4. APPLICATIONS FOR FINANCIAL ASSISTANCE

4.1 Assistance to the Voluntary Sector Budget

Members noted the budget available for 2017-2018 is £175,817.00, which included the estimated reduction for Discretionary Rate Relief (£145,389.68) and budget carried forward from 2016-2017 (£90,422.65). If all awards in the report are agreed the remaining budget would be £104,009.97.

4.2 Members were asked to consider the applications listed in Appendix 1 to the report and to make appropriate recommendations to the Interim Head of Corporate Finance for approval.

RECOMMENDED that the following applications for financial assistance be referred to the Interim Head of Corporate Finance for approval under delegated powers:-

(a)	Music in Hospitals and Care Cymru	£250.00
(b)	Ysgol Feithrin, Abertridwr	£210.00

Members discussed the awards at length and sought further information on any previous applications made by the organisations and the Care Homes in which they would provide the service. Members noted that there has not been any previous applications and the application didn't specifically state the Care Homes in which they would provide the service, but funding was sought to provide a service within the Caerphilly County Borough.

4.3 Applications for Financial Assistance: General Criteria Awards

Members noted the applications received since the last meeting totalling £1,850.00, as listed in Appendix 2, which are in accordance with the agreed criteria and to be processed by officers.

4.4 Welsh Church Act Fund

Monmouthshire County Council have advised that the allocation of £61,600.00 is available for 2017-18 and the underspends from previous years totalling £218,568.33 could be carried forward, resulting in a total available budget for 2017/18 of £280,168.33. Members noted that, with the total Grants awarded to date of £14,995.13, the remaining balance is £265,173.20.

The Panel were advised that Monmouthshire County Council have provided a provisional allocation of £61,600.00 for 2018/19, along with estimated carried forward balances of £263,239.00, there is an estimated provisional budget of £324,839.87 for 2018/19.

As a result of concerns raised for some time due to the high level of balances being carried forward for the Welsh Church Act Fund, an informal workshop took place with the Grants to the Voluntary Sector Panel in January in which 5 options were considered in respect of the level of grants awarded from the Welsh Church Act Fund. These options were as follows:

Option 1 – Applications of up to £2,500 to be fully grant funded with applications above £2,500 to be subject to a grant rate of 50% on the sum in excess of £2,500 e.g. an application requesting £4,000 that meets the criteria would receive £3,250 (£2,500 plus 50% of £1,500). Members may wish to consider a maximum grant award.

Option 2 – Award all applications that meet the WCAF criteria at 50% with a maximum award of £10,000.

Option 3 – Award grants of up to 90% with a maximum award of £10,000.

Option 4 – Applications of up to £5,000 to be fully grant funded with applications above £5,000 to be subject to a grant rate of 75% on the sum in excess £5,000 e.g. an application requesting £8,000 that meets the criteria would receive £7,250 (£5,000 plus 75% of £3,000). Members may wish to consider a maximum grant award.

Option 5 – Keep grant awards as they currently stand.

Following consideration of the options the preferred approach of the Panel was option 4 with a maximum grant payable of £10,000. The Panel also requested that the grants process be reviewed to expedite payments wherever possible and that options be explored for publicising the Fund more widely. The Panel also requested that the number of quotes/estimates to be provided with applications should be reduced to 2 for grant applications under £5,000 and 3 for applications over £5,000.

The Panel noted that the proposed options will be considered by Cabinet on 28 March 2018. Subject to its approval, Members were assured that the changes would be widely publicised in publications by GAVO, CCBC Publications such as Newsline and the website and an All Councillors email would be disseminated.

The meeting closed at 5.29 p.m.

Approved and signed as a correct record subject to any amendments agreed and recorded in the minutes of the next meeting.

GRANTS TO THE VOLUNTARY SECTOR PANEL – 25TH JULY 2018

SUBJECT: APPLICATIONS FOR FINANCIAL ASSISTANCE

REPORT BY: CORPORATE DIRECTOR FOR EDUCATION & CORPORATE SERVICES

1. PURPOSE OF REPORT

- 1.1 To inform the Panel of a number of amendments to the administration processes for applications for financial assistance. The reason for these amendments is to streamline current processes and to allow payments to successful applicants to be made more quickly than they are currently.
- 1.2 To inform the Panel of the applications for financial assistance received between 1st April and 30th June 2018.

