## How to get the best results

For learners to get the most out of their education teachers need support services. The question is, how do education professionals like yourself access everything you need in order to do the best job? AQA EXPO 08 is your one-stop solution. As the UK's leading awarding body for 14-19 education, we've created a series of **FREE** one-day events to provide all the resources you need in one place.

At AQA EXPO 08 you'll get the chance to meet our team of experts to discuss your specific needs, attend seminars and gather information about our range of high quality qualifications and services.

## Tell us what you think

AQA EXPO 08 is a must-visit for 14-19 education professionals. With seven events in six cities, this is a great opportunity for you to reach educational qualification developers and have your say. We want to hear what you think about the products and services we provide to ensure we can continue to keep them relevant, effective and empowering.

## A host of great benefits

AQA EXPO 08 features an exciting programme, geared to meet your needs. You will:

- . Join seminar sessions on selected new GCSEs, Diplomas, Projects, Baccalaureate programmes and electronic support tools
- . See the new GCSE specifications before they're printed
- . Receive a complimentary computer memory stick so you can download material plus sample copies of specifications and documents
- . Experience our new e-portfolio, on-screen assessment and learner educational record service for teachers and learners

**We don't aim to profit from education – we want you to.**

## At AQA EXPO 08 you can...

...speak to our friendly, professional team and air your views about the issues that affect you. You can find out about the new specification assessment criteria, teaching and learning strategies and much more.

## Why teachers choose AQA

At AQA, we're committed to developing quality qualifications which ensure learners can reach their potential. Developed for teachers, by teachers, our products and services offer a high level of guidance and support. We provide everything from specifications and teaching resources to support meetings and teacher support specialists.

## Why LEA co-ordinators choose AQA

Discover the value that AQA adds to teachers and learners. All our financial surpluses are reinvested in development of qualifications and services. We don't aim to profit from education – we want you to.
