5. I YSTYRIED UNRHYW FATER A GYFEIRIWYD AT Y PWYLLGOR CRAFFU YN UNOL Â'R WEITHDREFN GALW I MEWN

Ni fu unrhyw fater a gyfeiriwyd at y Pwyllgor Craffu yn unol â'r weithdrefn galw i mewn.

6. BLAENRAGLEN WAITH Y PWYLLGOR CRAFFU ADDYSG

Cyflwynodd y Rheolwr Craffu'r adroddiad a oedd yn amlinellu manylion Blaenaglen Waith y Pwyllgor Craffu Addysg ar gyfer y cyfnod mis Chwefror 2023 tan fis Mawrth 2023, ac roedd yn cynnwys yr holl adroddiadau a nodwyd yng nghyfarfod y Pwyllgor Craffu Addysg a gynhaliwyd ar 26^{ain} Medi 2022.

Gofynnwyd i'r Aelodau ystyried y Flaenraglen Waith, ochr yn ochr â Blaenraglen Waith y Cabinet, cyn ei chyhoeddi ar wefan y Cyngor.

Gofynnodd Aelod am eglurhad a manylion pellach am e-bost a dderbyniwyd ynglŷn ag oedi Rhaglen Ysgolion yr 21^{ain} Ganrif. Anerchodd Rheolwr Ysgolion yr 21^{ain} Ganrif y Pwyllgor i dynnu sylw at nifer o ffactorau sydd wedi arwain at yr oedi, yn fewnol ac yn allanol. Cafodd yr aelodau wybod bod y gadwyn gyflenwi, contractwyr a'r fasnach adeiladu wedi cael eu heffeithio gan COVID-19, Brexit a'r rhyfel yn Wcráin, sydd wedi arwain at dendrau yn dod i mewn yn sylweddol uwch na'r disgwyl. Cafodd yr aelodau hefyd wybod y bu rhai newidiadau deddfwriaethol sydd wedi dod i rym, fel y gofynion ar gyfer draenio'n gynaliadwy lle mae'n rhaid i ymgynghori ddigwydd ar y broses cyn cynllunio.

I gloi, gwnaed cais am adroddiad am y rhesymau dros oedi Rhaglen Ysgolion yr 21^{ain} Ganrif i'w drefnu ar Flaenraglen Waith y Pwyllgor Craffu Addysg.

Ar ôl ystyried yr adroddiad, ac yn amodol ar y cynnig am adroddiad ychwanegol, cafodd ei gynnig a'i eilio bod yr argymhelliad yn cael ei gymeradwyo. Trwy gyfrwng Microsoft Forms a chadarnhad ar lafar (ac wrth nodi bod 14 o blaid, 0 yn erbyn ac 1 yn ymatal) cytunwyd hyn gan y mwyafrif oedd yn bresennol.

PENDERFYNWYD bod Blaenraglen Waith y Pwyllgor Craffu Addysg yn cael ei chyhoeddi ar wefan y Cyngor.

7. ADRODDIADAU CABINET

Ni fu unrhyw adroddiad Cabinet a restrwyd ar yr agenda eu galw ymlaen i'w trafod yn y cyfarfod.

ADRODDIADAU GAN SWYDDOGION

Ystyriwyd yr adroddiadau canlynol.

Y BLYNYDDOEDD CYNNAR - EHANGU RHAGLEN DECHRAU'N DEG A CHYFALAF 8.

Cyflwynodd yr Aelod Cabinet dros Addysg a Chymunedau'r adroddiad i gyflwyno'r cynlluniau ar gyfer cyfnod ehangu Dechrau'n Deg 1 a chyfnod ehangu Gofal Plant Dechrau'n Deg 2 yn ogystal â'r cynlluniau cyfalaf sydd eu hangen i fodloni'r gweithredu'n llawn. Rhoddwyd cyflwyniad gan Reolwr y Blynyddoedd Cynnar i roi trosolwg o'r rhaglen ehangu a Chyfalaf Dechrau'n Deg a amlygodd sut y gallwch helpu i gynyddu'r nifer sy'n defnyddio lleoedd Gofal Plant Dechrau'n Deg.

Mewn ymateb i ymholiad Aelodau, esboniodd Rheolwr y Blynyddoedd Cynnar sut y bydd lleoliadau gofal plant yn cael eu cyflwyno ar y System Prynu Deinamig a sut y gall teuluoedd wirio am ddarparwyr. Cafodd aelodau wybod bod Hwb y Blynyddoedd Cynnar wedi cynnig mynd allan i gymunedau gydag iPads i helpu teuluoedd i gwblhau'r ffurflenni, a darperir cefnogaeth hefyd dros y ffôn.

Gwnaeth Aelod sylwadau am oedi o ran Rhaglen Ysgolion yr 21ain Ganrif ac a gododd bryderon ynghylch yr effaith i ddarpariaeth meithrin a gofal plant, yn enwedig o ran y Gymraeg. Esboniodd Rheolwr y Blynyddoedd Cynnar fod hyn yn rhan o'r rheswm pam y dewiswyd adnewyddu ac ad-drefnu yn bennaf yng Ngham 2, yn hytrach nag adeiladau newydd. Amlygwyd bod llawer o ddarparwyr preifat presennol, gan gynnwys gwarchodwyr plant a meithrinfeydd dydd, sy'n berchen ar eu hadeiladau a'u grantiau eu hunain ar gael i gefnogi lleoliadau i fodloni'r gofynion o ran darparu ansawdd ac ehangu lleoedd.

Mewn ymateb i ymholiad Aelodau ynglŷn â chodau post cymwys, rhoddodd Rheolwr y Blynyddoedd Cynnar enghreifftiau i egluro sut mae ardaloedd wedi ceisio cael eu llunio i atal hollti ffordd neu stryd gyda gwahanol godau post lle bo modd, fodd bynnag, gall hyn ddigwydd ar achlysuron.

Cafwyd eglurhad a rhagor o wybodaeth am Strategaeth Bydwreigiaeth a Blynyddoedd Cynnar Gwent. Mae tîm Blynyddoedd Cynnar Caerffili wedi gweithio gyda phartneriaid yn yr Awdurdodau Lleol eraill a Bwrdd lechyd Prifysgol Aneurin Bevan i ddatblygu Strategaeth Bydwreigiaeth a Rhaglen y Blynyddoedd Cynnar a Chraidd o dan Raglen Trawsnewid Integreiddio'r Blynyddoedd Cynnar, sy'n rhaglen gyffredinol o gefnogaeth i bob teulu ar draws Gwent.

Mewn ymateb i ymholiad gan Aelodau, darparwyd eglurhad ar leoliadau gofal plant wedi'u hariannu. Amlinellodd Rheolwr y Blynyddoedd Cynnar gymhlethdod lleoedd gofal plant wedi'u hariannu, a oedd yn cynnwys y gofal plant a ariennir gan Ddechrau'n Deg ar gyfer Page 3

plant 2-3 oed sy'n seiliedig ar god post, a'r cynnig gofal plant i blant 3-4 oed i deuluoedd sy'n gweithio ac i deuluoedd sydd mewn addysg uwch neu addysg bellach.

Yn dilyn ystyriaeth o'r adroddiad, cynigiwyd ac eiliwyd bod yr argymhelliad yn cael ei gymeradwyo. Trwy gyfrwng Microsoft Forms a chadarnhad ar lafar (ac wrth nodi bod 15 o blaid, 0 yn erbyn a 0 yn ymatal) cytunwyd yn unfrydol ar hyn.

