REPORT BY: INTERIM MONITORING OFFICER

1. PURPOSE OF REPORT

- 1.1 To deal with those matters that require consideration at the Annual Meeting of the Council in accordance with the Council Procedural Rules.
- 1.2 To note and endorse the proposed changes to Part 3 of the Scheme of Delegation set out in the Council's Constitution as attached at Appendix 1 and marked in bold and italics.
- 1.3 To note and endorse the changes to the Report Template at Appendix 2 and marked in bold and italics to include reference to the Corporate Plan together with an optional conclusion paragraph and minor changes to existing guidance.

2. SUMMARY

- 2.1 This report sets out details of those matters that require consideration at the Annual General Meeting of Council. It also proposes changes to the Scheme of Delegation and Report Template.

3. LINKS TO STRATEGY

- 3.1 The requirement to establish and maintain the Council's Constitution is set out in the Local Government Act 2000 and contributes the following Well-Being Goals within the Well-Being of Future Generations Act (Wales) 2015 as it sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local people. It sets the framework for the decision making roles and responsibilities which will impact on future generations.

- A prosperous Wales
- A resilient Wales
- A healthier Wales
- A more equal Wales
- A globally responsible Wales
- A Wales of cohesive communities
- A Wales of vibrant culture and thriving Welsh language

4. BACKGROUND

- 4.1 The Council's Constitution was formally adopted by the Council in May 2002. It sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that the decision making processes are efficient, transparent and available to local people. The Constitution is a 'living document' in that it is constantly being updated and revised to reflect new government legislation and improvements and changes in procedures gained in light of experience.

5. THE REPORT

- 5.1 The Council's Procedure Rules, require the Annual Meeting to appoint at least one Overview and Scrutiny Committee, a Standards Committee and such other Committees, the Council consider appropriate to deal with the matters which are neither reserved to the Council nor are executive functions. The Constitution provides for the appointment of the following committees:-

1. Audit Committee
2. Democratic Services Committee
3. Licensing & Gambling Committee
4. Taxi & General Committee
5. Planning Committee
6. Policy & Resources Scrutiny Committee (includes Partnerships Scrutiny Committee)
7. Education for Life Scrutiny Committee
8. Health, Social Care & Wellbeing Scrutiny Committee
9. Regeneration & Environment Scrutiny Committee
10. Standards Committee
11. Investigating and Disciplinary Committee
12. Appeals Panel
13. Appointments Committee
14. Rights of Way Cabinet Committee

- 5.2 It is not proposed that any changes be made to the current Committee structure as set out at the Annual meeting. This includes the number of Members allocated to each Committee. The current arrangements reflect a fair political balance. Members are therefore asked to note the existing arrangements.

- 5.3 The nominations for the Members to each Committee will be reported at the Council meeting.

6. TERMS OF REFERENCE OF COMMITTEES

- 6.1 Members will recall that at the meeting of Full Council on 17th April 2018, changes to the Terms of Reference of the Scrutiny Committees were endorsed. There are no further changes proposed to the Terms of Reference to any of the Committees referred to in paragraph 5.1. Members are asked to note the existing Terms of Reference set out in Part 2 of the Constitution.

7. POLITICAL BALANCE – ANNUAL REVIEW

- 7.1 The Annual Meeting is required to decide the allocation of seats to political groups in accordance with the Political Balance Rules contained in the Local Government and Housing Act 1989 and the Local Government (Committees and Political Groups) Regulations 1990 as amended.
- 7.2 The basis of the statutory requirements provide that committee seats should be allocated to political groups in so far as practicable in the same proportion as these groups have in relation

to the total membership of the Council.

- 7.3 There has been no change to political balance of the Authority and Members are therefore asked to note that the current allocations remain as present.

8. SCHEME OF DELEGATION

- 8.1 Following consultation with all Heads of Service, minor changes are proposed to the Scheme of Delegation set out in part 3 of the Constitution and which for ease of reference is attached to this report at Appendix 1 and identified in bold and italics. The changes represent updates regarding legislation, together with changes to job titles and responsibility of relevant functions.

