There had been no matters referred to the Scrutiny Committee in accordance with the call-in procedure.

5. SOCIAL SERVICES SCRUTINY COMMITTEE FORWARD WORK PROGRAMME

Councillor C. Bezzina declared a personal interest in this item as she has adopted a child.

The Scrutiny Officer introduced the report that informed the Committee of its Forward Work Programme planned for the period October 2019 to April 2020. Members were asked to consider the work programme and to make any amendments or request additional agenda items to be included for future meetings.

A report on the In-house and Independent Sector Home Care was requested by the Chair and supported by the Committee. The future report was to focus on the service breakdown between in-house carers and the independent sector and outline planned policy development in this area. The Director for Social Services and Housing suggested that an additional report on "Rebalancing the Care Market" could come to Committee on 4th February 2020. Members agreed that this should be added to the Committee Forward Work Programme.

The Scrutiny Officer reminded Members that the Regional Partnerships Boards report had been moved to 4th February 2020 from 22nd October 2019 to create space for the Corporate Safeguarding Arrangements Report. This move had been agreed by Committee in June.

Following consideration and discussion, it was moved and seconded that the recommendation in the report be approved. By a show of hands this was unanimously agreed.

RESOLVED that subject to the aforementioned changes, the Forward Work Programme appended to the report be approved.

REPORTS OF OFFICERS

Consideration was given to the following reports.

6. BUDGET MONITORING REPORT (MONTH 5)

The report provided Members with the projected revenue expenditure for the Social Services Directorate for the 2019/20 financial year and an update on the progress made against the savings targets built in to the 2019/20 revenue budget for the Directorate. The report identified the reasons behind a projected underspend of £507k for Social Services in 2019/20, despite a significant increase in demand for residential care placements for children since the beginning of the financial year. It also identified the progress that has been made to date towards achieving the £2.261million savings target that was included in the Social Services budget for 2019/20.

The Scrutiny Committee thanked the Officer for the report and discussion ensued.

In noting the increase in demand for Foster Care Placements, and the success of the ongoing foster care recruitment campaign, a Member queried the number of Foster Carers appointed in proportion to demand. Officers explained that there is a greater demand on the in-house service and as a result of the recruitment campaign, there has been a reduction of 27 cases to Independent Foster Care Agency Placements. In addition, it was noted that training is provided to all Foster Carers, some of which are mandatory, and the MYST Service (My

Support Team) provides individual and bespoke training where required. The Committee noted that a report on this service will be brought to Social Services Scrutiny Committee in March 2020.

Members discussed the potential underspend of £507k against this revised budget, and a Member queried the underspend in the context of the overall budget. Officers explained that as in previous years, the underspends at this stage are as a result of the winter pressures to come. Members noted that over the coming week's hospitals and home care services will see an increase in demand from service users due to winter pressures and hospital discharge.

A Member sought further information on the reasons for the large drop-off in demand for residential care, which demonstrates a potential underspend of £597k for all adult residential and nursing care provision. Officers explained that this was largely down to the successes of keeping people at home and supporting them to remain in their own homes. Members were asked to note however that this can have an impact on nursing services, as more and more patients have greater needs, but remain at home.

Following consideration and discussion, it was moved and seconded that the recommendations in the report be approved. By a show of hands this was unanimously agreed.

RESOLVED that for the reasons contained in the Officer's report:

- (i) the projected underspend of £457k against the Social Services budget for 2019/20, inclusive of transport costs, be noted;
- (ii) the progress made to date towards delivering the £2.261million savings target that was included in the Social Services budget for 2019/20, be noted.

7. WALES AUDIT OFFICE REVIEW OF THE COUNCIL'S CORPORATE SAFEGUARDING ARRANGEMENTS

The report, which was presented by Ms N. Jenkins (Wales Audit Office), advised the Scrutiny Committee of the Wales Audit Office (WAO) Review of Corporate Safeguarding Arrangements within Caerphilly County Borough Council undertaken in May 2019 and the implementation of an action plan in response to the recommendations made by the Review.

The Committee noted that the WAO undertook a follow up review of Corporate Safeguarding Arrangements for Children in Caerphilly in May 2019. The subsequent report was presented to Corporate Management Team for approval in June 2019 and the Performance Audit Manager from WAO also presented the report findings to the Corporate Safeguarding Board in June 2019.

The Review report, as attached at Appendix 1 of the report concluded that; although the Council has made some progress in addressing previous recommendations, the Council needs to further strengthen its corporate safeguarding oversight and assurance arrangements.

Members noted that in response, the Council was required to complete a Management Response and which was appended to the report (Appendix 2) and refers to the strategic recommendations made in the Review. The Corporate Safeguarding Board has developed an action plan to address both the strategic recommendations made and the areas of good practice for consideration identified in the Review and this was also appended to the report (Appendix 3). The WAO Auditor acknowledged that there were many positive developments in place and planned to address the areas for improvement but because some of them were yet to be fully realised, their conclusion was that further work is needed to strengthen corporate governance and oversight.

It was important to note that this was a review of the corporate governance of safeguarding arrangements and did not consider safeguarding children practice and procedure.

Scrutiny were asked to note that the report was considered and approved by Cabinet on 18th September 2019.

Members were referred to Exhibit 1 within the report, which detailed the national recommendations that the Council had not fully met and Exhibit 2, which sets out the assessment of the Council's progress in addressing the national recommendations and local proposals for improvement.

The Scrutiny Committee thanked the WAO Officer for the report and discussion ensued.

The Chair of the Committee assured Officers that the Social Services Scrutiny Committee will ensure that actions and recommendations as outlined in the report are closely monitored to ensure that the role of Scrutiny is fulfilled.

In discussing the Corporate Safeguarding Board, it was noted that the Chair of the Social Services Scrutiny is a Member and in discussing the role of Scrutiny Committee, it was agreed that the Chair meet with the relevant Directors in order to determine the parameters and role of Scrutiny moving forward. In addition, the Cabinet Member added that the Safeguarding Group will write to Group Leaders to seek additional members from outside of the group to monitor the action plan.

A Member queried whether peer group audits could assist with the monitoring process. Officers explained that currently there is best practice sharing underway with colleagues in neighbouring authorities, which contributes to a regional footprint.

Following consideration and discussion, it was moved and seconded that subject to an additional recommendation (ii), the recommendations in the report be approved. By a show of hands this was unanimously agreed.

RESOLVED that for the reasons contained therein,

- (i) the content of the WAO Review report and the progress made in implementing the recommendations detailed in the Council's Action Plan, be noted;
- (ii) Scrutiny to consider with the Directorate, the development of a reporting regime and the areas to be reported upon.

