Cabinet noted the Forward Work Programme.

Following consideration and discussion, it was moved and seconded that the Forward Work Programme be noted. By a show of hands this was unanimously agreed.

## **5. CORPORATE PERFORMANCE ASSESSMENT 2021/22**

Consideration was given to the report which sought to present Cabinet with the Corporate Performance Assessment (CPA) for the year ending 2021/22 a period impacted by both the pandemic response and the pandemic recovery. The Cabinet noted that the CPA forms part of the overall Council 'self-assessment' activity and is submitted to Cabinet for endorsement.

In response to a query raised by a Member, The Corporate Director for Social Services and Housing, Dave Street advised the Cabinet that the are significant issues within Domiciliary Care and assured Members that the Council is doing everything possible in relation to the recruitment and retention fund and are utilising some of the resources currently available to assist with the issue. The Cabinet were advised that any resolution to the current recruitment issue needed to be sustainable. Cabinet noted the recruitment issue is not isolated to Caerphilly and that it was a Nation-wide issue.

Clarification was sought in relation to vacant posts and how Officers were looking to resolve this issue. The Corporate Director advised the Cabinet that a number of key roles were currently out to advert, and proposals will be brought forward in the New Year around market supplements, which will hopefully ease some of the pressure and get a workforce able to tackle some of the challenges going forward.

Cabinet was assured that the situation with recruitment and retention was a priority and that a new agile working policy being brought forward in the coming weeks would provide greater flexibility in terms of work/life balance.

Cabinet queried how agile working has affected sickness levels since the pandemic. The Corporate Director of Education and Corporate Services, Richard Edmunds confirmed that sickness levels had worsened. However, this is not unique to Caerphilly, with the vast majority of Local Authorities in Wales in the same position. Currently Officers are working to identify the causes for example, whether this is linked to capacity issues. Cabinet was

assured that once the position has been identified then proposals would be put forward to address the issue.

Lynne Donovan (Head of People Services) addressed the Cabinet and advised that work is currently being undertaken, prior to the implementation of the Recruitment Team. The Officer advised Members that a recruitment campaign within care commences on the 12<sup>th</sup> December 2022, that will be run into the New Year. There will be adverts on buses, in train stations and in the local cinema. There will also be a lot more advertising on social media.

Following consideration and discussion, it was moved and seconded that the recommendations in the report be approved and by way of Microsoft Forms this was unanimously agreed.

RESOLVED that for the reasons contained in the Officer's report: -

1. That the Cabinet noted the comments and challenge of the Council's Corporate Performance 2021/22.
2. That Cabinet endorsed the Corporate Performance Assessment for 2021/22 as set out in Appendix 1 of the report.

## **6. SELF-ASSESSMENT REPORT FOR 2021/22**

Consideration was given to the report which sought to present Cabinet with the Annual Self-Assessment Report for 2021/22. The report also included an update of the Well-being Objectives for 2021/22. The Cabinet were informed that the Local Government and Election (Wales) Act 2021 required a draft of the self-assessment to be reviewed by Governance and Audit Committee prior to coming to Cabinet. Cabinet noted that the draft attached to the report as (Part 1, Appendix 1) was approved by Governance and Audit Committee on 11 October 2022. The Cabinet also noted that the report was presented to Joint Scrutiny on 10<sup>th</sup> November 2022 for their scrutiny and challenge.

The report sought that the Cabinet approve the Self-assessment Report (including Well-being Objectives) 2021/22 (Appendix 1) as a final position on organisational performance for the year 2021/2022, following the reports being scrutinised by Governance and Audit and Joint Scrutiny Committee.

The Chief Executive addressed the Cabinet to emphasize the importance of the report which captures the performance of the organisation. The Chief Executive confirmed that there was a need for the organisation to be reframed and remobilised but believed that the Council has a very solid foundation to meet challenges that will present themselves.

A Cabinet Member expressed how proud they were to see that the Council have supported over 4000 council tenants, by generating more than £3m in savings minimising the effect on welfare reform. The Member requested further information on whether extra resources will be used for staffing to increase the savings now that the time of hardship will worsen.

The Head of Financial Services and S151 Officer, Steven Harris advised the Cabinet that significant funding has been set aside for the Caerphilly Cares Team. This as well as other priorities will be looked at when determining budgets over the coming months.

Following consideration and discussion, it was moved and seconded that the recommendations in the report be approved and by way of Microsoft Forms this was unanimously agreed.

RESOLVED that for the reasons contained in the Officer's report: -

1. That Cabinet approved the Self-assessment Report (including well-being Objectives) 2021/22(Appendix 1) as a final position on organisational performance for the year 2021/2022.

## **7. UPDATE ON DECARBONISATION OF FLEET VEHICLES AND RELATED POLICIES**

Consideration was given to the report which sought to update Cabinet on the work to review the Council's vehicle fleet and the transition to ultra-low emission vehicles (ULEV). The report also sought to seek Cabinet approval to develop a policy for employees and visitors to be able to use the electric vehicle charging infrastructure for their own vehicles, at cost and to seek approval to implement the actions identified as the next steps to reduce carbon emissions from our fleet.

Following a query raised by Cabinet the Senior Policy Officer, Paul Cooke confirmed that there is currently an issue with lead times on electric vehicles, which vary but they can be between 9 to 12 months. The Authority have not yet placed any orders for the new vehicles as the infrastructure hasn't been in place. However, this would be completed in the very near future and at this point the order will take place. The Officer advised the Cabinet that the new electric vehicles will initially be managed and maintained by the manufacturer as the current workforce wouldn't have the necessary skills to maintain them. However, in the future it will become more economically viable to do so as an Authority, but that would involve a significant change in the way that the Council currently operates.

The Leader was pleased to note that Council is rolling out the decarbonisation of the fleet and the introduction of charging points.

Following consideration and discussion, it was moved and seconded that the recommendations in the report be approved and by way of Microsoft Forms this was unanimously agreed.

RESOLVED that for the reasons contained in the Officer's report: -

1. That the Cabinet noted the progress made to date as part of the fleet review and transition to ultra-low emission vehicles work.
2. That Cabinet approved the principle that employees and visitors should be allowed to use the vehicle charging infrastructure for their personal vehicles, and for a policy to developed to that effect.
3. That Cabinet approved he proposed actions set out in this report to continue the transition to ultra-low emission vehicles.

## **8. CYBER SECURITY STRATEGY 2022-2025**

Cabinet noted that the report had been considered by the Governance and Audit Scrutiny Committee as its meeting on the 14 June 2022.

Consideration was given to the report which sought to update Cabinet on the draft Caerphilly CBC ('Council') Cyber Security Strategy 2022 – 2025 ('Strategy') and for Cabinet to approve the endorsement and implementation of the Strategy.

Cabinet noted that the Council works closely with an external company to protect the Council against cyber-attacks. The Council has recently undertaken its annual IT Health check, part of this health checks looks at the security procedures that are in place such as passwords for Staff and Members. The health check had identified that there were a significant number of passwords that could be easily compromised.

Following a query from a Member, the Officers advised Cabinet that due to the serious risk to the Council, mandatory training would be put in place for all staff and Members to raise awareness and this could be achieved internally through online training or through training by external bodies. The Leader agreed that this was something he would endorse.

Following consideration and discussion, it was moved and seconded that the recommendations in the report be approved and by way of Microsoft Forms this was unanimously agreed.

RESOLVED that for the reasons contained in the Officer's report: -

1. That the Cabinet approved the Cyber Security Strategy 2022-2025 be endorsed and implemented.

## **9. UPDATE ON THE PROCUREMENT REFORM AGENDA AND TO EXTEND THE COUNCIL'S PROGRAMME FOR PROCUREMENT (STRATEGY) FOR A PERIOD OF UP TO EIGHTEEN (18) MONTHS**

Cabinet noted that the report had been considered by the Policy and Resources Scrutiny Committee on 8 November 2022.