- 8.2 Members are therefore asked to note and endorse the changes identified in bold and italics in Appendix 1 to this report and to delegate authority to the Interim Monitoring Officer to amend the Constitution as necessary.

9 CHANGES TO THE REPORT TEMPLATE

- 9.1 The current Report Template is contained within Part 4 of the Council's Constitution as an Appendix to the Executive Procedure Rules which is attached at Appendix 2 to this report. Members attention is drawn to paragraph 3 of the report entitled Links to Strategy which currently includes reference to the Well-being Goals within the Well-being of Future Generations Act 2015. At its meeting on 17th April 2018 Full Council approved the Corporate Plan and in order to enhance and embed the strategic link between the Corporate Plan and key decisions being taken by the Council it is proposed that reference to the Corporate Plan is incorporated at paragraph 3 of the Report Template. In conjunction with this proposed change, officers will develop guidance to sit alongside the new paragraph and will trial the new Report Template for a period of three months prior to full implementation. In addition a conclusion paragraph will be incorporated into the template as identified in Appendix 2 and the guidance contained within the existing paragraphs has been reviewed and updated to provide further clarity.

- 9.2 Members are asked to endorse the changes to the Report Template at Appendix 2 as marked in bold and italics and to delegate authority to the Interim Monitoring Officer to amend the Council's Constitution accordingly.

10. WELL-BEING OF FUTURE GENERATIONS

- 10.1 This report contributes to the Well-Being Goals as set out in Links to Strategy above. It is consistent with the five ways of working as defined within the sustainable development principle in the Act in that the Constitution sets out a clear framework for how the Council operates in particular the decision making responsibilities which will consider the positive and negative impacts on future generations, long term resilience, economic, environmental and social capital.

11. EQUALITIES IMPLICATIONS

- 11.1 There are none arising from the contents of the Report.

12. FINANCIAL IMPLICATIONS

- 12.1 There are none arising from the contents of the Report.

4. THE REPORT

- 4.1 The precise nature of this part of the report will vary from one issue to another and according to the background info which needs to be provided etc.

4.2 Conclusion

(Optional Paragraph pulling together any themes running through the report/rounding up the issues referenced in the main body of the report section)

5. WELL-BEING OF FUTURE GENERATIONS

- 5.1 This *proposal/project/report** contributes to the Well-being Goals as set out in Links to Strategy above. It is consistent with the five ways of working as defined within the sustainable development principle in the Act in that.....

**Amend as appropriate*

The Well-being of Future Generations (Wales) Act became law in April 2015. The Act is about improving the social, economic, environmental and cultural well-being of Wales. It will make public bodies listed in the Act think more about the long term, work better with people and communities and each other, look to prevent problems and take a more joined-up approach. It will have a significant impact on all Council policies and priorities and has the potential to significantly affect the way we plan and deliver services and how we engage with individuals and communities within the Caerphilly county borough.

This section would highlight how the recommended course of action contributes to meeting the seven well-being goals within the Well-being of Future Generations Act (Wales) 2015. Although you may look at each goal in turn, the well-being goals must be considered as an integrated set of seven. This ensures that the fundamental relationship between improving the economic, social, environmental and cultural well-being is recognised.

The report needs to consider the long term outcome of a decision and account for the positive and negative impacts on future generations, long term community resilience and economic, environmental and social capital.

The five ways of working listed in the Act are:

- Long Term – The importance of balancing short-term needs with the need to safeguard the ability of future generations to meet their long-term needs
- Prevention - How acting to prevent problems occurring, or getting worse, may help public bodies meet their objectives
- Integration – Considering how the public body's well-being objectives may impact upon each of the well-being goals, on their other objectives, or on the objectives of other public bodies
- Collaboration – Acting in collaboration with any other person (or different parts of the body itself) that could help the body to meet its well-being objectives
- Involvement – The importance of involving people with an interest in achieving the well-being goals, and ensuring that those people reflect the diversity of the area which the body serves.

This section needs to consider how the five ways of working will be addressed to apply the sustainable development principle, and needs to be challenging and not a tick box exercise.

