5. TREASURY MANAGEMENT ANNUAL STRATEGY, CAPITAL FINANCE PRUDENTIAL INDICATORS AND MINIMUM REVENUE PROVISION POLICY FOR 2012/2013

Earlier in the day Cabinet had considered the report on the Council's Annual Strategy for Treasury Management and a dataset of Prudential Indicators relevant to Treasury Management and Capital Finance. The report also cross-references to the report by the Deputy Chief Executive on revenue and capital budgets (the budget report) also on the agenda for this meeting. Council approval was also sought for the Minimum Revenue Provision Policy to be adopted by the Authority for 2013/2014.

Cabinet had considered the recommendations contained in the report and agreed that they be forwarded to Council for approval.

Mrs. Scammell gave an overview of the report and advised that the revised "Code of Practice for Treasury Management in the Public Services" provides that an Annual Strategy be submitted to Members on or before the start of a financial year to outline the activities planned within the parameters of the Treasury Management Policy Statement and the Treasury Management Practices. In accordance with the Local Government Act 2003 the report set out the treasury strategy for borrowing for the forthcoming year and the preparation of an Annual Investment Strategy, which sets out the policies for managing its investments, giving priority to the security and liquidity of those investments. It also advised of actions required in order to comply with the requirements to approve and publish a number of indicators relevant to Capital Finance and Treasury Management and prepare an Annual Minimum Revenue Provision Policy Statement.

During the course of the ensuing debate queries were raised in relation to debt rescheduling, borrowing in advance of need, money market funds and the recent downgrading of credit status. Mrs. Scammell responded to the queries raised and advised that there would be a Members seminar on Treasury Management on 29th April 2013 (the seminar scheduled for 22nd January 2013 having been postponed due to the inclement weather). She advised that at the end of the year a report would be prepared on the investment activities as part of the Annual Treasury report. This will be supported throughout the year by the presentation of quarterly monitoring reports to the Policy and Resources Scrutiny Committee, which will include a review of the current strategy.

RESOLVED that for the reasons contained in the report the following recommendations from Cabinet be adopted:-

- (i) the Annual Strategy for Treasury Management 2013/14 be approved;
- (ii) the strategy be reviewed quarterly within the Treasury Management monitoring reports presented to Policy and Resources Scrutiny Committee and any changes recommended be referred to Cabinet, in the first instance, and to Council for a decision the Council will also receive a half-yearly report on Treasury Management activities;

- (iii) the Prudential Indicators for Treasury Management as outlined in appendix 5 of the report be approved;
- (iv) the Prudential Indicators for Capital Financing as outlined in Appendices 6 and 7 be approved;
- (v) the use of Option 2 (for supported borrowing) and Option 3 Equal Installment Method (for unsupported borrowing) for MRP purposes for 2013/14 be approved.

6. BUDGET PROPOSALS 2012/2013 AND MEDIUM TERM FINANCIAL STRATEGY 2013/2016

The report, again considered by Cabinet earlier in the day, provided information on the revenue budget and council tax proposals for the forthcoming financial year (1st April 2013 to 31st March 2014), capital programme for the period 1st April 2013 to 31st March 2016, an indicative medium term financial strategy for the period 1 April 2013 to 31 March 2016 and proposals for an increase in council tax.

Members were advised that the Welsh Government's Revenue Support Grant Settlement for the financial year 1st April 2013 to 31st March 2014 is an uplift of 1.08 % after adjusting for new responsibilities (an RSG increase net of new responsibilities of £2.773m - including outcome agreement). The capital allocations available in the Revenue Support Grant and from the General Capital Grant have decrease by £957k from the previous year. The proposals contained within the report delivers (excluding grant funding) a balance budget for 2013/14 on the basis that the Council Tax is increased by 2.35% as previously agreed in the medium term financial plan at Council in February 2012.

With regards to the report Mr. Barnett highlighted the key issues contained therein and referred specifically to the medium term financial strategy and the budget strategy. It was noted that with regards to the latter the report sets out the key strategic proposals for consideration for the financial year ahead, including the whole authority cost pressures and the service pressures and additional funding. He referred to the Council's Outcome Agreement of £1.869m which will be used to support the Council's key priorities and to the projects within the capital programme and to the extra investment of £2.45m will be made in Social Services (an additional £1.2m above the cash pledge) to meet the increasing demographic pressures in Social Care.

In relation to general fund balances Mr. Barnett advised that there is limited scope for any significant additional surpluses or receipts available to replenish the fund. This is down to growing service pressures in key areas, the need to meet government initiatives (such as welfare reform) and ongoing reductions in Rate Support Grant funding. It was also reported that provision has been made to fund the cost of the Living Wage increase for the period 1st November 2012 to 31st March 2013 and that as part of the equality impact proactive steps are being taken to protect the most vulnerable people in the community and to promote the interests of young people through innovative training and employment opportunities. The Workforce Strategy is being taken forward as are the "Passport Scheme" and the WHQS Procurement Strategy.

It was confirmed that draft proposals had been circulated to all Members and the recognised Trade Unions and the Deputy Chief Executive and the Head of Corporate Finance met with each of the Political Groupings to discuss its content. Unison has welcomed the balanced budget proposal and commends its prudence in the light of the current economic climate

Mr. Barnett confirmed that the principles of the medium term financial plan, which was previously considered by Council will be reviewed in the light of the future Local Government Settlement which follows this year's comprehensive spending review, and consulted upon in the autumn of 2013, in readiness for future financial planning up to and including 31st March 2017.

Following the resume of the report by the Deputy Chief Executive that highlighted the main issues and a detailed debate it was moved and seconded that:

- (i) the Revenue Budget proposals for 2013/14 of £337.466m as set out in the report be approved;
- (ii) the Council Tax level for the financial year 2013/14 be increased by 2.35% re: Council Tax Band D £918.84 per annum:
- (iii) the indicative proposals contained in the Medium Term Financial Planning assumptions be approved as the basis for delivering a balanced budget over the forthcoming 3 years (i.e. 2013/14 to 2015/16) appendices 2, 2a, 2b refer);
- (iv) the Capital Programme for the period 1 April 2013 to 31 March 2016 as set out in Appendix 3 be approved;
- (v) the use of the general fund balances as detailed in Section 7 (Table 6) of the report be approved.

An amendment was moved and seconded that the meeting be adjourned to enable Labour to go back to the drawing board and come back with a 0% increase in council tax.

In accordance with Rule of Procedure 15.4(1) a request was made for a recorded vote.