Consideration was given to the report which sought to update Cabinet on the UK Central Government and Welsh Government Procurement reform agenda via The Procurement Bill and the Social Partnership and Public Procurement (Wales) Bill. Cabinet was also asked to endorse the recommendation to extend the Council's Programme for Procurement ('Strategy'), for a period of up to eighteen (18) months to allow the future Strategy to incorporate the requirements of The Procurement Bill and Social Partnership and Public Procurement (Wales) Bill.

Clarification was sought on whether following Brexit there are any immediate changes in relation to going from the European Legislation to the British Legislation. Ian Evan the Procurement and Information Manager advised the Cabinet that EU Procurement Directives flow down to the UK Public Procurement Law. Therefore, there will be certain aspects that the UK have never adopted in terms of the EU Directives. However, the Cabinet were advised that in terms of the Procurement Professional and Practitioner there will be significant changes in relation to the number of procedures and flexibility around the rules going forward.

Following consideration and discussion, it was moved and seconded that the recommendations in the report be approved and by way of Microsoft Forms this was unanimously agreed.

RESOLVED that for the reasons contained in the Officer's report: -

1. That Cabinet noted the current status of The Procurement Bill and the Social Partnership and Public Procurement (Wales) Bill.
2. That Cabinet endorsed the recommendation to extend the Council's existing Procurement Strategy for a period of up to eighteen (18) months.

## **10. EDUCATION STRATEGY**

Cabinet noted that the report had been considered by the Education Scrutiny Committee 19<sup>th</sup> October 2022.

Consideration was given to the report which updated Cabinet on the revised Education Strategy

2022-2025 building on the successes of the Shared Ambitions Strategy which shifted decision-making from short-term to long-term and school improvement approaches from 'challenge' to 'support'. The report also sought Cabinet approval to formally adopt and subsequently launch the new Education Strategy.

Clarification was sought on what support was being provided to schools within the area, that have Ukrainian children that may have limited English language skills and may also be suffering PTSD. The Early Years Manager Sarah Mutch advised the Cabinet that a weekly meeting takes place to look at the children coming into the Borough and the level of support they may require. An Education Psychologist forms part of this group to ensure the correct support is being given. Schools do receive extra funding to assist in this area.

Paul Warren the Strategic Lead for School Improvement advised the Cabinet that the Education Advisory Service (EAS) were involved with the development of the Education Strategy from the start and will stay involved going forward. The Officer informed the Members that there was a large piece of work included within the strategy which focuses on the learner's journey. The EAS worked with curriculum teams to identify what the self-evaluation journey should look like. The work that was carried out by the EAS was then QA'd with a group of Headteachers within the Authority to see if it fitted within the model of working. The work has focused on strengthening the working partnership between the Local Authority and the EAS.

Clarification was sought on how the strategy provides mental health support provisions for young adults. The Early Years Manager advised the Cabinet that Youth Services provides a Youth Forum which works with young people across the Borough. Youth Workers have all been trained in Mental Health First Aid and there has been a significant push around school-based counselling with the schools themselves doing a lot of work around well-being.

The Corporate Director Education and Corporate Services thanked Keri Cole, Paul Warren and all of their teams for the huge amount of work involved in putting the strategy together.

Following consideration and discussion it was moved and seconded that the recommendations in the report be approved and by way of Microsoft Forms this was unanimously agreed.

RESOLVED that for the reasons contained in the Officer's report: -

1. That Cabinet approved the publication of the new Education Strategy 2022-2025.

## **11. CHRISTMAS CLOSEDOWN ARRANGEMENTS**

Consideration was given to the report which sought Cabinet approval for the Christmas closedown arrangements for 2022 and for the years thereafter.

Cabinet noted in previous years the Council implemented a closedown for offices over the Christmas period. Cabinet also noted the report only applies to Council Staff employed under Section 112 of the Local Government Act 1972 and for whom the Council has the power 'to appoint and manage staff on such reasonable terms and conditions as the Authority thinks fit'. The report does not apply to School appointed staff for whom the Council does not hold this power.

Cabinet noted that Trade Unions had been consulted on the report and supported the recommendations.

Following consideration and discussion, it was moved and seconded that the recommendations in the report be approved and by way of Microsoft Forms this was unanimously agreed.

RESOLVED that for the reasons contained in the Officer's report: -

1. That Cabinet approved that the Corporate Offices close at 12noon on Friday 23<sup>rd</sup> December 2022 and reopen on Tuesday 3<sup>rd</sup> January 2023.

3. That Cabinet approved this principle of Christmas shutdown and the 2 hours credit for future years; the dates affected will be agreed by the Leader and the Chief Executive.

The Chief Executive and The Leader took the opportunity to put on record they're thanks to all the staff across the workforce for their hard work.

The meeting closed at 2.18p.m.

## 2. DATGAN BUDDIANNAU

Datganodd y Cynghorydd C. Andrews fuddiant personol yn unig mewn perthynas ag Eitem Agenda Rhif 4 - Polisiâu Ystwyth gan fod ei gŵr yn gweithio i'r awdurdod lleol.

Er ei fod yn benderfyniad i'r aelod, nod y Swyddog Monitro gan fod y polisiâu hyn ar gyfer y fwrdeistref sirol ac yn cwmpasu pob gweithiwr, ac nad oeddent yn benodol i wŷr y Cynghorydd Andrews, byddai datgan buddiant personol yn ddigonol ac felly nad oedd yn ofynnol iddi adael y cyfarfod, ac y byddai'n gallu cymryd rhan yn llawn yn y drafodaeth ac i bleidleisio.

Datganodd y Cynghorydd C. Andrews fuddiant personol yn unig mewn perthynas ag Eitem Agenda Rhif 6 - Ffioedd Cyfrif Refeniw Tai - 2023-24 gan fod ei thad yn denant i'r Cyngor.

Datganodd y Cynghorydd N. George fuddiant personol yn unig mewn perthynas ag Eitem Agenda Rhif 6 – Ffioedd Cyfrif Refeniw Tai – 2023-24 gan ei fod yn rhentu garej gan y Cyngor.

Er ei fod yn benderfyniad i bob aelod, nododd y Swyddog Monitro gan fod mater yn ymwneud â gosod rhenti ar gyfer pob eiddo o fewn y fwrdeistref sirol gan gynnwys garejis, ac nad oedd yn ymwneud ag unigolyn nag eiddo penodol, byddai datgan buddiant personol yn briodol, ac felly byddai'r Aelodau a nodwyd uchod yn gallu cymryd rhan llawn yn y drafodaeth a phleidleisio.

Mewn perthynas ag Eitem Agenda Rhif 4 - Polisiâu Ystwyth, roedd Pennaeth Gwasanaethau Pobl yn teimlo ei bod yn bwysig nodi er bod y polisiâu o ddiddordeb i bob Swyddog a oedd yn bresennol gan eu bod yn berthnasol i bawb, roedd y polisiâu hefyd yr un mor berthnasol i bob aelod staff cyflogedig yn yr awdurdod lleol nad ydynt yn gweithio mewn ysgolion, a gan nad oedd y Swyddogion a oedd yn bresennol yn gyfrifol am wneud penderfyniadau ac nad oeddent yn gallu pleidleisio ar y mater hwn, nid oedd angen gwneud datganiad o fuddiannau a gallai'r Swyddogion aros yn y cyfarfod wrth i'r adroddiad gael ei ystyried. Roedd y Swyddog Monitro yn cytuno gyda sylwadau'r Pennaeth Gwasanaethau Pobl, a nododd gan fod y polisiâu'n berthnasol i bawb sydd wedi'u cyflogi gan y Cyngor, ac nid y Swyddogion a oedd yn bresennol yn y Siambr yn unig, nid oedd angen datganiad o fuddiant.

O ystyried yr heriau cyllidebol digynsail ar y gweill, roedd yn rhagweld y byddai'r rhaglen yn cynyddu wrth i'r heriau hynny ddod i'r amlwg.