6. EQUALITIES IMPLICATIONS

- 6.1 In this section outline any potential equalities implications of the report and its recommendations on groups or individuals who fall under the categories identified in Section 6 of the [Council's Strategic Equality Plan](#). These implications would have been identified during the consultation stage or by undertaking an equality impact assessment, and can be positive implications as well as negative ones. **If there are no implications then the report can use the relevant standard paragraph from the [Equalities Implications in Committee Reports](#) guidance document (~~available on the intranet portal~~) (~~available on the Corporate Policy Unit Portal~~)** however this would have to be evidenced if challenged during the internal approval process or during any legal challenge at a later date.

Note: The Equalities Impact Assessment Questionnaire **must** be completed for all reports, if you require advice please contact Anwen Cullinane, Ext. 4404 or email equalities@caerphilly.gov.uk

7. FINANCIAL IMPLICATIONS

- 7.1 There must be a section outlining the financial implications of the report / recommendations and a clear statement as to how these implications (immediate and long term) will be funded – and the Deputy Chief Exec and / or Head of Corporate Finance should have been consulted. Where there are no financial implications the report can simply state that there are none.

9. PERSONNEL IMPLICATIONS

- 8.1 There must be a section outlining any personnel implications of the report –~~and the Deputy Chief Exec and / or the Head of People Services~~ **Personnel** should have been consulted. If there are no implications the report can state that there are none.
- 8.2 If the subject of the report relates to a restructure of a Service Area a Welsh Assessment on the vacant posts, after any ring fencing exercise has been undertaken, will be required. Guidance on undertaking a Welsh Assessment can be found in [Guidance On Assessing The Welsh Needs Within Posts](#).

9. CONSULTATIONS

- 9.1 If any consultee expresses views which differ from the recommendations, the author must include them in this section and as part of the main body of the report state: whether the author is of the view that they have been addressed satisfactorily in the report, whether they can/should be incorporated in the recommendation and if not incorporated into the recommendation, why not?

~~***There are no consultations that have not been included in the report***~~

~~***All responses from consultation responses have been incorporated in the body of the report***~~

This report reflects the views of the consultees

10. RECOMMENDATIONS

10.1 This section would set out the recommendations of the Director concerned.

11. REASONS FOR THE RECOMMENDATIONS

11.1 From May 2002 legislation requires that the minutes record the reasons for making any decisions reached. It is therefore essential that reports set out clear “reasons” for making the decision as recommended, so that the minutes can either state “...for the reasons set out in the report” or, if necessary, repeat those reasons.

12. STATUTORY POWER

12.1 This is to identify the enabling statutory power(s) for the decision under consideration. It should also state whether the power(s) are the responsibility of full Council or Cabinet and if it has been delegated to officers.

13. URGENCY (CABINET ITEMS ONLY)

13.1 All Cabinet decisions will be subject to a “call-in” procedure whereby Scrutiny Committees can ask for the implementation to be delayed until they have considered the matter and, if they are so inclined, asked Cabinet to reconsider. The only exception will be items where the decision needs to be implemented urgently. If this is the case the report should state that this is so, and explain why. The Chairman of the Council must agree both that the decision proposed is reasonable in all circumstances and to it being treated as a matter of urgency.

Author: name, title and email address

Consultees: Insert names and titles and email address, one under the other. Consultees could include Chief Executive, Deputy Chief Executive, Directors, Heads of Service, Cabinet Member(s), Chairman and Vice Chairman of Scrutiny Committees, Local Ward Members. (Please note that Officers must consult in any event with the appropriate Cabinet Member, Ward Members and appropriate Officers and either incorporate their comments into the report or, if not accepted by the author of the report, the comments must be included in the report)

Background Papers:

This section would set out a list of the background papers available for inspection which disclose any facts or matters on which, in the opinion of the Proper Officer, the report or an important part of the report is based and have in his opinion been relied on to a material extent in preparing the report but do not include published works. A telephone number of a person to contact if you wish to inspect those papers is to be included. In the case of exempt background papers a sentence to the effect that “Background papers are exempt” is sufficient.

