Date: 29th March 2017

Dear Sir/Madam,

A meeting of the **Planning Committee** will be held in the **Council Chamber - Penallta House, Tredomen, Ystrad Mynach** on **Wednesday, 5th April, 2017** at **5.00 pm** to consider the matters contained in the following agenda.

Yours faithfully,

A handwritten signature in blue ink that reads 'Chris Burns'.

Chris Burns
INTERIM CHIEF EXECUTIVE

AGENDA

	Pages
1 To receive apologies for absence.	
2 Declarations of Interest.	
Councillors and Officers are reminded of their personal responsibility to declare any personal and/or prejudicial interest(s) in respect of any item of business on this agenda in accordance with the Local Government Act 2000, the Council's Constitution and the Code of Conduct for both Councillors and Officers.	
To approve and sign the following minutes: -	
3 Planning Committee held on 8th March 2017.	1 - 6

Circulation:

Councillors M.A. Adams, J. Bevan, P.J. Bevan, D. Bolter, D.G. Carter (Chair), Mrs P. Cook, W. David (Vice Chair), J.E. Fussell, Ms J. Gale, R.W. Gough, C. Hawker, A.G. Higgs, A. Lewis, K. Lloyd, Mrs G.D. Oliver, D. Rees, J. Simmonds, Mrs E. Stenner, Mrs J. Summers and J. Taylor

And Appropriate Officers

Agenda Item 3

PLANNING COMMITTEE

MINUTES OF THE MEETING HELD AT PENALLTA HOUSE, YSTRAD MYNACH ON WEDNESDAY, 8TH MARCH 2017 AT 5PM

PRESENT:

Councillor D.G. Carter - Chair
Councillor W. David - Vice-Chair

Councillors:

M. Adams, P.J. Bevan, Mrs P. Cook, J.E. Fussell, Ms. J. Gale, C. Hawker, A.G. Higgs,
A. Lewis, K. Lloyd, Mrs G.D. Oliver, D. Rees, J. Simmonds

Cabinet Member for Regeneration, Planning and Sustainable Development - Councillor K. James

Together with:

T. Stephens (Development Control Manager), R. Crane (Solicitor), C. Powell (Principal Planner), P. Den Brinker (Team Leader East), A. Pyne (Area Senior Planner), M. Noakes (Senior Engineer, Highway Planning), M. Godfrey (Senior Environmental Health Officer), H. Morgan (Senior Committee Services Officer)

1. APOLOGIES

Apologies for absence had been received from Councillors J. Bevan, D. Bolter, R.W. Gough, Mrs J. Summers, Mrs E. Stenner and J. Taylor.

2. DECLARATIONS OF INTEREST

Councillors P.J. Bevan declared an interest in agenda item 6 - Code No. 16/0208/OUT, Details are minuted with the respective item. Other declarations were received during the course of the meeting and are minuted with the respective item.

3. MINUTES - 8TH FEBRUARY 2017

RESOLVED that the minutes of the Planning Committee held on 8th February 2017 be approved and signed as a correct record.

4. PREFACE ITEM - COE NO. 15/0782/FULL - ERECT RESIDENTIAL DEVELOPMENT FOR 45 DWELLINGS ON LAND AT WOODFIELD PARK LANE, PENMAEN, OAKDALE

Following consideration of the application it was moved and seconded that subject to an amendment to reason 2 to include reference to the fact that the development would have an

adverse effect on the intrinsic character and appearance of a valued landscape, for reasons 1 and 2 as contained in the Officer's preface report, the application be refused. By a show of hands this was unanimously agreed.

RESOLVED that the application be refused for the following reasons:

Reason 1

The proposed development is outside the settlement boundary and within the Blackwood, Oakdale and Penmaen green wedge as defined by the Caerphilly County Borough Council Local Development Plan, up to 2021, adopted November 2010 and is thus contrary to Policy SP5 criterion B of that plan, which seeks to promote the full and effective use of urban land and thus concentrate development within settlements. The development is also contrary to Policy CW15 criterion C of that plan because it is not one of the developments specified as being acceptable outside the settlement boundaries.

Reason 2

The development would have an adverse effect on the intrinsic character and appearance of a valued landscape. The proposal is also contrary to criterion B of Policy CW4 of the Caerphilly County Borough Local Development Plan up to 2021 – Adopted November 2010 in that the development of the site would result in the unacceptable erosion of the Blackwood Riverside Woodlands, North East of Blackwood Site of Importance of Nature conservation as identified by Policy NH3.71 of the plan.

Nominations were sought with regard to defending the reasons for refusal at any appeal and Councillors Mrs P. Cook and A. Lewis agreed to represent the Planning Committee at any appeal.

5. PREFACE ITEM - CODE NO. 16/0899/FULL - FACTORY UNIT, PENGAM ROAD, ABERBARGOED

Following consideration of the application it was moved and seconded that the conditions contained the Officer's preface and original report be approved. By a show of hands this was unanimously agreed.

RESOLVED that: -

- (i) subject to the conditions contained in the Officer's original and preface report this application be granted;
- (ii) the applicant be advised that the following policy of the Caerphilly County Borough Local Development Plan up to 2021 - Adopted November 2010 is relevant to the conditions of the permission: CW2.

PLANNING APPLICATIONS UNDER THE TOWN AND COUNTRY PLANNING ACT - SOUTH AREA

6. CODE NO. 16/0208/OUT - CATNIC PONTYPANDY INDUSTRIAL ESTATE, CAERPHILLY

It was noted that the application had been subject to a site visit on Monday 6th March 2017.

Councillor P. J. Bevan declared a prejudicial interest (in that the land owner is known to him) and left the Chamber when the application was discussed.

Councillor J. Pritchard spoke on the application. The applicant's agent, who was present, indicated that he not wish to speak.

