Dyddiad: Dydd Mercher, 11 Mawrth 2020

Annwyl Syr/Fadam,

Bydd cyfarfod **Pwyllgor Cynllunio** yn cael ei gynnal yn **Siambr y Cyngor - Tŷ Penallta, Tredomen, Ystrad Mynach** ar **Dydd Mercher, 18fed Mawrth, 2020** am **5.00 pm** i ystyried materion a gynhwysir yn yr agenda canlynol. Mae croeso i chi ddefnyddio'r iaith Gymraeg yn y cyfarfod, a dylid rhoi cyfnod rhybudd o 3 diwrnod gwaith os ydych yn dymuno gwneud hynny. Bydd cyfieithu ar y pryd yn cael ei ddarparu ar gais.

Mae pob cyfarfod Pwyllgor yn agored i'r Wasg a'r Cyhoedd. Gofynnir i arsylwyr a chyfranogwyr ymddwyn gyda pharch ac ystyriaeth at eraill. Sylwer y bydd methu â gwneud hynny yn golygu y gofynnir i chi adael y cyfarfodydd ac efallai y cewch eich hebrwng o'r safle.

Yr eiddoch yn gywir,

Christina Harrhy
PRIF WEITHREDWR DROS DRO

I gymeradwyo a llofnodi'r cofnodion canlynol:-

3 Cynhaliwyd y Pwyllgor Cynllunio ar 19 Chwefror 2020. 1 - 8

I dderbyn ac ystyried yr adroddiad(au) canlynol:-

4 Rhif Cod 20/0005/NMA - Virginia Park Garage, Melville Terrace, Caerffili CF83 3HE. 9 - 14

5 Rif Cod. 19/1025/RM - Virginia Park Garage, Melville Terrace, Caerffili CF83 3HE. 15 - 22

6 Rhif Cod 19/0857/FULL - Saer Coed, Load of Hay Road, Crymlyn, Casnewydd NP11 2AY. 23 - 34

I dderbyn a nodi yr eitem(au) gwybodaeth ganlynol:-

7 Ceisiadau a benderfynwyd gan bwerau dirprwyedig. 35 - 46

8 Ceisiadau sydd allan o amser/heb ddelio â hwy o fewn 8 wythnos i ddyddiad y cofrestrriad. 47 - 50

9 Ceisiadau yn aros i Gytundeb Adran 106 i gael ei gwblhau. 51 - 52

10 Apeliadau yn weddill ac wedi eu penderfynu. 53 - 54

Cylchrediad:

Cynghorwyr M.A. Adams (Cadeirydd), Mrs E.M. Aldworth, C. Andrews, A. Angel, J. Bevan, M. Davies, J.E. Fussell, R.W. Gough, D.T. Hardacre, A.G. Higgs, A. Hussey, B. Miles, Mrs G.D. Oliver, J. Ridgewell, J. Simmonds, J. Taylor, A. Whitcombe (Is Gadeirydd), R. Whiting a T.J. Williams

A Swyddogion Priodol

SUT FYDDWN YN DEFNYDDIO EICH GWYBODAETH

Bydd yr unigolion hynny sy'n mynychu cyfarfodydd pwyllgor i siarad/roi tystiolaeth yn cael eu henwi yng nghofnodion y cyfarfod hynny, weithiau bydd hyn yn cynnwys eu man gweithio neu fusnes a'r barnau a fynegir. Bydd cofnodion o'r cyfarfod gan gynnwys manylion y siaradwyr ar gael i'r cyhoedd ar wefan y Cyngor ar www.caerffili.gov.uk. ac eithrio am drafodaethau sy'n ymwneud ag eitemau cyfrinachol neu eithriedig.

Mae gennych nifer o hawliau mewn perthynas â'r wybodaeth, gan gynnwys yr hawl i gael mynediad at wybodaeth sydd gennym amdanoch a'r hawl i gwyno os ydych yn anhapus gyda'r modd y mae eich gwybodaeth yn cael ei brosesu.

Am wybodaeth bellach ar sut rydym yn prosesu eich gwybodaeth a'ch hawliau, ewch i'r Hysbysiad Preifatrwydd Cyfarfodydd Pwyllgor Llawn ar ein gwefan <http://www.caerffili.gov.uk/Pwyllgor/Preifatrwydd> neu cysylltwch â Gwasanaethau Cyfreithiol drwy e-bostio griffd2@caerffili.gov.uk neu ffoniwch 01443 863028.

PLANNING COMMITTEE

MINUTES OF THE MEETING HELD AT PENALLTA HOUSE, YSTRAD MYNACH ON WEDNESDAY, 19TH FEBRUARY 2020 AT 5:00PM

PRESENT:

Councillor M. Adams - Chair
Councillor A. Whitcombe - Vice-Chair

Councillors:

Mrs E.M. Aldworth, C. Andrews, A. Angel, M. Davies, R.W. Gough, D. Hardacre, A. Hussey, J. Ridgewell, J. Taylor and R. Whiting.

Together with:

R. Thomas (Planning Services Manager), R. Tranter (Monitoring Officer), R. Kyte (Head of Planning and Regeneration), M. Woodland (Senior Solicitor) M. Noakes (Senior Engineer, Highway Planning), L. Cooper (Engineer, Highway Planning), M. Godfrey (Senior Environmental Health Officer), C. Boardman (Principal Planner), C. Powell (Principal Planner), E. Rowley (Senior Planner) and E. Sullivan (Senior Committee Services Officer).

1. APOLOGIES FOR ABSENCE

Apologies for absence had been received from Councillors J. Bevan, J.E. Fussell, A.G. Higgs, B. Miles, Mrs G.D. Oliver, J. Simmonds and T. Williams and Cllr E. Stenner (Cabinet Member for Finance, Performance and Planning).