Yn dilyn ystyriaeth a thrafodaeth, cynigiwyd ac eiliwyd y dylid nodi'r Blaenraglen Waith. Cafodd hyn ei gytuno'n unfrydol trwy godi dwylo.

Nododd y Cabinet bod yr adroddiad wedi cael ei ystyried gan y Pwyllgor Craffu ar Bolisi ac Adnoddau ar 12 Rhagfyr 2022 a rhoddwyd diweddariad llafar ar eu sylwadau. Nodwyd fod y Pwyllgor Craffu wedi cefnogi'r pedwar polisi drafft yn unfrydol ac wedi argymhell eu cymeradwyo i'r Cabinet.

Rhoddwyd ystyriaeth i'r adroddiad a oedd yn gofyn am gytundeb y Cyngor mewn perthynas â 4 polisi sy'n cefnogi gweithio Ystwyth, sef y Polisi Gweithio Ystwyth, y Cynllun Oriau Gweithio Hyblyg, y Cynllun Milltiroedd a'r Polisi Gwyliau Blynyddol. Nododd y Cabinet fod trafodaethau wedi cymryd lle gydag Undebau GMB, Unison ac Unite ac roedd eu hadborth wedi'i nodi yn Atodiad 5 a 6 o adroddiad y Swyddog.

Roedd y Polisi Gweithio Ystwyth yn darparu'r fframwaith sy'n pwysleisio pwysigrwydd twf economaidd, datgarboneiddio ac iechyd a lles gweithwyr gan alluogi staff i weithio'n fwy clyfar, gwaredu rhwystrau rhag gweithio'n effeithlon a thrwy gyflwyno'r model newydd hwn o weithio lle bynnag fo'n bosibl o fewn y Cyngor, i wella darpariaeth gwasanaethau. Nododd y Cabinet nad oes modd i bob gwasanaeth alluogi gweithio hyblyg/Ystwyth, ac mae angen i ofynion y gwasanaeth gymryd blaenoriaeth.

Roedd y Polisi Gwyliau Blynyddol yn cynnig chwe diwrnod ychwanegol o wyliau, a oedd yn cynnwys y diwrnod ychwanegol a gytunwyd fel rhan o'r Dyfarniad Tâl y Cyd-gyngor Cenedlaethol ar gyfer 2022/23. Nodd y Cabinet y byddai'r gost flynyddol ychwanegol oddeutu £2.459m, a phe byddai'n cael cefnogaeth, byddai angen cymeradwyaeth y Cyngor ar gyfer y cais twf fel rhan o Gynigion Cyllideb 2023/24.

Amlinellwyd y Cynllun Gweithio'n Hyblyg yn Adran 5.8 o adroddiad y Swyddog, a chyfeiriwyd y Cabinet at y tabl yn 5.8.4 sy'n rhoi manylion y prif wahaniaethau rhwng y cynllun cyfredol a'r cynllun arfaethedig. Amlinellwyd y Polisi Milltiroedd yn Adran 5.9 o adroddiad y Swyddog a nodwyd yr egwyddorion a'r rheolau ar gyfer hawlio costau teithio o ganlyniad i fusnes y Cyngor yn unol â chategoreiddiad staff a amlinellir yn y Polisi Gweithio Ystwyth.

Croesawodd y Cabinet sylwadau'r Undebau Llafur a'r Pwyllgor Craffu ar Bolisi ac Adnoddau a chofnodwyd eu diolchiadau i'r Pennaeth Gwasanaethau Pobl a'i Thîm am yr holl waith called angenrheidiol wrth baratoi'r polisiâu hyn.

Cyfeiriwyd at Asesiadau Offer Sgrin Arddangos ac a oedd y rhain yn cael eu cynnal er mwyn sicrhau iechyd a diogelwch staff wrth weithio gartref. Eglurodd Pennaeth Gwasanaethau Pobl y broses asesu a chadarnhaodd nad oedd hyn yn rhywbeth newydd i Reolwyr a Staff, a bod adnoddau cyfeirio ar gyfer Rheolwyr yn cael eu hadolygu'n rheolaidd ac yn cynnwys fideo.

Gofynnwyd am eglurhad o ran gweithio hyblyg a sut y byddai hyn yn gweithio o ran cysylltu â Swyddogion y tu allan i oriau gwaith. Cadarnhaodd Pennaeth Gwasanaethau Pobl y byddai angen cytuno ar batrymau gwaith gyda Rheolwyr Llinell a fyddai'n sicrhau bod ganddynt staff digonol er mwyn bodloni gofynion y gwasanaeth. Er enghraifft os nad oes angen staff cefnogi i weithio gyda'r nos, yn anffodus, ni fyddai Rheolwyr yn gallu cefnogi ceisiadau o'r fath. Fodd bynnag, pe byddai angen i staff bicio allan i weld y Deintydd er enghraifft, byddent yn rhoi gwybod i'w Rheolwr Llinell ac felly, pe byddai rhywun yn ceisio cysylltu, byddai'r rheolwr yn ymwybodol, yn sicrhau bod rhywun ar gael i weithio yn lle'r aelod staff, ac felly'n osgoi cwynion diangen. Cadarnhaodd Pennaeth Gwasanaethau Pobl ei bod hi'n arfer dda o ran rheoli i reolwyr wybod ble mae eu staff, p'un a ydynt yn gweithio gartref, allan yn y gymuned, neu mewn adeilad swyddfa, gan hefyd gynnig hyblygrwydd i staff. Mae'r polisiâu hyn yn cefnogi staff, ac yn bwysicaf oll, yn cefnogi'r gwaith o ddarparu gwasanaethau i breswylwyr y fwrdeistref.

Cyfeiriodd y Cabinet at Daliadau CThEM ar gyfer gweithio gartref, a gofynnwyd a oedd staff yn ymwybodol bod modd gwneud yr hawlau hyn. Cadarnhaodd Pennaeth Gwasanaethau Pobl er bod CThEM wedi gwneud taliadau yn ystod y Pandemig, nid yw'r rhain ar gael

bellach, ond bod cyfle o hyd i wneud hawliadau ar gyfer y gorffennol os oedd staff yn dymuno gwneud hynny.

Gofynnwyd wedyn am eglurhad am yr wythnos waith 7 diwrnod a nodwyd, a ph'un a fyddai modd gwneud hyn yn orfodol. Cynghorodd Pennaeth Gwasanaethau Pobl na fyddai unrhyw newid i batrymau gwaith heb ymgynghori gyda staff a'r undebau llafur.

Gofynnodd y Cabinet am ddiweddariad ar gynnydd y system deffoni newydd. Cadarnhaodd Cyfarwyddwr Corfforaethol Addysg a Gwasanaethau Corfforaethol fod gwaith yn mynd rhagddo i wneud y system deffoni yn fwy esmwyth, a'u bod yn gobeithio gallu peilota'r system newydd yn fuan.

Cofnodwyd fod y Prif Weithredwr yn diolch i Bennaeth Gwasanaethau Pobl a'i Thîm am eu hymdrechion i baratoi'r polisiau hyn, ac roedd y Prif Weithredwr yn credu bod y dogfennau dan ystyriaeth yn gam sylweddol ymlaen, gan gefnogi hyblygrwydd staff, ac yn bennaf oll, anghenion y gwasanaeth. Nododd y Cabinet fod y Prif Weithredwr wedi bod mewn cysylltiad uniongyrchol gyda staff wrth weithio ar ddatblygu'r polisiau a'u bod wedi cael eu croesawu.

