

Pollution reports - 23/05/06 to the 25/09/06

Date	Incident	Action taken
14/06/2006	sewage around the pillars underneath the A469 flyover - as it goes over the Rhymney in Llanbradach.	Drains Aid notified and have attended but could not find any problem. Informant notified and asked to ring again if problem re-occurred.
31/08/2006	Fly-tipping from the re-development of old Kwiksave site in Rhymney.	Visited site and waste was being separated properly and taken away by Biffa - no issues with site.
13/09/2006	Illegal tipping at the rear of the houses at Nant Celyn, Rhymney,	Enforcement action being considered
03/06/2006	CSO overflowing at Factory Road (Nant Bargoed Rhymni)	Drains Aid informed - manned entry was carried out and line de-silted. Problem solved.
20/09/2006	Greenish/brown discharge flowing from an overflow pipe into the River Rhymney 50m upstream of footbridge in Bargoed	Drains Aid attended site and found problem was due to blocked drain. Unblocked it and thought problem now resolved but this was re-reported on the 25/09. Investigation into problem ongoing.
