Subject: The Truth About Thanksgiving!

Greetings!

Another Thanksgiving Holiday is nearly upon us! All of us at PleaseConvinceMe.com, hope and pray that your family (and ours) will have the faith necessary to be thankful in these uncertain times. While things may seem difficult for us today, our situation is not nearly as challenging and foreboding as it was for those who founded our great nation. We are blessed this week to have the opportunity to be thankful for all that God has given us. Let's be thankful together as we remember the origin of this great national holiday!

The Pilgrims made seven times more graves than huts. No Americans have been more impoverished than these who, nevertheless, set aside a day of thanksgiving.

The True Origin of Thanksgiving!

Just about everyone celebrates Thanksgiving in America, but fewer and fewer of us understand the Christian origin of this great holiday. Thanksgiving is a largely secular celebration now, but it wasn't always that way. We've dusted off one of our most popular articles to help you understand the truth about the origin of the holiday, and we're featuring it this week as a reminder to all of us!

It is literally true, as the thankless say, that they have nothing to be thankful for. He who sits by the fire, thankless for the fire, is just as if he had no fire. Nothing is possessed save in appreciation, of which thankfulness is the indispensable ingredient. But a thankful heart hath a continual feast.
