RESOLVED that: -

- (i) the preface report be noted;

- (ii) subject to the conditions contained in the Officer's preface report and the following amended conditions this application be granted.

Condition (01)

The development hereby permitted shall be begun before the expiration of five years from the date of this permission.

Reason

To comply with the provisions of Section 91 of the Town and Country Planning Act 1990.

Condition (02)

The proposed shop area hereby approved shall not come into beneficial use until the existing shop area has been converted into a domestic lounge in association with the residential property at 102 Fair View, Blackwood as shown in the submitted plans and the domestic lounge area shall not thereafter be used for any other purpose.

Reason

In order to retain control over the future use of the property in the interests of highway safety and residential amenity.

Condition (03)

The development hereby approved shall be carried out in accordance with the amended plans received on 9th July 2012.

Reason

In order to ensure that the development is carried out in accordance with the correct plans.

Condition (4)

Prior to the installation of any external or roof mounted plant/machinery associated with the development, details of such plant and machinery shall be submitted to and approved in writing by the Local Planning Authority. These details shall include a revised location for the plant and machinery and predicted noise levels (measured as LAeq 1 hour) as measured on the boundary of the application site. The plant and machinery shall be installed in accordance with the approved details prior to being brought into operational use.

Reason

In the interests of public amenity.

Condition (5)

The area indicated for the parking of vehicles shall be kept free of obstruction and shall not thereafter be used for any purpose other than the parking of vehicles.

Reason

Amended Condition (33)

Prior to the commencement of the development a scheme depicting hard and soft landscaping shall be submitted to and agreed in writing by the Local Planning Authority. The agreed details shall be carried out in the first planting and/or seeding season following the occupation or completion of the development whichever is the sooner. Any trees or plants which within a period of 5 years from the completion of the development die or are removed, or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

Reason

In the interests of the visual amenity of the area.

- (ii) the applicant be advised that the following policies of the Caerphilly County Borough Local Development Plan up to 2021 - Adopted November 2010 are relevant to the conditions of this permission: CW2 and CW5;
- (iii) the applicant be advised of the comments of The Coal Authority, Senior Engineer (Land Drainage), Environment Agency (Wales) and Dwr Cymru/Welsh Water;

- (v) the applicant be advised that many species of bat depend on buildings for roosting, with each having its own preferred type of roost. Most species roost in crevices such as under ridge tiles, behind roofing felt or in cavity walls and are therefore not often seen in the roof space. Bat roosts are protected even when bats are temporarily absent because, being creatures of habit, they usually return to the same roost site every year. Bats are protected under the conservation of Habitats and Species Regulations 2010 and its amendment 2012, which implements the EC Directive 92/43/EEC in the United Kingdom and the Wildlife and Countryside Act 1981 (as amended). Please be advised that, if bats are discovered, all works should stop immediately and the Countryside Council for Wales should be contacted for advice on any special precautions before continuing.
- (vi) the applicant be advised that works should not take place that will disturb nesting birds from March to July inclusive. All British birds (while nesting, building nests and sitting on eggs), their nests and eggs (with certain limited exceptions) are protected by law under Section 1 of the Wildlife and Countryside Act 1981 (as amended) and the Countryside and Rights of Way Act 2000. If birds are nesting on/in or within the vicinity of the proposed development, work should be undertaken outside the breeding season for birds to ensure their protection, i.e. works should only be undertaken between August and February. Further advice on the above can be sought from the local authority ecologist (01495 235253) or the Countryside Council for Wales (02920 772400).

15. Code No. 12/0559/NCC - Vary Condition 10 of Planning Permission 11/0481/FULL (Convert and Partially Demolish Existing Public House to Single Retail Unit, Bulk Store and Associated Ancillary Rooms, Construct Additional Two New Retail Units and Site Reconfiguration Including Car Parking and Reconfiguration of Highway) To Change The Hours In Which Deliveries Can Be Undertaken To Between 0800 Hours and 1600 Hours on Sundays, Bowls Inn, Bowls Terrace, Penyrheol, Caerphilly, CF83 2RD.

RESOLVED that: -

- (i) subject to the conditions contained in the Officer's report and the following amended condition this application be granted;
Amended Condition (14)
All car parking areas must have a lockable barrier fitted, which must be used when the facilities are closed. Details of such a barrier must be submitted to and agreed in writing with the Local Planning Authority prior to works commencing on site. Thereafter this agreed barrier(s) shall be completed and functioning prior to any use of the units hereby approved commencing.
Reason
To prevent anti-social behaviour taking place within these areas.
- (ii) the following policies of the Caerphilly County Borough Local Development Plan up to 2021 - Adopted November 2010 are relevant to the conditions of this permission: CW2 and CW3;
- (iii) the proposed development lies within a coal mining area which may contain unrecorded mining related hazards. If any coal-mining feature is encountered during development, this should be reported to The Coal Authority;

- (v) any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority;
- (vi) the applicant be advised that property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.

RESOLVED that: -

- (i) subject to the conditions contained in the Officer's report this application be granted;
- (ii) the applicant be advised that mature trees are potential bat roosts. All bat species and their roosts are protected by the Conservation of Habitats and Species Regulations 2010 and its amendment 2012, which transposes the EC Habitats Directive 1992 into UK legislation, and the Wildlife and Countryside Act 1981. If bats are discovered, then all works should stop immediately and the Countryside Council for Wales should be contacted for advice on any special precautions, and whether a licence is required, before continuing.
- (iii) the applicant be advised that works should not take place that will disturb nesting birds from March to July inclusive. All British birds (while nesting, building nests and sitting on eggs), their nests and eggs (with certain limited exceptions) are protected by law under Section 1 of the Wildlife and Countryside Act 1981 (as amended) and the Countryside and Rights of Way Act 2000. If birds are nesting on/in or within the vicinity of the proposed development, work should be undertaken outside the breeding season for birds to ensure their protection, i.e. works should only be undertaken between August and February. Further advice on the above can be sought from the local authority ecologist (01495 235253) or the Countryside Council for Wales (02920 772400).