2. DECLARATIONS OF INTEREST

Councillor A. Whitcombe declared a personal and prejudicial interest in relation to Agenda Item No.6 – Code No. 19/0803/NCC. Councillor Whitcombe confirmed that he would be speaking in objection to the application and would leave the Chamber immediately after his statement and would not therefore be present during the debate or the decision on this matter. Mr C. Boardman (Principal Planner) declared a personal and prejudicial interest in relation to Agenda Item No. 4 – Code No. 18/0160/OUT. Details are minuted with the respective item.

3. MINUTES – 22ND JANUARY 2020

It was moved and seconded that the minutes of the meeting held on the 22nd January 2020 be agreed as a correct record and by a show of hands this was unanimously agreed.

RESOLVED that the minutes of the Planning Committee held on 22nd January 2020 (minute nos. 1-14) be approved and signed as a correct record.

PLANNING APPLICATIONS UNDER THE TOWN AND COUNTRY PLANNING ACT

4. PREFACE ITEM CODE NO. 18/0160/OUT – LAND ADJACENT TO TIRYBERTH FARM, HENGOED ROAD, PENDEDAIRHEOL, HENGOED, CF82 8BS

Mr C. Boardman declared a personal and prejudicial interest as his partner was the Agent for this application and left the Chamber before the matter was discussed.

Following consideration of the application it was moved and seconded that the reasons for refusal contained within the Officer's preface report be approved and by a show of hands and in noting there were 1 against and 3 abstention this was agreed by the majority present.

It was noted that Councillor John Taylor and Councillor Mike Davies were nominated to defend the decision of the Committee at any forthcoming Appeal.

RESOLVED that the application be REFUSED: -

- (i) The proposed development would be contrary to policies SP5 and CW15 of the Caerphilly County Borough Local Development Plan up to 2021 - Adopted November 2010 because it would be: inappropriate development in the countryside, outside the settlement boundary where development would not normally be allowed, and would not promote the full and effective use of urban land in order to concentrate development within settlements."
- (ii) The proposed development represents unjustified development in the countryside outside of the settlement boundary which would detract from the open character of SI 1.7 Penpedairheol, Gilfach and Tiryberth Green Wedge and contrary to the provisions of policy SI1 of the Caerphilly County Borough Local Development Plan up to 2021 - Adopted November 2010.

5. CODE NO. 19/0705/RET – ROCKWOOD ANIMALS, FFERM PONT CARREG, RHYD Y GWERN LANE, MACHEN, CAERPHILLY, CF83 8UH.

Following consideration of the application it was moved and seconded that the recommendation contained in the Officer's report be approved and by a show of hands this was unanimously agreed.

RESOLVED that: -

- (i) subject to the conditions contained within the Officer's report this application be granted;
- (ii) the applicant be advised of the comments of Dwr Cymru/Welsh Water;
- (iii) the applicant be advised that the proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority.

- (iv) WARNING:

SUSTAINABLE DRAINAGE APPROVAL IS REQUIRED PRIOR TO COMMENCEMENT OF THIS DEVELOPMENT.

Please note from the 7th January 2019, Schedule 3 of the Flood and Water Management Act 2010 commenced in Wales requiring all new developments of more than one house or where the construction area is of 100m² or more to implement sustainable drainage to manage on-site surface water. Surface water drainage systems must be designed and built in accordance with mandatory standards for sustainable drainage published by Welsh Ministers. The Sustainable Drainage Approval process is a technical approval independent of the need to obtain planning permission, and as such you are advised to contact the Sustainable Drainage Approval Body. Their details are provided below:

Phone: 01443 866511

Email: drainage@caerphilly.gov.uk

Website: www.caerphilly.gov.uk/sab

6. CODE NO. 19/0803/NCC – ROBINSON MANUFACTURING LTD, THE OLD QUARRY, CEMETERY ROAD, ABERCARN, NEWPORT, NP11 5AQ.

Mr M. Hiller and Councillor A. Whitcombe spoke on behalf of local residents in objection to the application and Mr R. Timmins, the Applicant's Agent spoke in support of the application.

Having declared a personal and prejudicial interest in that he would be speaking in objection to the application, Councillor A. Whitcombe left the Chamber directly after making his statement and was not present for the debate or decision in relation to this application.

Following consideration of the application it was moved and seconded that the recommendation contained in the Officer's report be approved and by a show of hands and in noting there were 1 against and 3 abstentions this was agreed by the majority present.

RESOLVED that:

- (i) subject to the conditions contained within the Officer's report and the following amended and additional conditions this application be granted;

Amended Condition (10)

In association with both the B2 and B8 uses hereby approved as part of application 12/0473/COU, no machinery shall be operated and no processes shall be carried out, other than those expressly approved by the other conditions of this consent, outside the following times 07.00hrs – 18.00hrs Monday to Fridays, 07.00hrs – 13.00hrs Saturdays, and not at all on Sundays or Bank Holidays.

Reason

In the interest of the resident amenity of the area and in order to ensure compliance with Policy CW2 of the Caerphilly County Borough Local Development Plan up to 2021 – Adopted November 2010.

Amended Condition (11)

Other than where expressly approved by the other conditions of this consent, deliveries to and from the site, the loading and unloading of heavy goods vehicles and the other operation of forklift trucks, shall only occur between 08.00hrs or 18.00hrs Monday to Fridays and 09.00hrs to 13.00hrs Saturdays, and not all on Sundays or Bank Holidays, Forklift trucks shall only be operated outside of these hours for the purpose of parking.

Reason

In the interest of residential amenity of the area and in order to ensure compliance with Policy CW2 of the Caerphilly County Borough Local Development Plan up to 202021 – Adopted November 2010.

In order to monitor compliance with these conditions and in order for the Local Planning Authority to consider the impacts of the changes to the conditions on the amenity of the area it is considered that any consent granted should be subject to a temporary period of 12 months, conditioned as follows: -

Additional Condition (14)

The use hereby permitted shall be discontinued on or before 28th February 2021.

