PENDERFYNWYD cymeradwyo cofnodion y cyfarfod a gynhaliwyd ar 9 Mawrth 2022 fel cofnod cywir.

4. BLAENRAGLEN WAITH Y CABINET – I'W NODI

Darparwyd Blaenraglen Waith y Cabinet i'r Cabinet, a oedd yn nodi'r adroddiadau sydd wedi'u trefnu hyd at 6 Ebrill 2022. Atgoffwyd yr Aelodau bod Blaenraglen Waith y Cabinet yn ddogfen weithio, ac felly mae'n bosib y bydd yn newid.

Rhoddodd y Prif Weithredwr y wybodaeth ddiweddaraf i'r Aelodau am Flaenraglen Waith y Cabinet. Dywedwyd wrth yr Aelodau bod cyfarfod nesaf y Cabinet wedi'i drefnu i ystyried materion brys gan ei fod yn dod o fewn y cyfnod cyn-etholiadol.

Ar ôl ystyried a thrafod, cynigiwyd ac eiliwyd y dylid nodi'r Flaenraglen Waith. Drwy ddangos dwylo, cytunwyd ar hyn yn unfrydol.

PENDERFYNWYD y dylid nodi Blaenraglen Waith y Cabinet.

5. CYHOEDDI DATA BWLCH CYFLOG RHWNG Y RHYWIAU 2021 – RHEOLIADAU DEDDF CYDRADDOLDEB 2010 (DYLETSWYDDAU PENODOL AC AWDURDODAU CYHOEDDUS) 2017

Rhoddwyd ystyriaeth i'r adroddiad a oedd yn gofyn am gymeradwyaeth y Cabinet i gyhoeddi Datganiad Ysgrifenedig 2021 yr Awdurdod ar y bwch cyflog rhwng y rhywiau ar wefan y Cyngor a'r Llywodraeth erbyn 30 Mawrth 2022.

Dywedwyd wrth y Cabinet, o dan Reoliadau Deddf Cydraddoldeb 2010 (Dyletswyddau Penodol ac Awdurdodau Cyhoeddus) 2017, ei bod yn ofynnol i bob sefydliad a restrir yn Atodlen 2 i'r rheoliadau sy'n cyflogi dros 250 o weithwyr adrodd yn flynyddol ar y bwch cyflog rhwng y rhywiau o 2017 ymlaen. Fodd bynnag, dim ond i gyflogeion a benodir ac a reolir yn uniongyrchol gan y Cyngor y mae'r darpariaethau o dan y Rheoliadau hyn yn gymwys. Nid oes rhaid cynnwys cyflogeion sydd wedi'u penodi a'u rheoli gan benaethiaid/Cyrff Llywodraethu ysgolion yng nghwmpas Data'r Cyngor ynghylch y Bwlch Cyflog rhwng y Rhywiau.

Cadarnhaodd Pennaeth Gwasanaethau Pobl fod y Datganiad Bwlch Cyflog rhwng y Rhywiau yn rhoi cipolwg ar ddata ar ddyddiad penodol a'i fod yn seiliedig ar ddata ar 31 Mawrth 2021. Sicrhaodd y Swyddog y Cabinet nad oedd yn arwydd bod problem o ran cyflog cyfartal o fewn y Cyngor o safbwynt cyflog, na bod dynion a menywod yn cael eu talu'n wahanol am yr un mathau o waith neu fathau tebyg o waith, mae'n seiliedig ar y dewis y mae cyflogeion wedi'i wneud o ran y rolau y maent yn eu cymryd. Gofynnwyd i'r Cabinet nodi bod hyn yn rhywbeth y dylai'r cyngor ei gydnabod a'i groesawu, ein bod fel sefydliad yn cynnig y cyfleoedd hyn i staff weithio'n hyblyg mewn gwahanol fathau o rolau.

Diolchodd yr Arweinydd i'r Swyddog am yr esboniad ac ategodd yr angen i gydnabod y lluo o gyfleoedd i bob gweithiwr yn y Cyngor a welir yn y ciplun hwn o'r data.

Ar ôl ystyried a thrafod, cynigiwyd ac eiliwyd y dylai'r argymhelliad yn yr adroddiad gael ei gymeradwyo. Drwy bleidlais electronig, cytunwyd ar hyn yn unfrydol.

PENDERFYNWYD am y rhesymau a oedd wedi'u cynnwys yn Adroddiad y Swyddog: –

Cytuno ar ddatganiad yr adroddiad ysgrifenedig sydd wedi'i atodi yn Atodiad 1 sy'n manylu ar ddata bwlch cyflog rhwng y rhywiau i'w gyhoeddi ar-lein ar wefan y Cyngor a gwefan y Llywodraeth gan ddefnyddio'r gwasanaeth adrodd bwlch cyflog rhwng y rhywiau.

6. CYNLLUN BUSNES Y GWASANAETH CYFLAWNI ADDYSG (GCA) 2022-2025

Rhoddwyd ystyriaeth i'r adroddiad a oedd yn gofyn am gymeradwyaeth y Cabinet ar Gynllun Busnes terfynol y Gwasanaeth Cyflawni Addysg (GCA) 2022-2025 yn dilyn proses ymgynghori ranbarthol, gan gynnwys ystyriaeth gan y CMT a'r Pwyllgor Craffu Addysg ar 15 Chwefror 2022. Roedd y cynllun yn nodi prif flaenoriaethau'r GCA, yn dilyn prosesau hunanarfarnu cadarn y mae GCA o'r farn y byddant yn berthnasol i ganolbwyntio arnynt gyda fersiwn nesaf y Cynllun Busnes rhanbarthol ar gyfer 2022-2025.

Rhoddodd Cyfarwyddwr Cynorthwyol Polisi a Strategaeth y GCA y wybodaeth ddiweddaraf i'r Cabinet am y Cynllun Busnes ac esboniodd y broses ymgynghori a sut roedd GCA wedi gwrandao ac wedi addasu'r cynllun i sicrhau bod anghenion dysgwyr Caerffili ac Ysgolion Caerffili yn cael eu diwallu.

Diolchodd yr Aelodau i GCA am gydweithio â Chaerffili ac am eu hymdrechion i ddiwygio'r cynllun yng ngoleuni sylwadau'r Awdurdod. Y farn oedd bod y cynllun wedi'i gryfhau drwy gydweithio â'r Awdurdod. Cofnododd yr Aelodau a'r Swyddogion eu gwerthfawrogiad i GCA wrth ymgysylltu â'r Awdurdod, yn enwedig drwy'r broses ymgynghori, a oedd wedi dod â llawer o argymhellion y cynllun yn fyw ac wedi caniatáu i'r Awdurdod siapio llawer o'r meysydd allweddol.

Ategodd y Prif Swyddog Addysg a'r Cyfarwyddwr Corfforaethol dros Addysg a Gwasanaethau Corfforaethol y sylwadau a wnaed a chroesawyd yr ymrwymiad newydd i weithio mewn partneriaeth â GCA.

Ar ôl ystyried a thrafod, cynigiwyd ac eiliwyd y dylai'r argymhelliad yn yr adroddiad gael ei gymeradwyo. Drwy bleidlais electronig, cytunwyd ar hyn yn unfrydol.

PENDERFYNWYD am y rhesymau a oedd wedi'u cynnwys yn Adroddiad y Swyddog: –

1. Sicrhau bod y Cynllun Busnes yn galluogi cefnogaeth a her briodol i ysgolion, a'i fod yn mynd i'r afael â'r meysydd i'w gwella a nodwyd yng Nghynlluniau Strategol Addysg Cyngor Bwrdeistref Caerffili.
2. Cymeradwyo Cynllun Busnes GCA 2022-2025.

7. CYNLLUN BUSNES Y CYFRIF REFENIW TAI 2022/23

Rhoddwyd ystyriaeth i'r adroddiad a oedd yn gofyn i'r Aelodau ystyried a chymeradwyo Cynllun Busnes Tai 2022/23 a'i gyflwyno i Lywodraeth Cymru erbyn 31 Mawrth 2022 ar sail barhaus, yn flynyddol, yn dilyn ei gyflwyniad i'r Pwyllgor Craffu ar Dai ac Adfywio ar 15 Mawrth 2022. Gofynnwyd i'r Aelodau ystyried barn y Pwyllgor Craffu a chymeradwyo cyflwyno'r adroddiad i'r Cyngor i ofyn am estyniad i gap benthyca'r Cyfrif Refeniw Tai i £90 miliwn er mwyn caniatáu i'r rhaglen adeiladu newydd fynd rhagddi.