Cyfeiriodd y Cabinet at y Cynllun Milltiroedd, a chynigiwyd y dylid ei adolygu ar ôl cyfnod o flwyddyn i weld a fu unrhyw broblemau o ganlyniad i'w weithredu. Roedd Swyddogion yn croesawu'r cynnig a chadarnhaodd y Pennaeth Gwasanaethau Pobl fod Uwch Swyddogion ac Aelodau'r Cabinet yn cyfarfod yn rheolaidd gydag Undebau Llafur a'u bod yn gobeithio y byddai unrhyw broblemau pe byddent yn dod i'r amlwg yn cael eu codi yn gynt na'r adolygiad blwyddyn trwy'r mecanweithiau hyn sydd eisoes ar waith.

Yn ddibynnol ar argymhelliad ychwanegol 3.1(5) sy'n nodi bydd y Polisi Cynllun Milltiroedd yn cael ei adolygu ar ôl blwyddyn, cynigiwyd ac eiliwyd y dylid cymeradwyo'r argymhellion a nodir yn adroddiad y Swyddog..

PENDERFYNWYD, am y rhesymau a nodir yn adroddiad y Swyddog: -

1. Y dylid cytuno ar y Polisi Gweithio Ystwyth a atodir yn Atodiad 1.
2. Y dylid cytuno ar y Polisi Cynllun Hyblyg a atodir yn Atodiad 3.
3. Y dylid cytuno ar y Polisi Cynllun Milltiroedd yn Atodiad 4.
4. Yn amodol ar y Cyngor yn cytuno ar y cyllid o £2.459m sy'n ofynnol er mwyn cefnogi'r polisi, fel rhan y Broses Gosod Cyllideb 2023/24, y dylid cytuno ar y Polisi Gwyliau Blynyddol yn Atodiad 2.
5. Bydd y Polisi Cynllun Milltiroedd yn cael ei adolygu ar ôl blwyddyn.

## **5. POLISI PERCHENTYAETH COST ISEL**

Nododd y Cabinet fod yr adroddiad wedi cael ei ystyried gan y Pwyllgor Craffu ar Dai ac Adfywiad ar 29 Tachwedd 2022.

Rhoddyd ystyriaeth i'r adroddiad a oedd yn gofyn am gymeradwyaeth y Cyngor i fabwysiadu'r Polisi Perchentyaeth Cost Isel newydd yn ffurfiol, a'i lansio, fel yr atodir yn Atodiad 1 i adroddiad y Swyddog.

Nododd y Cabinet fod data'r Swyddfa Ystadegau Gwladol yn dangos fod costau bod yn berchen ar dŷ yn dod yn cynyddu fwy a mwy, gyda chwyddiant prisiau tai yn mynd y tu hwnt i'r cynnydd mewn incwm. Byddai'r polisi yn helpu pobl sydd methu prynu 100% o eiddo ar y farchnad agored, yn helpu i leihau nifer y bobl sydd ar y gofrestr dai gyffredinol a chefnogi'r

Cyngor yn ei uchelgais i greu cymunedau cytbwys a chynaliadwy fel yr amlinellir yn y Strategaeth Dai Leol a gymeradwywyd yn ddiweddar.

Gofynnwyd am eglurhad ynghylch a fyddai trothwy meini prawf incwm y cartref yn cael ei ddiweddarau'n flynyddol. Nododd y Pennaeth Tai mai'r ffordd fwyaf synhwyrol o gadw cofnod ac adolygu hyn fyddai drwy ddefnyddio data chwyddiant cyflogau a data'r Swyddfa Ystadegau Gwladol. Gofynnodd yr Aelod wedyn am wybodaeth bellach o ran amcangyfrif o nifer y bobl a fyddai â diddordeb yn y cynllun, ac a fyddai'r pwysau ar y stoc dai bresennol yn ysgafnhau pe byddent yn cymryd rhan yn y cynllun.

Cynghorodd y Swyddog mai un o fanteision allweddol y polisi oedd y byddai'n galluogi'r rhai sy'n dymuno bod yn berchen ar gartrefi sydd ar y gofrestr dai ar hyn o bryd ond yn methu â bod yn berchen ar dŷ yn llawn i gymryd rhan mewn trefniant rhentu rhannol neu berchnogaeth rannol a lleihau pwysau ar y gofrestr. Cynghorwyd yr Aelod Cabinet, er bod cais wedi'i wneud ar gyfer y data, nid yw'n cael ei gasglu ar hyn o bryd, gan nad oes gan y Cyngor drefniant i'w gynnig, roedd mwy na 1000 o breswylwyr wedi datgan diddordeb mewn cymryd rhan yn y math hwn o drefniant a gynigir gan bartneriaid cymdeithasau tai eraill.

Gofynnwyd wedyn am eglurhad ynglŷn â'r gwahaniaeth rhwng y polisi hwn a thenantiaid yn prynu eu tai Cyngor eu hunain.

Cadarnhaodd y Swyddog fod hyn yn gwbl wahanol i hawl i brynu gan nad oes yn ymwneud â deiliaid cytundeb presennol yn prynu cyfranddaliadau yn eu heiddo presennol, ond yn hytrach yn ymwneud ag eiddo newydd a fydd yn cael eu hadeiladu gan Caerphilly Homes. Byddai hyn yn golygu adeiladu cyflenwad ychwanegol i Fwrdeistref Caerffili ac yn rhoi cyfle i'r rhai sy'n gymwys yn unol â meini prawf i gael mynediad i'r eiddo, gan eu galluogi i gymryd eu camau cyntaf i fod yn berchen ar dai.

Cyfeiriwyd at y Lluoedd Arfog a gofynnwyd am ragor o fanylion ynglŷn â sut y byddent yn derbyn cefnogaeth drwy'r polisi hwn. Cadarnhaodd y Swyddog fod ein Lluoedd Arfog yn derbyn y lefel uchaf o flaenoriaeth dan y polisi hwn ac yn cael eu hepgor o rai o'r meini prawf preswyllo.

Gofynnodd Aelod a allai deiliad cytundeb golli ei fuddsoddiad pe na fyddai'n gallu talu rhent. Cynghorodd y Swyddog, y byddai Caerphilly Homes fel Landlord Cymdeithasol yn ystyried dyled rhent ar sail achosion unigol ac yn gweithio gyda'r unigolyn hwnnw. Fodd bynnag, byddai'n wahanol ar gyfer yr elfen forgais gan mai mater i'r darparwr morgais neu fanc fyddai hynny, a byddai'r rhain yn edrych i weld a oedd y deiliad cytundeb wedi methu â thalu ei forgais, cyn cymryd unrhyw gamau dilynol.

O ran gwelliannau i'r tai a chynnal a chadw, gofynnodd un Aelod a fyddai'n bosibl dan y cynllun hwn i ddeiliaid cytundeb wneud gwelliannau i'w cartrefi, a phwy fyddai'n gyfrifol am gynnal a chadw ac atgyweirio. Cadarnhaodd y Pennaeth Tai y byddai modd caniatáu gwelliannau bach, ond byddai angen caniatâd ar gyfer gwelliannau sylweddol megis estyniad. O ran cynnal a chadw'r eiddo, byddai hynny'n gyfrifoldeb i ddeiliad y cytundeb.

Yn dilyn ystyriaeth a thrafodaeth, cynigiwyd ac eiliwyd bod yr argymhelliad yn yr adroddiad yn cael ei gymeradwyo, a gan ddefnyddio Microsoft Forms, cafodd hyn ei gytuno'n unfrydol.

PENDERFYNWYD am y rhesymau a nodwyd yn adroddiad y Swyddog y dylid cymeradwyo cyflwyno a chyhoeddi'r Polisi Perchentyaeth Cost Isel newydd.

## 6. FFOIEDD Y CYFRIF REFENIW TAI – 2023/2024

Rhodddwyd ystyriaeth i adroddiad a oedd yn gofyn am gymeradwyaeth y Cabinet i gynyddu ffioedd rhent ar gyfer tai a garejys y cyngor.