Reason

In the interests of residential amenity in accordance with Policy CW2 of the adopted Caerphilly County Borough Local Development Plan up to 2021.

7. CODE NO. 20/0017/RET – 40 JAMES STREET, MARKHAM, BLACKWOOD, NP12 0QN

Mr J. Smith spoke in objection to the application and Mr G. Price the applicant spoke in support of the application.

It was noted that the above application had been subject to a site visit which was held on Monday 17th February 2020 and briefing note from which are appended to these minutes.

Following consideration of the application it was moved and seconded that the recommendation contained in the Officer's report be approved and by a show of hands and in noting there was 1 abstention this was agreed by the majority present.

Councillor J. Taylor wished it to be noted that as he had not been present for the whole debate he had not taken part in the vote.

RESOLVED that: -

- (i) subject to the conditions contained within the Officer's report this application be granted;
- (ii) the applicant be advised that the following policies of the Caerphilly County Borough Local Development Plan up to 2021 – Adopted November 2020 are relevant to the conditions of this permission:
- (iii) the applicant be advised that the proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority.

8. CODE NO. 20/0053/COU – 3 TREETOPS AVENUE, BLACKWOOD, NP12 1JF.

Members were advised that the Applicant had withdrawn the planning application.

9-12. ITEMS FOR INFORMATION

The following items were received and noted: -

- (1) Applications determined by delegated powers;
- (2) Applications which are out of time/not dealt with within 8 weeks of date of registration;
- (3) Applications awaiting completion of a Section 106 Agreement;
- (4) Appeals outstanding and decided.

The meeting closed at 18.20pm.

Approved as a correct record and subject to any amendments or corrections agreed and recorded in the minutes of the meeting held on 18th March 2020, they were signed by the Chair.

CHAIR

Planning Site Visit - Briefing Note

PLANNING APPLICATION REFERENCE: 20/0017/RET

PROPOSED DEVELOPMENT:

LOCATION: 40 James Street, Markham

DATE OF SITE VISIT: 17th February 2020

MEMBERS PRESENT: Councillor Mike Adams, Councillor Ross Whiting and Councillor Walter Williams

OFFICERS PRESENT: Liz Rowley and Chris Boardman

The following points were raised by members, and the answers provided:

- Cllr Adams asked about the overall height of the building and the need for applicants and builders to enquire whether they need planning before constructing works – This did not warrant an officer response.
- Cllr Adams referred to the objections received in the officer report and looked at the position of the outbuilding and the existing fence line and was satisfied that the works have been constructed on the applicants land. The Planning Officer advised that it would not be appropriate to discuss issues relating to the boundary wall in the absence of the objector and pointed out that these are private matters not pertinent to the determination of the application.
- Cllr Williams enquired about the covenant on the land that no outbuildings can be erected within the rear gardens. The Planning Officer advised that this is a private matter between the vendor and purchaser of the land. The Planning Officer also pointed out to Cllr Williams that there is small concrete outbuilding located at the lower end of the garden in the objector's property.
- Cllr Adams queried the external finishes of the outbuilding as they have yet to be applied. The Planning Officer advised that there is a suggested condition attached to the officer's recommendation to request details of the external finishes of the outbuilding.
- Cllr Williams wanted clarification on whether a fence would be erected to prevent loss of privacy to the neighbouring occupier. The Planning Officer advised that a privacy fence is a recommended as a suggested condition for members to consider.

- Cllr Adams asked Cllr Whiting if he had any further comments to make. Cllr Whiting confirmed he was satisfied with the information provided.

Summary of any additional information received or matters arising:

The Planning Officer advised that members should have received information circulated on behalf of the objector, however the contents of the report are not material planning considerations and are private matters between the adjoining land owners.

Eitem Ar Yr Agenda 4

Planning Application 20/0005/NMA

Code No. and Date Received	Name and Address of Applicant	Description and Location of Proposed Development
20/0005/NMA 02.01.2020	Mr G Davies & Mrs G Powell C/o Miss L Hughson-Smith 19 Starling Walk Penallta Hengoed CF82 6BH	Seek approval of a non-material amendment to planning consent 18/0255/OUT (Demolish existing buildings and erect residential development with associated works and seek approval of access) to amend the description of the development to include 'phased residential development' and amend the width scale parameter of plot 1 and 2 to 15.2m Virginia Park Garage Melville Terrace Caerphilly CF83 3HE

APPLICATION TYPE: Non-Material Amendments

SITE AND DEVELOPMENT

Location: The application site is located on Melville Terrace, Caerphilly.

Site description: The application site is a car repair garage site incorporating a large yard with a number of detached pre-fabricated buildings located within it. The site is flat and is bounded to the north by the road serving Melville Terrace, to the south by housing, to the east by the playing fields to the south of Caerphilly Rugby Club and to the west by the rear lane serving Pontygwindy Road. Outline planning consent was granted for the development of the site for 6 dwellings under application reference number 18/0255/OUT. That consent was granted on the basis of maximum dimensions for the dwellings of 11m by 9m by 10m high.

Development: This application seeks approval of a non-material amendment to the previously approved scheme to increase the maximum width of the houses on plots 1 and 2 from 11m to 15.2m and to increase the width of plots 1 and 2 to accommodate the wider dwellings. Consent is also sought for the change of the description of the development to include 'phased development' which would allow a 'self build' development to be carried out.

Cont'd

Planning Application 20/0005/NMA

Dimensions: As above.

Materials: Not applicable.

Ancillary development, e.g. parking: None.

PLANNING HISTORY 2005 TO PRESENT

18/0255/OUT - Demolish existing buildings and erect residential development with associated works and seek approval of access - Granted - 14.09.2018.

19/1025/RM - Seek approval of the reserved matters in respect of appearance, landscaping, layout and scale reserved under planning consent 18/0255/OUT (Demolish existing buildings and erect residential development with associated works and seek approval of access) - Pending.