2. SUMMARY

- 2.1 The report informs Panel members of a number of changes to the administration processes for applications for financial assistance for both the Grants to the Voluntary Sector budget and the Welsh Church Fund. The report also advises Panel members of the budget allocations for both the Grants to the Voluntary Sector budget and the Welsh Church Fund and provides details of applications received between 1st April and 30th June 2018.

3. LINKS TO STRATEGY

- 3.1 Voluntary and community sector organisations make an important contribution to public service provision across the county borough and are key participants in the 'Caerphilly We Want' Well-being Plan published on 3rd May 2018 under the Well-being Future Generations (Wales) Act 2015. The Well-being Plan has four priorities – Positive Change, Positive Start, Positive People and Positive Places.
- 3.2 This report links to the following Well-Being Goals within the Well-Being of Future Generations (Wales) Act 2015:
 - A prosperous Wales
 - A healthier Wales
 - A more equal Wales
 - A Wales of cohesive communities
 - A Wales of vibrant culture and thriving Welsh language

4. THE REPORT

- 4.1 The first part of this report sets out a change to the administrative arrangements for financial assistance from the Grants to the Voluntary Sector budget and the Welsh Church Fund. In addition to this, the sections below also detail further changes to the agreed processes in relation to approved grants under the two grant schemes.

- 4.2 Financial assistance offered by the Council from both the Grants to the Voluntary Sector budget and the Welsh Church Fund has been administered within Corporate Finance since the inception of Caerphilly County Borough Council on 1st April 1996.
- 4.3 The Council's Corporate Policy Team has overall responsibility for the Council's relationship with the voluntary sector generally, including the Compact agreement, managing Service Level Agreements with a small number of voluntary organisations and providing support via the Voluntary Sector Liaison Committee.
- 4.4 Therefore, it has been agreed that responsibility for administering financial assistance grants will move from Corporate Finance to the Corporate Policy Team with effect from 1st May 2018. All grants will continue to be approved using the delegated decision making powers of the Head of Corporate Finance, as is the current arrangement.

4.5 GRANTS TO THE VOLUNTARY SECTOR BUDGET

- 4.5.1 The Panel's budget for 2018/2019 is as follows:

Budget 2018-19	£179,333.00
Less Discretionary Rate Relief (Estimated)	£155,586.22
Remaining Budget	£23,746.78
Carry forward balance from 2017-18	£140,507.01
Total Available Budget 2018-19	£164,253.79
Total 2018-19 Grants awarded to date	£0.00
Balance Remaining	£164,253.79

- 4.5.2 The projected Discretionary Rate Relief for 2018-19 is £155,568.22. Allowing for the projected spend on the Discretionary Rate Relief, the available balance for schemes is £164,253.79 which includes the carry forward balances.
- 4.5.3 The maximum amount requested in respect of the applications listed in Appendix 1 is **£500 (1 No.)**. This application does not meet the criteria as set out in Appendix 4. Panel Members are asked to consider this application and make appropriate recommendations to the Head of Corporate Finance for approval or otherwise under delegated powers.
- 4.5.4 Appendix 2 details the applications that meet the criteria set out in Appendix 4 that have been approved by officers (but not actioned). These total **£9,910.00 (51 No.)**.
- 4.5.5 The balance remaining if all grants requested are awarded as set out in Appendix 1 and Appendix 2 will be £153,843.79.
- 4.5.6 As previously agreed by the Panel, grants awarded during the 2018/19 financial year that exceed the budget allocation will be funded from the brought forward balances.
- 4.5.7 Currently, applications for financial assistance from either individuals or organisations are approved by officers where they meet the criteria as set out in Appendix 4. Any applications not meeting the criteria are reported to the Panel for discussion, with the Panel making a recommendation on whether individual applications are supported and the amount of grant to be awarded. Panel recommendations are considered by the Head of Corporate Finance for approval or otherwise under delegated powers.

4.5.8 In future, applications for financial assistance from individuals or organisations that meet the criteria in Appendix 4 will be approved on a monthly basis under the delegated powers of the Head of Corporate Finance. Following this, the relevant payment will be generated immediately, rather than applicants having to wait up to three months for payment, as is currently the case. All successful applications will continue to be reported to Panel meetings, but for information only.

