2. CUCKOO STATUE

Fabrication and assembly of the fabrication of the Risca Cuckoo is due to start next week as well as the ground works to form the landscaped plinth.

The artist is anticipating a completion date of late November.

Mr Dallimore is to provide details of the consultation process regarding the erection of the statue together with the costs of its provision and how the costs will be met.

The Group requested a narrative setting out the history of the design be made available to the public, Officers will consider and report back the options for publicising the construction of the statute.

3. RISCA EVENTS SPACE

Practical completion of hard works and soft planting has been completed, unfortunately some of the planting has been vandalised.

Totems are now being produced in readiness for installation to provide a framework for the erection of bunting, lights and backdrops in the future.

A new bus shelter has been introduced, the toilet block has been made more accessible and an electricity socket for Christmas tree has been installed.

Concerns were expressed about children skate-boarding in this area.

Mr Dallimore confirmed that he would visit the site to assess if any safety measures can be introduced to lessen the risk of accidents. Mr Highway will add this item to the Audit to monitor on a regular basis.

A request for cycle racks was made and Mr Dallimore has confirmed he will investigate this request. Mr Highway confirmed he would add this item to the Audit.

4. CHRISTMAS EVENT

This item was not discussed.