POLICY

Not Applicable.

CONSULTATION

None.

ADVERTISEMENT

Not Applicable.

ANALYSIS

Policies: Section 96A of the Town and Country Planning Act 1990 (as amended) allows non-material amendments to be made to an existing planning permission. Whilst there is no statutory definition of a 'non-material amendment', in July 2014 the Welsh Government published planning guidance on approving non-material amendments. In deciding whether or not proposed changes are non-material, consideration should be given to the effect of such changes. When assessing and determining whether or not proposed changes would qualify as non-material amendments, the guidance suggests four tests as a 'starting point' for local planning authorities in their consideration. Each of the tests is addressed below:

- a) (i) Is the scale of the proposed change great enough to cause an impact different to that caused by the original approved development scheme?

Cont'd

The scale of the proposed changes is not great enough to cause a different impact to that cause by the originally approved scheme. Outline applications always leave scope for amendments to the layout submitted at reserved matters stage provided that the development stays within the parameters of the outline consent and this is not different. Whilst the size of the dwellings and the plots themselves on plots 1 and 2 would be larger, it is still possible to fit six dwellings on the site without having a major impact which would be different to that caused by the previously approved scheme. With regard to the change to the description of the development to include reference to a 'phased development' it should be noted that this has become common practise over recent years and would have no greater impact than the approved scheme.

(ii) Would the proposed change result in a detrimental impact either visually or in terms of local amenity?

The proposed changes will result in a change visually to the originally approved scheme although this will not be detrimental to the character of the area or impact on the amenity of the area. The proposed change is minor in scale and would not have an impact on neighbouring properties or land.

b) Would the interests of any third party or body be disadvantaged in planning terms?

The proposed changes will not affect neighbouring occupiers, nor will they result in any significant detrimental impact.

c) Would the proposed change conflict with national or development plan policies?

The development has been fully considered against national and development plan policies by the Council during the consideration of the original application. The proposed amendment to the scheme is not in conflict with planning policy, nor does planning policy deter any the amendments proposed.

Comments from consultees: Not applicable.

Comments from public: Not applicable.

Other material considerations: None.

The duty to improve the economic, social, environmental and cultural well-being of Wales, has been considered in accordance with the sustainable development principle, under section 3 of the Well-Being of Future Generations (Wales) Act 2015. In reaching the recommendation below, the ways of working set out at section 5 of that Act have been taken into account, and it is considered that the recommendation is consistent with the sustainable development principle as required by section 8 of that Act.

Cont'd

Living Decision Document:

The description of the development shall be amended to read as follows:-

Demolish existing buildings and erect a phased residential development with associated works and seek approval of access.

Details in respect of condition 04 have been amended by Consent 20/0005/NMA dated 19th March 2020 granted by Caerphilly County Borough Council and as such the development shall now be carried out in accordance with the following plans and details unless otherwise agreed in writing by the Local Planning Authority:-

Proposed Site Plan (129-101A), Demolition Plan (129-102), Site Location Plan (129-103) and Preliminary Ecological Appraisal and Preliminary Roost Assessment by Wildwood Ecology.

RECOMMENDATION that Permission be GRANTED

This permission is subject to the following condition(s)

- 01) The development shall be carried out in accordance with the plans approved under planning permission 18/0255/OUT subject to the conditions and details of the original consent, save where they are amended by the following plans: 129-101A.

REASON: To ensure that the development is carried out only as approved by the Local Planning Authority.

Eitem Ar Yr Agenda 5

Planning Application 19/1025/RM

Code No. and Date Received	Name and Address of Applicant	Description and Location of Proposed Development
19/1025/RM 03.01.2020	Mr G Davies And G Powell C/o Miss L Hughson-Smith 19 Starling Walk Penallta Hengoed CF82 6BH	Seek approval of the reserved matters in respect of appearance, landscaping, layout and scale reserved under planning consent 18/0255/OUT (Demolish existing buildings and erect residential development with associated works and seek approval of access) Virginia Park Garage Melville Terrace Caerphilly CF83 3HE

APPLICATION TYPE: Approval of Reserved Matters

SITE AND DEVELOPMENT

Location: The application site is located on the southern side of Melville Terrace, Caerphilly.

House type: The application site is the site of a former vehicle repair garage situated within a mainly residential area on the outskirts of Caerphilly Town Centre. The site comprises of a large yard area covering approximately 50% of the site with grass on the rest. There are five buildings on the site, mostly single storey and including an office building and a large workshop. There are dwellings to the north, south and west of the site with playing fields to the east.

Development: This application seeks reserved matters consent in respect of appearance, landscaping, layout and scale for a phased development of 6 dwellings subsequent to the approval of outline planning consent under application reference number 18/0255/OUT. The submitted plans show a linear development of 6 detached dwellings fronting onto the rear lane serving Pontygwindy Road. Each of the dwellings has an individual plot with the dwellings located in the centre. All of the dwellings are two storey.

Cont'd

Plot 1, which is wider than the remainder of the plots, has a detached garage to the side with parking to the front of that. It has a projecting gable to the front with an apex roof and has a hallway, 2 lounges, utility room, kitchen/dining room and bedroom with en-suite on the ground floor and four bedrooms (one with en-suite), a bathroom and a shower room on the first floor.

Plots 2, 3 and 5 have the same house type. This also has a projecting gable to the front with an apex roof and an integral garage with parking to the front. There is a hallway, utility room, lounge, kitchen/dining room and snug on the ground floor with four bedrooms (two with en-suites) and a bathroom on the first floor.

Plots 4 and 6 are the same design as Plots 2, 3 and 5 but are handed.

Dimensions: Plot 1 has overall dimensions of 18m wide by 28m deep. The dwelling has overall dimensions of 11m wide by 11.6m deep by 9m high. The garage measures 3.7m wide by 7m deep by 5.2m high.

