INTRODUCTION

Executive Summary

Caerphilly County Borough Council aspires to continue to raise school standards and improve the quality of the learning environment to create fit-for-purpose 21st century schools and give every child in Caerphilly the best possible start in life.

Ysgol Gymraeg Cwm Gwyddon has been identified as one of the first priority projects for the 21st Century Schools and Colleges Band B programme in the Borough.

At their remote meeting held on the 9th December 2020, Council Cabinet agreed the proposal to progress to Statutory Notice phase, in-line with the School Organisation Code 2018 in relation to:

- **The relocation of Ysgol Gymraeg Cwm Gwyddon to a new purpose built Welsh-medium provision school to be situated on the vacant site of the former Cwmcarn High School**

In accordance with the Council's Constitution, the above mentioned decision was subject to a challenge process. The decision notice was circulated to all Members and appropriate officers. The executive decision came into force at 5pm on Monday 14th December 2020. Please note that this decision was not 'called in'.

Statutory Obligations

This report is published in line with the requirements of the [School Standards and Organisation \(Wales\) Act 2013](#) and the [School Organisation Code 2018](#).

Purpose of the Objection Report

In accordance with the School Organisation Code 2018, the Council must publish a summary of the statutory objections and the Council's responses to those objections ("the Objection Report"). The purpose of the Objection Report is to provide Cabinet with the necessary information to make an informed decision through reflection, review and assessment as to whether to implement the proposal.

The Report is divided into several sections with the aim to:

- Outline the Statutory processes undertaken
- Provide clarification in relation to the information provided and consultee engagement
- Summarise each of the Statutory Objections raised by consultees
- Respond to the Objections raised by means of clarification, with supporting reasons

Full details of the decision making process and the stages of the proposal as outlined in the School Organisation Code 2018 have been published as part of the Consultation Documentation and are publicly available via the Council's website with hardcopies made available on request.

PROPOSAL

What are we proposing to do?

As outlined in the [Consultation Document](#) and [Consultation Report](#), both of which have been published and are available via the Council's website or in hardcopy on request, Caerphilly County Borough Council (CCBC) has embarked upon an exciting but challenging journey of improvement and change.

Schools in Wales need to be in good condition and suitable for the delivery of education. In some cases, schools can be modernised, repaired, refurbished, extended, or partially rebuilt to meet the standards needed for contemporary teaching and learning. However, some existing schools are no longer in the right place and in such cases, we might propose new schools or changes to existing schools.

The 21st Century Schools and Colleges programme is a major, long-term, strategic capital investment programme. It is jointly funded by the Welsh Government and local authorities and aims to create a generation of 21st century schools in Wales with the priority areas being:

- Reduce the number of poor condition schools
- Ensure that we have the right size schools in the right location
- Provide enough places to deliver Welsh and English medium education
- Ensure the effective and efficient use of the educational estate

We are proposing to:

- **Relocate Ysgol Gymraeg Cwm Gwyddon to a new purpose built Welsh-medium provision school to be situated on the vacant site of the former Cwmcarn High School (Cwmcarn, NP11 7NG) with an anticipated occupation date of September 2023**
- It is proposed that the new building will incorporate a primary facility with Childcare, Special Resource Base (SRB), Nursery, Rising Threes and main school classrooms, main assembly hall, food technology space, a library and IT space
- The identified site will have sufficient accommodation to facilitate a new building that will provide accommodation for approximately 420 pupils plus 60 nursery places and 16 SRB places and ensure equality of access by promoting and supporting the development and delivery of inclusive education through delivery of the full curriculum to pupils in a modern, safe and inspiring learning environment
- The new building will provide a stimulating teaching and learning environment with 21st Century facilities including improved ICT facilities. The design will be centered on the learning, self-esteem and well-being of all pupils and improve lifelong learning opportunities for members of the community to strengthen and safeguard the promotion of the Welsh language, culture and heritage across Caerphilly East
- The new building will improve the outside learning space offering external play areas, a tarmac MUGA area and access to a grass pitch. The usage of sporting facilities will also be considered for the community at suitable times in keeping with the curriculum timetable

- The proposed project will take into account the desire to encourage and facilitate community use of the asset. The design process will seek to include measures to enable safe 'zoning' of parts of the new school building, including the hall and a multi-functional classroom compliant space which could be adapted for community use

STATUTORY PROCESS AND DECISION MAKING

The Statutory Process

The School Organisation Code 2018 is made under Sections 38 and 39 of the School Standards and Organisation (Wales) Act 2013 and applies to proposals in respect of maintained schools as defined at Section 98 of the 2013 Act. That is a school in Wales, which is a community, foundation or voluntary school, a community special school or a maintained nursery school. This does not include pupil referral units (PRUs).