ANNUAL COUNCIL - 10TH MAY 2018

SUBJECT: ELECTRONIC VOTING AT FULL COUNCIL

REPORT BY: CORPORATE DIRECTOR SOCIAL SERVICES

- 1.1 The report attached at appendix 1 was presented to Democratic Services Committee on the 12th April 2018 Members were asked to consider the outcome of the additional training provided to Councillors in respect of the electronic voting system and form a view on its possible reintroduction at Full Council meetings.
- 1.2 The Democratic Services Committee was advised that Members and Officers benches have an individual control panel containing a microphone, LCD screen and buttons to allow Members to vote 'Yes', 'No' or 'Abstain'. The electronic voting system has been configured so that only Members control panels have the ability to vote. Members would need to ensure that they sit in their allocated seat in order for their vote to be recorded against their name.
- 1.3 Members also considered the procedure for electronic voting which has been adopted for meetings of Full Council in the Chamber and is currently contained within the Council's Procedure Rules as set out below: -

PROCEDURE FOR ELECTRONIC VOTING

- a. *The Chief Executive or Monitoring Officer will confirm the motion to be voted upon and declare the outcome of the vote. Members first press button 1 to confirm their attendance.*
- b. *The vote will be open for 20 seconds and Members must cast their vote in this time. Members can change their vote while the vote is open, however, their vote cannot be altered once the vote has been closed.*
- c. *The Chief Executive or Monitoring Officer will announce that the vote is closing and confirm the vote is closed after 20 seconds have passed.*
- d. *The outcome of the vote will be displayed on television screens in the Chamber. The Chief Executive or Monitoring Officer will check the number of votes cast does not exceed the number of Members in attendance and then announce the outcome of the vote. The vote will only take effect once the outcome is confirmed by Chief Executive or Monitoring Officer and Chairman*
- e. *The individual voting results will be displayed in the Chamber and a hard copy of the results will be generated. This record will be subsequently published on the Council's Website the day after the meeting.*

Should the electronic voting system be unavailable or breakdown during a meeting of Full Council, voting will revert to being undertaken by a show of hands.

The Mayor shall have the casting vote in the event that the vote is tied. The Mayor's casting vote shall be made verbally irrespective of whether the vote is being taken electronically or by a show of hands.

- 1.4 If Members agree to endorse the recommendations from Democratic Services Committee and re-introduce the electronic voting system, it might be beneficial to consider a transition period. The electronic voting system could be used for one report at the first meeting, and this could be increased incrementally over the next 3 meetings.

2. RECOMMENDATION

- 2.1 Having considered the training and procedures for electronic voting the Democratic Services Committee unanimously.

RECOMMENDED to Council: -

- (i) that all meetings of Full Council should utilise the electronic voting system for all votes taken;
 - (ii) the procedure agreed by Council on 7th October 2014 as detailed above be reinstated.
- 2.2 Members are asked to consider the recommendations of the Democratic Services Committee and if recommendations 2.1 (i) and 2.1 (ii) are endorsed to have a transition period, whereby the electronic voting is introduced incrementally over 4 meetings.

DEMOCRATIC SERVICES COMMITTEE – 12TH APRIL 2018

SUBJECT: ELECTRONIC VOTING AT FULL COUNCIL

REPORT BY: CORPORATE DIRECTOR SOCIAL SERVICES

1. PURPOSE OF REPORT

- 1.1 This purpose of this report is to inform Democratic Services Committee of the recent training sessions on the electronic voting system available in the council chamber and seek views on whether a recommendation should be made to Full Council to re-introduce the system at all Council meetings.

2. SUMMARY

- 2.1 On 7 October 2014, the Council agreed to implement the webcasting of Full Council meetings and to also commence electronic voting at Full Council meetings. The Council had received a £40,000 grant from Welsh Government for webcasting and the equipment was installed. The Council webcast its first live meeting on 10 March 2015. Electronic voting was tested in meetings in November/December 2014 and January 2015 but the process significantly increased the length of meetings. Since then, voting at Full Council has been by way of show of hands. Voting is clearly recorded within the minutes which are published on the Council's website.
- 2.2 Democratic Services Committee when considering the Annual Report for Democratic Services on 31st May 2017 asked that the use of electronic voting be re-visited and it was agreed to hold training for all members on the system and that a further report on the outcome of the training would be brought back to the committee before making any recommendations to Full Council. This report outlines the training undertaken with Members on electronic voting and asks Democratic Services Committee to consider any recommendations to Full Council.