Tynnodd y Pennaeth Tai sylw at rai o feysydd allweddol y cynllun. Nodwyd bod y cynllun yn cwmpasu cyfnod o 30 mlynedd ar gyfer rheoli asedau, cyllid a buddsoddiadau angenrheidiol yr Awdurdod. Fodd bynnag, y farn oedd y byddai'r Awdurdod yn elwa o ganolbwyntio ar y cyfnod

cychwynnol o 3-5 mlynedd lle gallai'r Swyddog fod â mwy o hyder mewn tybiaethau craidd a chynnydd mewn cyfraddau llog a rhent.

Dywedwyd wrth y Cabinet fod yr anwadlwydd yn y farchnad, er enghraifft cost llafur, deunyddiau ac ati, yn debygol o effeithio ar y cynllun yn y blynyddoedd i ddod ac y byddai unrhyw newid i ragdybiaeth neu sensitifrwydd yn cael effaith sylweddol, felly er ei bod yn bwysig cynllunio am 30 mlynedd dylai'r ffocws nawr fod ar yr ychydig flynyddoedd cychwynnol.

Cyfeiriwyd at y lefelau benthyca presennol, sef £75 miliwn. Cadarnhawyd y byddai £45 miliwn o'r cyfalaf hwn yn cael ei dyrannu i Gynllun Safon Ansawdd Tai Cymru ac y byddai £30 miliwn yn cael ei buddsoddi yn y cyflenwad tai uwch. Fodd bynnag, nodwyd bod lefel y benthyca yn debygol o gynyddu wrth i'r Rhaglen Adeiladu Newydd fynd rhagddi, felly, gyda chymeradwyaeth y Cyngor, roedd yr Awdurdod yn bwriadu benthyca'r swm ychwanegol.

Tynnodd y Pennaeth Tai sylw'r Aelodau at Ddogfen Naratif y Cynllun Busnes sy'n nodi sut y mae'r Cyfrif Refeniw Tai yn gweithredu, ynghyd â heriau a thargedau'r Gwasanaeth wrth symud ymlaen. Nodwyd bod yn rhaid dangos y ddogfen yn y Cynllun Busnes. Dywedwyd wrth yr Aelodau fod y ddogfen yn cael ei mireinio ac y byddai'n cael ei chwblhau i'w hystyried gan y Cyngor. O ran y cynnydd mewn benthyca, cynghorwyd na fyddai ei angen tan y flwyddyn ariannol nesaf.

Croesawodd yr Aelodau'r adroddiad gan gefnogi ei argymhellion. Yn gyffredinol, y farn oedd bod angen y benthyca ychwanegol i gyflawni'r Rhaglen Adeiladu Newydd uchelgeisiol.

Ar ôl ystyried a thrafod, cynigiwyd ac eiliwyd y dylai'r argymhelliad yn yr adroddiad gael ei gymeradwyo. Drwy bleidlais electronig, cytunwyd ar hyn yn unfrydol.

PENDERFYNWYD am y rhesymau a oedd wedi'u cynnwys yn Adroddiad y Swyddog: –

Cymeradwyo Cynllun Busnes Tai 2022/23 a'i gyflwyniad i Lywodraeth Cymru erbyn 31 Mawrth 2022, ac yn flynyddol yn barhaus.

ARGYMHELLWYD bod yr adroddiad, am y rhesymau a geir yn adroddiad y Swyddog, yn mynd gerbron y Cyngor i ofyn am estyniad i gap benthyca'r Cyfrif Refeniw Tai hyd at £90 miliwn er mwyn caniatáu i'r rhaglen adeiladu newydd symud yn ei blaen.

8. STATWS CYFLWR TOMENNI GLO A THREFN ARCHWILIO

Rhodddwyd ystyriaeth i'r adroddiad a oedd yn gofyn am gymeradwyaeth y Cabinet i barhau i ddefnyddio polisi a gweithdrefnau Caerffili ar gyfer rheoli archwiliadau tomenni a rhaglen cynnal a chadw, parhau i gydweithio â Llywodraeth Cymru a'r Awdurdod Glo a pharhau i archwilio opsiynau ar gyfer mynd i'r afael â gofynion cynnal a chadw ar gyfer tomenni gwastraff preifat.

Dywedwyd wrth y Cabinet fod yr adroddiad wedi cael ei ystyried gan y Pwyllgor Craffu ar yr Amgylchedd a Chynaliadwyedd yn ei gyfarfod ar 22 Mawrth 2022. Cafodd canlyniad y trafodaethau hyn ei fwydo'n ôl i Aelodau'r Cabinet.

Cadarnhawyd bod y Pwyllgor Craffu wedi cefnogi'r argymhellion yn unfrydol. Fodd bynnag, nodwyd nad oedd y ddeddfwriaeth bresennol yn caniatáu i awdurdodau lleol fynd i mewn i dir preifat oni bai ei fod yn cael ei ystyried yn argyfwng. Felly, argymhellodd aelodau'r Pwyllgor Craffu y dylai'r Awdurdod drafod gyda pherchnogion i gytuno ar fynediad i'r tir pe bai angen gweithio ar y tomenni preifat.

Cydnabu aelodau'r Pwyllgor Craffu fod y rhan fwyaf o'r tomenni yn y Fwrdeistref Sirol ar dir preifat ac roeddent o'r farn bod angen deddfwriaeth gryfach er mwyn ei gwneud yn haws i swyddogion ac arbenigwyr fynd ar y tir hwnnw.

Nododd y Cabinet fod Llywodraeth Cymru wrthi'n datblygu deddfwriaeth newydd a bod Comisiwn y Gyfraith wedi cael cyfarwyddyd i ymchwilio i'r mater. Rhagwelwyd y byddai Bwrdd Goruchwylio newydd yn cael ei sefydlu i oruchwylio'r broses o gofrestru, dosbarthu a rheoli tomenni ledled Cymru a'r gobaith oedd y byddai hyn yn arwain at gysondeb yn gyffredinol.

Sicrhawyd yr Aelodau fod y tomenni yn y Fwrdeistref Sirol wedi'u harchwilio'n drylwyr ac nad oedd unrhyw faterion yn peri pryder. O ran y tomenni preifat, nodwyd bod Swyddogion yn gweithio gyda'r Awdurdod Glo i reoli a nodi materion sy'n peri pryder. Tynnwyd sylw at y ffaith bod un domen breifat wedi cofnodi rhywfaint o symudiad; fodd bynnag, sicrhawyd yr Aelodau nad oedd yn peri pryder ar hyn o bryd, bod y domen yn cael ei monitro'n ofalus ac roedd Swyddogion yn gweithio gyda'r trefeddiannwr i ddatrys y mater.

Dywedwyd wrth y Cabinet fod cryn dipyn o waith wedi'i wneud i reoli a chynnal tomenni. Gwariwyd dros £1,000,000 ar waith tomenni y llynedd (2021/22) a rhagwelwyd y byddai cryn dipyn o waith yn cael ei wneud yn ystod y flwyddyn ariannol hon (2022/23).

At hynny, rhoddodd y Swyddog y wybodaeth ddiweddaraf i'r Aelodau am y wybodaeth a oedd newydd ddod i law mewn perthynas â Chomisiwn y Gyfraith. Cadarnhawyd y byddai gwaith Comisiwn y Gyfraith yn cael ei gyhoeddi ar 24 Mawrth 2022 ac roedd yn cynnwys 36 o argymhellion y byddai angen eu hadolygu a'u hystyried a chyflwyno adroddiad pellach i'r Aelodau ar y mater.

O ran y trafodaethau parhaus rhwng Llywodraeth y DU a Llywodraeth Cymru ynghylch ariannu, sicrhawyd yr Aelodau y byddai tomenni'n cael eu rheoli mewn ffordd gadarn a threfnus, a phwysleisiwyd nad oedd unrhyw bryderon uniongyrchol ynghylch tomenni yn y Fwrdeistref Sirol.

Ar ôl ystyried a thrafod, cynigiwyd ac eiliwyd y dylai'r argymhelliad yn yr adroddiad gael ei gymeradwyo. Drwy bleidlais electronig, cytunwyd ar hyn yn unfrydol.

PENDERFYNWYD am y rhesymau a oedd wedi'u cynnwys yn Adroddiad y Swyddog: –

1. Cymeradwyo'r defnydd parhaus o bolisi a gweithdrefnau Caerffili ar gyfer rheoli archwiliadau tomenni a rhaglen cynnal a chadw a gefnogwyd yn wreiddiol gan y Pwyllgor Craffu Adfywio a'r Amgylchedd ar 02-04-2013.
2. Cymeradwyo cydweithio parhaus â Llywodraeth Cymru a'r Awdurdod Glo.
3. Cymeradwyo parhau i archwilio opsiynau ar gyfer mynd i'r afael â gofynion cynnal a chadw ar gyfer tomenni gwastraff preifat.