Following consideration of the application it was moved and seconded that the recommendations contained in the Officer's report be approved. By a show of hands this was unanimously agreed.

RESOLVED that:-

- (i) the application be deferred to allow the completion of a Section 106 Agreement for the provision of 5% Affordable Housing and Open Space Provision as set out in the report;
- (ii) on completion of the Agreement, subject to the conditions contained in the Officer's report this application be granted;
- (ii) the applicant be advised that the following policies of the Caerphilly County Borough Local Development Plan up to 2021 – Adopted November 2010 are relevant to the conditions of the permission: CW2, CW3 and CW4;
- (iii) the applicant be advised of the comments of Dwr Cymru/Welsh Water, Senior Engineer (Land Drainage), Council's Ecologist, Coal Authority and Wales and West Utilities.

7. CODE NO. 17/0031/FULL - 11 MAES-Y-DRUDWEN, CAERPHILLY

It was noted that the application had been subject to a site visit on Monday 6th March 2017.

Ms K. Selway spoke in objection to the application. The applicant who had been advised had declined the offer to speak.

Following consideration of the application it was moved and seconded that the recommendations contained in the Officer's report be approved. By a show of hands this was unanimously agreed.

RESOLVED that: -

- (i) subject to the conditions contained in the Officer's report this application be granted;
- (ii) the applicant be advised that the proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is also available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority
- (iii) the applicant be advised that the following policy of the Caerphilly County Borough Local Development Plan up to 2021 – Adopted November 2010 are relevant to the conditions of the permission: SP6, CW3.
- (iii) the applicant be advised of the comments of Dwr Cymru/Welsh Water;
- (iv) the applicant be advised that many species of bat depend on buildings for roosting, with each having its own preferred type of roost. Most species roost in

crevices such as under ridge tiles, behind roofing felt or in cavity walls and are therefore not often seen in the roof space. Bat roosts are protected even when bats are temporarily absent because, being creatures of habit, they usually return to the same roost site every year. Bats are protected under The Conservation of Habitats and Species Regulations 2010 (as amended), which implements the EC Directive 92/43/EEC in the United Kingdom, and the Wildlife and Countryside Act 1981 (as amended). Please be advised that, if bats are discovered, all works should stop immediately and Natural Resources Wales (NRW) should be contacted for advice on any special precautions before continuing.

Mature trees are potential bat roosts. All bat species and their roosts are protected by the Conservation of Habitats and Species Regulations 2010 and its amendment 2012, which transposes the EC Habitats Directive 1992 into UK legislation, and the Wildlife and Countryside Act 1981. If bats are discovered, then all works should stop immediately and the Countryside Council for Wales should be contacted for advice on any special precautions, and whether a licence is required, before continuing.

8. CODE NO. 16/1062/FULL - GLYN GWYN FARM, HIGH STREET, BEDWAS

Councillors P. Bevan, W. David and K. Lloyd declared an interest (as the applicant's representative is known to them) and left the meeting when the application was discussed.

It was noted that the application had been subject to a site visit on Monday 6th March 2017 and that since the preparation of the report a further 2 letters of objection and 3 of support had been received.

Mrs D. Parnell spoke in objection to the application and Mr L. Nicholas, the applicant's representatives, spoke in support of the application.

Following consideration of the application it was moved and seconded that the recommendations contained in the Officer's report be approved. By a show of hands this was unanimously agreed.

RESOLVED that: -

- (i) subject to the conditions contained in the Officer's report this application be granted;
- (ii) the applicant be advised that the following policy of the Caerphilly County Borough Local Development Plan up to 2021 – Adopted November 2010 is relevant to the conditions of the permission: CW2.
- (iii) the applicant be advised of the comments of the Council's Ecologist Dwr Cymru/Welsh Water;
- (iv) the applicant be advised that the proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is also available on the Coal Authority website at:
www.gov.uk/government/organisations/the-coal-authority

9. CODE NO 17/0039/COU - 24 CHURCH STREET, BEDWAS

It was noted that the application had been subject to a site visit on Monday 6th March 2017 and that since the preparation of the report a further 66 letters and petition of objection (with 83 signatures) had been received.

Councillor D. Havard and Ms L. Davies spoke in objection to the application. The applicant who had been advised had declined the offer to speak.

Following consideration of the application it was moved and seconded that the recommendations contained in the Officer's report be approved. By a show of hands, and in noting that there were 6 for, 6 against and 2 abstentions, in accordance with Rule of Procedure 15.3, the Chair used his casting vote and as such the application was declared approved.

RESOLVED that: -

- (i) subject to the conditions contained in the Officer's report this application be granted;
- (ii) the applicant be advised that the following policy of the Caerphilly County Borough Local Development Plan up to 2021 – Adopted November 2010 is relevant to the conditions of the permission: CW2;
- (iii) the applicant be advised of the comments of Dwr Cymru/Welsh Water;
- (iv) the applicant be advised that the proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

10. PLANNING APPEAL DECISION REGARDING ERECTION OF RESIDENTIAL DEVELOPMENT AT LAND NORTH OF PANDY ROAD, BEDWAS

Consideration was given to the report which advised of the recent appeal decision in respect of housing development at Pandy Road, Bedwas.

Members were advised that planning permission was refused in November 2015 (Code No. 15/0038/OUT) for residential development on land north of Pandy Road, Bedwas because the site was outside the settlement boundary defined in the LDP, and it would be detrimental to a special landscape area (SLA). The site has an area of over 8 hectares, and supporting information indicated that it could be developed for up to 300 houses.

An appeal was made against the decision, and the inquiry was held in mid-April 2016. Due to the size of the development, the appeal was called in by the Welsh Minister, who issued her decision based on the Inspector's report of 31st January 2017 that, subject to conditions, planning permission, be granted.