3. LINKS TO STRATEGY

- 3.1 Electronic voting contributes to the well-being goals within the Well-being of Future Generations Act (Wales) 2016 by providing supporting the democratic process. An electronic voting system is not the only suitable method of recording votes but is a matter of preference. The voting process is a fundamental part of the democratic process and requires support in order to make decisions, which will impact on the following well-being goals:
- A prosperous wales
 - A resilient wales
 - A healthier wales
 - A more equal wales
 - A wales of cohesive communities.

4. THE REPORT

- 4.1 Democratic Services Committee at its meeting on 31st May 2017 suggested that the use of electronic voting should be re-considered and agreed that training sessions would be held for all members and a further report on the outcome of the training would be brought back for consideration.
- 4.2 In order to prepare for the training session the system was thoroughly checked by staff in Democratic Services and Vaughan Sounds were brought in to ensure the system was working effectively. Following this three training sessions were arranged between October 2017 and January 2018. A total of 44 Members attended the training sessions with some attending more than one session.
- 4.3 The training allowed members to vote in a mock environment and use the system for a series of questions. Members were shown how to confirm they were present and were able to choose yes, no or abstain. The results were displayed for Members to see and a recorded vote was taken on each occasion to see how the system was being used.
- 4.4 The results showed that at two of the sessions, three people recorded that they were present but did not vote either yes, no or abstain. There were a total of four votes taken at each session and at every training session there was a difference from the first vote and the last vote taken, where Members recorded their presence more accurately by the time they had been through one round of voting.
- 4.5 Democratic Services Committee are therefore asked to consider if they wish to recommend to Council the re-introduction of electronic voting at all future meetings of Full Council. There may be some impact upon meetings if it is agreed to revert to electronic voting, which may slow down the voting process and increase the length of meetings to some degree. In addition if there are any motions proposed during the course of the meeting the motion would have to be input into the voting system by a member of staff before the vote could be taken.

5. WELL-BEING OF FUTURE GENERATIONS

- 5.1 This report contributes to the well-being goals as set out in links to strategy above. It is consistent with the five ways of working as defined within the sustainable development principle in the Act to ensure that decisions taken by councillors are supported and recorded accurately.

6. EQUALITIES IMPLICATIONS

- 6.1 This report is for information purposes, so the Council's EqIA process does not need to be applied.

7. FINANCIAL IMPLICATIONS

- 7.1 There are no direct implications from this report, as the electronic voting system is already in place.

8. PERSONNEL IMPLICATIONS

- 8.1 There are no direct implications as a result of this report, however if the electronic voting system is re-introduced additional staff may need to be deployed to ensure the system runs smoothly during the initial stages.

9. CONSULTATIONS

9.1 There are no consultations that have not been included in the report.

10. RECOMMENDATIONS

10.1 It is recommended that Democratic Services Committee consider the contents of the report and determine if any recommendations are required to Full Council.

11. REASONS FOR THE RECOMMENDATIONS

11.1 To ask Democratic Services Committee to indicate their views on the re-introduction of electronic voting.

12. STATUTORY POWER

12.1 Local Government and Housing Act 1989, the Local Government Act 2000, Local Government Wales Measure 2011.

We will also work to create equal access for everyone to our services, irrespective of ethnic origin, sex, age, marital status, sexual orientation, disability, gender reassignment, religious beliefs or non-belief, use of Welsh language, BSL or other languages, nationality, responsibility for any dependents or any other reason which cannot be shown to be justified.

***Throughout this Equalities Impact Assessment Form, 'proposal' is used to refer to what is being assessed, and therefore includes policies, strategies, functions, procedures, practices, initiatives, projects and savings proposals.**

INTRODUCTION

The aim of an Equality Impact Assessment (EIA) is to ensure that Equalities and Welsh Language issues have been proactively considered throughout the decision making processes governing work undertaken by every service area in the Council as well as work done at a corporate level.