9. STRATEGAETH Y RHAGLEN CYMORTH TAI

Rhoddwyd ystyriaeth i'r adroddiad a oedd yn rhoi gwybod i'r Aelodau am Strategaeth bresennol y Rhaglen Cymorth Tai ar gyfer y cyfnod 2022-2026 fel sy'n ofynnol gan Lywodraeth Cymru bob pedair blynedd. Roedd yr adroddiad hefyd yn amlinellu'r un farn strategol o ran dull Caerffili o ymdrin â Gwasanaethau Atal Digartrefedd a Chymorth Tai.

Rhoddodd y Swyddog grynodedb o'r blaenoriaethau strategol allweddol a dywedodd mai dim ond drwy gydweithio â chydweithwyr ym maes iechyd, y gwasanaeth prawf a'r gwasanaethau tai y gellid cyflawni'r blaenoriaethau. At hynny, tynnwyd sylw at y ffaith bod unigolion â phrofiad uniongyrchol o wasanaethau cymorth yn arbennig o bwysig.

Nodwyd bod y garfan o bobl y mae angen gwasanaethau cymorth arnynt yn newid yn barhaus ac roedd hyn yn her sylweddol wrth ddatblygu strategaeth ar gyfer cyfnod estynedig o amser. Fodd bynnag, cadarnhawyd y byddai'r blaenoriaethau yn y strategaeth yn parhau gan eu bod

yn seiliedig ar dystiolaeth hyd yma ac anghenion defnyddwyr gwasanaethau heddiw ac yn y dyfodol. At hynny, sicrhawyd yr Aelodau y byddai'r blaenoriaethau'n cael eu hadolygu, ac roedd y costau sy'n deillio o'r gwasanaeth yn unol â Grant Llywodraeth Cymru.

Diolchodd yr Aelodau i'r Swyddog am amlinellu'r blaenoriaethau yn ogystal â'r cymhlethdodau sy'n gysylltiedig â'r strategaeth ac roeddent yn arbennig o werthfawrogol o'r addasiadau yr oedd y gwasanaeth yn gallu eu gwneud pe bai ar ddefnyddwyr eu hangen.

Gofynnwyd am eglurhad ar y rhaglen hyfforddi ar gyfer Swyddogion sy'n gweithio gyda'r digartref. Cadarnhaodd y Swyddog fod hyfforddiant gorfodol helaeth wedi'i sefydlu i sicrhau llety hirdymor a chynaliadwy i ddefnyddwyr y gwasanaeth. Roedd meysydd hyfforddi yn cynnwys iechyd a diogelwch, deddfwriaeth tai a deddfwriaeth digartrefedd, gyda llawer o'r cyrsiau'n cael eu hachredu drwy'r Awdurdod Ymddygiad Ariannol. Nododd y Cabinet fod hyfforddiant helaeth i Swyddogion hefyd ar faterion allweddol fel atal hunanladdiad, camddefnyddio sylweddau ac unigolion sy'n dianc rhag trais a cham-drin domestig ac mae gan bawb sy'n dod i wasanaethau digartrefedd rywfaint o hyfforddiant sy'n seiliedig ar wybodaeth seicolegol a thrawma i sicrhau bod dealltwriaeth o'r rheswm pam mae unigolion yn dod i'r gwasanaethau yn y lle cyntaf, gan helpu i dorri'r cylch digartrefedd.

Cyflwynwyd sylw yn ymwneud â Thai Amlfeddiannaeth gan yr Aelod Cabinet dros Wasanaethau Corfforaethol a oedd o'r farn y dylai'r maes gwasanaeth Cynllunio a Thai weithio'n gynharach ac yn fwy helaeth gydag Aelodau Lleol a thrigolion i nodi a chodi ymwybyddiaeth o dai amlfeddiannaeth, yn enwedig o ran tai amlfeddiannaeth preifat. Cydnabuwyd pryderon yr Aelod, a nodwyd nad oedd angen ymgynghori â'r Gwasanaethau Tai ynghylch cais preifat am Dŷ Amlfeddiannaeth ac yn aml iawn dim ond drwy gyswllt gydag Aelodau Ward Lleol neu Drigolion y daw'r gwasanaeth yn ymwybodol o'r cynnig, ac roedd y sefyllfa hon ymhell o fod yn ddelfrydol. Sicrhaodd y Cyfarwyddwr Corfforaethol y Cabinet fod Swyddogion yn gwneud eu gorau glas mewn amgylchedd cymhleth iawn.

Statutory Obligations

This report is published in line with the requirements of the [School Standards and Organisation \(Wales\) Act 2013](#) and the [School Organisation Code 2018](#).

Purpose of the Objection Period Summary Report

In accordance with the School Organisation Code 2018, the Council must publish a summary of the statutory objections and the Council's responses to those objections ("the Objection Report"), 2013 when objections have been received.

As outlined in the [Statutory Objection](#) Section of this document, no objections were received during the Statutory Objection period. As no statutory objections were received, there is no requirement to publish an Objection Report. However, for consistency and transparency, an Objection Period Summary Report has been compiled.

The purpose of this Objection Period Summary Report is to provide Cabinet with the necessary information to make an informed decision through reflection, review and assessment as to whether to implement the proposal.

The Report is divided into several sections with the aim to:

- Outline the Statutory processes undertaken
- Provide clarification in relation to the information provided and consultee engagement
- Summarise the Statutory Objections position
- Provide recommendations in relation to the next stages for the proposal

Full details of the decision making process and the stages of the proposal as outlined in the School Organisation Code 2018 have been published as part of the Consultation Documentation and are publicly available via the Council's website with hardcopies made available on request.

PROPOSAL

What are we proposing to do?

As outlined in the [Consultation Document](#) and [Consultation Report](#), both of which have been published and are available via the Council's website or in hardcopy on request, Caerphilly County Borough Council (CCBC) has embarked upon an exciting but challenging journey of improvement and change.

Schools in Wales need to be in good condition and suitable for the delivery of education. In some cases, schools can be modernised, repaired, refurbished, extended, or partially rebuilt to meet the standards needed for contemporary teaching and learning. However, some existing schools are no longer in the right place and in such cases, we might propose new schools or changes to existing schools.

The 21st Century Schools and Colleges programme is a major, long-term, strategic capital investment programme. It is jointly funded by the Welsh Government and local authorities and aims to create a generation of 21st century schools in Wales with the priority areas being:

- Reduce the number of poor condition schools
- Ensure that we have the right size schools in the right location
- Provide enough places to deliver Welsh and English medium education
- Ensure the effective and efficient use of the educational estate

We are proposing to:

- **Amalgamate Llancaeath Junior School and Llanfabon Infants School to create a new Primary School provision on the existing infants school site for those aged 3-11 years with an anticipated completion date of September 2024.**
- It is proposed that the current Llanfabon Infants School site will be reconfigured to host the new Primary School provision. A new building will be built to accommodate Key Stage 2 pupils (Junior age) and a partial refurbishment of the existing Infants School building on site with the whole Primary School provision providing accommodation for 275 pupils plus 40 nursery places, ensuring the development and delivery of an inclusive all-through primary school provision delivering the full curriculum to pupils in a modern, safe and inspiring learning environment.
- The new primary school site will have improved outside learning space and facilities that will provide a stimulating teaching and learning environment with 21st Century facilities centered on the learning, self-esteem and well-being of all pupils.
- The proposed project will take into account the desire to encourage and facilitate community use of the asset. The design will seek to include measures to enable safe 'zoning' which can be utilised by the wider community.

STATUTORY PROCESS AND DECISION MAKING

The Statutory Process

The School Organisation Code 2018 is made under Sections 38 and 39 of the School Standards and Organisation (Wales) Act 2013 and applies to proposals in respect of maintained schools as defined at Section 98 of the 2013 Act. That is a school in Wales, which is a community, foundation or voluntary school, a community special school or a maintained nursery school. This does not include pupil referral units.

