4. APPLICATIONS FOR FINANCIAL ASSISTANCE

4.1 Statement of Expenditure

Members' attention was directed to the criteria for assessing applications received by the Council for financial assistance. The Panel were of the view that a Task and Finish Group, made up of Members and Officers from the Panel, needed to be established in order to undertake a structured review of the criteria. Initial arrangements were put in place for the establishment of the Group, and it was confirmed that the findings of the Group would be brought back to the Panel for further discussion.

The Panel noted the statement of expenditure set out in the report and the balance remaining, and noted the indicative budget allocation as outlined in 4.1.5 of the report.