The form should be used if you have identified a need for a full EIA following the screening process covered in the [Equalities Implications in Committee Reports](#) guidance document (available on the [Equalities and Welsh Language Portal](#) on the Council's intranet).

The EIA should highlight any areas of risk and maximise the benefits of proposals in terms of Equalities. It therefore helps to ensure that the Council has considered everyone who might be affected by the proposal.

It also helps the Council to meet its legal responsibilities under the Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011, the Welsh Language (Wales) Measure 2011 and supports the wider aims of the Well-being of Future Generations (Wales) Act 2015. There is also a requirement under Human Rights legislation for Local Authorities to consider Human Rights in developing proposals.

Specifically, Section 147 of the Equality Act 2010 is the provision that requires decision-makers to have 'due regard' to the equality implications of their decisions and Welsh Language Standards 88-97 require specific consideration of Welsh speakers under the Welsh Language Standards (No.1) Regulations 2015.

The Older People's Commissioner for Wales has also published 'Good Practice Guidance for Equality and Human Rights Impact Assessments and Scrutinising Changes to Community Services in Wales' to ensure that Local Authorities, and other service providers, carry out thorough and robust impact assessments and scrutiny when changes to community services are proposed, and that every consideration is given to mitigate the impact on older people and propose alternative approaches to service delivery.

The Council's work across Equalities, Welsh Language and Human Rights is covered in more detail through the [Equalities and Welsh Language Objectives and Action Plan 2016-2020](#).

This approach strengthens work to promote Equalities by helping to identify and address any potential discriminatory effects before introducing something new or changing working practices, and reduces the risk of potential legal challenges.

When carrying out an EIA you should consider both the positive and negative consequences of your proposals. If a project is designed for a specific group e.g. disabled people, you also need to think about what potential effects it could have on other areas e.g. young people with a disability, BME people with a disability.

There are a number of supporting guidance documents available on the [Equalities and Welsh Language Portal](#) and the Council's Equalities and Welsh Language team can offer support as the EIA is being developed. Please note that the team does not write EIAs on behalf of service areas, the support offered is in the form of advice, suggestions and in effect, quality control.

Contact equalities@caerphilly.gov.uk for assistance.

PURPOSE OF THE PROPOSAL

1	<p>What is the proposal intended to achieve? <i>(Please give a brief description of the purpose of the new or updated proposal by way of introduction.)</i></p> <p>To re-commence using electronic voting system which is already available in the council chamber at all meetings of Full Council.</p> <p>On 7 October 2014, the Council agreed to implement the webcasting of Full Council meetings and to also commence electronic voting at Full Council meetings. Electronic voting was tested in meetings in November/December 2014 and January 2015 but the process significantly increased the length of meetings. Since then, voting at Full Council has been by way of show of hands. Voting is clearly recorded within the minutes which are published on the Council's website.</p>
2	<p>Who are the service users affected by the proposal? <i>(Who will be affected by the delivery of this proposal? e.g. staff members, the public generally, or specific sections of the public i.e. youth groups, carers, road users, people using country parks, people on benefits etc.)</i></p> <p>Councillors and staff will be using and operating the system.</p> <p>Members of the Public.</p>

IMPACT ON THE PUBLIC AND STAFF

3	<p>Does the proposal ensure that everyone has an equal access to all the services available or proposed, or benefits equally from the proposed changes, or does not lose out in greater or more severe ways due to the proposals? <i>(What has been done to examine whether or not these groups have equal access to the service, or whether they need to receive the service in a different way from other people?)</i></p> <p>Councillors have been trained on the use of the system, at present there are no concerns with regard to any physical barriers to using the system, however should any Councillor suffer from future sight, hearing or physical impairment or be unable to press the voting buttons, specific support would need to be provided.</p> <p>Members of the Public who are observing or viewing meetings may be affected if meetings are slower in order to use the electronic voting at meetings. In addition any observers would not have the visual clarity of voting whilst the meeting in progress. This would however be available once the minutes are published.</p>
	<p>Actions required: An assessment of needs would be required if a councillor were to become sight, hearing or physically impaired or a newly elected councillor had a disability that prevented them from seeing or using the voting buttons and suitable support would need to be provided or an exemption from using the voting system allowed.</p>