8. WELSH GOVERNMENT – LOOKED AFTER CHILDREN REDUCTION EXPECTATIONS

Councillor C. Bezzina declared a personal interest in this item as she has adopted a Looked After Child.

The report advised the Scrutiny Committee of Welsh Government's expectation on all Council's in Wales to safely reduce the numbers of children Looked After and seek support for the proposed actions to be undertaken in Caerphilly in response.

The First Minister for Wales made a manifesto pledge to reduce the numbers of children Looked After in Wales by 2022.

In February 2019, Welsh Government advised that they would be visiting each Local Authority to discuss local plans to reduce Looked After numbers. Members were advised that their visit to Caerphilly took place at the end of March 2019 and the Council was invited to submit a reduction plan to Welsh Government by the end of April 2019. Subsequently, Welsh

Government amended the report template and the final version that was submitted in July was attached for information at Appendix 1 of the report.

It was noted that in recognition of the challenges facing Local Authorities, Welsh Government announced additional Integrated Care Funding (ICF) specifically focussed on the reduction of the number of Looked After Children. The report included details of how this funding will be utilised within Caerphilly.

Social Services Scrutiny Committee were asked to note that the content of the report was presented to Cabinet on 18th September 2019 and was approved. In addition, Cabinet agreed that the 'Safe reduction of Children Looked After' would be included within Wellbeing Objective 6 of the Corporate Plan: *Support citizens to remain independent and improve their wellbeing*, when the Plan is reviewed next.

The Scrutiny Committee thanked the Officer for the report and discussion ensued.

Members raised concerns around the terminology within the report and it was suggested that possible discussions could be undertaken with the Minister with an emphasis on "Early Intervention".

A Member, in noting the table in Appendix 1, expressed concerns at the lack of suitable residential accommodation across Wales, and the majority of Looked After Children are placed with families. Officers explained that no child will be refused the relevant support they require, even if this means that the child will be placed out of County, however this is determined on a case by case basis and dependent on the needs of the individual child. In addition, Members were assured that the standard of residential care in Caerphilly is very good.

The Scrutiny Committee were asked to note the successful integrated Care Funding Grant, which aims to support regional proposals to reduce the Looked After number and working in partnership with the Aneurin Bevan Health Board and 4 other Gwent Local Authorities, ICF grant funding has been secured to develop a regional service model approach consisting of key strands: Family Group Meetings; Special Guardianship Supports; Enhanced 'Edge of Care Services; and Mediation Services for children facing homelessness.

A Member sought assurance that staff within residential care are appropriately trained in safeguarding and ensure that parameters are in place. Officers assured the Committee that the appropriate measures are in place to safeguard residents. Members were also asked to note the CIW regularly monitor all systems and processes to ensure Care Standards are being met.

Following consideration and discussion, it was moved and seconded that the recommendation in the report be approved. By a show of hands this was unanimously agreed.

RESOLVED that for the reasons contained in the Officer's Report:

- (i) the content of this report and the Welsh Government Template attached at Appendix 1, be noted;
- (ii) the service developments detailed within this report aimed at achieving an overall reduction in Looked After numbers, be supported;
- (iii) Cabinet's decision to include the 'safe reduction of children looked after' under Wellbeing Objective 6 of the Corporate Plan be noted when that Plan is reviewed next.

9. ANNUAL REPORT OF THE DIRECTOR OF SOCIAL SERVICES 2018/19

The report provided the Social Services Scrutiny Committee with the key messages that have been identified in the preparation of the Annual Report of the Director of Social Services for 2018/19 and sought the views of the committee on the report prior to the presentation of the report to Council on the 19th November 2019.

It was noted that Part 8 of the Social Services & Wellbeing (Wales) Act 2014 (SSWBA) requires Directors of Social Services in Wales to publish an annual report about the exercise of the local authority's social services functions. The report, which was appended at Appendix 1 was written in a format that is compliant with the requirements of the SSWBA.

The Scrutiny Committee were referred to the partnership agenda, which is increasingly significant for Social Services Departments in Wales. The Regional Partners Boards are increasingly becoming the "vehicles of choice" for Welsh Government in implementing policy changes and as recipients of grant funding to assist partners to implement these changes. It was noted however that this regional work is becoming increasingly intensive, time consuming and poses challenges on engagement with elected members prior to implementation of new service delivery models. It was noted that a report on the work of the Regional Partnership Board in Gwent and how it impacts on our work in Caerphilly is scheduled for a future meeting of Scrutiny.

The Scrutiny Committee thanked the Director for his report and discussion ensued.

In noting the performance measures, a Member queried the care leavers measures and the reduction in the reported data and the reasons for this. Officers explained that these refer to very small numbers of children and Members were assured that 100% of care leavers are still receiving support or contact from Social Services until they are aged 24. Further queries were raised around the percentage of assessments completed for children within statutory timescales and the reasons for the 5% reduction. Officers explained that this is subject to additional validation.

Discussions took place around budget allocations and it was noted that there are some areas which are proving to be financially challenging in terms of ensuring that there are sufficient budget allocations to meet needs, such as Domiciliary Care. Officers explained that cuts have been made in other areas to boost deficit but due to the increasing ageing population, there are additional pressure on services, however, health and wellbeing remains the main concern and priority.

Following consideration and discussion, it was moved and seconded that the recommendation in the report be approved. By a show of hands this was unanimously agreed.

RESOLVED that the contents of the Annual Director's Report for 2018-19 be noted, prior to its submission to Council on 19th November 2019, for its adoption.

The meeting closed at 7.05pm

Approved as a correct record, subject to any amendments agreed and recorded in the minutes of the meeting held on 3rd December 2019.

CABINET – 13TH NOVEMBER 2019

SUBJECT: DRAFT BUDGET PROPOSALS FOR 2020/21

REPORT BY: DIRECTOR OF EDUCATION & CORPORATE SERVICES

1. PURPOSE OF REPORT

- 1.1 To present Cabinet with details of draft budget proposals for the 2020/21 financial year to allow for a period of consultation prior to a final decision by Council on the 20th February 2020.

2. SUMMARY

- 2.1 The report provides details of draft budget proposals based on a range of assumptions in the absence of details of the Welsh Government (WG) Provisional Local Government Financial Settlement for 2020/21.
- 2.2 The report also provides details of draft savings proposals, along with a proposed increase of 6.95% in council tax to enable the Authority to set a balanced budget for the 2020/21 financial year.