The School Organisation Code 2018, provides clear statutory guidance as to the processes that need to be adhered to and the stages to follow:

- 1) Changes that require a proposal
 - Identifying the proposal
 - Development of proposal
- 2) Consultation
 - Publishing a Consultation Document
 - Notification letter sent to stakeholders (as prescribed by the code)
 - Undertaking a consultation exercise
 - Consultation with children and young people
 - Publishing a Consultation Report
 - Notification letter sent to stakeholders
- 3) Publication of Statutory Proposals
 - Publishing a Statutory Notice
 - Notification letter sent to stakeholders
- 4) Determining Proposals
 - Publishing an Objection Report where objections have been received
 - Notification letter sent to stakeholders
 - Approval by Local Authority or Welsh Minister (dependent on nature of proposal)
 - Decision Notification
 - Notification letter sent to stakeholders
- 5) Implementing Proposals
 - Carrying out agreed actions

The planning and development of effective school organisation proposals is crucial to the Welsh Government's goal of transforming education in Wales and providing better educational outcomes. The aim is to ensure that proposals support the Welsh Government's commitment to increase school effectiveness, and narrow inequalities in achievement between advantaged and disadvantaged areas, groups and individuals.

When formulating a proposal, there is a need to clearly identify the reasons for formulating the proposal. Factors to be taken into account in preparing, publishing, approving or determining school organisation proposals include Quality and Standards in Education, the need for places and impact on accessibility, resourcing of education and other financial implications. These factors are outlined in the Consultation Document and further addressed in the Consultation Report.

Cabinet Response to Consultation Report

A digital meeting via Microsoft teams took place on Wednesday 26th January 2022 at 10.30am.

As part of this meeting, the 21st Century Schools and Colleges Band B Programme and consultation in respect of the proposal to create a new Primary School provision through the amalgamation of Llancaeath Junior School and Llanfabon Infants School was discussed. All Consultation Documentation was made available to members as part of the agenda reports pack including the original responses in the format received from all parties within the consultation period which ran from the 20th October 2021 to the 1st December 2021. Officers linked to the proposal were available to take questions.

It was noted that the matter was previously considered by Education Scrutiny Committee on the 2nd November 2021 (in their capacity as a consultee group) and subsequently on the 10th January 2022 at which the recommendation to proceed to the Statutory Notice stage was unanimously agreed.

It was agreed that a vote in respect of the proposal would be taken and be officially recorded. Cabinet Members voted unanimously *'The recommendation to proceed to Statutory Notice in relation to the proposal to create a new Primary School provision through the amalgamation of Llancaeath Junior School and Llanfabon Infants School on the existing Llanfabon Infants School site be approved.'*

Cabinet 26th January 2022 20220126 103016 Meeting Recording

A recording of the session is available on YouTube: [Cabinet –26th January 2022](#)

The agenda item linked to the 21st Century Schools proposal starts at 41.40 minutes in to the recording.

The [Notice of Cabinet Decisions](#) document is also available to view on the Council's website.

Decision Making

Progression at each stage is subject to scrutiny, review and approval by Cabinet Members and in addition, Welsh Government are engaged in the process as one of the key delivery partners and co-funders.

When approving proposals, Cabinet must:

- consider whether there are any other related proposals
- ensure that the statutory consultation has been conducted in accordance with this Code
- ensure that the proposal has been published in accordance with the Code and the Statutory Notice contains all the required information
- consider the Consultation Document and Consultation Report
- consider the Objection Report and any responses to the Statutory Notice (where applicable)

This Objection Period Summary Report has been produced as the next stage in the process following the Statutory Objection Period as defined by the School Organisation Code 2018. This Objection Period Summary Report will be subject to initial scrutiny as part of discussions at an Education Scrutiny Committee meeting whereby Members will be asked to note the information contained in the Objection Period Summary Report and to seek views on the recommendations made within this the Objection Report Period Summary prior to consideration by Cabinet on 6th April 2022.

Cabinet will then make the final determination relating to the proposal and decide whether or not to proceed to implementation as recommended. Full details are outlined in the [‘Next Steps’](#) section.

STATUTORY NOTICE

Statutory Notice - Consultation Process

The consultation process has followed the Welsh Government requirements as set out in the School Organisation Code 2018.

Following the decision by Cabinet outlined above to proceed to Statutory Notice, anyone wishing to make an objection to this proposal was able to do so. To be considered as a statutory objection, objections had to be made in writing or by email and sent to the Council within the 28 days of the date on which the proposal was published. This is referred to as the “objection period” and ran from the 1st February 2022 to the 28th February 2022.

Statutory Notice - Consultation Information

The School Organisation Code 2018 states that when undertaking a consultation process in connection with a school proposal, the Council must publish information to enable transparent, balanced and open decision making.

The Statutory Notice was published on a school day and consultees were given 28 days to respond to the document, with at least 15 of these being school days as defined by Section 579 of the Education Act 1996.

All documentation was published in Welsh and English, complying with the requirements of the Welsh Language Standards. Information was also available in other languages and formats on request.

Stakeholder Engagement

Consultees were advised of the proposal and availability of the Statutory Notice and all prior documentation published relating to the proposal, when it went live on the 1st February 2022 via letter/email and were therefore invited to take part in this stage of the statutory consultation.

The School Organisation Code 2018 prescribes those individuals/groups considered key consultees in the consultation process. As per section 4.1 of the code, the list below presents the consultees engaged with relevant to proposals of this nature for the Caerphilly Borough.

Reasons for the Objection and Council Clarification

In accordance with Section 5.1 of the School Organisation Code 2018, the Council, as the proposer, must publish its response to the summarised objections.

No objections were received as part of this process.

The Council appreciates the level of support shown in relation to this proposal and the general consensus that the amalgamation of Llancaeath Junior School and Llanfabon Infants School to create a new Primary School on the existing Llanfabon Infants School site will benefit pupils, their families, and the wider community.

OTHER CONSIDERATIONS

Learner Voice

Learner voice is about involving the children and young people as active participants in the development, delivery, management, and improvement of their educational experience.

Throughout every stage of the process, children and young people at the proposed affected school has been involved in the planning and consultation process as outlined and demonstrated in the Consultation Document and Consultation Report.

However, as outlined previously, at this stage in the process as prescribed by Welsh Government, reporting relates to Statutory Objections at this stage only. Members are urged to be mindful of this as part of their deliberations moving forward.

Integrated Impact Assessment

Local authorities are already under a duty to carry out equality impact assessments and this is recognised by Welsh Government as part of the School Organisation Code 2018.

A new socio-economic duty set out in section 1 of the Equality Act 2010, came into force on 31st March 2021 and an initial Integrated Impact Assessment (IIA) for this proposal was undertaken forming part of the outline consultation pack which is published on the Council's website. This exercise was undertaken to support Cabinet Members in making informed and effective decisions whilst ensuring compliance with a range of relevant legislation, including:

- Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011
- Welsh Language (Wales) Measure 2011
- Socio-economic Duty – Sections 1 to 3 of the Equality Act 2010
- Well-being of Future Generations (Wales) Act 2015
- Statutory Consultation v Doctrine of Legitimate Expectation and Gunning Principles

The Integrated Impact Assessment was then subsequently reviewed to include any additional elements highlighted through the statutory consultation process. The purpose of this further assessment is to take account of any additional information that has come forward through the consultation or otherwise.

Copies of both documents can be found on the Council's website and links have been included in the [Annex Section of this Report](#)

NEXT STEPS

Publication of Objection Period Summary Report

Under section 49 of the School Standards and Organisation (Wales) Act 2013, when objections have been received the Council must publish a summary of the statutory objections and the Council's response to those objections ("the Objection Report").

As no statutory objections were received, there is no requirement to publish an Objection Report. However, for consistency and transparency, an Objection Period Summary Report has been compiled.

- The Objection Period Summary Report will be published and posted on the Council's website with hard copies available on request.
- The Consultees as identified on page 8 of this report will be advised by letter or email of the availability of the Objection Period Summary Report.

Cabinet 'Objection Report' Decision

Where a local authority's proposals have received objections, objections must be conscientiously considered alongside the arguments in respect of the proposals and in the light of the factors set out in the School Organisation Code 2018.

Further to review at Education Scrutiny Committee on the 29th March 2022, this document will be considered in full at a Cabinet meeting due to be held on 6th April 2022.

At this meeting the following documentation will be made available to Members.

- a copy of the Consultation Document
- a copy of the Consultation Report
- a copy of the Published Statutory Notice and Notification Letter sent to Consultees
- a copy of the original and updated Integrated Impact Assessment
- a copy of the Objection Period Summary Report

Cabinet Members will be asked to review the proposal and make the final determination as to whether to implement the proposal as outlined below:

Amalgamate Llancaeath Junior School and Llanfabon Infants School to create a new Primary School provision on the existing infants school site for those aged 3-11 years with an anticipated completion date of September 2024.