The School Organisation Code 2018, provides clear statutory guidance as to the processes that need to be adhered to and the stages to follow:

1) Changes that require a proposal

- Identifying the proposal
- Development of proposal

2) Consultation

- Publishing a Consultation Document
- Notification letter sent to stakeholders (as prescribed by the code)
- Undertaking a consultation exercise
- Consultation with children and young people
- Publishing a Consultation Report
- Notification letter sent to stakeholders

3) Publication of Statutory Proposals

- Publishing a Statutory Notice
- Notification letter sent to stakeholders

4) Determining Proposals

- Publishing an Objection Report
- Notification letter sent to stakeholders
- Approval by Local Authority or Welsh Minister (dependent on nature of proposal)
- Decision Notification
- Notification letter sent to stakeholders

5) Implementing Proposals

- Carrying out agreed actions

The planning and development of effective school organisation proposals is crucial to the Welsh Government's goal of transforming education in Wales and providing better educational outcomes. The aim is to ensure that proposals support the Welsh Government's commitment to increase school effectiveness, and narrow inequalities in achievement between advantaged and disadvantaged areas, groups and individuals.

When formulating a proposal, there is a need to clearly identify the reasons for formulating the proposal. Factors to be taken into account in preparing, publishing, approving or determining school organisation proposals include Quality and Standards in Education, the need for places and impact on accessibility, resourcing of education and other financial implications. These factors are outlined in the [Consultation Document](#) and further addressed in the [Consultation Report](#).

Cabinet Response to Consultation Report

A digital meeting via Microsoft teams took place on Wednesday 9th December 2020 at 5.30pm.

As part of this meeting, the 21st Century Schools and Colleges Band B Programme and consultation in respect of Ysgol Gymraeg Cwm Gwyddon was discussed. All Consultation Documentation was made available to members as part of the agenda reports pack including the [Consultation Report](#) and original responses in the format received from all parties within the consultation period which ran from the 14th September to the 26th October 2020. Officers linked to the proposal were available to take questions.

It was noted that the matter was previously considered by Education Scrutiny Committee on the 26th November 2020 at which the recommendation to proceed to the Statutory Notice stage was agreed.

It was agreed that a vote in respect of the proposal would be taken and be officially recorded. Cabinet Members voted unanimously *'that for the reasons contained in the Officers Report to Cabinet, agree the proposal to progress the project to the Statutory Notice phase, in-line with the School Organisation Code 2018.'*

A recording of the session is available on YouTube: [Cabinet – 9th December 2020](#)

The agenda item linked to the 21st Century Schools proposals start at 28 minutes in to the recording.

The [Notice of Cabinet Decisions](#) document is also available to view on the Council's website.

Decision Making

Progression at each stage is subject to scrutiny, review and approval by Cabinet Members and in addition, Welsh Government are engaged in the process as one of the key delivery partners and co-funders.

When approving proposals, Cabinet must:

- consider whether there are any other related proposals
- ensure that the statutory consultation has been conducted in accordance with this Code (the requirement to consult does not apply to proposals relating to Pupil Referral Units)
- ensure that the proposal has been published in accordance with the Code and the notice contains all the required information
- consider the [Consultation Document](#) and [Consultation Report](#)
- consider the objections and the objection report and any responses to the notice supporting the proposals

This Objection Report has been produced as the next stage in the process following the Statutory Objection Period as defined by the School Organisation Code 2018. This Objection Report will be subject to initial scrutiny as part of discussions at an Education Scrutiny Committee meeting whereby Members will be asked to note the information contained in the Objection Report and to seek views on the recommendations made within this the Objection Report prior to consideration by Cabinet on 7th April 2021.

Cabinet will then make the final determination relating to the proposal and decide whether or not to proceed to implementation as recommended. Full details are outlined in the [‘Next Steps’](#) section.

STATUTORY NOTICE

Statutory Notice - Consultation Process

The consultation process has followed the Welsh Government requirements as set out in the School Organisation Code 2018.

As the proposal relates to a ‘regulated alteration’ to a Maintained school under Section 42 of the School Standards and Organisation (Wales) Act 2013, the proposals have been published on the Council’s website.

Following the decision by Cabinet outlined above to proceed to Statutory Notice, anyone wishing to make an objection to this proposal was able to do so. To be considered as a statutory objection, objections had to be made in writing or by email and sent to the Council within the 28 days of the date on which the proposal was published. This is referred to as the “objection period” and ran from the 11th January 2021 to the 7th February 2021.

Statutory Notice - Consultation Information

The School Organisation Code 2018 states that when undertaking a consultation process in connection with a school proposal, the Council must publish information to enable transparent, balanced and open decision making.