Plot 2 measures 14.3m wide with Plots 3, 4, 5 and 6 all measuring 13.3m wide by 28m deep. The dwellings have overall dimensions of 11m wide by 12.2m deep by 8.9m high.

Materials: Not specified.

Ancillary development, e.g. parking: The rear lane serving Pontygwindy Road and fronting the site is to be improved and maintained at a width of 4.8m and a 2m footway is to be provided to the front of the site.

PLANNING HISTORY 2005 TO PRESENT

18/0255/OUT - Demolish existing buildings and erect residential development with associated works and seek approval of access - Granted - 14.09.2018.

POLICY

Local Development Plan: Within settlement limits.

Policies

Local Development Plan: SP3 (Development in the Southern Connections Corridor), SP5 (Settlement Boundaries), SP6 (Place Making), CW2 (Amenity), CW3 (Design Considerations: Highways) and CW15 (General Locational Constraints).

Planning Application 19/1025/RM

Supplementary Planning Guidance LDP 5 Car Parking Standards sets out parking requirements for all developments.

Supplementary Planning Guidance LDP 6 Building Better Places to Live gives advice on all levels of development.

National Policy: Paragraph 3.9 –

The special characteristics of an area should be central to the design of a development. The layout, form, scale and visual appearance of a proposed development and its relationship to its surroundings are important planning considerations. A clear rationale behind the design decisions made, based on site and context analysis, a strong vision, performance requirements and design principles, should be sought throughout the development process and expressed, when appropriate, in a design and access statement.

Paragraph 3.16 –

Planning authorities should through a process of negotiation seek to improve poor or average developments which are not well designed, do not take account of their context and consider their place, or do not meet the objectives of good design. Where this cannot be achieved proposals should be rejected. However, they should not attempt to impose a particular architectural taste or style arbitrarily and should avoid inhibiting opportunities for innovative design solutions. If a decision maker considers that a planning application should not be approved because of design concerns they should ensure that these reasons are clearly articulated in their decision and justified with sufficient evidence. In the event of an appeal, in these circumstances, the Planning Inspectorate will need to examine the issues in detail and consider if the proposal meets the objectives of good design including the relationship between the site and its surroundings.

National Planning Guidance contained in Technical Advice Note 12 - Design.

ENVIRONMENTAL IMPACT ASSESSMENT

Did the application have to be screened for an EIA? No.

Was an EIA required? No.

COAL MINING LEGACY

Is the site within an area where there are mining legacy issues? No.

CONSULTATION

CADW - No objection.

Head Of Public Protection - No objection.

CCBC Housing Enabling Officer - No objection.

Dwr Cymru - Provide advice to be conveyed to the developer.

Landscape Architect - No objection.

Senior Engineer (Land Drainage) - No objection.

ADVERTISEMENT

Extent of advertisement: The application was advertised by means of a site notice and neighbour letters.

Response: None.

Summary of observations: None.

SECTION 17 CRIME AND DISORDER ACT

What is the likely effect of the determination of this application on the need for the Local Planning Authority to do all it reasonably can to prevent crime and disorder in its area?
None.

EU HABITATS DIRECTIVE

Does the development affect any protected wildlife species? Based on current evidence, this is unlikely to be a significant issue in this case, but an advisory note will be attached to the consent and sent to the applicant as a precautionary measure.

Is this development Community Infrastructure Levy liable? Yes, the site is within the Higher Viability area where CIL is charged at £40 per square metre plus indexation.

Cont'd

ANALYSIS

Policies: The application has been considered in accordance with national planning policy and guidance, local plan policy and supplementary planning guidance. The application site is located within settlement limits, in a mainly residential area and outline planning consent has already been granted and as such the principle of the development is acceptable and established. This application seeks approval of the appearance, landscaping, layout and scale of the development and in that regard the impact of the proposal on the residential and visual amenity of the area are central to the determination of the application.

With regard to the appearance and scale of the dwellings it is accepted that they are large dwellings but it is not felt that they are out of keeping with the character of the area, which has an eclectic mix of house styles. Indeed there is a large detached dwelling immediately to the south of Plot 6 and this sets a precedent for the proposals. The dwellings include architectural features and detailing that give the properties interest and they would not be overbearing or overshadowing on adjacent dwellings. In that regard it is considered that the appearance and scale of the dwellings are acceptable in planning terms.

In respect of layout it is noted that the proposed dwellings would not have a detrimental impact on the amenity or privacy of the neighbouring dwellings and they are set back sufficiently within the site to accommodate adequate parking and amenity space. The proposal is therefore considered to be acceptable in this regard.

Finally in terms of landscaping it is noted that no details have been submitted save to show that the front and rear gardens will be lawned. However, it is not felt that this would be unacceptable in planning terms and it is possible to attach a condition to this consent requiring the submission of details. It is considered that the proposal is acceptable in this regard.

Comments from Consultees: No objections raised.

Comments from public: None.

Other material considerations: Matters such as drainage, contamination and ecology are covered by conditions attached to the outline planning consent and as such do not need to be addressed here.

The duty to improve the economic, social, environmental and cultural well-being of Wales, has been considered in accordance with the sustainable development principle, under section 3 of the Well-Being of Future Generations (Wales) Act 2015. In reaching the recommendation below, the ways of working set out at section 5 of that Act have been taken into account, and it is considered that the recommendation is consistent with the sustainable development principle as required by section 8 of that Act.

Living Decision Document:

Details in respect of condition 01 have been agreed by consent 19/1025/RM dated 19th March 2020 granted by Caerphilly County Borough Council.

Details in respect of condition 02 have been agreed by consent 19/1025/RM dated 19th March 2020 granted by Caerphilly County Borough Council.