4	<p>What are the consequences of the above for specific groups? <i>(Has the service delivery been examined to assess if there is any indirect affect on any groups? Could the consequences of the policy or savings proposal differ dependent upon people's disability, race, gender, sexuality, age, language, religion/belief?)</i></p> <p>If a councillor had a specific disability that prevented them from using the electronic voting system, they would not be able to participate fully in their role and would effectively be unable to fulfil their elected mandate.</p>
	<p>Actions required:</p> <p>Ensure that all councillors using the system are not prevented from voting due to a sight or hearing impairment or physical disability and carry out an individual assessment if anyone is identified.</p>
5	<p>In line with the requirements of the Welsh Language Standards. (No.1) Regulations 2015, please note below what effects, if any (whether positive or adverse), the proposal would have on opportunities for persons to use the Welsh language, and treating the Welsh language no less favourably than the English language. <i>(The specific Policy Making Standards requirements are Standard numbers 88, 89, 90, 91, 92 and 93. The full detail of each Standard is available on the Equalities and Welsh Language Portal)</i></p> <p>There are no additional requirements in respect of the Welsh Language Standards in respect of the re-introduction of the electronic voting system. The system is numbered 1,2,3 & 4.</p>
	<p>Actions required:</p> <p>None</p>

INFORMATION COLLECTION

6	<p>Is full information and analysis of users of the service available? <i>(Is this service effectively engaging with all its potential users or is there higher or lower participation of uptake by one or more groups? If so, what has been done to address any difference in take up of the service? Does any savings proposals include an analysis of those affected?)</i></p> <p>All councillors would be using the system if it were re-introduced, and were all invited to three training sessions in order to ensure a full understanding of the system</p>
	<p>Actions required:</p> <p>None</p>

CONSULTATION

7	<p>What consultation has taken place? <i>(What steps have been taken to ensure that people from various groups have been consulted during the development of this proposal? Have the Council's Equalities staff been consulted? Have you referred to the Equalities Consultation and Monitoring Guidance?)</i></p> <p>Democratic Services Committee will consider if they wish to recommend the re-introduction of the system. If the committee wish to recommend it would require a report to Full Council where all Councillors (who would be using the system) would have the opportunity to ask questions, propose alternatives and then vote yes or no to introduce the system.</p>
	<p>Actions required: Ensure that a report is presented to Democratic Services Committee and if it is recommended to re-introduce to report to Full Council.</p>

MONITORING AND REVIEW

8	<p>How will the proposal be monitored? <i>(What monitoring process has been set up to assess the extent that the service is being used by all sections of the community, or that the savings proposals are achieving the intended outcomes with no adverse impact? Are comments or complaints systems set up to record issues by Equalities category to be able analyse responses from particular groups?)</i></p> <p>If the system is re-introduced the Head of Democratic Services will monitor the effectiveness and report back to democratic services committee in the Annual Report for 2018/19.</p>
	<p>Actions required: Monitor each meeting and report on the effectiveness in the Annual Report for 2018/19.</p>
9	<p>How will the monitoring be evaluated? <i>(What methods will be used to ensure that the needs of all sections of the community are being met?)</i></p> <p>The Democratic Services Committee, will consider the effectiveness of the system and consider if any further recommendations are required to Full Council in May 2019.</p>
	<p>Actions required: Monitor if the system is re-introduced and compile data for Annual Report 2018/19.</p>

10	<p>Have any support / guidance / training requirements been identified? <i>(Has the EIA or consultation process shown a need for awareness raising amongst staff, or identified the need for Equalities or Welsh Language training of some sort?)</i></p> <p>All Councillors have been offered training at three sessions, new Councillors would receive training as part of their Induction. Any Councillors with a sight or hearing impairment or physical disability would be assessed and either supported or exempted for using the system.</p>
	<p>Actions required:</p> <p>Ensure that new Councillors are trained and anyone with a sight or hearing impairment or physical disability is identified.</p>
11	<p>Where you have identified mitigating factors in previous answers that lessen the impact on any particular group in the community, or have identified any elsewhere, please summarise them here.</p> <p>Ensure that all Councillors who need to be trained are offered training.</p> <p>Ensure that any new councillors or councillors that develop a physical disability causing them difficulty in using the system are assessed, supported or exempted from using the system, to ensure that they can participate in all votes at Full Council.</p>

