DEAR MRS PIPER,

IN ANSWER

TO YOUR LETTER DATED 5th FEB 2013, I CAN CATEGORICALLY
STATE THAT THE FOOTPATH THAT THE COUNCIL RECENTLY
(IN RED)
UPGRADED, IS THE ONLY FOOTPATH THAT I HAVE SEEN
OR KNOWN ANYBODY TO USE IN MY LIFETIME. NOT ONLY
THAT, BUT IT IS IMPOSSIBLE FOR A FOOTPATH TO EXIST
ON THE BLACK LINE INDICATED, DUE TO FACT THAT IT IS
TOTALLY BLOCKED BY TREES ON ITS LOWER SIDE, AND
THE FACT THAT THE COUNCIL DRAINS ITS RAINWATER
DIRECTLY ONTO THE GROUND WHERE THE SAME LINE
IS DRAWN, MAKING IT IMPOSSIBLE FOR A FOOTPATH TO
EXIST AT ALL.

ON THAT BASIS I THINK IT IN EVERYONES INTEREST
THAT THE FOOTPATH IN QUESTION BE EXTINGUISHED THROUGH
THE WILDLIFE AND COUNTRYSIDE ACT 1981.

Yours Sincerely