Recommendation

It is the recommendation of this Objection Period Summary Report that in line with the processes outlined in the School Organisation Code 2018 and the information gathered and reviewed as part of the consultation phase and formal objection period, Members:

- a) Consider the information contained in the Objection Period Summary Report.
- b) Members approve the recommendation to proceed to Planning Application Stage
- c) Members approve the recommendation to proceed to Full Business Case

Decision Notification

Decisions (in relation to proposals which require approval or determination) must be made and issued in the form of a decision letter. The decision letter must set out clearly the reasons for the decision with reference to the School Organisation Code 2018.

CABINET - 6TH APRIL 2022

SUBJECT: SOCIAL CARE PROVIDER FEE INCREASES 2022/2023

REPORT BY: CORPORATE DIRECTOR FOR SOCIAL SERVICES AND HOUSING

1. PURPOSE OF REPORT

- 1.1 To inform Cabinet of the financial pressures and difficulties being experienced by providers of commissioned care and support services across the Borough and Nationally.
- 1.2 To propose fee increases for the different categories of commissioned care and support sector providers that will support them to address the financial pressures within the sector and their service area.
- 1.3 To draw upon £3.756million of the £5.716million growth funding that has been earmarked for social care pressures in 2022/23 but temporarily held within the Corporate Finance budget.

2. SUMMARY

- 2.1 The report will set out a brief description of the financial pressures that providers of commissioned care services are experiencing because of the Covid-19 pandemic and the consequential period of austerity that has resulted. The report will explain the overarching pressures that are being experienced by all providers. Not least, due to Welsh Government's commitment to ensuring all care workers are paid at or above the Real Living Wage but also due to pressures that are more specific to certain providers within the social care sector.
- 2.2 In addition, the report will propose fee uplifts for various services to address these financial pressures and maintain the financial viability of care providers. The report will also propose that £3,755,886 be allocated from the social care growth funding held within the Corporate Finance budget for 2022/23, to fund the impact of the proposed fee uplifts.

3. RECOMMENDATIONS

- 3.1 That the financial pressures facing the social care sector at present are acknowledged and the proposed fee increases summarised in paragraph 5.4 are agreed.
- 3.2 That £3,755,886 be allocated from the social care growth funding held within the Corporate Finance budget to fund the impact of the recommended fee uplifts set out in paragraph 5.4.

4. REASONS FOR THE RECOMMENDATIONS

- 4.1 To support the commissioned care providers as they emerge from the Covid-19 pandemic, into a recovery phase so that they can continue to provide appropriate services.
- 4.2 To support commissioned care providers to retain as much financial stability and viability as possible, as the financial pressures they face become a reality.
- 4.3 To try to maintain what stability remains in the social care sector in the Borough given the pressures faced, to retain continuity of statutory commissioned care provision.
- 4.4 To enable provider organisations to pay their care staff at or above the Real Living Wage of £9.90 per hour with effect from 1st April 2022, in accordance with Welsh Government's mandate.

5. THE REPORT

- 5.1 Prior to the Covid-19 pandemic, commissioned care and support providers were articulating difficulties and pressures associated with the cost of providing services to vulnerable people across the Borough. Since the world has experienced and responded to pandemic, the social care sector has been forced to adapt practice, increase support, and now faces a raft of very heavily increased costs to respond to the recovery from the pandemic and maintain statutory commissioned services.
- 5.2 The overarching pressures that are facing providers across the entire social care sector are-
 - Recruitment and retention of staff - All sectors of the care market including local authorities are experiencing significant issues with this. Many care workers have left the sector because of burn out after the pandemic, but many have left because they have been able to secure far better paid employment in retail and hospitality. This has had an impact across the sector but especially in domiciliary care where many packages of support to people in the community and hospital discharge packages have gone unbrokered.
 - The introduction of the Real Living Wage at £9.90 an hour as from April 1, 2022 - It is unlikely that this will have such a heavy impact within children's services, direct payments or residential care for younger adults, as generally pay rates tend to be closer to the Real Living Wage in these service areas.
 - Increase in pension costs.
 - The introduction of the Social Care Levy at 1.25%, which will increase the NI contribution that providers will have to make for their staff.
 - Significantly, increased insurance costs - many providers have seen their new quotes double and some companies will no longer provide cover for communicable diseases. Many companies will no longer take new social care providers as customers.
 - General price inflation has recently been reported at 7.8%, which will affect providers' operational costs in 2022/23.
- 5.3 The pressures facing particular areas of the social care sector include-
Domiciliary Care-
 - The increase in fuel costs which has not only been affected by the pandemic but is now being further affected significantly by the situation in Ukraine. We have an example of staff leaving commissioned domiciliary care agencies, as they can no longer afford to run a car.
 - The fees paid by Caerphilly for domiciliary care is slightly above the average paid by Welsh councils, according to a study published by the Homecare Association and Care Forum Wales. However, they fall short of the minimum hourly rate recommended by the association of £21.43.
 - A working draft of a home care cost matrix produced on behalf of the National Commissioning Board has calculated the cost of individual home care calls as being

substantially higher than the fees Caerphilly CBC currently pays to providers –

Length of call	60 minutes	45 minutes	30 minutes	15 minutes
NCB estimated cost per call	£26.98	£21.83	£16.68	£11.53
NCB Hourly equivalent	£26.98	£29.11	£33.36	£46.12
CCBC average fee 21/22	£19.76	£12.79	£9.93	£5.60
CCBC hourly equivalent	£19.76	£17.05	£19.86	£22.40

Residential and Nursing Homes-

- The increase in the costs of gas and electric – All care homes are expressing concern about this increase, especially as the people they support are often immobile and very much feel the cold so there is no room for saving in this area.
- The increase in the cost of food and provisions.
- In 2021/22, the weekly fee levels paid by Caerphilly for older people's residential and nursing care were between 4% and 12% lower than the average fee levels paid by other Gwent authorities as demonstrated in the following table-

2021/22 Provider Fee Levels	Older People's Residential Care	EMI Residential care	Older People's Nursing Care	EMI Nursing Care
Torfaen	£689.64	£757.19	£729.10	£763.13
Monmouthshire	£670.00	£747.00	£708.00	£734.00
Blaenau Gwent	£626.00	£690.00	£718.00	£732.00
Gwent average	£661.88	£731.40	£718.37	£743.04
Caerphilly	£636.53	£694.49	£633.42	£698.63
Difference between Caerphilly's fees and Gwent average	£25.35 or 4%	£36.91 or 5%	£84.95 or 12%	£44.41 or 6%

- The budgeted cost of in-house residential care provision for 2021/22 amounted to £680 per week per place for older people's residential care and £1,083 for EMI residential care and these costs are set to increase by over 4% for 2022/23. Therefore, a larger uplift for independent sector would help to close the funding gap that is often cited by independent sector care providers during fee level negotiations.
- Early findings of work commissioned by the National Commissioning Board suggest that providers are anticipating costs of between £834 and 895 per bed in 2022/23-

2021/22 Provider Fee Levels	Older People's Residential Care	EMI Residential care	Older People's Nursing Care	EMI Nursing Care
Average anticipated weekly cost per place reported by providers	£834	£844	£1,038	£1,085
Less estimated Funded Nursing Care element	N/A	N/A	£190	£190
Potential weekly cost per bed to local authorities	£834	£844	£848	£895

- 5.4 The following table summarises the proposed fee uplift required to address the pressures in each sector of the social care market and identifies the draw upon growth funding required to implement those proposed uplifts:-

Category of Care	Proposed Uplift	Draw on Growth
Domiciliary Care	15%	£775,152
Direct Payments	8%	£71,506
Residential & Nursing Care for Older People	14%	£1,514,596
Residential & Nursing Care for Younger Adults	5%	£74,686
Supported Living	10%	£1,050,950
Day Care	10%	£74,464
Extra Care	10%	£42,259
Social Care Provision for Children and Adolescents	4%	£152,273
TOTAL	Various	£3,755,886

- 5.5 The pressures and difficulties faced by the social care sector and their need to achieve fee increases that reflect a fair price for care are recognised both locally and nationally. It is believed that the unusually high increases proposed above will go some way to addressing those pressures and enable providers to comply with Welsh Government legislation in respect of the implementation of the Real Living Wage for their care staff. Welsh Government has included additional funding to address this legislation within the Local Government Revenue Support Grant settlement for 2022/23, which will help to fund the impact of these proposals.
- 5.6 Looking ahead to the next financial year, 2023/24, with current pressures in mind and recovery from the pandemic ongoing, CCBC is committed to working with care home providers to undertake a piece of work that will look at future potential costs of care and a methodology for setting fees that has engaged with the care home sector.

