Dear Ms Thomas,

**Re: Inspection Reports Analysis**

Thank you for your letter in response to our Inspection Report. We were delighted with the report for Religious Education and Collective Worship, and that the inspection team recognised that spiritual development and ethos are very important aspects of our work.

We would be delighted to host a SACRE meeting at the school. However, my RE co-ordinator is currently on maternity leave. I would therefore ask if this could be done following her return in September 2010.

Yours sincerely,

Mrs E. Barry  
Head Teacher