RECOMMENDATION that Permission be GRANTED

This permission is subject to the following condition(s)

- 01) The development shall be carried out in accordance with the following approved plans and documents: Site Location Plan, PL01 Rev A, PL02, PL03, PL04, PL05, PL06, PL07 and PL08.
REASON: To ensure that the development is carried out only as approved by the Local Planning Authority.
- 02) Prior to the construction of the external surfaces of the development hereby approved details of the materials to be used shall be submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.
REASON: In the interests of the visual amenity of the area in accordance with policy CW2 of the adopted Caerphilly County Borough Local Development Plan up to 2021.
- 03) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any order revoking or re-enacting that order, with or without modification), the garages hereby approved shall not be physically altered or converted to any other domestic purpose without the prior approval of the Local Planning Authority. The garages shall be made available at all times for the parking of motor vehicles associated with the residential use of the dwellings hereby approved.
REASON: In the interests of highway safety in accordance with policy CW3 of the adopted Caerphilly County Borough Local Development Plan up to 2021.
- 04) The development shall not be brought into beneficial use until the area indicated for the parking of vehicles has been laid out in accordance with the submitted plans and that area shall not thereafter be used for any purpose other than the parking of vehicles.
REASON: In the interests of highway safety in accordance with policy CW3 of the adopted Caerphilly County Borough Local Development Plan up to 2021.

Cont'd

- 05) Prior to the commencement of the development a scheme shall be submitted to and agreed in writing by the Local Planning Authority indicating the positions, design, materials and type of boundary treatment to be erected. The boundary treatment shall be completed in accordance with the approved details before the dwellings are occupied.

REASON: In the interests of the visual amenities of the area amenity in accordance with policy CW2 of the adopted Caerphilly County Borough Local Development Plan up to 2021.

- 06) Prior to the commencement of the development a scheme depicting hard and soft landscaping shall be submitted to and agreed in writing by the Local Planning Authority. The agreed details shall be carried out in the first planting and/or seeding season following the completion of the development. Any trees or plants which within a period of 5 years from the completion of the development die or are removed, or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.

REASON: In the interests of the visual amenity of the area in accordance with policies CW2 and SP6 of the adopted Caerphilly County Borough Local Development Plan up to 2021.

Advisory Note(s)

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority.

Planning Application 19/0857/FULL

Code No. and Date Received	Name and Address of Applicant	Description and Location of Proposed Development
19/0857/FULL 22.10.2019	Values In Care Ltd Tredomen Innovation Centre Tredomen Business Park Tredomen Ystrad Mynach Hengoed CF82 7FQ	Convert existing garage to annexe accommodation with addition of two Velux roof windows, internal alterations to main property with addition of external door accesses Saer Coed Load Of Hay Road Crumlin Newport NP11 3AY

APPLICATION TYPE: Full Application

SITE AND DEVELOPMENT

Location: The application site is situated on the south western side of Load of Hay Road, in open countryside one kilometre due south of the settlement boundary of Trinant.

Site description: The garage, the subject of the application is located within the generous grounds of a detached single storey property with a partially converted loft space to part of the dwelling.

Development: Conversion of existing garage to annex accommodation, with addition of two Velux roof windows. Internal alterations to main property, with addition of external door accesses.

Dimensions: Existing garage measures 6.5m x 4.5m, the height to eaves is 2.5m and height to ridge of the garage roof is 4.0m

Materials: Garage: new windows and doors, double glazed white uPVC. Where the existing up and over garage doors are to be removed and the openings reduced in size, those areas will be finished to match the existing. Main House; new door and side window combinations, double glazed uPVC.

Ancillary development, e.g. parking: None shown.

Cont'd

PLANNING HISTORY 2005 TO PRESENT

None.

POLICY

LOCAL DEVELOPMENT PLAN Caerphilly County Borough Local Development Plan up to 2021 adopted November 2010 (LDP).

Site Allocation: The site is located outside settlement limits.

Policies: SP5 (Settlement Boundaries), CW2 (Amenity), CW3 (Design Constraints - Highways), CW15 (General Locational Constraints), CW20 (Locational Constraints- Conversion, Extension and Replacement of Buildings in the Countryside).

NATIONAL POLICY Planning Policy Wales Edition 10 (December 2018).

ENVIRONMENTAL IMPACT ASSESSMENT

Did the application have to be screened for an EIA? No.

Was an EIA required? No.

COAL MINING LEGACY

Is the site within an area where there are mining legacy issues? The site is located within a low risk coal mining area, however standing advice will be provided.

CONSULTATION

Head Of Public Protection - No objection.

Senior Engineer (Land Drainage) - No objection - offers the following observations:

The applicant has not indicated how they intend to dispose of surface water; no/limited information has been submitted for consideration.

The site is situated within an area susceptible to groundwater flooding.

Transportation Engineering Manager - No objection - subject to the imposition of a condition limiting the use of the annex accommodation as ancillary and incidental to the residential enjoyment of Saer Coed and for no other purpose.

Cont'd

ADVERTISEMENT

Extent of advertisement: Three adjoining properties were notified together with two adjacent land owners. A site notice was also displayed at the property.

Response: Responses have been received from three adjacent properties and two adjacent landowners. The views of residents have also been relayed by a Planning Consultant, local MP, AM, and Local Members.

Summary of observations:

- 1). The proposed works are indicative of a change of use of the premises as a whole from a single dwelling to that of a care home. The introduction of commercial enterprise would have a detrimentally significant impact on the residential amenity currently enjoyed by nearby residents.
- 2). Works are being undertaken to the main house prior to the determination of any application for planning permission.
- 3). The single track access lane is inadequate as a sole means of access to the site. As well as its access onto the main Trinant Road with no visibility whatsoever. Increased traffic generation to an unacceptable degree to the detriment of highway safety.
- 4). No record of planning permission or approval under the Building Regulations for the garage at the time it was originally erected therefore there is a question over its structural integrity, and how it could be possible to approve modification to a building which apparently has no permission to exist.
- 5). The potential inappropriate use of the adjacent woodland by residents of the property.
- 6). Potential for persons from the property to injury themselves on unforeseen hazards that might be present in that woodland.
- 7). The presence of two roof windows on the roof slope facing the site boundary and the venting of flues and extractor units directly through the rear elevation of the annex onto the side boundary with the adjacent property have a detrimental affect on the residential amenity of the adjacent dwelling.