5.7 **Conclusion**

The significant issues being experienced in the social care sector as a result of all the increased costs referenced above in section 5, is evidence of the pressure that providers are under in order to maintain services and ensure as much financial viability as they are able, which is a requirement of their registration with Care Inspectorate Wales. The issues and pressures are well documented in communication between providers and commissioners as the increase in costs and the implementation of the Real Living Wage become a reality. It is vital that commissioned providers delivering statutory services are supported to ensure the stability and continuity of the essential services moving forward. The proposed fee increases would help to support the stability of the social care sector in the Borough and maintain service provision in the short term. However, it is evident from the early findings of the work commissioned by the National Commissioning Board that a longer-term strategy for fee levels needs to be developed during 2022/23 in consultation with care providers and our regional partners.

6. **ASSUMPTIONS**

- 6.1 There are no assumptions made in relation to this report.

7. **SUMMARY OF INTEGRATED IMPACT ASSESSMENT**

- 7.1 Not applicable.

8. FINANCIAL IMPLICATIONS

- 8.1 The financial implications of the proposed provider fee increases are summarised in the table in paragraph 5.4 above.

9. PERSONNEL IMPLICATIONS

- 9.1 There are no implications for in-house care staff within this report. However, a condition of the proposed fee uplifts would be that provider organisations ensure that they pay all of their care staff a minimum of £9.90 per hour with effect from 1st April 2022.

10. CONSULTATIONS

- 10.1 All consultation responses have been incorporated into this report.

11. STATUTORY POWER

- 11.1 Local Government Acts 1998 and 2003 and the Council's Financial Regulations.

CABINET - 6TH APRIL 2022

SUBJECT: PROPOSAL TO INCREASE HACKNEY CARRIAGE FARE TARIFFS

REPORT BY: CORPORATE DIRECTOR FOR ECONOMY AND ENVIRONMENT

1. PURPOSE OF REPORT

- 1.1 To inform Cabinet of requests received from the licensed trade for an increase in the Tariff of Fares for Hackney Carriages and the results of a consultation exercise with the trade on an amended tariff.
- 1.2 To seek Cabinet approval to advertise a proposed amended tariff of fares for a statutory 14 day public consultation.

2. SUMMARY

- 2.1 Requests have been received from the Caerphilly County Borough Taxi Drivers Association (CCBTDA) and a Hackney Carriage Vehicle Proprietor for the current hackney carriage fare tariff to be increased. The current tariff has been in place since 2018 and should be reviewed in line with the current economic climate, particularly the impact of the crisis in Ukraine on rising fuel costs. This report outlines the details of the requests and the method by which this can be achieved.

3. RECOMMENDATIONS

- 3.1 That Cabinet consider the content of this report and, in accordance with the view of the Taxi and General Committee detailed in the Consultation section below, it is recommended that Cabinet approve the tariff of fares for hackney carriage vehicles as detailed within **Appendix G** for publication in the press for the 14 days statutory public consultation period.

4. REASONS FOR THE RECOMMENDATIONS

- 4.1 To bring into force amendments to the hackney carriage vehicle fare tariff following consultation with representatives of the trade. This is an Executive function.

5. THE REPORT

- 5.1 In accordance with Section 65 of the Local Government (Miscellaneous Provisions) Act 1976, a local authority may fix and vary the rates or fares within their district and all other charges in connection with the hire of a hackney carriage. However, prior to bringing into force any changes, the authority must publicise its proposals in the local press for a period of fourteen days to allow for any objections.
- 5.2 The current tariff was introduced in September 2018 following requests for an increase from members of the taxi trade due to increasing costs at that time. A copy of the current tariff is attached as **Appendix A**.
- 5.3 Officers have noted the tariffs that apply in neighbouring authorities and information contained within "The Private Hire and Taxi Monthly" magazine, which publishes "league tables" showing fare tariffs throughout England and Wales. Comparisons (as at December 2021) show that based upon a two mile journey, the current national average fare is £6.06, the all-Wales average is £5.69 and the regional average in Gwent is £5.48. This Authority's two mile tariff equates to £5.40. Caerphilly CBC currently sits at 289 out of 359 local authorities in National Fare Tables. It is expected that most areas will be reviewing tariffs as a result of recent significant increases in fuel costs. A copy of this table is attached as **Appendix B**.
- 5.4 A Comparison of the two mile tariff across Wales is attached as **Appendix C**.
- 5.5 Since 2018 there has been an increase in the cost of both diesel and petrol. The average petrol price in Wales in February 2018 was 121.4 and 124.2 for diesel. At the time of writing this report average prices are at 161.0 for petrol and 170.1 for diesel. This represents a price increase of 32.6% for petrol and 37% for diesel. The rate of inflation is 5.5%, as at January 2022, the highest 12 month inflation rate since 2011. The latest figures for CPI Consumer Price Index are 5.5%. Car insurance costs increased in 2019 and 2020 and then dropped by 6% in 2021. Prices in December 2021 however were 5 % higher than the previous 3 months. Changes in restrictions on insurance pricing from January 2022 may also lead to further prices increases.
- 5.6 Caerphilly County Borough Taxi Drivers Association (CCBTDA) and a Hackney Carriage Vehicle Proprietor submitted requests for the current hackney carriage fare tariff to increase. The requests received are reproduced as **Appendix D**. These proposals were submitted prior to the recent events in Ukraine which have resulted in fuel price increases.
- 5.7 Proposals for an increase were circulated between the 28th January and the 12th February 2022 to all licensed drivers and proprietors of hackney carriages in the borough who were invited to comment on the proposals or make additional suggestions. A copy of information detailing each proposal demonstrating the prospective fares based on 1 to 5 and 10 mile, journeys and the survey form sent to the trade are attached for information as **Appendix E**.
- 5.8 Members are directed to a typographical error contained within the proposed options table referred to above. This is contained in proposal A for a 2 mile journey under Tariff 1 which should read an increase of £0.60 and not £0.40 as detailed. This has been amended and the corrected version shown in **Appendix F**.
- 5.9 There were a total of 32 responses received, 29 out of the 32 respondees agreed that the existing tariff should be revised. 19 out of 32 respondees (58.06%) were in

favour of Proposal B, 11 out of 32 (35.37 %) were in favour of Proposal A. It should be noted that the consultation was conducted prior to the escalation of the hostilities in the Ukraine and the impact upon fuel prices.

When prompted for reasons for their choice in relation to the above, the following comments have been received:

Proposal A, the increase they wish for is a large increase but in doing that and then changing the tariff to 2 from 10pm to 6am, you will end up in the same predicament as your going to lose 4hours today per night of tariff 2 fair due to not starting it till later.

Proposal B offers a smaller increase that isn't such a blow to customers but makes a subtle difference to the driver and not a big increase to customer.

Smaller increase less impact on business

The time for increased fares is overdue with the cost of fuel and other things going up all the time

An increase is a positive move, and with that in mind at the moment proposal b is the best way to move forward.

Price of fuel is higher than ever and there are increased costs with maintaining and insuring vehicles, this needs to be taken into account.

The cost of petrol/diesel has sky rocketed. Also with the price of living about to go through the roof us taxi drivers need more income to be able to pay our bills etc. Personally I believe that proposal 1 is a low increase compared to the extra costs in living / fuel that us taxi drivers are being faced with.

Most industries get an annual pay rise linked to inflation. As we are into year 4 since taxi fares were increased, I feel that 10% is a fair proposal.

Struggling to make a living because of the hike in the fuel prices

Can't put up with customers moaning at any sight of the fare on screen...how much they shout

Almost all week days there is very less custom after 10pm

Due to cost of fuel and vehicle part and vehicle prices rising .probably proposal A will give this trade some back but with condition of maintaining tariff 2 start @ 19.00hrs

I believe it's time to change especially when considering the cost of fuel prices and most councils on the weekend work on tariff 2 (Cardiff).

Previous rate too low

Previous to low

Not the right time

- 5.10 In relation to Waiting Time - 26 out of 32 respondees (83.87%) were in favour of increasing the waiting time (the time after hire, i.e. the waiting for the passenger to

commence/recommence journey) from 10p per 30 seconds to 20p per 30 seconds. When prompted for reasons for their choice in relation to the above, the following comments have been received:

Some customers take a long time when running into shops, friends' houses, etc this comes to the cost of the driver so an increase should be imposed.

Waiting time needs to go in line with the rise

Increase is needed

I personally think doubling the waiting time at the moment is not right.

The price of fuel is rising and we are earning less and less

At the rate of 10p per 30 seconds I can earn a maximum of £12 for an hour spent waiting, however if I was to do a run to Newport roughly a 30 min run I could earn £30.