PENDERFYNWYD bod y Pwyllgor Craffu wedi derbyn yr adroddiad a gwneud sylwadau ar y cynlluniau i ehangu'r ddarpariaeth o raglen Dechrau'n Deg a lleoliadau gofal plant Dechrau'n Deg o fis Ebrill 2023.

9. CYNLLUN STRATEGOL CYMRAEG MEWN ADDYSG - CYNLLUN GWEITHREDU 5 MLYNEDD

Cyflwynodd yr Aelod Cabinet dros Addysg a Chymunedau'r adroddiad i gyflwyno crynodeb o gynllun gweithredu 5 mlynedd y Cynllun Strategol Cymraeg mewn Addysg 2022-2032, er mwyn gallu craffu ac atebolrwydd tuag at y targed erbyn 2032 trwy gydol oes y cynllun. Derbyniodd y Pwyllgor gyflwyniad gan Reolwr y Blynyddoedd Cynnar a roddodd drosolwg o Gynllun Strategol Cymraeg mewn Addysg 2022-2032. Roedd y cyflwyniad yn amlinellu meysydd blaenoriaeth ar gyfer cynllun pum mlynedd 2022-2027, rôl y Grŵp Gorchwyl Cyfathrebu, Uned Trochi Hwyrddyfodiad, ehangu gofal plant Dechrau'n Deg a chymunedau cynaliadwy ar gyfer dysgu.

Mewn ymateb i ymholiad Aelodau, darparwyd eglurhad o ran yr Uned Trochi Hwyrddyfodiad. Cafodd y Pwyllgor wybod mai'r syniad o Uned Trochi'r Hwyrddyfodiad fydd i blant ysgol oedran cynradd ddechrau ond pe bai plentyn eisiau symud i addysg Gymraeg bydden nhw'n derbyn tymor a hanner dwys o addysg iaith Gymraeg, lle am 4 diwrnod yr wythnos byddant yn mynychu Uned Trochi Hwyrddyfodiad a'u hysgol letyol am 1 diwrnod yr wythnos.

Wrth ymateb i gwestiwn gan Aelodau cadarnhawyd bod cyllid ar gyfer disgybl mewn addysg Gymraeg yr un fath ag addysg cyfrwng Saesneg.

Mewn ymateb i ymholiad gan Aelodau am deuluoedd di-Gymraeg, amlinellodd Reolwr y Blynyddoedd Cynnar ffyrdd i helpu ac annog mwy o siarad Cymraeg mewn lleoliadau Saesneg eu hiaith a oedd yn cynnwys cyrsiau dysgwyr sy'n oedolion, dogfennau cefnogi a darparu adnoddau ar-lein i deuluoedd.

Yn dilyn ystyriaeth o'r adroddiad, cynigiwyd ac eiliwyd bod yr argymhelliad yn cael ei gymeradwyo. Trwy gyfrwng Microsoft Forms a chadarnhad ar lafar (ac wrth nodi roedd 15 o blaid, 0 yn erbyn a 0 yn ymatal) cytunwyd yn unfrydol ar hyn.

PENDERFYNWYD bod y Pwyllgor Craffu wedi derbyn cynllun gweithredu 5 mlynedd y Cynllun Strategol Cymraeg mewn Addysg a'i fod wedi gwneud sylwadau ynghylch digonolrwydd gwybodaeth a thargedau i gyrraedd y targed isafswm o 26% yng ngharfan blwyddyn 1 erbyn 2032.

10. FFURFIOLI MODEL Y GWASANAETH IEUENCTID.

Cyflwynodd yr Aelod Cabinet dros Addysg a Chymunedau'r adroddiad i ofyn am farn y Pwyllgor Craffu Addysg ar gynnig i'r Cabinet i ffurfioli'r dull cyfunol o ymgymryd â gwaith ieuenctid, sydd wedi cael amlygrwydd a sicrhau llwyddiant gydol pandemig COVID-19 a thu hwnt.

Rhoddodd y Rheolwr Gwasanaeth leuenctid drosolwg o'r adroddiad a chyflwynodd L. Davies (Cadeirydd y Fforwm leuenctid) i'r Pwyllgor Craffu, oedd hefyd ar gael i ateb unrhyw gwestiynau.

Dywedodd Aelod, er bod y pandemig COVID-19 wedi galw am ail-drefnu gwaith ieuenctid yn fwy uniongyrchol ac yn y pen draw llwyddiannus iawn er mwyn bodloni'r newidiadau sydyn mewn angen gan bobl ifanc a chymunedau, i sefyllfa llawer mwy hyblyg ac ymatebol, roedd rhai o'r newidiadau hyn eisoes yn digwydd cyn pandemig COVID-19. Cyn pandemig COVID-19, cafodd y Pwyllgor Craffu wybod fod y Gwasanaeth leuenctid wedi bod yn arbrofi gyda ffyrdd gwahanol o ddarparu gwaith ieuenctid, a oedd yn cynnwys gwaith ar-lein ac allgymorth. Esboniodd Rheolwr y Gwasanaeth leuenctid fod gwaith allgymorth yn rhoi'r hyblygrwydd i fynd allan i gwrdd â phobl ifanc, yn enwedig y bobl ifanc hynny na fyddai'n cerdded i mewn i glwb ieuenctid. Amlygwyd bod pobl ifanc yn fwy soffistigedig ac mae angen dull ehangach o ymgysylltu â Gweithwyr leuenctid. Maen nhw eisiau gwasanaeth sy'n ymateb i'w anghenion gyda mwy o hyblygrwydd, sy'n cael ei gynnig drwy gydol y flwyddyn ac sy'n berthnasol i bobl ifanc drwy gydol y flwyddyn.

Gwnaeth Aelod sylwadau am fanteision darpariaeth ar ffurf clwb ieuenctid a chododd nifer o bryderon ynghylch y dull cyfunol. Dywedodd Rheolwr y Gwasanaeth leuenctid y Pwyllgor y bydd tair ardal glwstwr gyda chanolfan ieuenctid ar raddfa fawr sy'n addas i'r diben. Bydd pobl ifanc yn cael eu cludo o wahanol ardaloedd ar draws y fwrdeistref i gael mynediad i'r canolfannau ieuenctid, lle byddant yn cael budd o gyfleusterau da iawn. Eglurwyd y bydd Model y Gwasanaeth leuenctid yn estyn allan i bobl ifanc lle bynnag y byddan nhw'n dewis bod, drwy gydol y flwyddyn. Cafodd yr aelodau wybod bod fersiwn ar-lein gwaith ieuenctid yn defnyddio amrywiaeth eang o lwyfannau cyfryngau cymdeithasol, ac amlygwyd bod rhai pobl ifanc yn fwy cyfforddus yn cwrdd fel hyn. Cafodd aelodau hefyd wybod y gall gwaith ieuenctid sy'n seiliedig ar adeilad eithrio pobl ifanc nad ydynt yn gyfforddus yn mynychu clwb ieuenctid a rhyngweithio yn y ffordd honno. Darparwyd sicrwydd bod y Model Gwaith leuenctid yn destun ymgynghoriad â phobl ifanc.