Cont'd

SECTION 17 CRIME AND DISORDER ACT

What is the likely effect of the determination of this application on the need for the Local Planning Authority to do all it reasonably can to prevent crime and disorder in its area?

The proposed development is unlikely to have a significant effect on crime and disorder in the local area.

EU HABITATS DIRECTIVE

Does the development affect any protected wildlife species? No.

COMMUNITY INFRASTRUCTURE LEVY (CIL)

Is this development Community Infrastructure Levy liable? As no additional floor area is being created the development is not CIL liable.

ANALYSIS

Policies: This application has been considered in accordance with National Policy and Guidance and Local Plan Policies. The main points to consider in the determination of this application are whether the proposal would have an unacceptable impact in terms of visual amenity on the character of the surrounding area, its impact in terms of neighbouring amenity, together with highway safety implications.

The application site is an established residential property within its own substantial grounds, situated outside settlement limits in open countryside. The garage concerned is an existing building within the curtilage of that dwelling. The proposal under consideration does not involve the construction of any new buildings, or the creation of additional floor space, in the open countryside. Therefore the main issues that fall to be considered in the determination of this application relate to its impact on visual and neighbouring amenity together with Highway safety impacts.

The garage is located adjacent to the side boundary to the southern edge of the curtilage of the dwelling, with the ridge line running parallel to that boundary. It is generally well screened from the highway, with the gable end of the structure visible from the site access. The ridged roof of the building is visible above the existing 1.8m high, timber, vertical lapboard fence, which forms the boundary between the host property and the neighbouring residential property to the south. Residents have queried whether the garage building referred to in the application is authorised. It would appear from the planning history of the site, that the previous owner of the property, sought planning permission to incorporate a detached garage building that had existed in very close proximity to the main dwelling, into that building to form extended living accommodation. The garage the subject of this application first appears in the aerial photographs of the area in 2010.

Cont'd

The garage as erected at that time does not appear to project beyond the forward most part of the dwelling fronting onto the highway, it would therefore appear to be permitted development in accordance with the Town and Country Planning (General Permitted Development Order) 1995, as amended, which would have been the legislation which applied at that time. Permitted Development rights for householders were changed in 2013. Notwithstanding this fact the structure has been in position for more than four years and therefore on the balance of probability, in planning terms, it would now be Lawful and immune from any enforcement action under the planning legislation. Any works to the building to convert it into an annex would require approval under the Building Regulations. Therefore if any significant structural faults were to exist, they would become exposed during these works. However, there is no evidence to suggest that any such faults to the building currently exist.

The works to the exterior of the garage building, involve the removal of the two existing up and over garage doors, from the front elevation of the garage and their replacement to the left hand side with a pedestrian door and side window and to the right hand side with a single window. A new pedestrian door is to be installed in the gable end of the building facing the site access and an additional door is shown as being installed to the opposite gable end. Two velux roof windows measuring 500mm x 980mm are indicated on the rear roof slope of the annex facing the joint side boundary. On the original plans that were submitted showing the rear elevation of the annex, three flues were shown exiting the building through this wall. The Agent has now submitted amended plans which show two vents exiting the building through the south western gable end and two extractors exiting through the roof by means of tile vents. The velux roof windows are shown as being fixed pane and non openable. Internally the annex is shown as comprising one bedroom with ensuite bathroom, a living room, Staff bedroom/dining room, a kitchen and separate WC. The structure will be dry lined and internal partitons creating the new rooms.

The works to the interior of the main house shown on the submitted plans, comprise of the re-positioning of a number of internal walls, to re-configure and create additional shower room/WC's, the removal of one staircase, and the blocking up and or replacement of door openings. The works which affect the exterior of the main building relate to an alteration to an existing window to the southern elevation, the insertion of obscure glazing in a window to the right hand side of the front elevation, replacement of the existing window opening with a door and double glazed uPVC side window to the northern side elevation and the replacement of an existing window with a door and uPVC side window to the rear elevation. None of which materially affect the external appearance of the building. By virtue of Section 55 of the Town and Country Planning Act 1990 as amended, the carrying out for the maintenance, improvement or other alteration of any building of works which affect only the interior of the building, and do not materially affect the external appearance of the building, shall not be taken to involve the development of land. Section 56 of the Planning Act 1990 states that the development of land shall be taken to be initiated, if the development consists of a change of use, at the time when the new use is instituted. To date a use such as that described by residents has not yet been initiated at these premises.

This application relates solely to the conversion of the existing garage to an annex, in that regard Policy CW2 of the Local Development Plan (LDP) sets out criteria relating to amenity. In terms of that Policy, development proposals should not have an unacceptable impact on the amenity of adjacent land or properties. These will be addressed in turn.

In terms of its impact upon the character of the surrounding area, the garage building is an existing structure within the mature grounds of an established residential property. The proposed changes to the structure are cosmetic in nature, in that the building is not being extended and no additional floor space is being created. It is therefore considered that the proposed use of the garage as an annex will not result in an unacceptable impact on the visual amenity of the surrounding area.

In terms of its impact upon neighbouring amenity, it is considered that the amendments that have been made to re-position the external flues to the rear elevation of the building and the proposed use of velux roof windows that are fixed panes and non opening has overcome any adverse impact in this regard. The imposition of a condition to ensure that they remain as such in perpetuity would be appropriate, together with a condition to prevent any further alterations or extensions to the annex without having first obtained the written consent of the Local Planning Authority would also be reasonable. Consequently, subject to the imposition of appropriate conditions the development is in accordance with Policy CW2 of the LDP.