Member noted the conclusions in the report and, notwithstanding the views expressed by the Cabinet Secretary for Environment and Rural Affairs (as appended to the report), noted that whilst the adopted LDP remains the appropriate development plan for the determination of planning applications, in considering whether development is contrary to the policies in the plan, careful consideration needs to be given to the objectives of those policies, and whether the proposal is contrary to those objectives, not least because significant weight should be given to the lack of a five year housing supply in determining planning applications.

Concerns were expressed that developers appear to be interested in developing on sites in the south of the borough and Members were reminded that it was not possible to direct them to build in specific areas, although there are sites allocated in the north of the borough for development purpose. However, colleagues in other authorities are undertaking work on how they can be incentivised to do so and this will be considered further in due course.

11. ITEMS FOR INFORMATION

The following items were received and noted: -

- (1) Applications determined by delegated powers;
- (2) Applications which are out of time/not dealt with within 8 weeks of date of registration;
- (3) Applications awaiting completion of a Section 106 Agreement;
- (4) Appeals outstanding and decided.

The meeting closed at 6.55pm

Approved as a correct record and subject to any amendments or corrections agreed and recorded in the minutes of the meeting held on 5th April 2017, they were signed by the Chair.

CHAIR

Agenda Item 4

PREFACE ITEM

APPLICATION NO. 16/0617/OUT
APPLICANT(S) NAME: Mr M Howell
PROPOSAL: Erect 16 dwellings
LOCATION: Land South Of The Glade Wyllie Blackwood

The above outline planning application for 16 dwellings was reported to Planning Committee on 9th November 2016 with a recommendation for approval subject to a Section 106 Agreement to secure the provision of 2 affordable units on-site as part of the development. A copy of the previous report is attached as an Appendix. However, after further deliberation, it is no longer considered appropriate in this instance to require the on-site provision of the affordable units given the relative lack of facilities in the Wyllie settlement, the lack of regular public transport, and the nature of the existing Glade development, i.e. large detached executive homes.

Therefore, in lieu of providing the affordable element onsite, the updated Supplementary Planning Guidance LDP1: Affordable Housing Obligations (Updated June 2015), does make allowances for an off-site commuted sum to provide affordable housing elsewhere. Paragraph 9.3.1 of this guidance states:

“In exceptional circumstances where on-site provision is not considered appropriate and off-site units cannot be delivered as an alternative site is not available, the Council will consider whether a commuted payment in lieu of on-site affordable housing provision would be appropriate.”

As the proposed development has a 10% affordable housing requirement, this equates to 1.6 of the 16 dwellings, i.e. rounded up to 2 dwellings. The fixed value for the transfer of a one bedroom dwelling to a Registered Social Landlord (RSL) is £56,521.92 for the Wyllie area. Therefore, it is proposed to amend the Section 106 Agreement to require a contribution from the developer of $2 \times £56,521.92 = £113,043.84$, which will be used to provide affordable housing elsewhere within the borough, instead of providing affordable units onsite.

RECOMMENDATION – That planning permission be GRANTED subject to the completion of an amended Section 106 Agreement to secure a commuted sum to the value of £113,043.84, as well as the conditions outlined below.

Cont....

Application No. 16/0617/OUT Continued

01) Approval of the details of the access, appearance, landscaping, layout and scale of the development (hereinafter called "the reserved matters") shall be obtained from the Local Planning Authority in writing before development is commenced and shall be carried out as approved.

REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.

02) Plans and particulars of the reserved matters referred to in Condition 01) above, relating to the access, appearance, landscaping, layout and scale of the development, shall be submitted in writing to the Local Planning Authority and shall be carried out as approved.

REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.

03) Application for approval of the reserved matters shall be made to the Local Planning Authority before the expiration of three years from the date of this permission.

REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.

04) The development hereby permitted shall be begun either before the expiration of five years from the date of this permission, or before the expiration of two years from the date of approval of the last of the reserved matters to be approved, whichever is the later.

REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.

05) Prior to the commencement of works on site a scheme of land drainage shall be submitted to and agreed in writing by the Local Planning Authority. All works that form part of the agreed scheme shall be carried out before any part of the development to which they relate is occupied.

REASON: To ensure the development is served by an appropriate means of drainage.

06) Prior to the commencement of the development a scheme shall be submitted to and agreed in writing by the Local Planning Authority to deal with the contamination of the site. That scheme shall include a ground investigation and a risk assessment to identify the extent of the contamination and the measures to be taken to avoid risk to the occupants of the development when the site is developed. The development shall be carried out in accordance with the approved scheme.

REASON: In the interests of public health.

Cont....

Application No. 16/0617/OUT Continued

07) No building approved by this permission shall be occupied or approved uses commence until a report has been submitted to and approved in writing by the Local Planning Authority which verifies that the required works have been undertaken in accordance with the remediation strategy.
REASON: To protect public health.

08) The details submitted in respect to Condition 01) shall provide for open spaces and play areas to include the provision of a Locally Area of Play (LAP). These details shall be submitted and agreed in writing with the Local Planning Authority and thereafter implemented prior to the occupation of any dwellings that adjoin or overlook those areas of formal play.
REASON: To ensure that the site is provided for in respect to formal play provision.

09) The development shall be carried out in accordance with the following approved plans and documents:
Drawing Number: 160211/AR/FE/102, Revision P03, General.
Arrangement: Site Layout Plan as Proposed, received 05.10.2016.
REASON: To ensure that the development is carried out only as approved by the Local Planning Authority.

10) Before any soils or hardcore that do not fall within the green category set out in Table 2 of the WLGA document 'Requirements for the Chemical Testing of Imported Materials for Various End Uses and Validation of Cover Systems 2013' are brought on to site, a scheme for their importation and testing for contamination shall be submitted to and agreed in writing with the Local Planning Authority. The development shall thereafter be carried out in accordance with the approved scheme.
REASON: To prevent contamination of the application site in the interests of public health.