On regular occasions I have customers that will ask me to take them to the shop (tesco, asda) and ask me to wait for them while they do a shop. I worked it out that if a customer has asked me to wait an hour it equals £12 an hour. A run from Blackwood to Cardiff which takes 30 minutes is around £30-35 so double that and you could have earned £60-£70. That's a huge reduction in what you could potentially be earning. Because the waiting time is so low people don't mind keeping us waiting.

On long waits the existing is not sufficient

The rate is currently insufficient when we are waiting a long time for passengers.

With a 10% increase in fares I see no need to increase waiting time.

When waiting losing money as can't take another fare

Can't take moaning at the fare increase

Rise in fuel prices

Fuel prices

When customers going into food stores for 15 to 20 minutes the current rate does not justify the wait

Because it's the law a lot of customers take advantage of it.

Previous was too low

Previous not enough

Currently low

The cost of expenses & living is rising

The cost of motoring expenses are rising

Not right time

- 5.11 Tariff 2 provision - The two proposals received to increase the tariff of fares advocated differing times for the Tariff 2 rate to take effect. Proposal A advocated that Tariff 2 become effective from 10pm until 6am, whilst Proposal B advocated that Tariff 2 be effective from Friday at 7pm and continue until 7am on Monday. The current tariff 2 rate is effective from 7pm to 7am.

17 respondees (54.83%) were in favour of tariff 2 being effective from Friday at 7pm and continue until 7am on Monday. 10 respondees (32.25%) were in favour of maintaining existing requirements i.e. 7pm to 7am, whilst 4 respondees (12.90%) favoured a revision of the hours of tariff 2 to reflect 10pm to 6am.

When prompted for reasons for their choice in relation to the above, the following comments have been received:

Proposal B by CCBTDA makes the most sense and is very reasonable.

It took 8 years to get this agreement and any other would be going backwards

I personally think it should stay at 7pm to 7am. And change to 7pm Friday to 7am Monday.

I personally do not work evenings and nights but I used to work them shifts a long time ago. The people who do work night shift are on more money because they deal with drunks and more aggressive customers than on the day shift. The idea that drivers that start work at 7pm won't be getting the money from Tariff 2 until 10pm could potentially cause those drivers to change over to day shift and where we already have way too many drivers working and would dilute the current day drivers pay down even further when we are struggling already.

Because we work 7 days a week not just weekends

After 10 very less custom

This is more sensible - the weekend should be tariff 2 as well.

Current charge too low

- 5.12 Cabinet are asked to consider the proposals set out in this report and to approve an amended tariff for publication in the press. Following the statutory 14 day public consultation period, if no objections are received, the fare tariff shall come into effect immediately. If any objections are received, then Cabinet will receive a further report to consider these and to approve the fare tariff with or without modification and to determine the date upon the revised tariff should come into effect. To assist Members, the current fares and the outcome of implementing either proposal is shown in **Appendix F**.
- 5.13 Whilst there is reference within the Caerphilly County Borough Taxi Driver Association proposal to a survey of its members resulting in the following comments '*Members have decided 267 for 3.*' Responses to the councils' consultation have been received from 32 drivers / vehicle proprietors. This equates to a response rate of 7.96%.

- 5.14 Members will see that of the 32 responses, the majority of respondees, 19 were in support of proposal B. If approved this would result in the following: -
- Tariff 1 – An increase of 10p for the first mile and 20p for each subsequent mile.
 - Tariff 2 – An increase of 10p for the first mile and 20p for each subsequent mile.
 - Tariff 3 – An increase of 35p for the first mile and 30p for each subsequent mile.
 - Tariff 4 – An increase of 40p for the first mile and 40p for each subsequent mile.
 - Tariff 5 – An increase of 60p for the first mile and 60p for each subsequent mile.
- 5.15 Members will note that one of the proposals submitted, proposed to amend the times of operation of Tariff 2 to be effective not just 7pm to 7am but to be applicable from 7pm Friday over the weekend until 7am on Monday.
- 5.16 Members will also note that it is also proposed to increase waiting time (following hire) from 10p per 30 seconds to 20p per 30 seconds. This would mean a passenger 5 minutes late from collecting their pension or leaving the pub would pay an extra £1.00 to that currently charged.
- 5.17 If Members determined to implement the proposals as advocated in Proposal A, then this would result in the following:-
- Tariff 1 – An increase of 40p for the first mile and 20p for each subsequent mile.
 - Tariff 2 – An increase of 40p for the first mile and 30p for each subsequent mile.
 - Tariff 3 – An increase of 50p for the first mile and 30p for each subsequent mile.
 - Tariff 4 – An increase of 80p for the first mile and 40p for each subsequent mile.
 - Tariff 5 – An increase of £1.00 for the first mile and £1.00 for each subsequent mile.
- 5.18 Comparisons with national, regional and neighbouring authorities, as stated earlier in the report, suggest that an increase in the tariff is overdue. If the proposals above were agreed in line with Proposal B above then a two mile journey Monday to Friday 7am-7pm would equate to £5.70, but would cost £6.40, if passengers travelled between 7pm Friday to 7am Monday.
- If the Proposals were agreed in line with amounts detailed in Proposal A, maintaining the times of operation as detailed above then a two mile journey Monday to Friday 7am-7pm would equate to £6.00, but would cost £6.80, if passengers travelled

between 7pm Friday to 7am Monday.

- 5.19 The national average fare as December 2021 was £6.06, the all-Wales average was £5.69 and the regional average in Gwent was £5.48. It is however expected that most areas will be reviewing tariffs as a result of recent significant increases in fuel costs.
- 5.20 If a new tariff is introduced, meters in hackney carriages will require re-calibrating. It is also noted that three respondents were not in favour of any tariff increase, preferring to remain with the current tariff. One respondent commented upon the likelihood of complaints by passengers as to fare shown on the meter should fares be increased. If Members determine to increase the tariff of fares, then these licensees will have the ability to continue to offer a lower tariff should they choose. Any revised Tariff would be the maximum amount that could be charged for a journey in a hackney carriage vehicle.
- 5.21 **Conclusion**

Cabinet are required to consider the requests made by the trade and the results of the consultation undertaken. The comments of respondents detailed above were received prior to the escalation of the crisis in Ukraine and resultant increases in the cost of fuel. Fuel prices have risen significantly since the submission of both proposals submitted by the taxi trade, the tariff fare increase detailed in Proposal A may now be more appropriate given increasing costs and the volatile nature of the price of fuel, which could increase further. Officers have received two separate requests from drivers/operators in the last week to bring the new tariff in as soon as possible.

Members will need to assess the proposed tariff rates, the time at which tariff 2 will come into operation and the proposed increase to the cost of waiting time.

Members of the Taxi and General Committee at the meeting of the 25th March 2022 were therefore asked:–

- (i) To recommend to Cabinet the revised tariff, either Proposal A or Proposal B.
- (ii) Whether to increase 'waiting time' by 10p per 30 seconds to reflect a revised position of 20p per 30 seconds.
- (iii) To determine the hours of operation in relation to Tariff 2. Tariff 2 currently applies to journeys for between 1 – 4 passengers undertaken between 7pm to 7am (7days a week).

The options are:

- (a) maintain the current position.
- (b) tariff 2 to apply Friday 7pm to Monday 7am.
- (c) tariff 2 to apply 10pm to 6am, 7 days a week.

Members will be aware that residents without the use of cars rely on taxi services to transport them around the borough. Members will wish to take into consideration the increase in the cost of fuel and other living / business costs but also the cost to members of the public using hackney carriage vehicles. The tariff of fares for hackney carriages needs to be reasonable in order to attract and maintain suitable numbers of drivers and vehicle proprietors for a community and for a viable

employment opportunity. There is a need and demand for Taxi provision within the borough and to sustain a transport system. Tariff of fares need to be fair to the drivers, vehicle owners in order to make a living and at a level to be affordable and used by the travelling public.

6. ASSUMPTIONS

- 6.1 No assumptions have been made within this report.

7. SUMMARY OF INTEGRATED IMPACT ASSESSMENT

- 7.1 The aim of the proposal is to set a tariff of fares that is reasonable to the travelling public and to the taxi trade who earn a living by owning or driving hackney carriages. The current tariff of fares has not increased since 2018. The review of the hackney carriage tariff has been triggered following requests from the hackney carriage. A number of factors influencing taxi journey costs have increased since that time e.g., a 32.6% increase in petrol and 37% increase in diesel costs. The current rate of inflation is 5.5%, the highest 12 months inflation rate since 2011.

