an offence if at any time he takes the dog on to, or permits the dog to enter or remain on, any of the enclosed children’s play areas/multi use games areas listed in Appendix 2 to this Order, unless that person can show that:-

- (a) They have a reasonable excuse for doing so; or
- (b) The owner, occupier, or other person or authority having control of the land, has consented (generally or specifically) to him doing so.