3. RECOMMENDATIONS

- 3.1 Cabinet is asked to: -
- 3.1.1 Endorse the draft 2020/21 budget proposals including the proposed savings totalling £8.485m (inclusive of the proposed use of £800k of Social Services service reserves).
- 3.1.2 Support the proposal to increase Council Tax by 6.95% for the 2020/21 financial year to ensure that a balanced budget is achieved (Council Tax Band D being set at £1,209.83).
- 3.1.3 Agree that the draft budget proposals should now be subject to consultation prior to final 2020/21 budget proposals being presented to Cabinet and Council in February 2020.

4. REASONS FOR THE RECOMMENDATIONS

- 4.1 Council is required annually to approve proposals to set a balanced budget and agree a Council Tax rate.
- 4.2 Council is required to put in place a sound and prudent financial framework to support service delivery.

5. THE REPORT

5.1 Welsh Government (WG) Provisional Local Government Financial Settlement for 2020/21

- 5.1.1 The Local Government Financial Settlement received from WG on an annual basis is referred to as Aggregate External Finance (AEF). This consists of a Revenue Support Grant (RSG) and Redistributed Non-Domestic Rates (business rates). Details of the Provisional Local Government Financial Settlement are normally announced by WG in early October each year. However, due to a combination of the continuing uncertainty around Brexit along with the delay in undertaking the UK Government spending review; the announcement of the Provisional Local Government Financial Settlement for 2020/21 is not expected until the 26th November 2019.
- 5.1.2 To ensure that sufficient time is allocated to consult on the Council's draft budget proposals for 2020/21 Cabinet will need to endorse the draft budget and associated savings proposals in advance of the announcement of the Provisional Local Government Financial Settlement.
- 5.1.3 The draft budget proposals in this report use a start point based on the Medium-Term Financial Plan (MTFP) presented to Council on the 21st February 2019. This showed a projected 2020/21 savings requirement of £15.658m based on information available at that time.
- 5.1.4 The projected position for 2020/21 has since been reviewed based on updated information and a revised set of assumptions. This results in an updated projected savings requirement of £8.485m as shown in Appendix 1, which is a reduction of £7.173m on the position reported in February 2019. Details of the changes and revised assumptions are provided in subsequent sections of this report.

5.2 2020/21 Draft Budget Proposals

- 5.2.1 The proposals contained within this report will deliver a balanced budget for 2020/21 on the basis that Council Tax is increased by 6.95%. Table 1 provides a summary: -

Table 1 – Summary

Paragraph	Description	£m	£m
5.2.2	Aggregate External Finance (cash flat)	-	-
5.2.3	Assumed full-year funding for Teachers Pensions		4.173
5.2.4 – 5.2.11	Schools cost pressures	5.648	
5.2.14 – 5.2.19	General Fund Services inflationary cost pressures	5.315	
5.2.20 – 5.2.26	General Fund inescapable service pressures	3.446	
5.2.27	Reinstatement of 2019/20 temporary savings	3.272	
5.3.1 – 5.3.2	Draft savings proposals 2020/21		8.485
5.4.1 – 5.4.2	Council Tax uplift (6.95%)		5.023
	TOTAL: -	17.681	17.681

- 5.2.2 As already mentioned, details of the Provisional Local Government Financial Settlement for 2020/21 will not be announced by WG until the 26th November 2019. The MTFP presented to Council in February 2019 assumed a 0.5% reduction in the Financial Settlement for 2020/21, which would have resulted in a reduction in funding of £1.343m. This has been reviewed based on the latest information available and a cash flat position is now assumed for 2020/21.
- 5.2.3 For the 2019/20 financial year there was a significant new cost pressure for Local Government in relation to increases in employer contributions to the Teachers' Pension Scheme from September 2019. There was no funding included in the Final Local Government

Financial Settlement for 2019/20 to meet this additional cost, albeit that the part-year impact has subsequently been funded through an in-year grant from WG. It is currently assumed that the full-year impact of the increase in employer contributions to the Teachers' Pension Scheme will be fully funded by WG in 2020/21 and for subsequent financial years.

5.2.4 The Schools cost pressures totalling £5.648m are set out in Table 2 below -

Table 2 – Schools Cost Pressures

	£m
Teachers Pay at 2.75%	2.064
Living Wage	0.016
Teachers Employer's Pension Contributions at 7.12%	2.288
APT&C Pay at 2%	0.261
APT&C Employer's Pension Contributions at 1%	0.133
Non-Pay Inflation at 1.7%	0.337
Schools Service Pressures	0.505
Trinity Fields Transport Costs (Demographic Growth)	0.044
TOTAL: -	5.648

5.2.5 **Teachers Pay at 2.75%** - Teachers pay has increased across the majority of the scale ranges by 2.75% with effect from September 2019. It is anticipated that a one-off grant will be made available by WG to assist with the part-year additional cost of the pay award for the 2019/20 financial year. However, there is currently no confirmation in respect of funding from 2020/21 onwards. For financial planning purposes it is currently assumed that there will be a further 2% uplift in teachers pay from September 2020.

5.2.6 **Foundation Living Wage** – Caerphilly CBC is a Living Wage Foundation employer so a sum is included in the draft budget proposals in respect of relevant school staff to allow for annual increases in the Foundation Living Wage hourly rate.

5.2.7 **Teachers Employer's Pension Contributions** – As already mentioned in paragraph 5.2.3, there is a significant new cost pressure for schools in relation to increases in employer contributions to the Teachers' Pension Scheme from September 2019. There will be an additional cost pressure of £2.288m in 2020/21 to meet the full-year impact of the increase in employer contributions.

5.2.8 **APT&C Pay at 2%** - A pay award of 2% is assumed for schools based APT&C staff from April 2020. This is not confirmed and is subject to ongoing negotiation.

5.2.9 **Non-pay inflation at 1.7%** - This is based on the current Consumer Prices Index (CPI) inflation rate. This will be kept under review during the coming months prior to final 2020/21 budget proposals being presented to Cabinet and Council in February 2020.

5.2.10 **Schools Service Pressures** – This includes the following: -

- Funding formula revisions;
- Floor area and National Non-Domestic Rates (NNDR) changes;
- Demographic growth linked to Trinity Fields pupil numbers;
- Additional costs linked to Free School Meals in respect of social needs funding and secondary school costs.

5.2.11 **Trinity Fields Transport Costs** – This is directly related to an increase in pupil numbers and costs can also vary based on pupil needs.

5.2.12 Cabinet should note that the draft budget proposals include a proposed reduction of 2% in the budgets that are delegated to schools. This totals £2.112m and consists of a reduction in the

Individual Schools Budget (£2.060m), a reduction of £30k in the Former Key Stage 2 Grant and a reduction of £22k in the Secondary Additional Funding budget. This means that the net growth for schools in 2020/21 would be £3.536m i.e. £5.648m in Table 2 above, less the proposed savings of £2.112m.