Yn ystod y drafodaeth, cafodd nifer o ymholiadau eu codi yn ymwneud â goblygiadau ariannol, ail-hyfforddi staff a chanran y staff sy'n siarad Cymraeg. Dywedodd y Rheolwr Gwasanaeth leuenctid y bydd yn rhaid cwrdd â gofynion y Cynllun Ariannol Tymor Canolig, ond heblaw am hynny bydd yr arbedion yn cael eu defnyddio i ddarparu adnoddau i bobl ifanc. Sicrhawyd y Pwyllgor Craffu fod buddsoddiad sylweddol wedi bod o ran hyfforddi staff, ac nid yn ystod y cyfnod clo yn unig, i wneud yn siŵr eu bod yn gyfforddus yn gweithio mewn amgylchedd cyfunol. Amlygwyd bod staff yn gallu darparu gwaith ieuenctid mewn adeilad, ond bellach hefyd mewn parciau a chorneli strydoedd ac ati. Mae cyfleoedd hefyd i weithio gyda'r Tîm Digartrefedd leuenctid ac i gefnogi pobl ifanc agored i niwed. Yn ôl aelodau, o ran gwasanaeth dwyieithog, cynhaliwyd ymarfer gweithlu lle nododd 15% o'r staff eu bod yn gallu siarad Cymraeg. Cyfeiriwyd at y cyfleuster ieuenctid Cymraeg a hysbyswyd y Pwyllgor fod cyllid wedi'i sicrhau gan Lywodraeth Cymru i ehangu'r cynnig gwaith ieuenctid Cymraeg. Darparwyd enghraifft o waith ar y cyd â Chanolfan Galw Heibio leuenctid Senghenydd ym Mharc Virginia lle datblygwyd y gwaith hwn i sicrhau ei fod yn berthnasol i bobl ifanc.

Gofynnwyd am sicrwydd bod yr ymgysylltiad yn ddigonol i ddeall ac arddangos safbwyntiau defnyddwyr gwasanaeth yn llawn. Mewn ymateb, rhoddodd y Rheolwr Gwasanaeth leuenctid sicrwydd ac amlygwyd bod nifer o bobl ifanc wedi sefyll ar gyfer y Cabinet yn etholiadau diweddar y Fforwm leuenctid, na fyddent wedi eu cyrraedd pe na bai'r ymagwedd gyfunol at waith ieuenctid wedi'i chyflwyno. Cafodd yr aelodau wybod mai'r nod yw cael grwpiau llywio ar gyfer pob ardal glwstwr gyda phobl ifanc, partneriaid allweddol ac eraill i gynghori'r Gwasanaeth leuenctid yn yr ardal honno. Cafodd yr aelodau sicrwydd oddi wrth L. Davies (Cadeirydd y Fforwm leuenctid) bod y dull cyfunol yn wych gan ei fod yn caniatáu i bobl ifanc gymryd rhan, na fyddai fel arall wedi gallu cymryd rhan mewn cyfleoedd.

Mewn ymateb i ymholiad gan Aelodau, cynghorwyd y Pwyllgor Craffu fod ymgysylltu â rhieni yn ffactor mawr wrth wneud newidiadau. Eglurwyd bod staffio wedi cael ei ad-drefnu er

mwyn ymgysylltu â theuluoedd yn barhaol. Y nod yw delio gydag unrhyw faterion lleol drwy gyswllt a thrafodaeth er mwyn ceisio datrysiad.

Codwyd cwestiwn ynghylch sut mae staff yn ymgysylltu â phobl ifanc drwy'r model dull cyfunol. Cafodd yr aelodau wybod bod cyfres o brotocolau ar gyfer gwaith allgymorth, gyda staff yn gweithio mewn parau. Eglurwyd y bydd cyfnod o ad-drefnu lle bydd staff yn archwilio ardal a dod i adnabod y bobl ifanc, pobl siopau a phobl gymunedol allweddol. Yna byddant yn defnyddio eu sgiliau gwaith ieuenctid i feithrin y perthnasoedd hynny ac adnabod ac ymateb i faterion y gallai pobl ifanc eu cael. EDUCATION SCRUTINY COMMITTEE – 28TH MARCH 2023

SUBJECT: EDUCATION SCRUTINY COMMITTEE FORWARD WORK

PROGRAMME

REPORT BY: CORPORATE DIRECTOR FOR EDUCATION AND

CORPORATE SERVICES

1. PURPOSE OF REPORT

1.1 To report the Education Scrutiny Committee Forward Work Programme.

2. SUMMARY

2.1 Forward Work Programmes are essential to ensure that Scrutiny Committee agendas reflect the strategic issues facing the Council and other priorities raised by Members, the public or stakeholder.

3. RECOMMENDATIONS

3.1 That Members consider any changes and agree the final forward work programme prior to publication.

4. REASONS FOR THE RECOMMENDATIONS

4.1 To improve the operation of scrutiny.

5. THE REPORT

- 5.1 The Education Scrutiny Committee forward work programme includes all reports that were identified at the scrutiny committee meeting on Tuesday 14th February 2023. The work programme outlines the reports planned for the period March 2023 until June 2023.
- 5.2 The forward Work Programme is made up of reports identified by officers and members. Members are asked to consider the work programme alongside the cabinet work programme and suggest any changes before it is published on the

council website. Scrutiny committee will review this work programme at every meeting going forward alongside any changes to the cabinet work programme or report requests.

5.3 The Education Scrutiny Committee Forward Work Programme is attached at Appendix 1, which presents the current status as at 6th March 2023. The Cabinet Work Programme is attached at Appendix 2. A copy of the prioritisation flowchart is attached at appendix 3 to assist the scrutiny committee to determine what items should be added to the forward work programme.

5.4 Conclusion

The work programme is for consideration and amendment by the scrutiny committee prior to publication on the council website.

6. ASSUMPTIONS

6.1 No assumptions are necessary.

7. SUMMARY OF INTEGRATED IMPACT ASSESSMENT

7.1 As this report is for information only an Integrated Impact Assessment is not necessary.

8. FINANCIAL IMPLICATIONS

8.1 There are no specific financial implications arising as a result of this report.

9. PERSONNEL IMPLICATIONS

9.1 There are no specific personnel implications arising as a result of this report.

10. CONSULTATIONS

10.1 There are no consultation responses that have not been included in this report.

11. STATUTORY POWER

11.1 The Local Government Act 2000.

EDUCATION SCRUTINY COMMITTEE - 28TH MARCH 2023

SUBJECT: SUMMARY OF ESTYN INSPECTION OUTCOMES UNDER

THE NEW COMMON INSPECTION FRAMEWORK (CIF) -

JANUARY 2022 TO DECEMBER 2023

REPORT BY: EDWARD PRYCE, ASSISTANT DIRECTOR, EAS

1. PURPOSE OF REPORT

- 1.1 To inform members of the judgements made by Estyn inspection teams of Caerphilly schools from January 2022 December 2023 (where published).
- 1.2 To seek members' views on the Estyn outcomes.

2. SUMMARY

2.1 The schools included in this report were inspected from January 2022 onwards. Each of them was inspected under the arrangements for inspections that came into effect from 1 January 2022, with the first two terms being considered pilot arrangements. The report identifies the schools and the dates on which the inspections took place, together with the follow up category.

3. RECOMMENDATIONS

3.1 Members are asked to consider the contents of the report and raise any questions or comments they may have of officers about the information contained within.

4. REASONS FOR THE RECOMMENDATIONS

4.1 Members should be made aware of the outcomes of inspections in Caerphilly schools, and of the schools requiring follow-up support.