11) Notwithstanding the submitted plans, no works shall commence on site until details of a turning head have been submitted to and agreed in writing with the Local Planning Authority. The details shall include a timetable for providing the turning head which, along with the access thereto, shall be constructed to base course level prior to the construction of any dwelling hereby approved.
REASON: In the interest of highway safety.

Cont....

Application No. 16/0617/OUT Continued

12) Prior to the commencement of any works associated with the development hereby approved, a plan showing details of the provision of roosts and a means of access for bats shall be submitted to the Local Planning Authority for approval. The approved details shall be implemented before the development hereby approved is first occupied.

REASON: To provide additional roosting for bats as a biodiversity enhancement, in accordance with Section 40 Natural Environment and Rural Communities Act 2006, and policy contained in Welsh Assembly Government's Planning Policy Wales and TAN 5 Nature Conservation and Planning.

13) Prior to the commencement of any works on site, details of the provision of nesting sites for bird species (House sparrow, House martin, Starling, Swallow or Swift) in the dwellings hereby approved shall be submitted to the Local Planning Authority for approval. The approved details shall be implemented before the dwellings hereby approved are first occupied.

REASON: To provide additional nesting opportunities for birds as a biodiversity enhancement, in accordance with Part 1 Section 6 of the Environment (Wales) Act 2016, and policy contained in Welsh Government's Planning Policy Wales (2016) and Tan 5 Nature Conservation and Planning (2009).

Code No. and Date Received	Name and Address of Applicant	Description and Location of Proposed Development
16/0617/OUT 05.08.2016	Mr M Howell Gelliwen Farm Bedwellty Road Markham Blackwood NP12 0PP	Erect 16 dwellings Land South Of The Glade Wyllie Blackwood

APPLICATION TYPE: Outline Application

SITE AND DEVELOPMENT

Location: The application site is located on land to the south of the existing residential development known as The Glade in Wyllie.

Site description: Vacant land adjacent to existing residential development.

Development: Outline planning permission is sought to erect 16 dwellings with associated access and refuse vehicle turning facilities. All matters are reserved at present but the submitted plan shows a road extending southwards with dwellings on either side.

Dimensions: Scale parameters for each dwelling are indicated as:
Height: Maximum - 12m, minimum - 9m;
Width: Maximum - 10.5m, minimum - 8m;
Length: Maximum - 10.5m, minimum - 8m.

The site has an area of 0.8 hectares.

Materials: Not specified.

Ancillary development, e.g. parking: Access road with two refuse vehicle turning heads.

PLANNING HISTORY 2005 TO PRESENT

09/0908/FULL - Alter site road and turning area - Granted 30.04.10.

14/0607/FULL - Erect two detached houses, access road and turning head - Granted 06.11.14.

Cont....

Application No. 16/0617/OUT Continued

POLICY

LOCAL DEVELOPMENT PLAN

Site Allocation: The site is located within the settlement boundary.

Policies: SP5 (Settlement Boundaries), SP6 (Place Making), CW2 (Amenity), CW3 (Design Considerations: Highways), CW6 (Trees, Woodland and Hedgerow Protection), CW7 (Protection of Open Space), CW10 (Leisure and Open Space Provision), CW11 (Affordable Housing Planning Obligations), CW15 (General Locational Constraints) and advice contained within the council's adopted supplementary planning guidance LDP 5 (Car Parking Standards), LDP6 (Building Better Places to Live) and LDP 7 (Householder Developments).

NATIONAL POLICY Planning Policy Wales Edition 8 (January 2016) and TAN 12: Design (March 2016).

ENVIRONMENTAL IMPACT ASSESSMENT

Did the application have to be screened for an EIA? Yes.

Was an EIA required? No.

COAL MINING LEGACY

Is the site within an area where there are mining legacy issues? Not an issue in respect of this planning application.

CONSULTATION

CCBC - 21st Century Schools - No comments.

Head Of Public Protection - No objection subject to conditions in respect of contamination.

CCBC Housing Enabling Officer - Development triggers affordable housing requirement at 10%, i.e. 2 dwellings.

Senior Engineer (Land Drainage) - No objection subject to condition and advice to developer.

Minerals Officer – No comments.

Cont....

Application No. 16/0617/OUT Continued

Countryside And Landscape Services - No objection to the proposal subject to amended layout removing plots formerly identified as Plots 1-11. These plots have been re-located as part of the amended layout.

Outdoor Leisure Development Officer - Requests area of open space be provided in line with the requirements of Policy CW10 of the adopted LDP. This matter can be controlled by way of condition.

Head Of Public Services - Provides advice to the developer regarding refuse collection.

Transportation Engineering Manager - No objection subject to conditions concerning access and parking.

Dwr Cymru - Provides advice to the developer and request condition relating to drainage.

Police Architectural Liaison Officer - No response.

Wales & West Utilities - No comments.

Western Power Distribution - No comments.

Strategic & Development Plans - Provides planning history for the application site, and outlines the Council's current position in relation to the Joint Housing Land Availability Study (2016), which indicates the Council has a 1.5 year land supply. Based on this significant shortfall no objection is raised to the proposal subject to the proposal complying with all other material planning considerations and relevant planning policies.

ADVERTISEMENT

Extent of advertisement: Nine neighbours were consulted by way of letter and a site notice was displayed near the application site.

Response: Five objections were received.

Summary of observations:

- Existing road serving site incapable of taking additional traffic generated by proposed development;
- Disruption to existing residents caused by heavy plant machinery during construction;
- Noise and pollution during works;
- Detrimental impact on character of village;

Cont....

Application No. 16/0617/OUT Continued

- Lack of turning head to serve existing development
- Outside settlement boundary as defined in Local Development Plan;
- Unacceptable linear development;
- Appropriate land has been allocated elsewhere in the village of Wyllie, i.e. the site known as 'Land at Pen-y-Cwarel Road (allocated in LDP for housing).

