Appendix 1 provides details of the 2016/17 approved budget, the 2015/16 slippage carried forward and additional in-year funding for 2016/17 as at period 7.

**BUDGET MONITORING REPORT (PERIOD 7)** 

REPORT BY: ACTING DIRECTOR OF CORPORATE SERVICES AND SECTION 151

**OFFICER** 

#### 1. PURPOSE OF REPORT

1.1 To inform Members of projected revenue expenditure for the Directorate of Corporate Services and Miscellaneous Finance for the 2016/17 financial year.

#### 2. SUMMARY

2.1 The report projects the anticipated final outturn for the Directorate of Corporate Services and Miscellaneous Finance based upon expenditure and income trends for the first seven months of the financial year.

#### 3. LINKS TO STRATEGY

- 3.1 The contents of this report are in accordance with the Budget Strategy agreed by Council at its meeting on 24<sup>th</sup> February 2016.
- 3.2 Effective financial planning and financial control contribute to the following Well-being Goals within the Well-being of Future Generations (Wales) Act 2015: -
  - A prosperous Wales.
  - A resilient Wales.
  - A healthier Wales.
  - A more equal Wales.
  - A Wales of cohesive communities.
  - A Wales of vibrant culture and thriving Welsh Language.
  - A globally responsible Wales.

#### 4. THE REPORT

#### 4.1 Corporate Services

- 4.1.1 The Directorate of Corporate Services is currently forecasting an underspend of £1,270k for the 2016/17 financial year, full details of which are provided in Appendix 1.
- 4.1.2 The anticipated underspend of £260k in Corporate Finance relates in the main to delays in appointing to vacant posts, vacancies which are being held to support the Medium-Term Financial Plan (MTFP) savings requirements for 2017/18 and some one-off additional income.

- 4.1.3 The anticipated underspend of £170k in Procurement and Customer Services consists of:-
  - Projected underspend of £86k on Procurement which relates in the main to delays in appointing to vacant posts.
  - Customer First £84k underspend which is also due in the main to vacancies being held to support the Medium-Term Financial Plan savings requirement for 2017/18 together with some-one off savings due to a member of staff being on a career-break.
- 4.1.4 Legal & Governance is projecting a net underspend of £84k after allowing for the following to be ring-fenced and transferred to earmarked reserves: -
  - Projected underspend on Members related expenditure of £126k. This is due in the main to underspends on Members Allowances which is partly off-set by reduced costs on printing/ webcasting.
  - Projected underspend of £46k on Electoral Services.

The net underspend of £84k for Legal and Governance is due to vacancies.

- 4.1.5 Corporate Policy is projecting an overall underspend of £33k after taking account of: -
  - Projected overspend of £51k in the Equalities and Welsh Language Team due to increased external translation costs and the need to appoint a temporary translator post to cope with workload caused by the new Welsh Language Standards.
  - Projected underspend of £25k on budgets in the Policy Team. This is after the one-off transfer of earmarked reserve.
  - Projected underspend in the Performance Management Unit of £26k due to a vacancy being held to support the Medium-Term Financial Plan savings requirement for 2017/18.
  - Projected net underspend of £33k on other Corporate Policy budgets.
- 4.1.6 There is a projected breakeven on Housing services which consists of the following:-
  - General Fund Housing is anticipated to break-even but this is being achieved through utilising income received for leasing out Ty Croeso, which is normally set aside as a renewals fund for future building maintenance works. This service area includes a statutory duty for Temporary Accommodation which is demand led and difficult to predict.
  - Private Housing is anticipating an overspend of £13k. The main concern for this budget is the Agency Income Fee which was under-recovered last year by some £196k. The fee income has historically been generated from the private housing capital programme which has reduced substantially over the years. There is additional fee income expected this year from the allocation of WHQS works to leasehold properties but there is still a projected under recovery on agency income of £43k. This has been partially offset by savings of £30k which is mainly attributable to salaries as a result of staff retirements to support the Medium-Term Financial Plan savings requirement for 2017/18. There are revenue balances available to meet the net projected shortfall of £13K this year.
- 4.1.7 There is an anticipated underspend of £484k in Information Technology, consisting of the following:-
  - IT Services £428k underspend which is due in the main to vacancies being held to support the Medium-Term Financial Plan savings requirement for 2017/18.
  - Central Services £56k underspend mainly due to a vacancy being held to support the Medium-Term Financial Plan savings requirement for 2017/18 along with some one-off income.