4.5.9 Any applications for financial assistance that do not meet the criteria in Appendix 4 will continue to be reported to Panel meetings for discussion and for Panel members to make a recommendation. Panel recommendations will continue to be considered by the Head of Corporate Finance for approval or otherwise under delegated powers.

4.6 WELSH CHURCH FUND

4.6.1 At the 17th January 2018 meeting of the Panel, Members were presented with a number of options for increasing the upper limits on grants available, and the intervention rate to be applied, in order to make better use of the funding available. The recommended preferred option of the Panel when considering applications for assistance from the Welsh Church Fund was as follows:

- (i) Applications of up to £5,000 to be fully grant funded;
- (ii) Applications above £5,000 to be subject to a grant rate of 75% on the sum in excess of £5,000 (e.g. an application requesting £8,000 that meets the criteria would receive £7,250 - £5,000 plus 75% of £3,000);
- (iii) The maximum grant payable to be £10,000;
- (iv) The grants process to be reviewed to expedite payments wherever possible and that options be explored for publicising the funding more widely;
- (v) The number of quotes/estimates to be provided with applications be reduced to two for grant applications under £5,000 and three for applications over £5,000;
- (vi) Grants should be restricted to community organisations and community based projects in the first instance and that this position is reviewed in 12 months;
- (vii) Grants cannot be applied for in consecutive years;
- (viii) The maximum time period in which a grant awarded can be claimed is 18 months.

4.6.2 The Panel recommendation of the preferred option was approved by Cabinet at its meeting on 28th March 2018, with the revised criteria introduced with effect from 1st April 2018.

4.6.3 In relation to Item (iv) above, an article was placed in the June 2018 edition of Newline, the Council's newspaper for local residents. This has generated a significant number of enquiries regarding the grant, with around 20-25 application forms sent out in the two week period after the article was published.

4.6.4 Also in relation to Item (iv), the process of signing off grants once the required documentary evidence has been provided (e.g. invoices and bank statements) will also be expedited. Currently, five signatures are required in order to release a payment, but in future this will be reduced to three signatures – the Corporate Policy Manager, the Head of Corporate Finance and the Chair/Vice-Chair of the Panel. In addition, the Annual Internal Audit Plan will include an annual sample review of approved applications and subsequent payments each financial year, in order to ensure that all Council processes and procedures have been complied with. In addition, a full Internal Audit review will take place on a cyclical basis. This process will also apply for any staged payments that are necessary.

4.6.5 At the meeting of 13th July 2009, Members agreed that officers would approve applications meeting the Welsh Church Fund criteria using delegated powers. Such decisions would then be reported to the Panel for information, where Members could ask for further information if required. There are no changes to this process.

- 4.6.6 The Council has received written confirmation from Monmouthshire County Council that the 2018/19 budget allocation is £61,600.00. Monmouthshire County Council have confirmed that the underspends from previous years of £263,239.89 can be carried forward, resulting in a total available budget for the current year of £324,839.89.

Budget 2018-19	£61,600.00
Carry forward balances	£263,239.89
Total Available Budget 2018-19	£324,839.89
Total 2018-19 Grants awarded to date	£0.00
Balance Remaining	£324,839.89

- 4.6.7 Details of applications received since the last meeting that meet the Welsh Church Fund criteria are set out in Appendix 3. The total of amounts requested in accordance with the agreed criteria is **£59,202.33 (12 No.)**.
- 4.6.8 If all awards approved to date spend to their maximum allocation there will be a balance of £265,637.56 remaining.
- 4.6.9 Appendix 5 contains a list of previously approved applications that have exceeded the 18 month time limit to claim funding as set out in the Terms and Conditions. The applicant has been advised the grant has now been withdrawn. The withdrawn grant totals **£2,000 (1 No.)**.

5. WELL-BEING OF FUTURE GENERATIONS

- 5.1 Grants awarded from the Grants to the Voluntary Sector budget and the Welsh Church Fund contribute to the following Well-Being Goals for Wales:-

 - A healthier Wales – providing opportunities for residents to receive local services that are suited to their needs will help to improve their physical and mental well-being.
 - A more equal Wales – providing local services in community settings will help to ensure that residents are able to fulfil their own potential, regardless of their background or personal circumstances.
 - A Wales of cohesive communities – community buildings are often at the heart of the local community, which helps to ensure that our communities can thrive and there is a focal point where residents can come together.