SECTION 17 CRIME AND DISORDER ACT

What is the likely effect of the determination of this application on the need for the Local Planning Authority to do all it reasonably can to prevent crime and disorder in its area?
Crime and disorder are not considered to be an issue for this application.

EU HABITATS DIRECTIVE

Does the development affect any protected wildlife species? No.

COMMUNITY INFRASTRUCTURE LEVY

Is this development Community Infrastructure Levy liable? Yes. New residential floor space in the Mid Viability Zone chargeable at a rate of £25 per square metre of internal floor space (to be calculated at reserved matters stage).

ANALYSIS

Policies: This is an outline application with all matters reserved for the erection of 16 houses on the southern edge of Wyllie. The application has been considered in accordance with local plan policies and national planning guidance as referred to above. The main issues considered to be relevant to the determination of this planning application are the relationship of the application site to the existing settlement boundary, its compatibility with surrounding land uses, and highway safety.

The application site is located outside of the defined settlement boundary, that bounds the site along its northern. Therefore the site is currently classed as open countryside, and therefore the development is contrary to Policy SP5 of the Local Development Plan (LDP).

Policy SP5 (Settlement Boundaries) states:-

"The Plan defines settlement boundaries in order to:

A Define the area within which development would normally be allowed, taking into account material planning considerations;

Cont....

Application No. 16/0617/OUT Continued

- B Promote the full and effective use of urban land and thus concentrate development within settlements;
- C Prevent the coalescence of settlements, ribbon development and fragmented development;
- D Prevent inappropriate development in the countryside."

Technical Advice Note (TAN) 1 relates to Joint Land Availability Studies which are required in order to monitor the provision of market and affordable housing. Under TAN 1 Local Planning Authorities have a duty to ensure that sufficient land is genuinely available to provide a 5 year supply of land for housing.

Paragraph 5.1 of TAN1 states:

"The results of the Joint Housing Land Availabilities Studies should be treated as a material consideration in determining planning applications for housing. Where the current study shows a land supply below the 5 year requirement, the need to increase supply should be given considerable weight when dealing with planning applications, provided that the development would otherwise comply with national planning policies. In addition, local planning authorities must take steps to increase the supply of housing land."

The Council's housing land supply, as agreed in the latest Joint Housing Land Availability Schedule is only 1.5 years, compared with the requirement in Planning Policy Wales and TAN 1 to maintain a 5 year supply. The housing land supply is a material consideration in planning applications and the deficit in Caerphilly County Borough Council's housing land supply and remedying this shortfall should be considered a high priority in the determining suitable planning application, such as this one. For these reasons, although the 16 proposed dwellings are located outside of the defined settlement boundary, the lack of a 5 year housing land supply is a material planning consideration, and adds considerable weight in support of the proposed development.

In reference to the criteria contained in Policy SP5, the development as originally proposed, i.e. 24 detached dwellings arranged in a linear layout was considered to represent ribbon development contrary to Policy SP5. The applicant has amended the scheme to 16 dwellings located either side of the access road, thereby overcoming the ribbon development objection. It is considered that the 16 dwellings now represents a far more effective use of land in accordance with this policy. Whilst it would inevitably encroach into the countryside, the extent of the development has been determined to a degree by the existing terrace on the opposite side of the valley, i.e. Nos. 1-30 Pontgam Terrace.

Cont....

Application No. 16/0617/OUT Continued

Policy SP7 (Planning Obligations) states:-

"The Council will seek to secure Planning Obligations (S106 Agreements) where they are necessary to remove obstacles to planned development, meet local needs and make development more sustainable. Such obligations will include:

- A Infrastructure for walking, cycling, public transport, parking;
- B Schools and ancillary facilities;
- C Community facilities;
- D Strategic highway improvements in the Northern and Southern Connections Corridors;
- E Flood defence measures required to mitigate the risk of flooding;
- F Formal and informal open and leisure space;
- G Affordable housing; and
- H Other facilities and services considered necessary."

A Section 106 Agreement will form part of any planning permission to secure the required element of affordable housing, 10% in this instance (2 dwellings based on the proposed 16 units). The development site is also CIL liable at a rate of £25 per sq. metre of internal floor area. Such monies will contribute to the above local needs and will be calculated at reserved matters stage.

SP15 (Affordable Housing Target). The Council will seek to deliver through the planning system at least 964 affordable dwellings between 2006 and 2021 in order to contribute to balanced and sustainable communities. The proposed development will contribute 2 dwellings (depending on the reserved matters) towards this target.

Policy CW2 (Amenity) states that:-

"Development proposals must have regard for all relevant material planning considerations in order to satisfy the following requirements:

- A There is no unacceptable impact on the amenity of adjacent properties or land;
- B The proposal would not result in over-development of the site and/or its surroundings;
- C The proposed use is compatible with surrounding land-uses and would not constrain the development of neighbouring sites for their identified land-use;
- D Where applicable, the viability of existing neighbouring land uses would not be compromised by virtue of their potential impact upon the amenity of proposed new residential development."

Cont....

Application No. 16/0617/OUT Continued

The proposed development is bounded to the north by existing residential development, and the development of the site will not have an unacceptable impact on the amenity of these surrounding residential developments. Furthermore, the site benefits from established hedgerows/tree lines along its eastern edge that will soften the impact of the proposed development in the landscape, particularly from the other side of the valley. A landscaping condition may be attached to a reserved matters application to ensure this is the case. The proposed development is of a reasonable density given its edge of settlement location, and therefore it is not considered that the development represents an over-development of the site.