5. THE REPORT

Previous Estyn Common Inspection Framework (Sept 2017 onwards)

5.1 From September 2017 schools in Wales were inspected under the Common Inspection Framework (CIF). This judged schools under 5 Inspection Areas (IA):

- 1. Standards
- 2. Wellbeing and attitudes to learning
- 3. Teaching and learning experiences
- 4. Care, support and guidance
- 5. Leadership and management
- 5.2 There was no separate judgement on 'current performance' and 'prospects for improvement'. The previous 4-point judgement scale remained, but its wording was amended to focus on actions to be taken to support improvement:
 - Excellent Very strong, sustained performance and practice
 - Good Strong features, although minor aspects may require improvement
 - Adequate and needs improvement Strengths outweigh weaknesses, but important aspects require improvement
 - Unsatisfactory and needs urgent improvement Important weaknesses outweigh strengths
- 5.3 There were 3 follow-up categories of support, as the previous Local Authority monitoring has ceased as an Estyn category. The last two remained as statutory categories:
 - Estyn Review
 - Significant Improvement
 - Special Measures

Estyn Common Inspection Framework (From 1 September 2022)

- 5.4 The new inspection framework commenced on 1 September 2022, however in the Spring and Summer of that year a small number of pilot inspections took place. This report therefore includes information from 1 January 2022.
- 5.5 Estyn's new a new approach to inspection in schools and Pupil Referral Units across Wales, no longer focuses on a grading, detailing instead how well providers are helping a child to learn. This means that inspection reports will no longer include summative gradings (e.g. 'Excellent', 'Good' or 'Adequate').
- 5.6 A key overview of findings is included in each report headline focusing on a school's strengths and areas for development. Estyn also produce a separate report summary for parents which will allow parents to access the key information they need about an inspection quickly.
- 5.7 Estyn's new approach aligns with the personalisation of the new curriculum for Wales. Our inspections will also involve more in-person discussions, placing less emphasis on achievement data. They intend that their new inspection approach will make it easier for providers to gain meaningful insights that help them to improve without the spotlight on a judgement.
- 5.8 There is however no change to the statutory categories of special measures and significant improvement. The category of Estyn Review is also retained.
- 5.9 Estyn have reduced the notice period for inspections from 15 to 10 working days. Estyn have committed to continue to work with partners and stakeholders to gather

- views as we look to further evolve our inspection framework, including moving towards more regular inspection across providers.
- 5.10 Comparisons over time with the previous framework are not possible, given that there are no judgements for the 5 Inspection Areas to compare.
- 5.11 It is also to be noted that a relatively small sample of judgements are available at the time of writing (10 in total, comprising 8 primaries and 2 secondaries, with a further 2 schools and the PRU, awaiting publication of their report). Across the region a total of 29 schools have had inspection reports published (23 primaries, 1 special, 4 secondaries and 1 PRU, with a further 8 schools awaiting publication of their reports).

Caerphilly

5.12 The following Caerphilly schools have been inspected since January 2022, under the New Framework. Follow up category, the only summative data available is included in the table below (No Follow Up, Estyn Review, Significant Improvement, Special Measures)

School	Phase	Inspection Date	Follow-Up Category * = Estyn Case Study
Ysgol Gymraeg Caerffili	Primary	Feb-22	No Follow Up
Aberbargoed Primary	Primary	Jun-22	Estyn Review
Bryn Primary	Primary	Jun-22	No Follow Up
Risca Comprehensive	Secondary	Sep-22	Significant Improvement
Cefn Fforest Primary	Primary	Oct-22	No Follow-Up
Crumlin High Level Primary	Primary	Oct-22	Special Measures
Lewis Girls' Comprehensive	Secondary	Oct-22	No Follow-Up (*)
Ysgol y Lawnt	Primary	Oct-22	No Follow-Up
Markham Primary	Primary	Nov-22	No Follow-Up (*)
Pontllanfraith Primary	Primary	Nov-22	Estyn Review
Glanynant Learning Centre	Special	Dec-22	Significant Improvement

- 5.13 The following case studies from Lewis Girls' Comprehensive are now available on the Estyn website lmprovement resources search | Estyn
 - The impact of professional learning on teaching and learning, curriculum development, and leadership
 - Broadening pupils' horizons and developing a culture of belonging
- 5.14 The following case studies from Markham Primary School are scheduled to be available on the Estyn website
 - Effectively engaging the school community
 - Securing strong differentiation through effective and unique curriculum design
- 5.15 When compared with the profile across the region and Wales. Published reports only.

Estyn	Caerphilly	SE Wales	Wales
Follow Up Category:		Region	

	Number (%)	Number (%)	Number (%)
No Follow-Up	6 (55%)	21 (69%)	152 (76%)
Estyn Review	2 (18%)	4 (13%)	26 (13%)
Significant Improvement	2 (18%)	3 (10%)	8 (4%)
Special Measures	1 (9%)	3 (10%)	14 (7%)
TOTAL	11	31	200

- 5.16 Estyn inspections of schools are informative for the LA and the EAS in a number of ways. Although they report on a school in a specified period of time, they can be helpful in confirming that the school is receiving appropriate support and challenge and triangulate judgements which have been made prior to the inspection. Where schools are a cause for concern, recommendations made by Estyn will be the focus for intervention and the tracking of progress made. If the school is placed in a statutory category, then the LA can invoke powers of intervention immediately. Where excellent practice is identified, then schools can be asked by Estyn to produce case studies which are then shared with other schools, via publication on the Estyn website.
- 5.17 The table below summarises the recommendations for each Caerphilly school inspected.

School	Recommendations
Ysgol Gymraeg Caerffili	R1 Provide more opportunities for pupils to write at length across the curriculum.
	R2 Strengthen opportunities for pupils to develop as independent learners.
Aberbargoed Primary	R1 Address the standards of teaching and low expectations for pupils in Years 3 to 6.
	R2 Create opportunities to develop pupils' independent skills and further challenge pupils in Years 3 to 6.
	R3 Ensure that senior leaders robustly monitor and evaluate learning and teaching to identify key areas for improvement.
	R4 Develop the roles of leaders at every level to secure improvement.
Bryn Primary	R1 Focus self-evaluation and improvement work more sharply on what pupils know, understand and can do.
	R2 Improve pupils' confidence and ability to speak in Welsh, both in lessons and around the school.
	R3 Ensure that teachers' feedback addresses errors in pupils' learning more robustly.
Risca Comprehensive	R1 Raise standards and improve performance at key stage 3 and key stage 4.
	R2 Improve the achievement of more able pupils.

	R3 Strengthen approaches to co-ordinate and implement
	teaching in literacy and numeracy across the curriculum to improve pupils' skills.
	R4 Improve the quality of teaching and assessment.
	R5 Refine the roles and responsibilities of senior and middle leaders to focus on raising standards and improving teaching.
	R6 Improve self-evaluation procedures to inform development planning, and to set clear and appropriate priorities and targets for improvement
Cefn Fforest Primary	R1 Raise standards in Welsh.
	R2 Increase opportunities for pupils to influence how and what they learn.
Crumlin High Level Primary	R1 Establish and maintain effective leadership and governance to support school improvements.
	R2 Improve the quality of teaching and assessment practices across the school.
	R3 Improve pupils' extended writing skills.
	R4 Improve pupils' numeracy skills.
	R5 Ensure that the provision for Welsh improves pupils' oracy skills.
Lewis Girls' Comprehensive	R1 Improve the provision for developing pupils' Welsh language skills and their knowledge of Welsh culture.
	R2 Strengthen the provision for monitoring and improving pupils' attendance, particularly for those eligible for free school meals.
	R3 Revise the leadership of additional learning needs, so that it ensures a strong strategic direction and supports the full implementation of the ALNET act.
Ysgol y Lawnt	R1 Improve pupils' Welsh reading skills.
	R2 Share best practice in teaching across the school.
Markham Primary	R1 Improve outdoor provision to enrich all pupils' learning experiences.
	R2 Improve attendance.
Pontllanfraith Primary	R1 Develop and implement effective evaluation and improvement processes.
	R2 Ensure that teaching supports pupils to develop the full range of skills progressively as they move through the school and that pupils have opportunities to use these skills in their work across the curriculum.
	R3 Develop effective partnerships with parents.
Glanynant Learning Centre	R1 Strengthen improvement planning by ensuring self- evaluation activities focus on pupil progress and the standards they achieve.