The latest figures for CPI Consumer Price Index are 5.5%. Car insurance costs increased in 2019 and 2020 and then dropped by 6% in 2021. Prices in December 2021 however were 5% higher than the previous 3 months. Changes in restrictions on insurance pricing from January 2022 may also lead to further price increases. The tariff of fares sets the maximum amount that can be charged for journeys in hackney carriage vehicles. Drivers / Proprietors can choose to charge fares below the level of the tariff of fares. 8. FINANCIAL IMPLICATIONS

- 8.1 There are no financial implications for the authority except for the advertising costs in publishing details of the proposals for which a budget already exists.

9. PERSONNEL IMPLICATIONS

- 9.1 There are no personnel implications associated with this report.

10. CONSULTATIONS

- 10.1 The report has been sent to the Consultees listed below and all comments received are reflected in the report.
- 10.2 Members of the Taxi and General Committee at the meeting of the 25th March 2022 considered the report and comments made by a representative of the Caerphilly County Borough Taxi Drivers Association and a hackney carriage vehicle proprietor who both attended the meeting. The representative of the taxi association confirmed that the Association's position in relation to any increase of the tariff was unchanged and remained as set out in Proposal B. One Member acknowledged the complexity

of the proposals, the continuing rise in living costs and inflation rates since the proposals were submitted in November 2021 and December 2021, and the need to take these continued rises into consideration as part of the Committee's recommendations. The Member also referenced the lack of consultation responses received from the trade and suggested that a higher response rate would have been useful for the Committee to gauge the general strength of feeling across the whole of the trade regarding these proposals which are of the utmost importance to their livelihoods.

- 10.3 The Taxi Association representative explained that many trade members had called for a larger increase in fares, particularly in view of the rising costs of living, but it had since been acknowledged that this was not feasible and so proposing a small increase would still be of benefit to the taxi trade whilst not significantly impacting on the costs of taxi hire by the public. The trade wished for Tariff 2 to be implemented on the weekends (19:00 on Friday until 07:00 on Mondays) so that all drivers would see the benefits of the increase, including daytime drivers, and this small increase would help drivers with the rising cost of living. The Taxi Association representative explained that this proposal was felt to be sensible and proportionate by the trade, as having a 10-pence increase (across Tariffs 1 and 2) would only equate to £1.00 extra income for the driver over a 5-mile journey.

The Taxi Association representative asked that if Members were not minded to support the change to Tariff 2 across the weekend, then they maintain the current situation where Tariff 2 applies 07:00 to 19:00.

The Taxi Association representative also highlighted the most recent hackney carriage fare increase in 2018 and explained that because there was such a significant increase in fares at that time, following a number of years where there was no increase, this led to an adverse impact on the trade where the public were reluctant to use taxis for a period of time because of the increased costs. The representative suggested that moving forward, it would be sensible to have smaller and more frequent increases every two years, rather than a significant increase in fares every five to ten years.

- 10.4 A local hackney carriage vehicle proprietor also addressed the Committee later in the meeting, and outlined his reasons for submitting Proposal A, which advocated an increase of approximately 10% across all tariffs, together with a request for the waiting time to be increased from 10p per 30 seconds to 20p per 30 seconds and for Tariff 2 to be implemented from 22:00 to 06:00 7 days a week.

The Hackney Carriage Proprietor explained that as there has been no tariff increase for almost four years, he felt that a 10% increase across the board would be fair as this would equate to a 2.5% increase per year. The Proprietor was of the view that Tariff 2 should only apply from 22:00 to 06:00 and disagreed with the other Tariff 2 proposal put forward by the Taxi Association, explaining that this particular proposal would be unfair to customers and have a detrimental impact on Saturday shoppers and people going out for Sunday lunch, which comprise a significant proportion of trade.

- 10.5 A Member acknowledged the increasing financial pressures placed on the trade and was in support of increasing the rate of waiting time in order to recognise the demands placed on drivers and the fact that they could be missing out on fares elsewhere. He also acknowledged that a change to the Tariff 2 timings across the weekends could act as an uplift to those drivers who work shifts across unsociable hours. In addition, the Member suggested that moving forward in the long term, a

solution to assist with ongoing financial pressures faced by both drivers and customer could be to review and increase hackney carriage fares on a more frequent basis and in smaller increments.

- 10.6 Following consideration of the report and the representations made, the Taxi and General Committee considered the proposals on the amendments to the hackney carriage fare tariff as set out in Section 3.2 of the report, in order to make recommendations to Cabinet on the preferred proposals for approval, and to then enable the proposals to be advertised in the press for a 14-day public consultation period.

Voting on each aspect took place by Microsoft forms and Members unanimously recommended the following to cabinet

that:-

- (i) Proposal B be approved as the revised hackney carriage fare tariff.
- (ii) The 'waiting time' be increased by 10 pence per 30 seconds to reflect a revised position of 20 pence per 30 seconds.
- (iii) Tariff 2 be applied Friday 7pm to Monday 7am.

- 10.7 As a result of the view of the Taxi and General Committee, it is recommended that Cabinet approve the tariff of fares for hackney carriage vehicles as detailed within **Appendix G** for the purposes of the statutory 14 day public consultation. Following the statutory 14 day public consultation period, if no objections are received, the fare tariff shall come into effect immediately. If any objections are received, then Cabinet will receive a further report to consider these and to approve the fare tariff with or without modification and to determine the date upon the revised tariff should come into effect.

NATIONAL HACKNEY FARES TABLE
DECEMBER 2021

Councils in positions 354-359 do not impose a tariff for their hackney carriages and instead the individual vehicle charges an agreed fare prior to the journey.

NATIONAL AVERAGE TWO MILE HACKNEY FARE TARIFF ONE IS NOW £6.06

PLEASE NOTE

The councils of Aylesbury Vale, Chiltern, South Bucks and Wycombe have now amalgamated to form Buckinghamshire. This has resulted in our table being reduced to 359 councils.

The councils of Daventry, Northampton and South Northamptonshire have now merged to form a new administrative council of West Northamptonshire.

The councils of Corby, East Northants, Kettering and Wellingborough have now merged to form North Northants. However the original councils still retain their individual tariffs.

Where an (x) appears by a listing, a fare update has been passed by the council, but our fare has not increased.

In the case of Cotswold where a (y) appears alongside the listing, the (y) refers to a fare update but one in which the fare has decreased for a two mile tariff.

Proposal A

I Feel this industry needs a tariff increase. This is based on the grounds of, It has been over 3 years since the previous increase, Fuel prices are surging along with other running costs to name a few. My proposal for the meter increase is for an approximate 10% rise.

Tariff 1 is currently at £ 3.40 and every subsequent mile is £ 2.00/ 10p every 20th of a mile

Tariff 1 should start at £3.80 and every subsequent mile being £ 2.20/ 10p every 22nd of a mile.

Tariff 2 is currently at £ 3.90 and every subsequent mile is £ 2.20/ 10p every 22th of a mile

Tariff 2 should start at £ 4.30 and every subsequent mile being £ 2.50/ 10p every 25th of a mile.

Tariff 3 is currently at £ 4.90 and every subsequent mile is £ 3.30/ 15p every 22th of a mile

Tariff 3 should start at £ 5.40 and every subsequent mile being £ 3.60/ 15p every 24th of a mile.

Tariff 4 is currently at £ 6.40 and every subsequent mile is £ 4.00/ 20p every 20th of a mile

Tariff 4 should start at £ 7.20 and every subsequent mile being £ 4.40/ 20p every 22nd of a mile

Tariff 5 is currently at £ 9.40 and every subsequent mile is £ 6.00/ 30p every 20th of a mile

Tariff 5 should start at £10.40 and every subsequent mile being £7.00/ 35p every 20th of a mile

Waiting time should also be increased to 20p every 30 seconds from 10p every 30 seconds

I also feel that tariff 2 should be amended to 10pm - 6am 7 days a week.

Proposal B

CAERPHILLY COUNTY BOROUGH TAXI DRIVERS ASSOCIATION

ccbtda@gmail.com [REDACTED]

Afternoon Mr Morgan,

I have been asked to submit to the Licensing Section a proposal for a meter fare increase.

Members have decided 267 for 3 against that the time has come for a small increase to take place due to the increased cost of motoring

I'm sure you will appreciate that fuel costs are at an all time high and drivers are starting to feel the extra squeeze.

We are of course mindful that we had an increase in 2018 and this was a significant jump in price.

Please see overleaf for the new proposal.

Can you let me know a timescale as to when it can be submitted for consultation and also when it might go before the Licensing Committee please?.

I would like to give the members some idea as to the next stages and when.

Thank you in advance,

Regards

George