The Statutory Notice was published on a school day and consultees were given 28 days to respond to the document, with at least 15 of these being school days as defined by Section 579 of the Education Act 1996. The objection period opened on Monday 11th January 2021 (a school day) and concluded at midnight on Sunday 7th February 2021.

Notices were published on the 11th January 2021 as follows:

- On the [council website](#)
- On or near the main entrance of the school which was subject to the proposal
- The school was provided with hardcopies of the Statutory Notice to distribute to pupils, parents/carers and staff.
- Prescribed consultees as listed in the School Organisation Code 2018 were notified in writing via email/letter
- Social Media Messages were released on Facebook and Twitter to advise of the publication of the Notice and direct interested parties to the Council website

All documentation was published in Welsh and English, complying with the requirements of the Welsh Language Standards. Information was also available in other languages and formats on request.

Stakeholder Engagement

Consultees were advised of the proposal and availability of the Statutory Notice and all prior documentation published relating to the proposal, when it went live on the 11th January 2021 via letter/email and were therefore invited to take part in this stage of the statutory consultation.

The School Organisation Code 2018, prescribes those individuals/groups considered key consultees in the consultation process. As per section 4.1 of the code, the list below presents the consultees engaged with relevant to proposals of this nature for the Caerphilly Borough.

- Parents, prospective parents, guardians and carers of all pupils of schools directly affected by the proposal
- Headteacher, staff and governors of schools directly affected by the proposal
- Pupils/Pupil Councils of schools directly affected by the proposal
- Directors of Education of all bordering LAs – Blaenau Gwent, Caerphilly, Cardiff, Merthyr Tydfil, Newport, Powys, Rhondda Cynon Taf, Torfaen
- Catholic Diocesan Board of Education
- Church in Wales Diocesan Board
- Local Standing Advisory Council on Religious Education (SACRE)
- Governing body of other schools which the proposer considers are likely to be affected by the proposal
- Local CCBC Members
- All Assembly Members and Members of Parliament representing the area served by the schools directly affected by the proposal
- Welsh Ministers
- ESTYN
- Teaching Associations
- Support Staff Associations
- South East Wales Consortium (EAS)
- South East Wales Transport Alliance (SEWTA)
- Gwent and South Wales Police and Crime Commissioners
- Local Town and Community Councils
- Menter Iaith

- Early Years Development and Childcare Partnership
- Parent Network
- Welsh Education Forum
- Any consultee who has previously expressed concern as part of their consultation response during the period of 14th September 2020 – 26th October 2020.

In the case of proposals affecting Welsh Language provision, the Welsh Language Commissioner is also considered a consultee and was contacted in relation to this proposal.

Implications of COVID19

Section 4.1 of the School Organisation Code 2018 states that a Statutory Notice has to be published on a school day and consultees given 28 days to respond to the document, with at least 15 of these being school days in addition to the day it was published, as defined by Section 579 of the Education Act 1996.

In light of Covid restrictions imposed at the time of publication, Welsh Government issued a modification to the School Organisation Code 2018 on the 8th January 2021 which temporarily modified section 4.1 of the Code in respect of the manner of publication of the statutory notice, as if the references to ‘school day’ now includes a day on which there would have been a school session, but for any restriction on the attendance of pupils at the school in connection with the prevalence of coronavirus.

In addition, the School Effectiveness Division of Welsh Government confirmed that if a school was open to support keyworker or vulnerable pupils, as was in the case of all the schools in Caerphilly at this time, this would also be accepted as a ‘school day’ for the purposes of discharging this requirement under the code.

Therefore, in light of the information above, the publication date of the 11th January 2021, falls within the definition of a ‘School day’ and the Statutory Objection period proceeded within the scope and requirements as prescribed by the School Organisation Code 2018.

STATUTORY OBJECTION

Responses

Overall a total of 2 Statutory Objections were received during the Statutory Notice stage of the consultation process.

To be considered as a statutory objection, objections had to be made in writing or by email and submitted within the Objection Period. All objections submitted, regardless of whether the respondent was classified as a consultee as per the School Organisation Code 2018 have been included in the figures reported. All responses have been individually read, reviewed and summarised in this report and original copies of all correspondents are available to Cabinet Members as part of the decision making process.

It should be noted that this process as prescribed by Welsh Government, provides no opportunity for inclusion of responses in support of the proposal.

Of the prescribed methods for providing a response during the consultation period:

- 0 responses received via letter
- 2 responses received via email

0 responses (0%) were returned in the medium of Welsh with the remaining 2 responses (100%) in English.

The 21st Century Schools Team received 0 requests for the documentation to be provided in another format or language.