CW3 (Design Considerations - Highways) states:-

- "A. The proposal has regard for the safe, effective, and efficient use of the transportation network;
- B. The proposal ensures that new access roads within development proposals are designed to a standard that:
 - i. Promotes the interests of pedestrians, cyclists and public transport before that of the private car, and
 - ii. Safely and effectively accommodates the scale and nature of traffic, which those roads are intended to serve
- C. Parking, appropriate servicing and operational space have been provided in accordance with the CSS Wales Parking Standards 2008;
- D. Where access onto a highway is required the proposal takes account of the restrictions relevant to the class of road as designated in the road hierarchy ensuring movements and speeds are controlled through appropriate design, in order to ensure highway safety and amenity."

The Transportation Engineering Manager is satisfied with the proposed access to the development site, and road network within the development, and raises no objection subject to conditions.

CW10 (Leisure and Open Space Provision) states:-

"All new housing sites capable of accommodating 10 or more dwellings or exceeding 0.3ha in gross site area will be required to make adequate provision for:

- A. Well-designed useable open space as an integral part of the development; and
- B. Appropriate formal children's play facilities either on or off site and
- C. Adequate outdoor sport provision either on or off site,
- D. To meet the needs of the residents of the proposed development."

Cont....

Application No. 16/0617/OUT Continued

Although no open space is shown on the submitted plans, the layout of the development is a reserved matter and therefore a condition will be attached to the planning permission requiring details of a local area of play be provided as part of any reserved matters application, in accordance with Policy CW10.

CW11 (Affordable Housing Planning Obligation) states:-

"Legal agreements will be required to ensure that there is provision of an element of affordable housing, in accordance with an assessment of local need, for all allocated and windfall housing sites that:

- A Accommodate 5 or more dwellings or
- B Exceed 0.15ha in gross area."

The application site is located within the area defined as the Rest of Caerphilly (including Newbridge) Area which has an affordable housing target of 10%.

A Section 106 Agreement will be required to secure the requirement of the Housing Enabling Officer, i.e. the provision of 10% affordable housing onsite, which equates to 2 dwellings on the basis of the submitted plans, and must meet the following tests:

(a) It is necessary to make the development acceptable in planning terms.

Policy CW11 requires the provision of affordable housing and that can only be secured through a S106 Agreement.

(b) It is directly related to the development.

The affordable housing can only be secured as part of a housing development.

(c) It is fairly and reasonably related in scale and kind to the development.

The amount of affordable housing is based on the requirements set out in the LDP which has been through an examination and been adopted.

Comments from Consultees: No objection subject to conditions and advice.

Comments from public:

1. Existing road serving site incapable of taking additional traffic generated by proposed development - The Transportation Engineering Manager does not raise objection to the proposal based on the existing road network serving the site.

Cont....

Application No. 16/0617/OUT Continued

2. Disruption to existing residents caused by heavy plant machinery during construction - Although it is inevitable that such vehicles will pass existing dwellings during construction this reason would not warrant a refusal of planning permission.
3. Noise and pollution during works - If the development were to result in noise or pollution during construction works, the Council's Environmental Health department have appropriate powers to remedy such issues.
4. Detrimental impact on character of village - It is not considered that the proposed development would detract from the character of the existing village given its modest scale and relationship to existing The Glade development.
5. Lack of turning head to serve existing development - This is an ongoing enforcement matter and the determination of the current application will determine the best course of action to remedy this issue.
6. Outside settlement boundary as defined in Local Development Plan - This issue has been addressed above. Given the lack of a 5-year housing land supply, it is not considered that the settlement boundary issue outweighs the requirement for new housing in this instance.
7. Unacceptable linear development - It is considered that the amended layout (received 05.10.2016) overcomes this issue.
8. Appropriate land has been allocated elsewhere in the village of Wyllye, i.e. the site known as 'Land at Pen-y-Cwarel Road (allocated in LDP for housing) - Land adjacent to Pen-y-Cwarel Road (H1.50) is identified in the Adopted LDP for the provision of 56 houses within the residential settlement of Wyllye. The 2016 Joint Housing Land Availability Study categorises H1.50 as 'category 3', indicating that the site is unlikely to come forward in the 5 year period and should not be used in determining the 5 year housing land supply calculation. On this basis it is not considered that a 'Settlement Strategy' argument outweighs the need for new housing.

Other material considerations: In the recently allowed (May 2016) appeal decision of Land at Cwmgelli, Blackwood (Appeal Ref: APP/K6920/A/15/3137884), a site considered to be very similar to the application site, i.e. located at the edge of settlement, within a green wedge, and identified as a Candidate site for housing in the Deposit LDP, the Inspector made the following comments:

"The proposed development conflicts with national and local policies relating to the protection of the countryside and Green Wedges. Planning Policy Wales states that substantial weight should be given to any harmful impact that a development would have on a Green Wedge and inappropriate development should not be allowed except in very exceptional circumstances. It is necessary, therefore, to consider whether there are any very exceptional circumstances to overcome the harm to the Green Wedge."

Cont....

Application No. 16/0617/OUT Continued

"The Council cannot demonstrate a 5 year housing land supply and has not been able to do so since the LDP was adopted. The latest Joint Housing Land Availability Study concluded that the Council could only demonstrate a 1.9 year housing land supply. Technical Advice Note 1; Housing (TAN 1) advises that where land supply falls below 5 years, considerable weight should be given to increasing supply subject to development plan and national policies being met. As stated above that is not the case here but, in my view, the extent of the shortfall weighs heavily in favour of development that can proceed without causing harm to its surroundings."

"The Council can only demonstrate a 1.9 year housing land supply. This is well short of what should be provided and the proposed development would provide much needed housing and affordable housing. The emerging LDP is seeking to address the current housing shortfall but, if found sound, won't be adopted for at least 18 months. It is acknowledged that the site lies in a sustainable location and I consider that the development can proceed without causing unacceptable harm to its surroundings. In my view, there is an overriding need for this development and these factors combine to constitute the very exceptional circumstances to outweigh the conflict with national and local policies described above."