R2 Ensure that all members of the management committee and the local authority have a good understanding of the PRU's strengths and areas for development.

R3 Improve attendance and pupils' engagement in full-time education.

R4 Improve pupils' literacy, numeracy and digital competence skills.

R5 Ensure that teachers' feedback enables pupils to know what they are doing well and what they need to do to improve.

- 5.18 There a number of key themes that emerge, with the most frequent references related to:
 - Leadership
 - Self-evaluation and improvement processes
 - Literacy
 - Welsh
 - Numeracy and digital Skills
 - Independent Learning
 - Teacher Feedback
 - Pupil progress
- 5.19 During this period there are also a number of schools that have were originally inspected under the previous arrangements and have since had monitoring visits. Since January 2020, the following schools have had monitoring visits, with the dates and status being listed.

School	Original Inspection Date	Original Inspection Date	Follow up Visit Date	Current Status
Ysgol Bro Sannan	Oct-19	Significant Improvement	Mar-22	Removed from SI
Ysgol Gilfach Fargod	Oct-19	Significant Improvement	Jun-22	Removed from SI

- 5.20 The schools that have been removed from an Estyn statutory category have been supported to do so by both the Local Authority and the EAS. Support and where required specific intervention are initially co-ordinated through a Post Inspection Action Plan conference and following the Schools Causing Concern approach. This approach is explained in the Support for Schools report.
- 5.21 Please note that Estyn intend to inspect schools that have been formally federated jointly. Schools in less formal collaborations will be inspected separately.

Conclusion

5.22 This report provides members with information on the outcomes of Estyn inspections in Caerphilly Schools. Given the significant change to the framework in to date less

than 13% of Caerphilly schools have been inspected. We will continue to provide members with annual updates on the profile of inspection outcomes.

6. ASSUMPTIONS

6.1. There are no specific assumptions.

7. SUMMARY OF INTEGRATED IMPACT ASSESSMENT

7.1 This report is for information only therefore no Integrated Impact Assessment is required.

8. FINANCIAL IMPLICATIONS

8.1 This work is funded through the EAS Business Plan, therefore there are no specific financial implications.

9. PERSONNEL IMPLICATIONS

9.1 There are no personnel implications.

EDUCATION SCRUTINY COMMITTEE - 28TH MARCH 2023

SUBJECT: EDUCATION ACHIEVEMENT SERVICE (EAS) BUSINESS

PLAN 2023-2025

REPORT BY: DEBBIE HARTEVELD, MANAGING DIRECTOR, EAS.

TO BE DELIVERED BY EDWARD PRYCE,

ASSISTANT DIRECTOR - POLICY AND STRATEGY

1. PURPOSE OF REPORT

1.1 This report contains the draft EAS Business Plan 2023-2025 (June 2023 – March 2025). The consultation period for this plan is from 13th March 2023 to 19th April 2023. This report asks for members to consider the draft EAS Business Plan as part of the regional consultation process.

2. SUMMARY

2.1 This document contains the main priorities that the EAS believe will be relevant to focus upon in the next iteration of the regional Business Plan for 2023-2025. The EAS delivers, through this agreed Business Plan, a wide range of school improvement services to all schools (all key stages, including all through schools and special schools), pupil referral units and funded non-maintained nursery settings on behalf of each LA. This plan supports the role LAs have in delivering their statutory function, addressing their individual improvement priorities and promoting improved pupil outcomes.

3. RECOMMENDATIONS

3.1 Members are asked to receive the report and comment on the contents of the EAS Business Plan as part of the consultation process.

4. REASONS FOR THE RECOMMENDATIONS

4.1 The EAS are required to submit their Business Plan to Welsh Government and the Scrutiny committee asked for feedback as part of the regional consultation process.

5. THE REPORT

Background

- As a result of the uncertain financial situation and funding for the EAS, Joint Executive Group (JEG) members agreed that the next iteration of the EAS Business Plan should be delayed so start in June 2023. JEG members agreed an accompanying timeline that includes a full consultation period.
- 5.2 The current Business Plan spans three years, 2022-2025, this was agreed by the Joint Executive Group (JEG) and through each Local Authority (LA) Cabinet in the summer term 2022. This document contains the next iteration of this three-year plan and covers the period from June 2023 to April 2025.
- 5.3 This version of the EAS Business Plan is underpinned by the already agreed threeyear Business Plan (Appendix B). It builds upon the progress and identifies priorities that have resulted from robust EAS self-evaluation processes. The plan will enable flexibility so that the specific needs within Caerphilly are contributed to.
- 5.4 This consultation version of the Business Plan 2023-2025 has been constructed using the best available financial information at the time of writing. This could be subject to change once the final funding profile from local authorities and Welsh Government are known.

Proposals

- 5.5 Last year the EAS reviewed how we constructed and communicated our Business Plan. We decided it was timely to review and adapt our processes to make them more accessible to a wider audience. We used a new approach to help us articulate the changes and impact we want to make as the regional school improvement service for South East Wales and the connections and actions needed that will allow that change and impact to be successfully achieved.
- This year we have further refined our success criteria so that we can better report on the impact of our work so that it aligns more explicitly to the EAS vision of developing all schools as learning organisations. We have made sure that our own evaluations, trends in school and LA needs and priorities, national policy and inspection findings are captured. These directly inform our priorities and success criteria.
- 5.7 We have also strengthened the plan by including a Partnership Annex that is specific to each LA's needs and priorities for the coming year. This section is also draft and further discussion is required with LA Officers to reach a final version.
- 5.8 This will also be significantly determined by the EAS final financial position for 2023-2024.
- 5.9 We have prioritised our high level and high-risk areas, and further details and activities are in our Detailed Delivery Plans. We have captured several important 'Assumptions: Processes that should be in place' for each Business Plan priority to ensure this activity is visible in the system and that expectations are clear.
- 5.10 We fully recognise the importance of collaboration and fostering effective partnerships with the local authority and schools to realise the full potential of our actions. The plan identifies the aspects that the EAS would request that the local authority undertake to support the delivery of this plan.

- 5.11 As we review our work in schools, we are looking for indicators to demonstrate:
 - Changes/ Improvements at leadership and governance levels;
 - Improved teaching and learning;
 - School wide improvement in policy and practice;
 - Learner progress
 - Growing capacity in the system.
- 5.12 Our expectations are clear and are set out in the EAS Business Plan success criteria and in our vision and values.
- 5.13 The EAS uses three models to help us frame the Intent, Implementation and Impact of our work. This model allows us to use a common language to plan, implement and evaluate the impact of the work of the EAS in schools and settings across Caerphilly.

