

**BLACKWOOD TOWN CENTRE MANAGEMENT GROUP –  
28TH SEPTEMBER 2006**

**SUBJECT: BLACKWOOD HIGH STREET AND BUS STATION – PROPOSED  
PROHIBITION OF DRIVING, ONE-WAY TRAFFIC AND PROHIBITION  
AND RESTRICTION OF WAITING ORDER 2006**

**REPORT BY: DIRECTOR OF THE ENVIRONMENT**

---

- 1.1 The construction of a new bus station in Blackwood town centre has been ongoing since February this year with works expected to be completed December 2006. During this time public transport vehicles have been relocated to the High Street and various temporary prohibitions and restrictions of waiting and loading have been introduced to maintain traffic flow through the town.
- 1.2 On completion of the new bus station the temporary traffic management arrangements currently on the High Street will no longer be necessary and in readiness, the parking and loading requirements in the town centre have been reviewed and included with the Traffic Order proposals for the new bus station.
- 1.3 Please find attached drawing number TM/C/06/71 showing these proposals for your consideration.