Policy CW3 sets out criteria in terms of highway design considerations. In that regard it is not considered that the proposed works will have any detrimental impact on the safe, effective and efficient use of the transportation network subject to the imposition of a conditions attached to any consent to limit the use of the annex to ancillary accommodation and incidental to the residential enjoyment of Saer Coed. On this basis, no objection is raised by the Transportation Engineering Manager.

In conclusion the proposed development complies with policies CW2 and CW3 of the Caerphilly County Borough Local Development Plan up to 2021 - adopted November 2010.

Comments from consultees: Head of Public Protection - No objection.

Senior Engineer (Land Drainage) - No objection.

Transportation Engineering Manager (Highways) - No objection - subject to a condition restricting the use of the annex to purposes incidental and ancillary to the residential enjoyment of Saer Coed and for no other purpose.

Cont'd

Comments from public:

- 1) The proposed works are indicative of a change of use of the premises as a whole from a single dwelling to that of a care home. The introduction of commercial enterprise would have a detrimentally significant impact on the residential amenity currently enjoyed by nearby residents - The application seeks permission to convert the existing garage to an annex, and does not propose a change of use at the property. If and when such a use is implemented, the matter will be fully investigated by the planning enforcement section, however, this application must be determined based on what is currently proposed. In that regard neighbouring amenity has been addressed in the report above.
- 2) Works are being undertaken to the main house prior to the determination of any application for planning permission - This application relates to the conversion of the existing garage to an annex only, and internal works relating to the dwelling have been addressed in the report above.
- 3) The single track access lane is inadequate as a sole means of access to the site. As well as its access onto the main Trinant Road with no visibility whatsoever. Increase traffic generation to an unacceptable degree to the detriment of highway safety - The Transportation and Engineering Manager raises no objection to the proposal on the basis of what is being considered under this application, i.e. conversion of a garage to an annex.
- 4) No record of planning permission or approval under the Building Regulations for the garage at the time it was originally erected therefore there is a question over its structural integrity, and how it could be possible to approve modification to a building which apparently has no permission to exist - Building Regulations approval is a separate matter and are not material to the consideration of this planning application. As outlined above, the garage onsite was likely constructed under householder permitted development rights at the time. Notwithstanding this the structure would now be classed as lawful development given the passage of time since it was constructed.
- 5) The potential inappropriate use of the adjacent woodland by residents of the property - This is not a material planning consideration.
- 6) Potential for persons from the property to injury themselves on unforeseen hazards that might be present in that woodland - This is not a material planning consideration.

Cont'd

7) The presence of two roof windows on the roof slope facing the site boundary and the venting of flues and extractor units directly through the rear elevation of the annex onto the side boundary with the adjacent property have a detrimental effect on the residential amenity of the adjacent dwelling - Amended plans have been submitted to ensure there is no impact upon neighbouring amenity. This has been addressed in the report above.

Other material considerations: None.

The duty to improve the economic, social, environmental and cultural well-being of Wales, has been considered in accordance with the sustainable development principle, under section 3 of the Well-Being of Future Generations (Wales) Act 2015. In reaching the recommendation below, the ways of working set out at section 5 of that Act have been taken into account, and it is considered that the recommendation is consistent with the sustainable development principle as required by Section 8 of that Act.

RECOMMENDATION that Permission be GRANTED

This permission is subject to the following condition(s)

- 01) The development hereby permitted shall be begun before the expiration of five years from the date of this permission.
REASON: To comply with the provisions of Section 91 of the Town and Country Planning Act 1990.

- 02) The development shall be carried out in accordance with the following approved plans and documents:
Site Location Plan, Drwg No.100 Rev. PO; received on 18th October 2019;
Proposed Site Block Plan, Drwg No. 201 Rev. PO; Received on 18th October;
Proposed Garage Plan, Drwg. No. 250 Rev P5; Received on 14th February 2020;
Proposed Front and Side Elevation - Garage, Drwg.No. 255 Rev. P5; Received on 14th February 2020;
Proposed Rear and Side 2 Elevation - Garage, Drwg. No. 256 Rev. P5; Received on 14th February 2020;
Proposed Front and Side Elevation - House, Drwg No. 205 Rev. P1, Received 18th October 2019;
Proposed Rear and Side 2 Elevation - House, Drwg. No. 206 Rev. P3, Received 18th October 2019;
Proposed Ground Floor Plan - House, Drwg. No. 203 Rev. P4, Received 18th October 2019; and
Proposed Loft Floor Plans - House Drwg. No. 204 Rev. P3, Received 18th October 2019.
REASON: To ensure that the development is carried out only as approved by the Local Planning Authority.

Cont'd

- 03) The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those of the existing building.
REASON: In the interests of the visual amenities of the area in accordance with policy CW2 of the adopted Caerphilly County Borough Local Development Plan up to 2021.
- 04) The development hereby permitted shall not be occupied at any time other than for purposes ancillary and incidental to the C3 residential use of the existing dwelling known as Saer Coed at the site subject of this consent.
REASON: For the avoidance of doubt as to the nature of the approved development and to ensure that the development is not occupied as a separate unit of accommodation.
- 05) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any order revoking and re-enacting that order) with or without modification, no enlargement of the annex hereby approved shall be constructed without the approval of the Local Planning Authority.
REASON: In the interests of residential amenity in accordance with policy CW2 of the adopted Caerphilly County Borough Local Development Plan up to 2021.
- 06) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 1995 (or any order revoking and re-enacting that order) with or without modification, no windows, other than those expressly authorised by this permission, shall be constructed without the approval of the Local Planning Authority.
REASON: In the interests of residential amenity in accordance with policy CW2 of the adopted Caerphilly County Borough Local Development Plan up to 2021.
- 07) Notwithstanding the plans hereby approved the roof lights on the rear roof plane of the annex shall be fixed and non-opening and shall be retained as such in perpetuity.
REASON: In the interests of residential amenity in accordance with Policy CW2 of the adopted Caerphilly County Borough Local Development Plan up to 2021.