EAS Business Plan: Success Criteria 2023-2025

- 5.14 Welsh Government have set out 8 contributory factors to support schools to navigate the changing education landscape. These factors describe the key attributes that schools that are successfully realising the curriculum will possess.
- 5.15 These describe the factors that support reform and which, where absent, are likely to act as barriers to success. The factors cover learner progress and the curriculum itself, as well as wider processes and priorities. The factors are captured below and are interwoven into our priorities for 2023-2025.
- 5.16 As part of our work to develop a strong approach to evaluation, and in particular the evaluation of learning, the EAS has developed a guide to help identify the wide range of evidence available for review and analysis. This builds on the work to look at the intent, implementation and impact of our interventions. It will support both School Improvement Partners and schools to consider how best to respond to the WG guidance quoted above. In particular, how to build the enabling conditions around the Curriculum for Wales and define its impact through embedded and accurate reflection and self-evaluation. Our approach to evaluating learning will focus on progress, attainment, wellbeing, social capital and equity and fairness.
- 5.17 The final version of this iteration of the 3-year plan will be accompanied by a detailed delivery plan which incorporates timescales, resource implications, accountabilities and evaluation. In addition, the evaluation following the Quarter 4 review of progress from the current Business Plan will be added in the final version of the new plan.
- 5.18 Following the consultation period and certainty on the EAS funding position, this draft plan will be updated, and the final version will be presented to JEG for final agreement on May 24th 2023.

Monitoring Arrangements

5.19 The EAS is required to submit to the Business Plan to Welsh Government, this plan covers the period 2023-2025. The progress on the implementation and impact of the Business Plan and the related LA Partnership Annex will be reported formally to the Joint Executive Group and Company Board. These reports, as in previous years, will be suitable for scrutiny activity at local authority and national level. In addition, the

progress made towards the implementation of key actions will be reported at each meeting of the Joint Executive Group and Company Board.

Caerphilly Local Authority Strategic Priorities

- 5.20 The EAS Business Plan and the related LA/EAS Partnership Annex will contribute to the strategic priorities within the remit of roles and responsibilities. The full list of Caerphilly Local Authority Strategic Priorities are listed below:
 - Continue to provide robust approaches to safeguarding of children and young people based on emerging needs and demands as an outcome of the Covid-19 pandemic.
 - Equip leaders with the skills to have a significant impact on progress, attainment and provision and wellbeing.
 - Ensure the effective implementation of Curriculum for Wales.
 - Accelerate the progress of vulnerable learners. In particular:
 - Accelerate the progress of pupils who receive education outside a mainstream setting (EOTAS/EHE)
 - Reduce the number of young people post-16 without access to education, employment or training (NEETS).
 - o Implementation of the ALN Act.
 - Improve pupil attendance and reduce exclusions, with particular focus on vulnerable groups.
 - Further improve provision and support for young people (post-16)
 - Close the gap in attainment between those learners from low-income backgrounds and those who do not live in poverty.
 - Improve digital skills for all learners.
 - Reach the target of 26% of year 1 pupils in Welsh medium by 2031
 - Support pupil wellbeing by improving attitudes to healthy food choices and active fitness
 - Ensure the most vulnerable families including those in poverty, can access support to give their child the best start to their early years.
 - Through the Sustainable Communities for Learning Programme ensure that
 the County Borough provides sufficient school places to meet demand as well
 as upgrading/replacing school accommodation, as appropriate, so that
 schools are fit for purpose in the 21st century.

6. ASSUMPTIONS

- 6.1. In writing this plan a number of assumptions have been made. If these are not in place, then they become a risk to the content and successful delivery of the plan. The EAS risk register will be reviewed and refined, if required, following the agreement of the final EAS Business Plan and related resource:
 - The funding from both LA contributions and Welsh Government grants is sufficient to enable the effective delivery of the Business Plan.
 - Professional learning has a positive impact on practice and behaviour.
 - We are one part of the much wider system.
 - Schools / education settings positively engage with us.
 - We have the expertise, capacity and resources to undertake our activity effectively.

- When the conditions in a school / education setting can secure improvement, readiness for support results in positive change.
- Our partners provide us with timely and appropriate information.
- We work with schools / education settings to ensure priorities for improvement are based on robust, accurate self-evaluation.

7. SUMMARY OF INTEGRATED IMPACT ASSESSMENT

- 7.1 This report is for information and consultation, however an EAS Fairness and Equalities Impact Assessment has been undertaken (Appendix C). This must take a long term view as part of its impact on life chances, employment and quality of life. Causes within attainment are complex although one of the main ones is deprivation. The measure that is commonly used to measure deprivation is a pupil's eligibility to receive Free School Meals. One of the Council's Well-being Objectives is to 'Improve outcomes for all learners but we want to particularly focus on those vulnerable to underachievement'.
- 7.2 Ensuring high quality education is fundamental to securing the economic, social and cultural wellbeing of future generations. The Business Plan focuses support for all schools appropriately schools. The school curriculum includes focus on social, environmental and cultural well-being, and these aspects are support as part of the plan. This plan supports the role LAs have in delivering their statutory function, addressing their individual improvement priorities and promoting improved pupil outcomes.
- 7.3 The EAS have their own Equalities and Welsh Language plans in place. CCBC has therefore not undertaken any specific impact assessment on the EAS Business Plan. The EAS Welsh Language Policy (Updated September 2021) describes in full the ways in which the EAS complies with the Welsh Language Measure (2015), including accesses to all materials bilingually, actively promotes the use of the language and offers an ever a range of services and support through the medium of Welsh for those who require them.

8. FINANCIAL IMPLICATIONS

8.1 As noted in 5.4, this consultation version of the Business Plan 2023-2025 has been constructed using the best available financial information at the time of writing. This could be subject to change once the final funding profile from local authorities and Welsh Government are known.

EAS Funding Sources:

- 8.2 The main funding sources to the EAS budget are:
 - Annual core budget contributions from each of the 5 LAs this funds approximately 50% of total costs.
 - Annual Regional Consortia School Improvement Grant and Education
 Improvement Grant grants from WG fund approximately 50% of total costs.
- 8.3 The EAS Company Board have taken a series of steps to reduce operational costs and restructure EAS staff. One of the main factors in the EAS being able to achieve the

efficiencies required and increase the breath of support to schools over the past 8 years has been the increased use of the school-to-school model. The move to Headteachers undertaking the role of School Improvement Partners (SIPs) from EAS employed SIPs has realised efficiencies and brought additional benefits to the model. In addition, the use of schools to support others through our Learning Network Schools (LNS) model has enabled reductions in the core team.

- 8.4 There has been a continued reduction in the combined LA core contributions to the EAS since inception in 2012. The EAS has faced significant challenges in being able to set a balanced budget for 2023-2024. Whilst there are some discussions still being undertaken with LA partners regarding their contributions, the EAS is working on a circa 10% reduction totalling £302,132, this is set alongside cost pressures equalling a total reduction of circa £504k for the budget in 2023-2024. Productive discussions have taken place with Directors of Education and JEG members about how the delivery model will look for the forthcoming year.
- 8.5 The EAS Business Plan has been constructed with a view to protecting front line services to schools and settings for 2023-2024. Additionally, a phased approach will be taken over the next 2 years to explore potential additional cost savings to the delivery model. The current approach to set a balance budget for 2023-2024 does not present a long-term sustainable funding model for the EAS and represent a short-term solution.
- 8.6 The following proposals have been devised assuming a common percentage funding model from LAs can be reached. If LAs cannot agree on a common percentage reduction in core contributions, it will be essential to demonstrate how an equitable service is being delivered for those LAs who are contributing more / less into the model.
- 8.7 The table below shows the current known position of the LA core contribution funding for 2023-2024:

Local Authority Core Contribution	2022-23	2023-24	Contribution Cut
Percentage Cut		-10%	
Blaenau Gwent	£350,046	£315,041	(TBC)
Caerphilly	£980,663	£882,597	£98,066
Monmouthshire	£403,815	£363,434	£40,382
Newport	£783,291	£704,962	£78,329
Torfaen	£503,498	£453,148	(TBC)
Total	£3,021,313	£2,719,182	

8.8 The EAS remains committed to work closely with LA partners to respond appropriately in the context of a collectively challenging financial position and ensuring we remain flexible to meet the needs within each LA and in schools and settings.