The above appeal decision is significant to the application site given the similarity in terms of its location, i.e. edge of settlement, as well as the Inspector referring to the Council's 1.9 year housing land supply as representing very exceptional circumstances (now at 1.5 years). It is accepted that the development will encroach on the countryside, however, given the lack of an adequate housing land supply it is not considered that this encroachment into the countryside outweighs the need to provide additional housing in accordance with Technical Advice Note (TAN) 1.

RECOMMENDATION that (A) The application is Deferred to allow the completion of a Section 106 Agreement as set out in the report. On completion of the Agreement (B) that Permission be GRANTED

This permission is subject to the following condition(s)

- 01) Approval of the details of the access, appearance, landscaping, layout and scale of the development (hereinafter called "the reserved matters") shall be obtained from the Local Planning Authority in writing before development is commenced and shall be carried out as approved.

REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.

Cont....

Application No. 16/0617/OUT Continued

- 02) Plans and particulars of the reserved matters referred to in Condition 01) above, relating to the access, appearance, landscaping, layout and scale of the development, shall be submitted in writing to the Local Planning Authority and shall be carried out as approved.
REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.
- 03) Application for approval of the reserved matters shall be made to the Local Planning Authority before the expiration of three years from the date of this permission.
REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.
- 04) The development hereby permitted shall be begun either before the expiration of five years from the date of this permission, or before the expiration of two years from the date of approval of the last of the reserved matters to be approved, whichever is the later.
REASON: To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.
- 05) Prior to the commencement of works on site a scheme of land drainage shall be submitted to and agreed in writing by the Local Planning Authority. All works that form part of the agreed scheme shall be carried out before any part of the development to which they relate is occupied.
REASON: To ensure the development is served by an appropriate means of drainage.
- 06) Prior to the commencement of the development a scheme shall be submitted to and agreed in writing by the Local Planning Authority to deal with the contamination of the site. That scheme shall include a ground investigation and a risk assessment to identify the extent of the contamination and the measures to be taken to avoid risk to the occupants of the development when the site is developed. The development shall be carried out in accordance with the approved scheme.
REASON: In the interests of public health.
- 07) No building approved by this permission shall be occupied or approved uses commence until a report has been submitted to and approved in writing by the Local Planning Authority which verifies that the required works have been undertaken in accordance with the remediation strategy.
REASON: To protect public health.

Cont....

Application No. 16/0617/OUT Continued

- 08) The details submitted in respect to Condition 01) shall provide for open spaces and play areas to include the provision of a Locally Area of Play (LAP). These details shall be submitted and agreed in writing with the Local Planning Authority and thereafter implemented prior to the occupation of any dwellings that adjoin or overlook those areas of formal play.
REASON: To ensure that the site is provided for in respect to formal play provision.
- 09) The development shall be carried out in accordance with the following approved plans and documents:
Drawing Number: 160211/AR/FE/102, Revision P03, General Arrangement: Site Layout Plan as Proposed, received 05.10.2016.
REASON: To ensure that the development is carried out only as approved by the Local Planning Authority.

Advisory Note(s)

Please find attached the comments of Senior Engineer (Land Drainage) and Dwr Cymru/ Welsh Water that are brought to the applicant's attention.

The following policy(ies) of the Caerphilly County Borough Local Development Plan up to 2021 - Adopted November 2010 is/are relevant to the conditions of this permission: Policy CW2, CW3, CW6, CW10, CW11.

DEFERRED FOR SECTION 106 AGREEMENT

Add four extra conditions:

- 10) Before any soils or hardcore that do not fall within the green category set out in Table 2 of the WLGA document 'Requirements for the Chemical Testing of Imported Materials for Various End Uses and Validation of Cover Systems 2013' are brought on to site, a scheme for their importation and testing for contamination shall be submitted to and agreed in writing with the Local Planning Authority. The development shall thereafter be carried out in accordance with the approved scheme.
REASON: To prevent contamination of the application site in the interests of public health.

11) Notwithstanding the submitted plans, no works shall commence on site until details of a turning head have been submitted to and agreed in writing with the Local Planning Authority. The details shall include a timetable for providing the turning head which, along with the access thereto, shall be constructed to base course level prior to the construction of any dwelling hereby approved.
REASON: In the interest of highway safety.

12) Prior to the commencement of any works associated with the development hereby approved, a plan showing details of the provision of roosts and a means of access for bats; shall be submitted to the Local Planning Authority for approval. The approved details shall be implemented before the development hereby approved is first occupied.

REASON: To provide additional roosting for bats as a biodiversity enhancement, in accordance with Section 40 Natural Environment and Rural Communities Act 2006, and policy contained in Welsh Assembly Government's Planning Policy Wales and TAN 5 Nature Conservation and Planning.

13) Prior to the commencement of any works on site, details of the provision of nesting sites for bird species (House sparrow, House martin, Starling, Swallow or Swift) in the dwellings hereby approved shall be submitted to the Local Planning Authority for approval. The approved details shall be implemented before the dwellings hereby approved are first occupied.

REASON: To provide additional nesting opportunities for birds as a biodiversity enhancement, in accordance with Part 1 Section 6 of the Environment (Wales) Act 2016, and policy contained in Welsh Government's Planning Policy Wales (2016) and Tan 5 Nature Conservation and Planning (2009).

Agenda Item 5

Code No. and Date Received	Name and Address of Applicant	Description and Location of Proposed Development
17/0112/FULL 21.02.2017	Mr L Thomas 5 Taf Olwg Nelson Treharris CF46 6JL	Erect a two-storey extension to the side of property and alterations to single storey structure to the rear 5 Taf Olwg Nelson Treharris CF46 6JL

APPLICATION TYPE: Full Application

SITE AND DEVELOPMENT

Location: 5 Taf Olwg, Nelson, Treharris, CF46 6JL.