- 5.2.13 The remaining savings requirement for 2020/21 of £6.373m (i.e. total savings of £8.485m less £2.112m allocated to schools) will be applied to General Fund budgets. This results in a net savings requirement of 2.7% for all other services which does provide some relative protection to schools.
- 5.2.14 The General Fund Services inflationary cost pressures totalling £5.315m are set out in Table 3 below: -

Table 3 – General Fund Services Inflationary Cost Pressures

	£m
Pay at 2% (APT&C staff)	2.467
Living Wage (APT&C staff)	0.049
Employer pension contributions at 1% (APT&C staff).	0.894
Non-pay inflation at 1.7%	2.169
Non-pay inflation (Fees and Charges) at 1.7%	(0.264)
TOTAL: -	5.315

- 5.2.15 **Pay at 2% (APT&C) staff** - A pay award of 2% is assumed for non-schools based APT&C staff from April 2020. This is not confirmed and is subject to ongoing negotiation.
- 5.2.16 **Foundation Living Wage** – Caerphilly CBC is a Living Wage Foundation employer so a sum is included in the draft budget proposals in respect of APT&C staff to allow for annual increases in the Foundation Living Wage hourly rate.
- 5.2.17 **Employer pension contributions (APT&C staff)** – The Greater Gwent (Torfaen) Pension Fund is subject to an independent triennial valuation of its assets and liabilities. The results of the latest valuation are expected to be available in January 2020 and these will stipulate whether an increase is required in employer contributions. Whilst confirmation of these results is awaited, an increase in the contribution rate of 1% is assumed for 2020/21 in line with the previous three financial years.
- 5.2.18 **Non-pay inflation at 1.7%** - This is in line with the current Consumer Prices Index (CPI) inflation rate.
- 5.2.19 **Non-pay inflation (Fees and Charges) at 1.7%** - A generic increase of 1.7% is assumed for Fees and Charges. Increases in excess of this are proposed in some areas and details of these are provided in Appendix 2.
- 5.2.20 It is incumbent upon the Council to set a realistic budget each year. Table 4 provides details of the 2020/21 General Fund inescapable service pressures that have been identified and require consideration in respect of funding: -

Table 4 – General Fund Inescapable Service Pressures

	£m
Council Tax Reduction Scheme (CTRS) additional liability	1.025
Dry Recycling	0.000
Social Services cost pressures	0.800
Education & Lifelong Learning cost pressures	0.726
City Deal (Partnership revenue contribution)	0.002
City Deal (debt charges)	0.044
Private Finance Initiative (PFI) Review	0.849
TOTAL: -	3.446

5.2.21 **CTRS Additional Liability** – The Authority is required to fund a Council Tax Reduction Scheme (CTRS). This replaced Council Tax Benefit a few years ago and is a means-tested benefit that assists in full or part towards a resident’s Council Tax bills. The additional liability arises from the proposal to increase Council Tax by 6.95% in 2020/21.

5.2.22 **Dry Recycling** – The approved budget for 2019/20 included growth of £400k in respect of increased costs associated with contracts to recycle dry tonnage. In addition to this further growth of £400k was anticipated for 2020/21, and this was included in the MTFP presented to Council in February 2019. Savings in the current financial year on disposal and treatment costs (due to reduced tonnages following the introduction of proof of residency checks at Household Waste Recycling Centres (HWRCs)), means that the service is now projecting a balanced budget at current market prices. As a consequence, the planned growth of £400k is no longer required for 2020/21.

5.2.23 **Social Services cost pressures** – The MTFP presented to Council in February 2019 included further anticipated Social Services growth of £1.5m for 2020/21. Based on current information the projected 2020/21 growth requirement is now £800k. For 2020/21 only it is proposed that this anticipated growth requirement will be met through a one-off contribution of £800k from Social Services reserves. This is proposed on the basis that there are a number of initiatives currently underway that will reduce costs in the medium to long-term and therefore mitigate the current cost pressures in the system. These initiatives include the following: -

- Ty Isaf is expected to be fully operational from the summer of 2020 providing four placements, which will be offered to children placed out of area in the first instance.
- Integrated Care Fund (ICF) capital has been confirmed for 2019/20 to purchase another house to convert into a residential children’s home, which will also offer four beds at some point during 2020/21.
- The Multi-disciplinary Intervention Support Team (MyST) is currently working with eight children in residential care with a view to stepping down to foster care or returning to their families.
- A Specialist Health Visitor is being employed to support teams with pre-birth assessments to reduce the numbers of babies being removed and placed in care at birth.
- Using ICF funding, the Intensive Support Team is expanding to include a full-time Child Psychologist, an Education Worker and a Community Connector with the aim of supporting children to remain within their families.
- There is an ongoing recruitment drive for in-house foster carers, which is reducing the reliance on more expensive independent fostering agency placements.

5.2.24 **Education and Lifelong Learning cost pressures** – There are a range of cost pressures within this service area. The most significant relate to further demands for our most vulnerable

learners, in particular in relation to Education Other Than At School (EOTAS) provision (£800k growth was allocated to this service area for 2019/20), and anticipated additional costs associated with preparing for and implementing Additional Learning Needs (ALN) reform. Work is underway to review the service model for EOTAS provision and the full financial implications of ALN reform still need to be finalised. With this in mind, it is proposed that the anticipated growth requirement of £726k for 2020/21 will be held centrally in the first instance and released to respective service areas once the specific funding requirement has been determined and evidenced.

5.2.25 **City Deal partnership revenue contribution and City Deal Debt Charges** – There is a small increase of £2k required for 2020/21 in respect of the revenue contribution for the City Deal Partnership. The City Deal includes a borrowing requirement of £120m for the ten partner Local Authorities and an additional £44k is required for 2020/21 to meet the current anticipated cost for Caerphilly CBC’s share of potential borrowing that may be undertaken during the year.

5.2.26 **Private Finance Initiative (PFI) review** – A review of the Council’s schools PFI contracts is currently being undertaken. These contracts relate to Fleur de Lys (Ysgol Gyfun Cwm Rhymni) and Pengam (Lewis School) Secondary Schools. To assist with this review the services of a company called Local Partnerships have been commissioned. This organisation has a proven track record in relation to supporting public sector bodies through reviews of operational PFI contracts and was recommended by WG Officers. To date the review has focussed on contract management arrangements, benchmarking and affordability and will now progress to reviewing options for the future. It is currently anticipated that an options appraisal will be presented to Cabinet in spring 2020. In the meantime, there is an estimated growth requirement of £849k that will need to be recognised in the draft budget proposals for 2020/21, pending the outcome of the review and agreement on the way forward for these contracts.