Nododd y Cabinet fod paratoi cyllideb y Cyfrif Refeniw Tai yn waith ar wahân i'r gwaith sydd ynghlwm â gosod Cyllideb y Gronfa Gyffredinol a Threth y Cyngor. Mae'r Cyfrif Refeniw Tai yn cael ei ariannu gan incwm rhent a dderbynnir gan Denantiaid y Cyngor, yn hytrach na Threthdalwyr y Cyngor. Er bod rhaniad amlwg rhwng y cronfeydd hyn, mae'r rhan fwyaf o'r gyfran o rent tenantiaid y cyngor yn cael ei ariannu drwy gymorth ariannol ar ffurf Budd-dal Tai neu Gredyd Cynhwysol, sy'n deillio o bwrs y trethdalwr, ac felly mae'n rhaid sicrhau gwerth am arian bob amser.

Hysbyswyd y Cabinet fod cynnydd mewn chwyddiant wrth ddarparu pob agwedd ar y gwasanaeth tai gan gynnwys costau deunyddiau, ymrwymiad i sicrhau Sero Net Carbon ac adeiladu tai Cyngor yn costio arian, a bod angen cynyddu rhenti'r Cyngor er mwyn sicrhau bod digon o adnoddau ar gael i reoli a chynnal ein stoc dai yn effeithiol. Gofynnwyd i'r Cabinet nodi fod y Cyngor yn cefnogi tenantiaid yn barhaus, a'i fod eisoes wedi helpu i sicrhau gwerth £3.2m o fudd-daliadau ychwanegol, 800 o geisiadau llwyddiannus ar gyfer taliadau disgresiwn ar gostau tai, ac wedi helpu dros 1000 o breswylwyr gyda grant tanwydd gaeaf o £200.

Mae'r Cabinet yn cydnabod bod rhenti Caerffili yn rhai o'r isaf, ond roeddent yn holi sut mae'r rhenti hyn yn cymharu gyda'r sector preifat. Cadarnhaodd y Swyddog fod rhentu tŷ 3 ystafell wely yn breifat yn costio oddeutu £134 yr wythnos (cyfnod rhentu 48 wythnos) a bod rhent yng Nghaerffili oddeutu £108.80 yr wythnos/cyfnod 48 wythnos. Am dŷ 2 ystafell wely yn y sector preifat, byddai rhent yn costio oddeutu £124 yr wythnos, ac yng Nghaerffili, byddai'n costio £101, cyfwerth ag 20% yn rhatach.

Gofynnodd Aelodau a oedd arolwg tenantiaid wedi cael ei gynnal mewn perthynas â'r cynnydd mewn rhent. Cadarnhaodd y Pennaeth Tai fod Caerphilly Homes yn cynnal arolygon rheolaidd gyda thenantiaid, ac roedd rhenti wedi denu ymatebion diddorol iawn, gydag adborth cadarnhaol a negyddol. Fodd bynnag, roedd mwyafrif helaeth y deiliaid cytundeb yn cydnabod bod angen cynyddu rhent er mwyn i Gaerffili fel Landlord allu parhau i ddarparu'r lefel gwasanaeth hwn.

Gofynnwyd wedyn am eglurhad a oedd unrhyw waith modelu fforddiadwyedd wedi cael ei wneud ynghylch y cynnydd o 6.5% a dywedodd y Pennaeth Tai fod y Matrics Joseph Rowntree (JR) wedi cael ei ddefnyddio ac wedi dangos bod y cynnydd ymhell o fewn y trothwy fforddiadwyedd o dan y model hwnnw. Roedd hyd yn oed cynnydd o 8% wedi dangos ei fod 100% o dan y Matrics JR.

Roedd y Cabinet yn croesawu defnydd o'r Model JR a gofynnwyd a gafwyd cefnogaeth draws bleidiol ar gyfer y cynnydd pan gafodd ei ystyried gan y Pwyllgor Craffu ar Dai ac Adfywio. Cadarnhaodd y Swyddog fod 85% wedi cytuno a bod 15% wedi peidio â phleidleisio.

Nododd y Cabinet yr ymdrechion sylweddol sy'n cael eu gwneud gan Dimau Caerphilly Homes a Caerffili yn Gofalu i gynorthwyo preswylwyr a thenantiaid o ran yr argyfwng costau byw, yn enwedig help a chyngor o ran gwneud y gorau o gymorthdaliadau, ac er y byddai mwyafrif tenantiaid y Cyngor yn derbyn Budd-dal Tai, roedd y Cabinet yn ymwybodol iawn o effaith y cynnydd arfaethedig ar y rhai sy'n talu eu rhent eu hunain, ac yn croesawu sylwadau'r Pennaeth Tai mewn perthynas â chynnal tenantiaethau a chymorth i denantiaid.

Yn dilyn ystyriaeth a thrafodaeth, cynigiwyd ac eiliwyd bod yr argymhelliad yn yr adroddiad yn cael ei gymeradwyo, a gan ddefnyddio Microsoft Forms, cafodd hyn ei gytuno'n unfrydol.

PENDERFYNWYD, am resymau sydd wedi'u cynnwys yn adroddiad y Swyddog: -

Cafodd argymhellion y Pwyllgor Craffu ar Dai ac Adfywio eu hystyried a'u nodi gan y Cabinet.

1. Cynyddu rhent fesul eiddo i uchafswm a ganiateir yn unol â pholisi rhent LIC, sef 6.5%. (Cynnydd o £6.10 yr wythnos yn y rhent cyfartalog presennol o £93.80 i £99.90 yr wythnos dros 52 wythnos)
2. Bydd lefel rhent ar gyfer garejis o fis Ebrill 2023 yn cynyddu 5.5% i £8.85 yr wythnos.

## **7. SYLFAEN Y DRETH GYNGOR**

Rhodddwyd ystyriaeth i'r adroddiad a roddodd fanylion sylfaen y Dreth Gyngor at ddibenion gosod y dreth a'r ganran gasglu a fyddai'n cael ei defnyddio, a gofynnwyd am gytundeb y Cabinet ar gyfer cyfrifo Sylfaen y Dreth Gyngor ar gyfer blwyddyn ariannol 2023/24.

Gofynnodd y Cabinet am eglurhad pam mae sylfaen y Dreth Gyngor yn seiliedig ar eiddo Band D, a chadarnhaodd y Swyddog bod hynny'n ofynnol gan Lywodraeth Cymru, a nodwyd mai Band D oedd y band canolog pan gyflwynwyd y Dreth Gyngor yn y lle cyntaf.

Yn dilyn ystyriaeth a thrafodaeth, cynigiwyd ac eiliwyd bod yr argymhellion yn yr adroddiad yn cael eu cymeradwyo, a gan ddefnyddio Microsoft Forms, cafodd hyn ei gytuno'n unfrydol

PENDERFYNWYD, am resymau sydd wedi'u cynnwys yn adroddiad y Swyddog: -

1. Bydd cyfradd gasglu Treth y Cyngor yn parhau i fod yn 97.50% ar gyfer blwyddyn ariannol 2023/24.

## **8. PRAWF BUDDIANNAU CYHOEDDUS**

Bu Aelodau'n ystyried y Prawf Buddiannau Cyhoeddus, a daethpwyd i'r casgliad ar y cyfan fod budd cyhoeddus ar gyfer cynnal yr esemptiad yn bwysicach na'r budd cyhoeddus o ddatgelu'r wybodaeth a: -

PHENDERFYNWYD, yn unol ag Adran 100(4) o Ddeddf Llywodraeth Leol 1972, y dylid eithrio'r cyhoedd rhag gweddill y cyfarfod oherwydd y tebygolrwydd o ddatgelu gwybodaeth esemptfel y'i diffinnir ym mharagraff 14 Atodlen 12A o Ddeddf Llywodraeth Leol 1972.