Reasons for the Objection and Council Clarification

The following table provides a summary of the Statutory Objections received during the objection period as per the requirements of the School Organisation Code 2018

Area of Objection:	Overview
Prioritisation of Welsh Medium Education	Respondents queried the justification for the proposal prioritisation of Welsh Language provision in the area and the perception of discrimination against non-Welsh speaking children.
Need for New Secondary School in area	Both respondents expressed concerns relating to the capacity of local secondary school provision in the area and the need to create a new secondary school on the proposed site for development.

In accordance with Section 5.1 of the School Organisation Code 2018, the Council, as the proposer, must publish its response to the summarised objections. The table below provides a non-verbatim description from the objections received of the individual areas requiring further clarification and the Council's response to each in turn.

OTHER CONSIDERATIONS

Learner Voice

Learner voice is about involving the children and young people as active participants in the development, delivery, management and improvement of their educational experience.

Throughout every stage of the process, children and young people at the proposed affected school has been involved in the planning and consultation process as outlined and demonstrated in the [Consultation video](#), [Consultation Document](#) and [Consultation Report](#).

However, as outlined previously, at this stage in the process as prescribed by Welsh Government, there is no opportunity for inclusion of responses in support of the proposal as part of this document. Members are urged to be mindful of this as part of their deliberations moving forward.

Integrated Impact Assessment

Local authorities are already under a duty to carry out equality impact assessments and this is recognised by Welsh Government as part of the School Organisation Code 2018.

An initial Equality and Welsh Language Impact Assessment for this proposal was undertaken alongside the original Consultation Document forming part of the outline consultation pack which is published on the Council's website.

A new socio-economic duty set out in section 1 of the Equality Act 2010, comes into force on 31st March 2021, therefore an Integrated Impact Assessment (IIA) template will be utilised to update the existing Equality Impact Assessment and include any additional elements highlighted through the statutory consultation processes. The purpose of this further assessment is to take account of any further information that has come forward through the consultation or otherwise.

The utilisation of the new IIA design will further help support Cabinet Members in making informed and effective decisions whilst ensuring compliance with a range of relevant legislation, including:

- Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011
- Welsh Language (Wales) Measure 2011
- Socio-economic Duty – Sections 1 to 3 of the Equality Act 2010
- Well-being of Future Generations (Wales) Act 2015
- Statutory Consultation v Doctrine of Legitimate Expectation and Gunning Principles

Local and National Strategies

There are a number of local and national strategies that drive Educational reform and underline the rationale for the proposals being considered as part of the 21st Century Schools and Colleges Band B programme in Caerphilly.

- [Welsh Language Act 1993 / Welsh Language \(Wales\) measure 2011](#)
- [Additional Learning Needs and Educational Tribunal \(Wales\) Act 2017](#)

NEXT STEPS

Publication of Objection Report

Under section 49 of the School Standards and Organisation (Wales) Act 2013, when objections have been received the Council must publish a summary of the statutory objections and the Council's response to those objections ("the Objection Report").

- The Objection Report will be published and posted on the Council's website with hard copies available on request.
- The Consultees as identified on pages 8/9 of this report will be advised by letter or email of the availability of the Objection Report.

Cabinet 'Objection Report' Decision

Where a local authority's proposals have received objections, objections must be conscientiously considered alongside the arguments in respect of the proposals and in the light of the factors set out in the School Organisation Code 2018.

Further to review at Education Scrutiny Committee on the 22nd March 2021, this document will be considered in full at a Cabinet meeting due to be held on 7th April 2021.

At this meeting the following documentation will be made available to Members.

- a copy of the [Consultation Document](#)
- a copy of the [Consultation Report](#)
- a copy of the [Published Statutory Notice](#) and [Notification Letter sent to Consultees](#)
- a copy of the updated Integrated Impact Assessment
- a copy of the Objection Report
- copies of all the statutory objections in their original format

Cabinet Members will be asked to review the proposal and make the final determination as to whether to implement the proposal as outlined below:

To relocate Ysgol Gymraeg Cwm Gwyddon to a new purpose built Welsh-medium provision school to be situated on the vacant site of the former Cwmcarn High School

Recommendation

It is the recommendation of this Objection Report that in line with the processes outlined in the School Organisation Code 2018 and the information gathered and reviewed as part of the consultation phase and formal objection period that Members endorse the proposal outlined above and permission is given as part of Cabinet's final determination to progress to implementation phase.

Decision Notification

Decisions (in relation to proposals which require approval or determination) must be made and issued in the form of a decision letter. The decision letter must set out clearly the reasons for the decision with reference to the School Organisation Code 2018.

The Decision letter will be published electronically on the Council's website and the consultees as outlined in Section 5.6 of the School Organisation Code will be advised by letter/email of the availability of the document.