9. PERSONNEL IMPLICATIONS

9.1 There are no personnel implications.

Forward

The Educational Achievement Service (EAS) is the school improvement service of the five local authorities in South East Wales: Blaenau Gwent, Caerphilly, Monmouthshire, Newport and Torfaen.

The EAS is owned by the five Councils and operates within a robust governance structure which is populated by representative Elected Members from each Council. The EAS has been in operation since September 2012 and has undergone many changes during this period.

Through the commissioning of the three-year regional Business Plan the EAS delivers key school improvement support to all schools and educational settings across the South East Wales region. The EAS endeavours to work in partnership local authorities, schools and settings and wider stakeholders, ensuring that service delivery remains of a consistently high standard and meets the needs of the system. The service welcomes external expertise and challenge to support continued improvement and will remain agile and responsive to regional need.

EAS Values:

Integrity: Doing what is right and delivering what we promise by providing a high support and high challenge environment.

Innovation: We promise an innovative culture and attitude. We will challenge and aim for excellence in all we do.

Collaboration: We value everyone and work together to achieve our vision.

1. Introduction

Last year we reviewed how we constructed and communicated our Business Plan. We decided it was timely to review and adapt our processes to make them more accessible to a wider audience. We used a new approach to help us articulate the changes and impact we want to make as the regional school improvement service for South East Wales and the connections and actions needed that will allow that change and impact to be successfully achieved.

The current Business Plan spans three years, 2022-2025, this was agreed by the Joint Executive Group (JEG) and through each Local Authority (LA) Cabinet in the summer term 2022. This document contains the next iteration of this three-year plan and covers the period from June 2023 to April 2025.

This year we have further refined our success criteria so that we can better report on the impact of our work so that it aligns more explicitly to the EAS vision of developing all schools as learning organisations. We have made sure that our own evaluations, trends in school and local authorities needs and priorities, national policy and inspection findings are captured. These directly inform our priorities and success criteria. We have also included a Partnership Annex that is specific to each local authority's needs and priorities for the coming year.

We have prioritised our high level and high-risk areas, and further details and activities are in our Detailed Delivery Plans. We have captured several important 'Assumptions: Processes that should be in place' for each Business Plan priority to ensure this activity is visible in the system. This means that we can make sure we undertake the range of statutory activities on behalf of local authorities as well as measure the penetration of our work and track individuals' and schools' development and engagement.

We fully recognise the strength of our collaboration and partnerships with stakeholders and our role in working increasingly together, so we have identified, as in our monitoring arrangements how we are dependent on effective joint working to succeed.

2. Impact: Key features of school improvement

As we review our work in schools, we are looking for indicators to demonstrate change at leadership and governance levels; improved teaching and learning; school and setting wide improvement in policy and practice; learner progress and growing capacity in the system. Our expectations are clear and set out in the EAS Business Plan success criteria, our vision and values.

The EAS uses three research informed models to consider three important questions that helps frame the Intent, Implementation and Impact approach as outlined below. Each model allows us to use a common language to plan, implement and evaluate the impact of the work of the EAS.

- 1. What are we trying to achieve?
- 2. Where are we?
- 3. How will we know?

INTENT

What are we trying to do? What is our intention? This considers what characterises effective school improvement and helps frame clear success criteria to measure impact against.

IMPLEMENTATION

Where are we on this improvement partnership journey? How can we evaluate where we are and where we go next? Where are we in the implementation of our organisational change journey? Is this supporting the school to become an effective learning organisation?

IMPACT

What impact are we having on an individual or organisational improvement journey? What first hand evidence can we use to capture progress and impact of professional learning? How long with this impact take, over what time scales can we expect to see impact? Are schools and settings better placed to lead and evaluate their own progress and plan for ongoing improvement? Is there an improvement in learners outcomes?

3. School Improvement

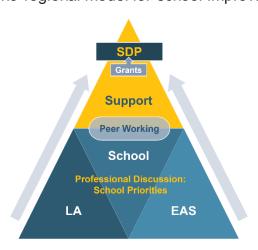

In August 2022 WG published the School Improvement Guidance: Framework for evaluation, improvement and accountability, which aims to:

- strengthen the effectiveness of self-evaluation and improvement planning by schools
- replace the national categorisation system with a similar support process that does not require the publication of school categories
- strengthen and provide clarity about the separation between evaluation / improvement activities and the accountability system
- clearly assign the roles and responsibilities of different bodies in a self-improving system.

This guidance provides a new point of reference for schools, pupil referral units, local authorities, diocesan authorities, regional consortia and Estyn, which outlines Welsh Governments expectations of these organisations in contributing to school improvement, in the context of their wider legal duties.

Within the context of Curriculum for Wales, the Welsh Government guidance aims to foster sustainable school improvement through a clear framework for evaluation, improvement and accountability. The majority of energy and focus in the system should be on delivering school improvement, guided by effective self-evaluation, improvement planning and support in all schools. To be successful, it is crucial that all aspects of the school system are aligned with and support the Curriculum for Wales along with its underlying principles.

The regional model for school improvement has been designed with all partners and includes:

Local authorities and EAS will participate in a professional discussion with schools regarding their priorities for improvement and the progress the school is making towards them.

This process is cyclical and supports schools to determine and / or review their priorities in line with their selfevaluation processes.

The discussion also helps to determine the ongoing support needs of the school from each local authority and EAS and identify practice worth sharing.

All schools can access be spoke support aligned to their needs and priorities within their School Development Plan (SDP) which can be appropriately designed, co-constructed and facilitated in a flexible way.

4. Delivery approach: Universal, Targeted and Intensive

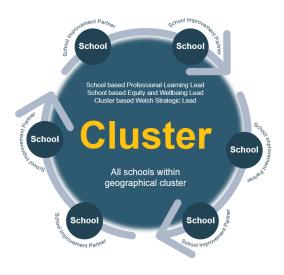

Universal Offer: All schools have access to a universal offer of support from their SIP (School Improvement Partner) and wider teams, focused on the school development plan. Schools have access to a wide range of professional learning opportunities and professional networks across a range of areas to include school leadership, support for teaching and learning and support for wellbeing. This also includes access to support from Professional Learning (PL) and Learning Network Schools (LNS). It is for schools to determine the most appropriate parts of the universal offer that most appropriately meet their needs.

Targeted Offer: This is in addition to the universal offer which is tailored and designed specifically to individual school or cluster needs. This can be brokered through the SIP and could come from the EAS and /or the local authority.

