## **Farmington Fellowships for Teachers of Religious Education and Head Teachers Academic Year 2013/2014**

We are writing to ask you for your help with the Farmington Fellowships for the academic year 2013/14. We had an extremely good response last year, but experience shows that teachers need constant encouragement to apply.

Please would you help us by recommending these Fellowships to your RE teachers and Head Teachers. Teachers who have won them in the past have been extremely appreciative. The Fellowships really work!

We are enclosing a copy of the Farmington Fellowship leaflet. Please e-mail us at [farmington@hmc.ox.ac.uk](mailto:farmington@hmc.ox.ac.uk) if you would like further copies to circulate to the RE teachers and Head Teachers in your area.

In addition, if a PDF version would be useful, perhaps if you have a website, we would be very pleased to forward the leaflet in PDF format. If you requested a PDF version of the leaflet last year, the 2013/2014 PDF leaflet may already have been forwarded to you.

We should be most grateful if you could make this opportunity as widely known as possible to any RE teacher or Head Teacher who may be interested in applying.

Thank you very much for your help and support.
