

COMMUNITY COUNCIL LIAISON COMMITTEE SUB-COMMITTEE – 15TH OCTOBER 2008

SUBJECT: ENFORCEMENT ISSUES

1. Attached herewith you will find reports which have previously been presented to the Living Environment Scrutiny Committee.
- 1.1 **Trading Standards and Licensing Group**

This informs members of the initiatives and surveys carried out by the Group and demonstrates the variety of areas in which Trading Standards and Licensing have an involvement
- 1.2 **Litter and Dog Fouling**

This report provides information on issues relating to the enforcement of litter and dog fouling.
- 1.3 **Use of Waste Collection Authority Powers to Improve Participation in Kerbside Recycling**

This advises members of the powers available to the county borough as a waste collection Authority.

Since the attached report was prepared, Cabinet approval has been obtained to make the two original warden posts permanent as well as allowing for the employment of a further two wardens later this year.
