APPLICATIONS TO ADD A PATH TO THE DEFINITIVE MAP AND STATEMENT

28 No.

In order to resolve the outstanding backlog the following options are recommended:-

ROW Cabinet approve the

A number of the paths are very overgrown and it is felt that these are no longer required by local residents. Attempts are being made to seek a withdrawal of the applications if the applicant and supporters can be contacted.

However, there are some applications where the applicant has died and the supporters to the application are no longer at the address shown on their evidence user forms. If the path is no longer in use due to overgrowth it is believed the ROW Cabinet could give approval to close the files.