Both IT and Central Services underspends may be partially utilised for one-off IT schemes. Business cases are under consideration.

- 4.1.8 For Performance and Property there is a net projected underspend of £55k, consisting of the following: -
  - Corporate Property £89k overspend due to an agreed delay in a planned retirement offset by vacancy management savings. This will be funded by a one-off transfer of earmarked reserve.
  - Corporate Buildings £34k overspend in respect of spend on Tiryberth Depot, offset by small savings on NNDR and standby/relief cover and underspends on energy costs.
     However, energy contract prices are due to be reviewed, so this area of spend will need to be kept under review.
  - Asset Management and Facilities Projected £67k underspend mainly due to some reduced hours on salaries, increased recharges to schools/other services for maintenance management and some savings on lease costs on vacant properties.
  - Building Consultancy Projected £22k underspend based on agreed fees to date, these are reviewed on an on-going basis.
- 4.1.9 There is a projected underspend of £113k for Human Resources and Communications consisting of :-
  - Human Resources projected underspend of £110k due in the main to salary savings from staff on Career breaks, some staff not at top of scale point, staff on long term sickness and maternity leave.
  - Communications £3k underspend due in the main to salary costs arising from maternities.
- 4.1.10 There is a projected underspend of £34k for Health & Safety, mainly due to salary savings arising from delays in recruitment and additional Service Level Agreement (SLA) income received from Cardiff City Council.
- 4.1.11 The following table provides a summary of progress in delivering agreed 2016/17 savings for the Directorate of Corporate Services: -

Section	Agreed MTFP Savings £'000	Progress against Savings £'000	Variance £'000
Corporate Finance	224.75	202.75	22.00
Corporate Health And Safety	161.70	131.70	30.00
Corporate Policy	85.90	52.50	33.40
General Fund Housing	141.00	141.00	-
Human Resources	235.00	235.00	-
Information and Citizen Engagement	501.00	497.50	3.50
Legal and Governance	129.70	129.70	-
Performance and Property - (Asset Management Facilities)	77.00	77.00	-
Performance and Property - (Property - Corporate Property)	128.00	61.00	67.00
Procurement Services	57.70	57.70	-
(blank)	-	-	-
Grand Total	1,741.75	1,585.85	155.90

# 4.1.12 The variance of £155.9k consists of

- £22k for Corporate Finance is due to the "Increased court fee income" not anticipated to be fully achieved (£17k) along with the savings on "printing costs" not materialising due to staff sickness (£5k). These areas are currently being reviewed.
- £30K for Health & Safety is due to an anticipated reduction in the expected training/fee income.

- £33.4k Corporate Policy is due to a delay in delivering vacancy savings and a delay in reducing the "Welsh Language Initiative" budget.
- £3.5k for Information and Governance is due to the proposed reduction in "support vans" not yet being achieved.
- £67k for Corporate Property is due to a retirement being agreed for a later date than originally planned.
- 4.1.13 All the above are expected to be off-set by other savings in the service areas during the current financial year and the savings will be fully delivered during 2017/18.

#### 4.2 Miscellaneous Finance

- 4.2.1 There is an overall projected underspend of £1,967k in Miscellaneous Finance.
- 4.2.2 There is a projected overspend of £14k on Levies Upon the Council due to a predicted overspend on Coroners Services resulting from changes in the legal rules surrounding the deaths of residents in care homes offset by an underspend in the cost of Archiving Services.
- 4.2.3 There is a projected net underspend of £1,746k on Capital Financing budgets which is due to the following: -
  - 2015-16 and 2016-17 supported borrowing has been deferred to future years as there are cash balances that can be utilised in the short term.
  - A 2.5% reduction in the assumed borrowing rate for 2016-17 previously 5% in line with current Public Works Loans Board (PWLB) rates. This is a consequence of base rate reductions following the outcome of the EU referendum.
  - Improved returns on investments in accordance with the revised Treasury Management Strategy.
- 4.2.4 The main remaining projected underspend for Miscellaneous Finance consists of the following: -
  - Prudential Borrowing for Islwyn West being delayed £188k.
  - Pension Contributions for former Authorities £46k

