Date Received	22 DEC 2023 Lodge
Date Answered	Blackwood
Referred to	Gwent NP12 3LT

Dear Whom I may concern,

I've

received correspondence in regards to my objections of a new premises application (SS Enterprise Storers - former Stonehouse Inn).

This letter is to enhance the objections and for the reasons I hold these objections. Public safety I believe would be in jeopardy and there will be increased activity or disruption to the public highways as well as safety issues to travelling and parking vehicles.

There is continuous illegal activity going

on in this area. My fears is an off-licence on this main junction will cause extreme health and safety risks to the public as well as school children who use this as a daily walkway to and from school.

There are numerous businesses within walking distance of blackwood/cefn fforest with the licensing regulations and the a similar intention of supply. It's my belief that gwent police are already under pressure in this area due to gang activities, fires, drug dealing and this is having a detrimental impact on the community.

In order to ensure our community is as safe as possible I feel this application for licensing should be denied. Again ~~en~~ enhancing the objections on the grounds of public safety, anti-social behaviour and the well being of all of cefn fforest

residents and the public visiting the area.

Addressing the objection of opening hours, within half of a mile radius there are numerous businesses that sell alcohol also covers the times requested by the new applicant. There are numerous family run businesses that have been part of the community for many years. The criminal and financial impact will also have an effect on current businesses this community continues to support.

Yours Sincerely
MR DELWYD DAVIES