5.2.27 The Final 2019/20 Budget Proposals approved by Council on the 21st February 2019 included temporary savings totalling £3.272m. In determining the budget proposals for 2020/21 the budgets for these temporary savings were reinstated, albeit that some have now been proposed as savings for 2020/21.

5.3 2020/21 Draft Savings Proposals

5.3.1 Draft savings proposals have been identified for the 2020/21 financial year totalling £8.485m. Details of the proposed savings are provided in Appendix 2 and are summarised into “themes” in Table 5 below: -

Table 5 – Draft Savings Proposals 2020/21

Description	2020/21 Proposed Savings £m
Being more efficient	1.195
Doing things differently	1.328
Services reductions/cuts	3.703

• Efficiency savings through process reviews and automation	0.200
• Review of investment strategy	0.718
Temporary reduction in debt charges budget	0.500
2019/20 savings in advance	0.475
TOTAL: -	8.485

5.3.2 The proposed savings totalling £8.485m along with the proposed Council Tax increase of 6.95% will provide a balanced budget position for 2020/21.

5.4 Council Tax Implications 2020/21

5.4.1 The draft budget proposals within this report include a proposed increase of 6.95% in Council Tax for the 2020/21 financial year. This will increase the Caerphilly CBC Band D precept from £1,131.21 to £1,209.83 i.e. an annual increase of £78.62 or weekly increase of £1.51.

5.4.2 The proposed increase of 6.95% for 2020/21 will result in the following totals for the Caerphilly CBC element of the Council Tax (the Police & Crime Commissioner and Town/Community Council precepts would be added to these totals when confirmed at a later date): -

Table 5 – 2020/21 Council Tax (CCBC Element) at 6.95% Increase

I	2,822.93	3.53

5.5 Financial Outlook for Future Years

5.5.1 Due to the ongoing programme of austerity and increasing demand for a number of services, the financial position for Local Government has been very challenging in recent years. During the period 2008/09 to 2019/20 Caerphilly CBC has already delivered savings of £103m to address reductions in funding and inescapable cost pressures. In addition to this, further savings of £8.5m are proposed in this report for the 2020/21 financial year.

5.5.2 The Medium-Term Financial Plan (MTFP) presented to Council in February 2019 showed a potential savings requirement of £44m for the four-year period 2020/21 to 2023/24. At that time there was no indicative allocation provided by WG for 2020/21 or subsequent years so a reduction of 0.5% per annum was assumed for planning purposes. As already mentioned the Provisional Local Government Financial Settlement for 2020/21 will not be announced until 26th November 2019 and based on the latest information available, a cash flat position is currently assumed for 2020/21 (albeit that additional funding is anticipated for increased costs in respect of Teachers' Pensions).

5.5.3 There is considerable uncertainty surrounding the funding position moving forward due to a combination of Brexit and the forthcoming General Election. The UK Government has undertaken a spending review for 2020/21 only at this stage, so there is no indication of likely funding levels in the medium to long-term. With this in mind the MTFP has been updated based on information that is currently available and this results in an anticipated savings requirement of £27m for the four-year period 2021/22 to 2024/25. Details of this updated position are provided in Appendix 3 and the following is a summary of the key assumptions: -

- A cash flat position year-on-year in respect of WG funding.
- An increase of 4.52% per annum for Council Tax.
- 2% per annum for pay inflation.
- 1% per annum for APT&C employer pension contributions.

- 1.7% per annum for non-pay inflation.
- A total of £1.2m over the four-year period for schools service pressures.
- £750k per annum for anticipated increased demand for Social Services.

5.5.4 The Council has strived to limit the impact of savings on front-line services. However, due to the scale of the ongoing financial challenge this is becoming increasingly difficult and in recent years savings have been required in a number of areas that have impacted on the public.

5.5.5 In looking to develop proposals to address the significant financial challenges going forward it is widely accepted that the Council cannot continue as it is. There is a need to examine the way in which we use our resources to deliver services required by our communities across the county borough.

5.5.6 At its meeting on 12th June 2019, Cabinet approved the Future Caerphilly Transformation Strategy, which is being launched as **#TeamCaerphilly – Better Together**. This Strategy sets out details of a major transformation programme to examine how services are prioritised, how they can become more business efficient, to explore opportunities for greater customer focus and digital delivery, and to consider alternative delivery models and seek out commercial opportunities. Furthermore, to enable the Council to continue providing high quality value for money services in an environment that will require new approaches and new skills, a new relationship will need to be built with staff and communities.

5.5.7 The Strategy is multi-faceted and at the core of this programme of change is the new mantra of *Social Heart and Commercial Head*. This recognises a commitment to public service and the needs of citizens, but also demonstrates a commitment to explore commercial and investment opportunities, where appropriate, to generate income that can be reinvested in services to help them remain resilient in the current challenging financial climate. The strategic programme of “whole-authority” work is being delivered through the following key themes, which underpin the new operating model of the Council: -

5.5.8 Underpinning this new model of delivery will be an integrated programme of social, economic and environmental regeneration projects that will begin to reshape the county borough. These are: -

- The completion of a £261m physical improvement programme to our housing stock by 2020, through the delivery of the Welsh Housing Quality Standard (WHQS). Using Phase 2 of the emergent WHQS programme we will continue to invest in our existing housing

stock to provide high quality, energy efficient, affordable homes for life. This will be further enhanced with an exciting and innovative new build programme.

- Implementing the Shared Ambitions Strategy to raise standards and ensure our learners are healthy, confident, proud and ambitious and can benefit from high quality educational opportunities, settings and experiences.
- The commencement of the second phase of the 21st Century Schools programme, providing £110m of new educational facilities.
- Delivering the Council's emerging Digital Strategy by opening the 'Digital Front Door' and introducing a wide ranging digital transformation programme that transforms every aspect of service delivery.
- The provision of a new Children's Centre, which will be a "state of the art" centre of excellence providing respite care and therapeutic services for our vulnerable children and their families.
- Continuing the delivery of the Sports and Active Recreation Strategy, providing a sustainable approach to leisure and physical activity provision.
- The introduction of an integrated "one-stop shop" public service offer located within the heart of our communities, through the provision of strategically located integrated hubs, enhancing our engagement and service offer to the public.
- An exciting programme of economic, social and environmental investments to enable inclusive growth and opportunity across the county borough, that aligns and positions us firmly with the City Region's economic ambitions. This will also include maximising our green energy credentials through effective and innovative use of our assets.
- Making best use of our financial resources through a managed "risk-based" investment approach to enable delivery of the programme.