## **9. GWELLIANNAU I GYLCHFAN A468/B4600 PONT BEDWAS**

Yn dilyn ystyriaeth a thrafodaeth, cynigiwyd ac eiliwyd bod yr argymhellion yn yr adroddiad yn cael eu cymeradwyo, a gan ddefnyddio Microsoft Forms, cafodd hyn ei gytuno'n unfrydol

PENDERFYNWYD, am y rhesymau sydd wedi'u cynnwys yn adroddiad y Swyddog, y dylid cymeradwyo argymhellion 3.1 a 3.2 yn adroddiad y Swyddog.

## **CABINET – 25<sup>TH</sup> JANUARY 2023**

**SUBJECT:               BRYN CARNO FUNDING UPDATE**

**REPORT BY:           CORPORATE DIRECTOR OF SOCIAL SERVICES AND HOUSING**

### **1.       PURPOSE OF REPORT**

- 1.1       To update members of Welsh Government’s final decision on the funding settlement for the failed external wall insulation scheme on 86 properties at the Bryn Carno estate Rhymney. Caerphilly Homes submitted a refinancing grant funding business case to Welsh Government in February 2022. Cabinet is asked to note Welsh Government’s decision and agree to increase the match funding that Caerphilly Homes will contribute towards the project costs from the Housing Revenue Account (HRA).

### **2.       SUMMARY**

- 2.1       In 2012 the Welsh Government funded ARBED 1 scheme approved an application submitted by United Welsh Housing Association, in agreement with Caerphilly CBC for energy saving external wall insulation (EWI) to be installed at Bryn Carno in Rhymney. This project was managed by United Welsh Housing Association as the Government agent for the ARBED 1 scheme and completed in early 2013.
- 2.2       Between 2016 and 2018 it became apparent that the EWI was defective exhibiting significant signs of water ingress and penetrating damp in the homes of the private owners, leaseholders and the Caerphilly Homes properties, that were part of the scheme.
- 2.3       Welsh Government were engaged regarding a resolution to the failed scheme and an investigation and report into the failed insulation was commissioned. This concluded that there should be a replacement scheme delivered to remedy the inherent design weaknesses of the scheme and aspects of poor workmanship and reinsulate the homes. This would ensure the original objective of energy saving was achieved, particularly important now that so many households face fuel poverty in the coming months and years.
- 2.4       After many months of debate about who was responsible and who should take forward the replacement scheme, as Caerphilly Homes owns 36 of the 86 properties, has detailed knowledge of this estate and a good relationship with the residents, it was proposed that Caerphilly Homes undertake a tenure neutral scheme which includes all properties within Bryn Carno.
- 2.5       Welsh Government wrote to the council and the local MP outlining that in principle they

will part fund the replacement scheme agreeing an in-principle award of £1.05million pending further details and have requested that a detailed five case business model is submitted to set out the funding required and how the scheme will be delivered.

- 2.6 After the business case was submitted Caerphilly Homes met Welsh Government to discuss their initial feedback. Amendments were made following this feedback and a revised business plan was submitted.
- 2.7 Caerphilly are committed to contributing to this remediation project, due to the significant impact of the failed EWI for tenants and residents and our housing stock, even though not responsible for the design and scheme management of the original project and therefore are seeking funding to remedy the situation within our stock.
- 2.8 Welsh Government officers wrote to the Head of Housing on 8th November 22 and subsequently sent a formal grant award letter on the 22<sup>nd</sup> of December to inform that the Minister for Climate Change has made a decision on the business case. However, the decision was to award funding of £1.903m which is only in relation to the remedial work on the 50 owner occupier properties affected in Bryn Carno. This therefore means that the Caerphilly Homes contribution needs to increase by £563,100 with a total contribution to the project of £1,195,800.

### **3. RECOMMENDATIONS**

- 3.1 That cabinet note the update and decision by Welsh Government.
- 3.2 Approve the revised scheme, costs, delivery timeline and additional match funding contribution from the Housing Revenue Account (HRA) in respect of Council owned properties, to deliver the tenure neutral scheme by Caerphilly Homes.

### **4. REASONS FOR THE RECOMMENDATIONS**

- 4.1 The failed EWI is having a significant impact on both the properties and residents, so the remediation works are essential to protect the health and wellbeing of residents and to secure the future integrity of the housing stock. Caerphilly Homes are best placed to deliver this scheme, procure the specialist advice and contractors to deliver the project for all the properties affected across the estate.
- 4.2 The grant award of £1,903,000 by Welsh Government covers the estimated works costs for all the affected private homes on the estate and the procurement of a PAS2035 consultant. The increased Caerphilly Homes match funding contribution will be made by the HRA and solely contribute towards the works on the Caerphilly Homes properties.

### **5. THE REPORT**

#### **Background**

- 5.1 In the early 2000's, whilst Rhymney was a designated Renewal Area, the properties in Bryn Carno estate benefitted from a group repair scheme whereby the properties in private ownership were offered financial assistance to renew their main roofs and re-line the finlock gutters. The Council owned properties, under a planned maintenance programme funded by the HRA, also benefitted from roof renewal, window replacement and gutter re-lining.

- 5.2 During November 2012, United Welsh Housing Association, the scheme managers for Welsh Government scheme ARBED 1, sought areas within the Caerphilly County Borough that would benefit from energy saving measures such as external wall insulation (EWI). Bryn Carno estate was identified as one which would benefit, and the subsequent ARBED funding bid was successful, on condition that the scheme of works was completed by the end of March 2013. The EWI systems, using a Rockwool product, were installed to private and Caerphilly Homes' properties between January and March 2013 during periods of cold and wet weather using six different contractors.
- 5.3 During 2016, complaints were received from several residents and the local ward member that the render coat to several properties had started to de-laminate, flake and come away from base coat. Meetings were held between Caerphilly County Borough Council, United Welsh, and Rockwool to consider why the EWI had failed and possible rectification measures.
- 5.4 As Welsh Government had part funded ARBED, it was brought to their attention to establish a way forward. Welsh Government decided that all parties involved in the project needed to collaborate to determine how and why the EWI system had failed and establish a solution, following which, in March 2021 Curtin's were engaged by Caerphilly County Borough Council.
- 5.5 The Curtin's report identified several issues that contributed to the delamination of the EWI system, such as lack of a perforated base channel, the finlock gutters and not extending the rooflines which would have provided additional protection to the EWI rather than relying on finishing trims and sealants. To ensure both existing moisture and future water ingress are eliminated from the EWI system, it has been recommended that the defective EWI systems are removed in their entirety, along with the existing finlock gutters, to be replaced with new rainwater goods and EWI system respectively.
- 5.6 Following the report it was concluded that, in total, 68 houses would require comprehensive EWI replacement scheme along with 14 bungalows, with a further 4 properties potentially requiring a first EWI installation and associated works. The 36 Caerphilly Homes properties all require EWI replacement.

### **Delivery**

- 5.7 As Caerphilly Homes owns a significant proportion of the properties in Bryn Carno, has detailed knowledge of this estate and has a good relationship with the residents, it is proposed that Caerphilly Homes undertake a tenure neutral scheme which includes all properties within Bryn Carno.
- 5.8 The scheme will be run by the Council's in-house grant agency service and maintenance and repairs teams, which would run the project in its entirety, including production of the tenders, selection of contractors, and oversight and supervision of to ensure works are carried out to an acceptable standard, and in line with technical guidance and specifications. A fee of 15% of the cost of works for this service has been included in the business case submission.
- 5.9 The scheme will be delivered in accordance with PAS2035, a specification for whole house or whole building retrofit. This is an approach to the installation of energy efficiency measures (EEMs) which considers the requirement of the entire building, both from a technical standpoint and considering factors like occupancy comfort. The

cost of this retrofit coordinator have been funded by Welsh Government in their final grant award letter.