House type: Semi-detached dwelling within an existing housing estate fronting eastwards onto Taf Olwg road with residential properties beyond. To the north is number 3 Taf Olwg one of an adjacent pair of semi-detached properties, south is the attached neighbour (7 Taf Olwg). To the west is a rear parking court and the rear curtilage area of a semi-detached property (4 St John's Lane). Other properties in St John's Lane and Taff Olwg lies beyond the parking court further to the west.

Development: Two-storey extension to the side of existing property and alterations to the single storey structure to rear.

Dimensions:

Two Storey Side Extension

- 2.6m wide by 8.7m long with an overall height of 7.4m.

Single Storey Rear Extension

4.9m wide by 3.3m long with an overall height of 3.4m.

Materials:

Existing

- Walls Brickwork, roof Concrete tile.

Proposed:

- Wall Brickwork and Render.

Application No. 17/0112/FULL Continued

Response: At the time of writing this report no responses had been received relative to the consultation exercise however the consultation period had yet to expire. Any representations received following the completion of this report will be verbally reported to Members at Planning Committee.

Summary of observations: None.

SECTION 17 CRIME AND DISORDER ACT

What is the likely effect of the determination of this application on the need for the Local Planning Authority to do all it reasonably can to prevent crime and disorder in its area?

It is not considered that crime and disorder will be materially affected by the development.

EU HABITATS DIRECTIVE

Does the development affect any protected wildlife species? Based on current evidence, this is unlikely to be a significant issue in this case, but an advisory note will be attached to the consent and sent to the applicant as a precautionary measure.

COMMUNITY INFRASTRUCTURE LEVY

Is this development Community Infrastructure Levy liable? The development is not chargeable as the additional internal floorspace created is below 100 sq m.

ANALYSIS

Policies: This application is reported to Planning Committee as the applicant's spouse is an employee of the Council.

The application has been considered in accordance with national guidance, local plan policy and supplementary planning guidance. The main considerations for the application are the impact on neighbour amenity and the impact of the visual appearance of the development on the character of the area.

The application property (5 Taf Olwg) is located within Taf Olwg road which has a staggered building line on the western side. The neighbouring property to the north (3 Taf Olwg) has its footprint located further forward than the application property with the rear building line of the application property projecting behind the rear building line of number 3 (circa 2.5-3m).

Cont....

Application No. 17/0112/FULL Continued

Number 3 Taf Olwg has an existing two storey side extension approved and constructed under permission (P/97/0143) but the applicant's driveway and part of the rear curtilage area currently provides a buffer between the two properties.

The design of the proposed two storey extension has been considered. It is noted that several properties in the locality have side extensions which extend at ridge height and do not include any set back from the principal elevation. In this existing context it is considered that the proposed extension has an acceptable design and due to the staggered building line the side extension would not create a terracing effect. The proposed single storey rear extension also has an acceptable design.

The proposed two-storey side extension would be constructed along the full length of the side of the application property extending behind the rear building line of number 3 Taf Olwg, at two storey height, for a distance in excess of 2 metres. The extension would extend to the boundary with number 3 Taf Olwg, abutting number 3's existing extension and to the rear, projecting behind it. It is considered that the extension would have an enclosing effect, with the rearmost part of the two storey extension creating a high boundary adjacent to the rear elevation of number 3 Taf Olwg extending beyond it enclosing the immediate rear curtilage area beyond. This would have an overbearing impact on the outlook presently enjoyed by the occupiers of 3 Taf Olwg and would have an unacceptable overshadowing impact on the rear curtilage area and the ground floor window serving a kitchen.

The proposed development also includes a rear single storey extension close to the boundary with the attached neighbour to the south (number 7 Taf Olwg). Both the application property and number 7 Taf Olwg at present have rear conservatories, each with solid walls facing the common boundary. The proposed single storey extension would replace the conservatory and this element of the scheme, in isolation, is considered to have an acceptable impact on neighbour amenity. It is also considered that the proposed development would not have an unacceptable impact on properties to the west on St John's Lane or those other properties within Taf Olwg as there is adequate separation distance meaning there would be no unacceptable overlooking introduced by the development.

The proposed development is however considered to have an unacceptable impact on the level of amenity presently enjoyed by the occupiers of number 3 Taf Olwg by reason of the overbearing impact of the two storey extension which would abut and extend behind the rear building line of number 3 Taf Olwg at two storey height, on the common boundary, for a distance in excess of two metres. It is not possible to issue a split decision on the rear single storey extension and therefore it is recommended that the planning application be refused due to the unacceptable adverse impact on neighbour amenity for the occupiers of 3 Taf Olwg.

Cont....

Application No. 17/0112/FULL Continued

Comments from consultees: None.

Comments from public: None.

Other material considerations: The duty to improve the economic, social, environmental and cultural well-being of Wales, has been considered in accordance with the sustainable development principle, under Section 3 of the Well-Being of Future Generations (Wales) Act 2015. In reaching the recommendation below, the ways of working set out at Section 5 of that Act have been taken into account, and it is considered that the recommendation is consistent with the sustainable development principle as required by Section 8 of that Act.

RECOMMENDATION that Permission be REFUSED

The reason(s) for the Council's decision is/are

- 01) The development, by reason of its siting and scale, would have an overbearing and enclosing impact on the adjacent property and rear curtilage area of number 3 Taf Olwg, having an unacceptable impact on the light, outlook and level of amenity presently enjoyed by the occupiers of 3 Taf Olwg. Such an impact is contrary to Policy CW2 of the Caerphilly County Borough Local Development Plan up to 2021 - Adopted November 2010, as well as Guidance Note 2 of the Local Planning Authority's Adopted Supplementary Planning Guidance LDP7: Householder Developments (Revision 3, Adopted January 2017).
