DIFFICULTIES IN PAYING RENT

What should I do if I cannot pay my rent?

You should contact an officer of the rent section IMMEDIATELY - Tel:01495 235600.

What advice will you give me?

The Council is always sympathetic to its tenants problems and generally an agreement to clear the debt can be made. We will tell you how to claim Housing Benefit and also give you information about debt counselling services such as Citizens Advice Bureau.

What happens if I owe several weeks and cannot pay it off?

After we have visited you / written to you, we will send a notice of seeking possession which is the first step towards court proceedings.

What happens at a County Court hearing?

At the Court hearing the Judge will listen to the facts and decide whether to grant a possession order. As well as putting your home at risk the County Court Judgement will affect your ability to obtain credit in the future.

FIRM BUT FAIR

Tenants with financial difficulties will be assisted as far as the Council is able. However, if rent is owed the Council will do all it can to recover the outstanding sums.