5.5.9 Through this cohesive, whole-authority programme we are aiming: -

- To have strong working relationships with our communities and partners to maximise the use of our collective resources to ensure a resilient county borough for the future.
- To embed a new operating model that will encourage innovative approaches to service delivery and ensure that we are making the best use of our resources.
- To help close the gap between poverty and prosperity through improving educational attainment and stimulating the local economy to create high quality jobs.
- To make Caerphilly County Borough a better place to live, work and visit.

5.5.10 Whilst the **#TeamCaerphilly – Better Together** strategy has been approved, much work remains in order to engage each and every member of staff and all Elected Members. As such, staff engagement sessions and a Members' Seminar have been scheduled over the forthcoming months. It is important to understand that the strategy provides the framework for a whole organisation cultural shift that resets our relationship with our citizens and staff, which in turn will re-shape our county borough. However, this can only happen if everyone unites and is bound by the shared purpose and vision of **#TeamCaerphilly – Better Together**.

Conclusion

- 5.5.11 This report provides details of the Draft Budget Proposals for 2020/21 based on information currently available and a broad set of assumptions.
- 5.5.12 The draft budget proposals, including the proposed savings of £8.485m, will be subject to a period of consultation prior to a final decision by Council on the 20th February 2020.
- 5.5.13 The report also provides details of the updated Medium-Term Financial Plan (MTFP), which indicates that further savings of circa £27m are anticipated for the four-year period 2021/22 to 2024/25.

6. ASSUMPTIONS

- 6.1 The draft budget proposals as set out in this report assume a cash flat position in terms of WG Aggregate External Finance (AEF) for the 2020/21 financial year. Details of the Provisional Financial Settlement will not be announced by WG until 26th November 2019.
- 6.2 It is currently assumed that additional funding of £4.173m will be provided by WG to meet the full-year cost of increases in employer contributions to the Teachers' Pension Scheme.
- 6.3 A range of other assumptions have been made throughout the report in respect of pay and non-pay inflationary increases and inescapable service pressures moving forward.

7. LINKS TO RELEVANT COUNCIL POLICIES

- 7.1 The budget setting process encompasses all the resources used by the Council to deliver services and meet priorities.
- 7.2 Effective financial planning and the setting of a balanced budget support the following Well-being Goals within the Well-being of Future Generations Act (Wales) 2015: -
- A prosperous Wales.
 - A resilient Wales.
 - A healthier Wales.
 - A more equal Wales.
 - A Wales of cohesive communities.
 - A Wales of vibrant culture and thriving Welsh Language.
 - A globally responsible Wales.

8. WELL-BEING OF FUTURE GENERATIONS

- 8.1 Effective financial planning is a key element in ensuring that the Well-being Goals within the Well-being of Future Generations Act (Wales) 2015 are met.

9. EQUALITIES IMPLICATIONS

- 9.1 Equalities Impact Screenings have been undertaken for all of the draft 2020/21 savings proposals and Equalities Impact Assessments (EIA's) will be completed where they are required. This is to ensure that decisions that affect different individuals and groups with protected characteristics are assessed at an appropriate and relevant level and at the correct stage in the process. Completed EIA's will be available on the Council's website.
- 9.2 Consultation with residents, when done in accordance with the Council's Communications &

Engagement Strategy and the Equalities Consultation and Monitoring Guidance, also ensures that every resident, regardless of circumstances, has the opportunity to have their views heard and considered in the Council's decision-making process.

10. FINANCIAL IMPLICATIONS

10.1 As detailed throughout the report.

11. PERSONNEL IMPLICATIONS

11.1 Where staff reductions are required as a consequence of savings proposals the Council will firstly try to achieve this through 'natural wastage' and not filling vacancies. However, where this is not possible the Council will utilise agreed HR policies and compulsory redundancies will only be considered when all other options have been fully exhausted.

11.2 The Trade Unions will be fully consulted on the 2020/21 draft budget proposals.

B) DOING THINGS DIFFERENTLY				
Education & Lifelong Learning: -				
B01	Library Service - Deletion of 2 Community Librarian posts (Grade 8).	80	6 Community Librarians reduced to 4, with each taking a share of the sites (currently split 6 ways). Not anticipated that compulsory redundancies will be required as alternative roles within a two grade level will become available following recent expressions of interest by staff.	Minor

Social Services & Housing: -				
B03	Social Services - Temporary use of reserves to underpin alternative ways of working.	800	Based on current information the projected 2020/21 growth requirement for Social Services is £800k. For 2020/21 only it is proposed that this anticipated growth requirement will be met through a one-off contribution of £800k from Social Services reserves. This is proposed on the basis that there are a number of initiatives currently underway that will reduce costs in the medium to long-term and therefore mitigate the current cost pressures in the system.	Nil
Communities: -				
B04	Infrastructure - Reduction in Street Lighting maintenance budget.	40	Reducing maintenance costs by undertaking a reactive response to outages rather than a proactive replacement strategy. Further savings will also be achieved from the ongoing rollout of new LED Lighting.	Minor

B08	Community & Leisure Services - Closure of Trehir Household Waste Recycling Centre (HWRC).	15	There are Health & Safety issues that will need to be addressed if a service is maintained at the Trehir site. The proposed closure of Trehir is underpinned by a proposed expansion of Penallta HWRC into the vacated adjacent Parks Depot (see above). There is a part-year saving of £15k in 2020/21 (full-year £30k) to allow the necessary works to take place. A capital allocation will be required to fund the expansion of Penallta HWRC. The proposed expansion at Penallta also includes the provision of a recycling shop.	Moderate
B09	Public Protection - Merge Community Safety Wardens with the Environmental Health General Enforcement Team.	160	3 of 6 CSW posts are on fixed-term contracts to 31/3/2020 and 1 is vacant. Proposal is to delete 4 CSW posts and incorporate the remaining 2 into the General Enforcement Team in Environmental Health to provide a streamlined service.	Significant

Currently we fund circa £60k of works per annum that are not our responsibility. Assumes transition over 3 years.	Minor

C) SERVICE REDUCTIONS/CUTS				
Education & Lifelong Learning: -				

C01	2% reduction in Individual Schools Budget.	2,060	The Individual Schools Budgets (ISB) of £103m equates to circa 30% of the Authority's total net budget. We are currently working with schools to monitor the potential impact of a 2% reduction and early projections indicate that posts will need to be reduced in circa 20 to 25 Schools.	Moderate
C02	2% reduction in Former Key Stage 2 Grant	30	Budget in 2019/20 is £1.5m. Impact across Primary Foundation Phase.	Minor
C03	2% reduction in Secondary Additional Funding	22	Budget in 2019/20 is £1.08m. Impact across Secondary Schools.	Minor
C04	Youth Service - Reduction in top-up to grant funded projects.	15	Funds sessional staff hours, vehicle and venue hire and other youth work delivery costs. Supports engagement in a timely manner with approximately 45 of the most vulnerable young people. Budget reduction may result in greater demand on other teams within the Youth Service.	Moderate