- 5.10 It is recognised that costs are fluctuating significantly due to shortages and escalating costs of building materials and the limited availability of suitable contractors. The cost of procuring a specialist retrofit consultancy will be assumed within the shared service arrangement that the HRA pays for with regards to a corporate procurement function.
- 5.11 It was originally anticipated that the scheme could be delivered over two financial years. As the works to the properties were not possible in the wetter colder autumn and winter months, works would need to be carried out in the warmer summer months. The delay to decision making from when the original business case was submitted means that the final iteration of the business case requested the funding to be drawn down over three financial years.
- 5.12 The funding award states that it relates to the period 2022/2023 to 2024/25 and must be claimed in full by 31 March 2025 otherwise any unclaimed part of the funding will cease to be available. This enables the works to be carried out over two summers as requested.
- 5.13 In accepting the funding by signing and retuning the award letter, the council are also signing up to the funding conditions, quarterly draw down timetable and targets for completion of the works to the 50 owner occupier properties. As much as it is the intention to deliver a tenure neutral scheme concurrently, if there are delivery pressures following the tender and programming there will have to be a prioritisation on works to the owner occupier properties in advance of the Caerphilly Homes properties to mitigate this target risk. This will be avoided with a detailed risk management approach as all properties should be able to be delivered on the same timeframe.

### **Funding Bid**

- 5.14 Caerphilly County Borough Council were asked by Welsh Government to submit a five-case business plan setting out the strategic, economic, commercial, financial and management cases for funding.
- 5.15 Caerphilly Homes submitted the case in February 2022 seeking funding of £1,849,000 for the remediation of the privately owned properties in anticipation of the need to renew the roofs of the properties to satisfactorily complete the project, and £54,000 to procure a specialist retrofit consultant in accordance with PAS2035.
- 5.16 Whilst funding of £632,700 was originally made available by Caerphilly Homes through the Housing Revenue Account for associated works to the council owned properties significant additional funding is required to fund the EWI replacement to the council properties. Funding of £563,100 was therefore also being sought for the replacement of the EWI to the Council owned properties and the associated internal remediation works from Welsh Government.
- 5.17 This has not been supporting by Welsh Government and this contribution that was sought from Welsh Government will now need to be made by Caerphilly Homes from the Housing Revenue Account.
- 5.18 These estimated costs remain subject to change as the scheme is yet to be subject to a comprehensive tendering exercise and the market remains volatile. An assumed contingency of approximately 20% was included within the costs for this project which

is part of the financial risk mitigation given the significant increase in materials and labour costs that the building industry has experienced in recent years.

- 5.19 Although a tender process needs to be completed for these works, our benchmarking information on materials from Caerphilly Homes single source supply partner have provided for us some accurate up to date market intelligence. This has enabled us to be confident that although far higher than last year we have a good estimate of the price for the works required.

## 5.20 Final funding summary and conditions

- 5.21 Welsh Government officers wrote to the Head of Housing on 8th November 22 and subsequently sent a formal grant award letter on the 22<sup>nd</sup> of December to inform that the Minister for Climate Change has made a decision on the Caerphilly Homes Bryn Carno business case. However, the decision was to award funding of £1.903m which is only in relation to the remedial work on the 50 owner occupier properties affected. This therefore means that the Caerphilly Homes contribution needs to increase by £563,100 with a total cost to the Housing revenue Account (HRA) of £1,195,800.

- Total scheme cost £3,098,800
- Caerphilly Homes properties - £1,195,800
- Private properties - £1,849,000
- £54,000 consultancy for PAS2035
- Funding from WG - £1,903,000
- Council contribution from HRA - £1,195,800

- 5.22 Before any draw down of funding over 9 quarters starting January 2023 to March 2025, there are several pre-conditions to be met. Most notably the completion of the assurance statement. There are also requirements during the project, such as quarterly reporting and that the PAS2035 retrofit coordinator confirm the project is delivered in accordance with PAS2035 requirements and specifications for the exact works are met.

- 5.23 A warranty will also need to be provided to safeguard residents of any future failure and there will need to be a household maintenance handover pack on completion of the works for the residents. A copy of which should be sent to Welsh Government before issue to ensure it is suitably comprehensive and easy to understand.

- 5.24 These conditions will be met but have a cost implication that wasn't considered previously. The 20% contingency should be sufficient to cover these costs, if there aren't any significant cost overruns.

## 6. Conclusion

- 6.1 The failed EWI is having a significant impact on both the properties and residents, so the proposed remediation works are essential to protect the health and wellbeing of residents and to ensure the integrity of the housing stock. Caerphilly Homes is best placed to procure and carry out the works for this project given the history and knowledge of the estate and the management of a large proportion of the estate.
- 6.2 Ultimately, the bid for funding was not supported in full and the HRA will now need to contribute additional capital to deliver the works to the Caerphilly Homes properties.

There is no other alternative available to ensure that these properties have the energy saving and fuel cost saving insulation works that both the owner occupiers and Caerphilly Homes contract holders were promised some years ago. This is the quickest way to ensure that the significant water ingress issues experienced is finally remediated.

## **7. ASSUMPTIONS**

- 7.1 The estimated assumed costs remain subject to change as the scheme is yet to be subject to a comprehensive tendering exercise and the market remains volatile. An assumed contingency of approximately 20% within the costs for this project which is part of our financial risk mitigation.
- 7.2 It is assumed in advance of any consultation with the private owners that they will be willing to have these works carried out to their properties. If they don't then some of the works could be compromised as properties are semi-detached.
- 7.3 An assumed fee of 15% of the cost of works for this service has been included in the business case submission for the in-house grant agency team that will project manage the full process, similar to the private sector grant and loans for works carried by the Private Sector Housing Team and some Caerphilly Homes planned maintenance work.
- 7.4 Although the bid is pre-tender for these works, benchmarking information on materials from Caerphilly Homes' single source supplier partner have provided for us some accurate up to date market intelligence. This has enabled us to be confident that although far higher than last year we have a good estimate of the price for the works required.
- 7.5 Should there be any further cost overruns going forward the council will commit to covering cost overruns from the contingency. Only in the instance that costs increase beyond all benchmark trends analysis will a conversation be had with WG on additional funding for the project.

## **8. SUMMARY OF INTEGRATED IMPACT ASSESSMENT**

- 8.1 There was a specific request to bid to Welsh Government for funding and the strategic case and impact is specific to the residents within the Bryn Carno estate therefore no wider IIA has been required for this project.
- 8.2 As the report proposes that 100% assistance be offered with no post completion conditions imposed regarding repayment an Integrated Impact Assessment is not required.
- 8.3 If the proposal is approved a comprehensive engagement exercise will be undertaken with the residents of Bryn Carno regarding the proposals, and consent sought from the individual private owners to proceed with the proposed scheme of works.

## **9. FINANCIAL IMPLICATIONS**

- 9.1 The financial implications of this business case grant submission to the council and namely the ringfenced Housing Revenue Account have been articulated within the paper.

9.2 The total scheme cost is currently £3,098,800 with an estimated contribution from the HRA of £1,195,800. Given discussions have been ongoing for some time the HRA has currently already allowed for the original contribution of £632,700 in its capital budget. The additional £563,000 has been allocated to the HRA capital budget and has been funded from HRA balances.

## **10. PERSONNEL IMPLICATIONS**

10.1 There are no implications here as the project will be managed by the existing Caerphilly Homes team.

## **CABINET – 25<sup>TH</sup> JANUARY 2023**

**SUBJECT: THE FUTURE OF ISLWYN INDOOR BOWLS CLUB**

**REPORT BY: CORPORATE DIRECTOR FOR ECONOMY AND ENVIRONMENT**

### **1. PURPOSE OF REPORT**

- 1.1 To update Cabinet on the latest position in relation to Islwyn Indoor Bowls Club (IIBC).
- 1.2 To outline the opportunities and constraints for the Council at present as there is not currently a lease in place with Islwyn Indoor Bowls Club.
- 1.3 To seek approval for progressing a procurement process to secure a commercial operator for the management of the facility and enter into an appropriate agreement .

