Tim,

Is there any information or advice you can give in relation to his query?

Thanks

Kathryn Hopkins

Hi Kathryn

All makes sense and I agree to the extra conditions. No problem at all.

How do we go about the training of staff?

Regards

Tony

**Re: Licensing Act 2003 – Application for a New Club Premises Certificate
PREMISES – Cascade Youth Football Club**

I refer to your application of 29th November 2018 for a new Club Premises Certificate in accordance with the above Act and advise you that representations have been received from Environmental Health Officer (Noise Team) as a designated Responsible Authority under the above Act.

The representations have been submitted in relation to the Prevention of Public Nuisance under the Licensing Objectives and have suggested conditions to be added to the licence to address their concerns. Copies of their representations are attached. To avoid duplication the last point suggested will replace the condition offered by the applicant (NP55).

As representations have been submitted, we are required to convene a hearing to which all parties would be invited. In the event that you agree the conditions to be proportionate and reasonable a hearing may not be considered necessary. Please advise me in writing within the next 7 days of whether or not you find these acceptable. You may wish to take legal advice on this before responding.

Furthermore, you are advised that your application may be subject to further comment and/or representation from other Responsible Authorities or Interested Parties up to the expiry date of the consultation period for this application.

Should you have any queries relating to this matter, please contact the Licensing Section.

Regards

Kathryn Hopkins
