Dear Mr Morgan,

**BLACKWOOD INTERCHANGE**

I write to congratulate Caerphilly County Borough Council on the provision of the new and excellent bus station at Blackwood. It has well and truly consigned the memory of its predecessor to "Room 101" and offers a modern, effective and safe facility for bus passengers, not to mention bus company employees.

I feel sure that it has more than contributed to the current growth in the level of bus use in the immediate area.

Yours sincerely,

**John Gould**  
Managing Director