### **2. SUMMARY**

- 2.1 Since the Covid-19 pandemic in March 2020 Islwyn Indoor Bowls club (IIBC) has not been able to deliver full provision, i.e. Bowls and Hospitality. All activities were closed during periods of lockdown and the Club lost all of their paid staff. When Welsh Government Covid restrictions were lifted indoor activities were one of the last activities to start back and by this time the IIBC committee made up of club volunteers were running the operational duties of opening and closing the club and keeping the bowls section going.
- 2.2 This report seeks Cabinet approval for Officers to procure a commercial operator and implement an appropriate commercial agreement on behalf of the Council, so it can act as the catalyst for investment at IIBC to fulfil the potential of the facility within the community and reduce the risk to the Council.

### **3. RECOMMENDATIONS**

- 3.1 That Cabinet:
  - (i) Authorise Officers to progress a procurement process to secure a commercial offer for the management of the facility, with a new agreement to be entered into with the successful provider for a period of 10 years (with options to extend) commencing at the start of the 2023 indoor bowls season (September 2023).

- (ii) Approve that the commercial agreement ensures that the Bowls section is to remain as the primary focus of the facility and this element continues to be organised by the Islwyn Indoor Bowls Committee.

#### **4. REASONS FOR THE RECOMMENDATIONS**

- 4.1 To support the continuation of the Islwyn Indoor Bowls Club and ensure a sustainable future for the facility going forward.

#### **5. THE REPORT**

- 5.1 Officers from the Council's Sport and Leisure Service provided support and assistance to Islwyn Indoor Bowls Club after all paid staff left the organisation during the Covid-19 pandemic. Officers and the Sport's Governing Body, Bowls Wales, worked with the Club to advise on Welsh Government guidance and prepare them for the return to indoor sport.
- 5.2 Over the course of several meetings between officers and local ward members with the Club's committee it was clear that running the club was becoming more challenging for the volunteers due to the volume of work, small number of volunteers involved and lack of commercial funding (from the hospitality offer at the facility). Without support there was a risk that the Club would not be able to continue, the facility would be lost to the community, and the building for which there is no lease in place would be handed back to the Council.
- 5.3 Terms for a new 10 year Management Agreement were discussed and agreed with the Club in 2016, when the previous 21 year Management Agreement was due to expire. Unfortunately, the Club were not able to provide a new Club Constitution as they did not have the full complement of Trustees required. The Management Agreement could not therefore be completed. The Club has since continued to operate by holding over from the previous Agreement.
- 5.4 Under the terms of the newly drafted 2016 proposed management agreement, the Club would have been responsible for the full repair and maintenance of the indoor bowls centre as well as all costs associated with running the facility at a peppercorn rent. The income from a commercial operator managing the facility should allow obligations to be met in terms of repairs, maintenance and running costs of the facility.
- 5.5 Whilst the Council is not in a position to take on the direct responsibility for running the facility an interim measure has been put in place whereby the Council has recruited a member of staff to be a facility coordinator. The post is funded by the Club and employed by the Council for an initial period of 6 months commencing on Wednesday 4th January 2023. The aim is to allow the IIBC volunteers to focus on the bowls aspect of the club and to allow for other longer term options for the future of the Club to be explored.
- 5.6 Officers have held a number of meetings with the IIBC committee including a visit to the facility by the Leader, Corporate Director and Local Members. During these meetings the volunteers have stated that they are not able to run the facility on a commercial basis and have suggested a commercial operator option as long as the bowls activities are protected.
- 5.7 Following further discussions with the IIBC committee and local Members it is now

proposed that a procurement process is undertaken with a view to securing a commercial offer for the running of the Club. It is also proposed that a new agreement is entered into with the successful provider for a period of 10 years. It is also intended that the agreement is constructed in a way that will allow the successful provider to take advantage of the commercial offer represented by hospitality (bar, function suite and catering facilities) but that the IIBC Committee continue to organise the Bowls section / function of the Club.

- 5.8 There has been ongoing work to promote the Club in the community and on Sunday 11<sup>th</sup> December IIBC held their Annual General Meeting (AGM) with 19 attendees. This represents good progress for the Club and during the AGM a new bowls committee was established with a Chair and Vice Chair, Treasurer and an Assistant Secretary, the post of Secretary is yet to be filled.
- 5.9 The successful implementation of a commercial agreement will ensure continuation of the Islwyn Indoor Bowls Club and a sustainable future for the facility going forward.

## **6. ASSUMPTIONS**

- 6.1 No assumptions have been made in this report.

## **7. SUMMARY OF INTEGRATED IMPACT ASSESSMENT**

- 7.1 The Integrated Impact assessment (IIA) suggests that a commercial agreement for the operation of the commercial aspects of Islwyn Indoor Bowls Club (IIBC) for the current and potential users would have a positive impact.
- 7.2 By developing the option of an appropriate franchise partner, IIBC will not only be able to operate on a more robust and sustainable footing but will be able to provide an increased and improved offer to those that attend the facility, along with creating increased opportunities through programme developments to support community cohesion and prospects for future employment.
- 7.3 Ensuring that IIBC is operating in a sustainable manner also improves the opportunities for residents to engage in activity that support improvements to physical and mental health and wellbeing. The IIA can be accessed from the following link:

**[Link To IIA Islwyn Bowls Club](#)**

## **8. FINANCIAL IMPLICATIONS**

- 8.1 The Council is required to add VAT where another organisation is invoiced for a member of staff. The IIBC are VAT registered and therefore are able to recover the VAT.
- 8.2 It is proposed that once a commercial operator has been procured and an appropriate agreement is signed that the peppercorn rent paid by the IIBC is discontinued and the Authority will have a direct financial relationship with the new provider,
- 8.3 In the event that the commercial offer is unsuccessful then it is likely that the building would revert to the Council.

- 8.4 It is likely that the Authority will need to engage specific procurement/ marketing / legal advice to secure a franchisee and ensure that any agreement is clear, unambiguous and enforceable. These costs will be met from existing revenue budgets.

## **9. PERSONNEL IMPLICATIONS**

- 9.1 As outlined above, the Authority is currently supporting the IIBC with a temporary member of staff (to the end of the current indoor bowls season); It is not proposed that they would transfer employment to the new franchise arrangement.
- 9.2 Any new agreement will be between the Authority and successful commercial provider and it is expected that the Authority will monitor the success of the agreement and ensure that effective relationships are maintained between the operator and IIBC. This role will form part of the Sport and Leisure remit.

PARAGRAPHS 12 & 14 SCHEDULE 12A LOCAL GOVERNMENT ACT 1972**

**SUBJECT: EXTENSION TO FLEXIBLE RETIREMENT DUE TO EXCEPTIONAL  
CIRCUMSTANCES – CORPORATE FINANCE**

**REPORT BY: HEAD OF LEGAL SERVICES & MONITORING OFFICER**

---

I have considered grounds for exemption of information contained in the report referred to above and make the following recommendations to the Proper Officer: -

**EXEMPTIONS APPLYING TO THE REPORT:**

Paragraph 12 – information about an individual and paragraph 14 - Information relating to the financial or business affairs of any particular person.

**FACTORS IN FAVOUR OF DISCLOSURE:**

There is a public interest in the way in which the Council manages its workforce.

**PREJUDICE WHICH WOULD RESULT IF THE INFORMATION WERE DISCLOSED:**

The report contains details of an individual and their financial affairs.

**MY VIEW ON THE PUBLIC INTEREST TEST IS AS FOLLOWS:**

That paragraphs 12 and 14 should apply. I am mindful of the need to ensure the transparency and accountability of public authorities for decisions taken. However, disclosure of the information contained in the report could prejudice the individual, the subject of the report.

On that basis I feel that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider these factors when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.

**RECOMMENDED DECISION ON EXEMPTION FROM DISCLOSURE:**

On the basis set out above I feel that the public interest in maintaining the exemption outweighs the public interest in disclosing the information, and that the report should be exempt.