12	<p>What wider use will you make of this Equality Impact Assessment? <i>(What use will you make of this document i.e. as a consultation response, appendix to approval reports, publicity etc. in addition to the mandatory action shown below?)</i></p> <p>This EIA will be appended to the report to Democratic Services Committee and if recommendations are made to Full Council.</p>
	<p>Actions required:</p> <ul style="list-style-type: none"> EIA, when completed, to be returned to equalities@caerphilly.gov.uk for publishing on the Council's website.

- *A prosperous Wales*
- *A resilient Wales*
- *A healthier Wales*
- *A more equal Wales*
- *A Wales of cohesive communities*
- *A Wales of vibrant culture and thriving Welsh language*
- *A globally responsible Wales*

3.2 The local Well-being Plan, 'The Caerphilly We Want 2018-2023' sets out how the Public Services Board has developed its local objectives for well-being (the Well-being Objectives) and the steps it intends to take to meet them.

4. THE REPORT

4.1 The IVC process was designed and utilised to recycle food waste (plus some green waste) into compost. Unfortunately, during the development phases, the process gave rise to unpleasant odours that were experienced in local communities. As such, the Bryn Compost Liaison Group was established in March 2010 in order to address complaints of odour associated with the IVC process.

- 4.2 The Liaison Group is composed of representatives from the Bryn Compost Company, Environmental Health, Natural Resources Wales, Public Health Wales, adjoining local ward members and ten residents and chaired by Cabinet Member for Neighbourhood Services.
- 4.3 Since the introduction of an Anaerobic Digestion Plant (AD) at the site, food waste treatment practices have changed; food waste is now treated via the AD. As such the IVC facility is no longer used to treat food waste.
- 4.4 As the IVC process has been decommissioned and food waste composting activities no longer take place at the site, there is no longer a source of food waste composting odours, and therefore no receptors. Consequently there is no need to continue with meetings of the Bryn Compost Liaison Group.

5. WELL-BEING OF FUTURE GENERATIONS

- 5.1 The liaison group contributed to the Well-being Goals as set out in Links to the Strategy above. It was consistent with the five ways of working as defined within the sustainable development principle in the Act in that it successfully integrated a problem solving approach with other agencies to set priorities, involved the local population in the decisions that affected them, and explored the root cause of the issues to minimise future re-occurrences.

6. EQUALITIES IMPLICATIONS

- 6.1 There are no equalities implications.

7. FINANCIAL IMPLICATIONS

- 7.1 There are no financial implications.

8. PERSONNEL IMPLICATIONS

- 8.1 Staffing resources will be saved as there would no longer be a requirement to prepare, clerk or attend the meetings.

9. CONSULTATIONS

- 9.1 This report has been sent to the Consultees listed below and all comments received are reflected in this report.
- 9.2 Local ward Members have not objected to the dissolution of the Bryn Compost Liaison Group, however they have requested that another group be established to address other issues including the deposits of mud on the road near the site, creation of bunds on the site, height of stone dust in the quarry, etc.
- 9.3 It is proposed that an informal group be established to address the above concerns. The group to comprise of the three members for the St Cattwgs ward, the Cabinet Member for Neighbourhood Services and relevant officers.

10. RECOMMENDATIONS

- 10.1 That Council dissolves the Bryn Compost Liaison Group.

- 10.2 That an informal discussion group be established comprising the St Cattwg ward members, the Cabinet Member for Neighbourhood Services and relevant officers for a period of twelve months.

11. REASONS FOR THE RECOMMENDATIONS

- 11.1 There is no longer a necessity to operate a Bryn Compost Liaison Group.
- 11.2 An officer/member discussion group will address the concerns expressed by local residents.

12. STATUTORY POWER

- 12.1 The Local Government Act 2000.