Social Services & Housing: -				
C06	Housing - Withdrawal of General Fund Housing contribution to Community Environmental Warden Service.	45	Review of the service to achieve efficiencies in conjunction with Refuse and Cleansing.	Moderate
Communities: -				
C07	Business Support & Funding - Reduction in the revenue budget for the Community Enterprise Fund.	50	The revenue budget for grants previously administered by the Business Support & Funding Team has reduced from £232k (Community Regeneration Fund) and £62k (Business Development Grants) in 2015/16 to a combined revenue budget for the new Caerphilly Enterprise Fund of £101k. It is proposed that this be reduced by a further £50k in 2020/21. It should be noted that there is a separate capital allocation for the Fund of £149k that will be retained.	Minor
C08	Urban Renewal - Reduction in Town Centre/Community Projects budget.	8	The total budget is £41k and it is used to deliver small capital improvements in our town and village centres, mainly concentrating on the public realm.	Minor
C09	Community Regeneration - Reduction in Community Projects budget.	35	Due to the reduction of Community Regeneration Co-ordinator posts and the phasing out of the Communities First Programme, a number of community partnerships have ceased across the borough. This budget helped support the partnerships with annual running costs including liability insurance for events, marketing, administration fees etc.	Minor
C10	Infrastructure - Withdraw the School Crossing Patrol sites that no longer meet the national standards criteria.	158	The provision of School Crossing Patrols is a non-statutory service. There are currently 55 sites and this proposal will reduce this to 22. 17 of the existing sites already have vacancies.	Moderate
C11	Infrastructure - Blackwood to Ystrad Link - Withdrawal of subsidy.	80	Termination of the Blackwood to Ystrad Mynach Raillinc contract as this has the highest subsidy per passenger. Requires a minimum of 12 weeks notice to be served on the contract. An alternative service is available albeit that this is less frequent.	Moderate
C12	Infrastructure - Reduction in Carriageway maintenance budget.	514	The reduction in the resurfacing budget will increase demand and resources on the reactive maintenance budget (pot holes) and will put pressure on the Infrastructure Division's statutory duty to maintain the Highway in a safe condition to road users. However, in recent years one-off grants have been made available by the Welsh Government and internal capital resources will be reviewed to establish whether sums can be released to support the programme of works on highways.	Significant
C13	Infrastructure - Reduction in other Highway maintenance budgets.	95	This is an overall reduction of circa 3% in other Highway maintenance budgets covering 3 main areas i.e. structures maintenance (£40k), footway maintenance (£35k) and reactive repairs (£20k).	Moderate
C14	Infrastructure - Reduction in Traffic Management maintenance budget.	10	This is a combination of reduced spend on traffic management (e.g. speed bumps etc.) and the fact that it is hoped Civil Parking Enforcement (CPE) will cover line markings and signage in future.	Moderate
C15	Infrastructure - Reduction in Risca Canal budget.	40	This is a 42% reduction in the revenue budget but the capital budget of circa £200k per annum will be retained.	Moderate
C16	Community & Leisure Services - Reduction in playground maintenance budget.	10	A further 3.6% reduction in this budget which has been cut in successive years. This will reduce the ability to replace play equipment and ultimately could lead to the closure / removal of facilities.	Minor
C17	Community & Leisure Services - 50% Reduction in maintenance of land budget.	16	This was a temporary saving in Countryside in 2019/20 and it is now proposed to make this permanent.	Minor
C18	Community & Leisure Services 50% Reduction in Public Rights of Way budget.	32	This was a temporary saving in 2019/20 and it is now proposed to make this permanent.	Minor
C19	Community & Leisure Services - Reduction in Cemeteries Maintenance budget.	20	A further reduction in this budget which has been cut in successive years. This will reduce the ability to improve or repair cemetery infrastructure.	Minor

C21	Community & Leisure Services - Reduction in Allotment budget	2	Reduction in service area budget to undertake maintenance works.	Nil

C22	Community Centres - Withdrawal of funding for 2 Centres not in CCBC ownership (Rudry and Glan-y-Nant).	13	Removal of subsidy.	Minor
C23	Community Centres - Reduction of 1 hour Caretaker support across all Centres.	18	Removal of a further 1 of 11 hours caretaker subsidy; community centre management committees can choose to fund. Future of ongoing subsidy to be considered as part of a service review of Community Centres.	Minor
C24	Waste Management - Reduction in Cleansing staff numbers (6 posts).	145	A reduction in cleansing staff numbers by 6 posts. Cleansing staff numbers have been reduced in successive years. The proposed reduction in the Housing contribution to the Community Environmental Warden Service will also have an impact on Cleansing. Cleansing schedules will need to be adjusted as part of the wider service review that is currently being undertaken within the Refuse & Cleansing service.	Moderate
C25	Public Protection - Decommission all BT line rental cameras.	24	Decommission all 26 Public Open Space CCTV cameras. 2 cameras in Nelson, 3 in Cefn Forest, 2 in Llanbradach, 2 in Senghenydd, 4 in Abertridwr, 1 in Graig-Y-Rhacca, 1 in Oakdale, 6 at Pengam Train Station, 1 in Trinant and 4 in Crescent Rd Car Park Caerphilly. Need to give BT 3 months notice so assume part year 20/21 saving of 10 months with £5k to follow in 21/22.	Moderate
C26	Corporate Property - Reduction in DDA budget.	30	A reduction of 50% is proposed. There have been significant investments in recent years to ensure DDA compliance and this reduced budget will be sufficient to address any residual issues moving forward.	Nil
C27	Corporate Property - 7% reduction in building maintenance budgets.	106	Whilst Health & Safety and statutory maintenance works will be delivered, some discretionary projects will be subject to delays.	Minor
Corporate Services: -				
C28	Corporate Policy - Reduction in Voluntary Sector budget.	80	This saving will be achieved through a further reduction in the current Service Level Agreement (SLA) funding allocated to three voluntary sector organisations (Citizen's Advice, GAVO and Groundwork). The total remaining budget available to fund the SLAs will be £129k.	Significant
C29	Corporate Policy - Delete remaining Technical Assistance budget.	11	The Technical Assistance budget is currently available to the voluntary and community sector on an application basis to enable obtaining professional and technical reports to support grant applications e.g. surveyors, architects, plans and drawings, CCBC legal fees etc.	Moderate
C30	Corporate Policy - Further reduction in the Well-being budget.	6	The well-being budget has supported work in communities to deliver well-being initiatives that promote local economic, environmental, social and cultural well-being e.g. environmental projects, community clean-up projects, projects that support the 50+ partnership and projects to support pollinators (local bee population). A residual budget of £10k will remain.	Moderate
C31	Corporate Policy - Further reduction in publicity and promotion budgets.	2	Budget realignment.	Nil
Miscellaneous Finance: -				
C32	Miscellaneous Finance - Deletion of Match Funding for Community Schemes budget.	15	This will result in the withdrawal of CCBC's contribution to the Bargoed Ice Rink (£12k) and the Senghenydd Splash Pad (£3k)	Minor
Sub-Total: -		3,703		
D) #TEAMCAERPHILLY - BETTER TOGETHER