# POLICY AND RESOURCES SCRUTINY COMMITTEE – FOR INFORMATION

SUBJECT: WRITE-OFF OF DEBTS - 01/04/16 - 30/09/16

REPORT BY: ACTING DIRECTOR OF CORPORATE SERVICES AND SECTION 151

**OFFICER** 

#### 1. PURPOSE OF REPORT

1.1 To provide Members with a summary of outstanding debts which have been written-off in accordance with the policy previously agreed by Cabinet.

#### 2. SUMMARY

2.1 The report provides details of debts written-off for Council Tax, Business Rates, Council House Rents, Sundry Debtors and Housing Benefits overpayments.

## 3. LINKS TO STRATEGY

- 3.1 To comply with Financial Regulations.
- 3.2 The writing-off of unrecoverable debts is an important element of prudent financial management. Effective financial management contributes to the following Well-being Goals within the Well-being of Future Generations Act (Wales) 2015:-
  - · A prosperous Wales
  - A resilient Wales
  - A healthier Wales
  - A more equal Wales
  - A Wales of cohesive communities
  - A Wales of vibrant culture and thriving Welsh language
  - · A globally responsible Wales.

#### 4. THE REPORT

- 4.1 The Council collects very large sums of money from residents and local businesses each year and inevitably there are instances of non-payment. A 'firm but fair' approach has always been adopted and all legal means are pursued to recover monies owed.
- 4.2 The regular writing-off of uncollectable debts is an important financial discipline. The Council would be criticised by External Audit if debts remained in the accounts when there is little likelihood of recovery. The table below provides a summary of debts written-off for the period 01/04/16 to 30/09/16.

	Total	Total	% of Total	% of Total
	Amounts	Budgeted	Income/Grant	Income/Grant
	Written Off	Income/Grant	Written-off	Written-off
	In Period	2016/17	In Period	2015/16
				(Full Year)
	(£)	(£m)	(%)	(%)
Council Tax	117,344	64.9	0.18	0.39
Business Rates	179,782	41.0	0.44	1.55
Council House Rents	29,125	53.0	0.05	0.55
Sundry Debtors	168,797	31.4	0.54	1.59

- 4.3 Whilst the sums shown above are significant it is important to put them into context. The column entitled "% of Total Income/Grant Written-off In Period" shows the write-offs expressed as a percentage of the "Total Budgeted Income/Grant 2016/17", i.e. monies due to the Council. For comparison purposes the Full-Year percentages for 2015/16 are also included in the table.
- 4.4 In addition to the table in paragraph 4.2, £28,196.14 has also been written-off in the period 01.04.16 to 30.09.16 in relation to the invoices raised for overpayments of Housing Benefits (total invoices raised during the period £605,166.64).

#### 5. WELL-BEING OF FUTURE GENERATIONS

5.1 Effective financial management is a key element in ensuring that the Well-being Goals in the Well-being of Future Generations Act (Wales) 2015 are met. The process of writing-off unrecoverable debts ensures that financial liabilities are recognised as they occur and are not deferred as potential future liabilities.

#### 6. EQUALITIES IMPLICATIONS

6.1 This report is for information purposes, so the Council's Equalities Impact Assessment (EqIA) process does not need to be applied.

#### 7. FINANCIAL IMPLICATIONS

7.1 As detailed in the report.

### 8. PERSONNEL IMPLICATIONS

8.1 There are no direct personnel implications arising from this report.

### 9. CONSULTATIONS

9.1 There are no consultations that have not been included in the report

#### 10. RECOMMENDATIONS

10.1 Members are asked to note the contents of this report.

# 11. REASONS FOR THE RECOMMENDATIONS