Recent investments include the installation of an adventure park aimed at family audiences and 6 new accommodation units that provide a greater yield per pitch compared to the camping pitches they have replaced.	Nil

Proposed increase to £25 for 1-3 items would generate £38k extra income at budgeted levels, but assume £25k for prudent budgeting purposes.	Minor

SOCIAL SERVICES SCRUTINY COMMITTEE – 3RD DECEMBER 2019

SUBJECT: DRAFT SOCIAL SERVICES BUDGET PROPOSALS FOR 2020/21

REPORT BY: CORPORATE DIRECTOR OF SOCIAL SERVICES & HOUSING

1. PURPOSE OF REPORT

- 1.1 To present Scrutiny Committee with the proposed approach to setting the budget for the Directorate of Social Services for 2020/21.

2. SUMMARY

- 2.1 The report provides details of the proposed approach to setting the Social Services budget for 2020/2021. The report will outline a range of assumptions and also reference our investment in preventative services and potential use of service reserves to allow these preventative measures to fully embed.

3. RECOMMENDATIONS

- 3.1 Scrutiny is asked to: -
 - 3.1.1 Note the proposed approach to setting the Social Services budget.
 - 3.1.2 Note the intended emphasis of the range of initiatives to help mitigate current cost pressures.
 - 3.1.3 Endorse the draft 2020/21 budget proposals, inclusive of the potential use of £800k of Social Services service reserves.

4. REASONS FOR THE RECOMMENDATIONS

- 4.1 Council is required annually to approve proposals to set a balanced budget
- 4.2 It is believed that an emphasis on preventative services will alleviate those areas of service experiencing the greatest demand and consequentially reduce the cost pressures.

5. THE REPORT

- 5.1 Members will be aware that in previous years the Social Services Directorate, like all other Directorates in the Council has had to develop a range of savings proposals in order to deliver a balanced budget. In most years those savings requirements have also been accompanied by an element of growth to assist with demographic pressures, particularly in relation to an ageing population and an increase in the numbers of Children Looked After.

- 5.2 In previous years the emphasis has been on protecting front line services with savings coming predominantly from realignment of budgets, deletion of vacant posts and some reduction in third sector funding. Despite these efforts there have been some reductions in services such as the restructuring of Day Services which, whilst not impacting on current service users, has led to a reduction in overall capacity.
- 5.3 It is clear that the Directorate simply cannot go on with the approach that has served us well to date. Whilst we always strive to work more efficiently, the brunt of any further budget reductions would have to be borne by our public facing services. Consequently, staff have been looking at alternative ways in which we can meet our financial pressures moving forward.
- 5.4 Over the past five years the Directorate has performed well in terms of managing its overall budget and this can be demonstrated as follows;

Year	Outturn £000's Overspend (Underspend)
2018/19	(1,923)
2017/18	262
2016/17	(264)
2015/16	(1,546)
2014/15	(3,753)

- 5.5 Members will recall the 2019/20 month 5 budget report considered by Scrutiny Committee on the 22nd October 2019, showed a projected underspend of £457k. An exercise undertaken to look at the committed costs of current placements for 2020/2021 currently indicates a shortfall of around £800k
- 5.6 The MTFP presented to Council in February 2019 included further anticipated Social Services growth of £1.5m for 2020/21. Based on current information the projected 2020/21 growth requirement is now £800k. For 2020/21 only it is proposed that this anticipated growth requirement will be met through a one-off contribution of £800k from Social Services reserves. This is proposed on the basis that there are a number of initiatives currently underway that will reduce costs in the medium to long-term and therefore mitigate the current cost pressures in the system. These initiatives include the following: -
- Ty Isaf, the second residential children's home funded through the Intermediate Care Funding (ICF) capital grant, is expected to be fully operational from the summer of 2020 providing four placements, which will be offered to children currently placed out of area in the first instance.
 - An additional bid for further ICF capital has been confirmed for 2019/20 to purchase another house to convert into a third residential children's home, which will also offer four beds at some point during 2020/21.
 - The multi-disciplinary My Support Team (MyST) is currently working with fifteen children, nine of whom are in out of county residential care with plans to stepping down to foster care or returning to their families.
 - A Specialist Health Visitor is being employed to support teams with pre-birth assessments to reduce the numbers of babies being removed from parents and placed into care at birth.
 - Using ICF funding, the Intensive Support Team is expanding to include a full-time Child Psychologist, an Education Worker and a Community Connector with the aim of supporting children to remain within their families wherever it is safe to do so.

- ICF investment is also being used to establish a Family Meeting Service aimed at supporting extended family members to come together to identify safe solutions to enable children to remain living within their family network.
- There is an ongoing recruitment drive for in-house foster carers, which is reducing the reliance on more expensive independent fostering agency placements. Committee is aware that recruitment numbers have doubled in the last 12 months.
- Reserve funding has been earmarked for the continued investment in single handed lifting equipment in order to reduce the need for double handed home care calls.

5.7 In future years £750k in growth will be allocated to social services to help with the cost of anticipated further increases in demand.

5.8 This approach will be regularly evaluated in order that we are aware of the impact. In the event of the impact not as being as anticipated or an increase in demand for services being experienced, then this will be reported back to members as part of our ongoing budget monitoring work.

6. ASSUMPTIONS

6.1 The approach being taken is based on the assumption that anticipated growth pressures for 2020/21 can be partially offset by an emphasis on the development of a range preventative services.

6.2 A range of other assumptions have been made throughout the report in respect of pay and non-pay inflationary increases and inescapable service pressures moving forward.

7. LINKS TO RELEVANT COUNCIL POLICIES

7.1 The budget setting process encompasses all the resources used by the Council to deliver services and meet priorities.

7.2 Effective financial planning and the setting of a balanced budget support the following Well-being Goals within the Well-being of Future Generations Act (Wales) 2015: -