Intensive Offer: This is tailored, ongoing support for a school on an individual basis, with a focus on leadership and improving the quality of teaching and learning. This is coordinated wraparound support, usually provided by a Learning Network School, School to School model and / or intensive support from wider teams. This offer will be differentiated according to need and will usually be over a sustained period. Support will be reduced when improvement is sustained and embedded.

Team Around the Cluster

- Principal School Improvement Partner Cluster Link
- Curriculum Partner / Professional Learning Partner Link
- · Governor Support Link

Team Around the Cluster:

In line with our vision to support collaboration and innovation, we will enhance our work with clusters of schools and align our resources accordingly. This will further support building capacity to more effectively support the progress that learners make.

5. Self-Evaluation: Progress towards current EAS Business Plan 2022-2025

EAS Business Plan 2022 - 2023: Evaluation and Impact Report (Quarter 4: May 2023) – this will be added in the final version of the new plan.

6. EAS Business Plan: Success Criteria 2023-2024

Welsh Government have set out 8 contributory factors to support schools to navigate the changing education landscape. These factors describe the key attributes that schools that are successfully realising the curriculum will possess. These describe the factors that support reform and which, where absent, are likely to act as barriers to success. The factors cover learner progress and the curriculum itself, as well as wider processes and priorities. The factors are captured below and are interwoven into our priorities for 2023-2024.

- 1. Enabling all learners, and in particular those from disadvantaged backgrounds, to progress along their own learning pathway and raise their aspirations to achieve their full potential; allied to a range of assessment approaches to understand and support this progress.
- 2. Co-constructing a curriculum, in line with the Curriculum for Wales Framework, which promotes a broad range of knowledge, skills and experiences (including social and interactional experiences) with a clear understanding of why these matter.
- 3. Ensuring the school environment supports learners' and practitioners' well-being.
- **4.** Supporting practitioners' understanding of what works in curriculum design by investing in the enquiry and pedagogic skills of all staff.
- **5.** Enabling ambitious professional learning for all practitioners in a school dedicated to being a learning organisation.
- **6.** Embedding reflection, self-evaluation and improvement within schools, with good school leadership as a pre-condition for that.
- 7. Being at the heart of their communities building better relationships between schools and families, communities and employers, to support and promote educational achievement and excellent employment, next steps education and training.
- **8.** Listening to children and young people as they engage with their learning and supporting them in achieving their aspirations.

As factors that contribute to curriculum realisation, they should inform schools' understanding about what successful realisation of the Curriculum for Wales is likely to involve, as well as being an important reference for schools when evaluating their own curriculum realisation and deciding where and how they need to improve. They are not designed to be an exhaustive checklist for schools. They do however offer a consistent framework for use across Wales.

The self-evaluation and improvement cycle is central in enabling schools to continually develop and improve their practice: to give all learners the best possible learning experiences and outcomes, whatever their background or circumstance, and in order to achieve high standards and aspirations for all. Welsh Government have co-constructed the National Resource:

Evaluation and Improvement to support schools in undertaking robust, evidence-based self-evaluation. Within the School Improvement guidance, Welsh Government recognise the new national priorities which schools must have regard to when setting their improvement priorities which are:

- Improving pupils' progression by ensuring their learning is supported by a range of knowledge, skills and experience;
- Reducing the impact of poverty on learners' progression and attainment.

As part of our work to develop a strong approach to evaluation, and in particular the evaluation of learning, the EAS has developed a guide to help identify the wide range of evidence available for review and analysis. This builds on the work to look at the intent, implementation and impact of our interventions. It will support both School Improvement Partners and schools to consider how best to respond to the WG guidance quoted above. In particular, how to build the enabling conditions around the Curriculum for Wales and define its impact through embedded and accurate reflection and self-evaluation. Our approach to evaluating learning will focus on progress, attainment, wellbeing, social capital and equity and fairness.

7. EAS Business Plan: Activity 2023-2024

This section details the activities that will take place during 2023-2024. Each section has a set of success criteria which contributes to the overarching vision that we have for 2025. The support across each area is interrelated and should not be viewed in isolation, this section will be accompanied by a detailed plan that links to accountability arrangements, timescales and resources.

Priority 1: School Improvement

Priority 2: Leadership and Teaching

Priority 3: Curriculum for Wales

Priority 4: Health Wellbeing and Equity

Priority 5: School Governance

Priority 6: EAS Organisational Foundations

Priority 1: School Improvement: Provide bespoke support to local authorities, schools and educational settings (PRUs and Non-Maintained Nursery settings) that promotes peer collaboration and cluster working through a high support, high challenge model that fosters the development of an effective learning organisation.

 Success Criteria 1. Schools and educational settings accessing the universal, targeted or intensive offer, receive timely support aligned to their improvement priorities and demonstrate progress overtime. • In partnership with the EAS, review the capacity of
Headteachers to work as SIPs to support a self
improving system.

- All schools and educational settings engage in professional discussions that enable the sharing of effective practice.
- All schools and educational settings have a bespoke support plan aligned to their identified priorities for improvement which is shared with the governing body on an annual basis.
- All schools and educational settings engage in regular supported self-evaluation activity.
- There are robust performance management arrangements in place for Headteachers.
- Estyn reports are co-constructed with local authorities for schools in statutory categories.
- Monthly partnership meetings are held with local authorities to meet accountability arrangements.
- Where appropriate, leaders, schools and educational settings are encouraged to work collaboratively within and beyond their own cluster to support improvement and develop system leadership.

Priority 2: Leadership and Teaching: Provide professional learning and support for the continuous development and growth of leadership and teaching across the entire workforce (Leaders, teachers and teaching assistants), to enable the development of an effective learning organisation.

Success Criteria

ē

- 1. The workforce is supported by a professional learning offer and networking opportunities which promotes continuous learning opportunities and contributes to improvements in teaching and leadership.
- 2. Schools and educational settings requiring targeted or intensive support, receive timely and appropriate professional learning which leads to improvements in teaching and leadership.
- 3. Practitioners who access agile leadership and/or coaching and mentoring professional learning develop improved approaches within their own schools and settings.
- 40 Effective partnership working reduces the impact of potential percuitment and retention challenges.

Encourage leaders to

- Encourage leaders to engage in regional processes to strengthen accurate self-evaluation and improvement planning and in the regional Celebrate, Share, Support and Refine (CSSR) processes.
- Promote the regional teaching and learning offer for all practitioners (Leaders, teachers and teaching assistants).
- Provide access to appropriate and relevant data about trends in staffing, particularly recruitment and retention.
- Promote the regional Talent Management Approach for all schools and encourage schools, to engage in Initial Teacher Education (ITE) placements, where capacity allows.
- Welsh in Education Strategic Plans (WESP) address challenges in recruitment and retention.
- Support the work of professional learning and learning network schools.
 Identify schools that demonstrate any barriers to engagement in the regional professional learning offer.
- Encourage appropriate schools to engage in ITE partnership across Wales.
- Engage in the endorsement of candidates that meet the Aspiring Headteacher and preparation for National Professional Qualification for Headship (NPQH) threshold.

- All schools access valuable professional learning aligned to their own school priorities.
- · A sustainable supply of high-quality ITE placements are provided.
- All schools have robust statutory induction support for newly qualified teachers (NQTs).
- Higher Level Teaching Assistant assessment (HLTA) Status and NPQH assessment processes meet requirements.
- All Curriculum for Wales professional learning schools and learning network schools adhere to their annual workplan on behalf of the EAS.
- Where appropriate, leaders, schools and educational settings are encouraged to work collaboratively within and beyond their own cluster to support improvement and develop system leadership.

provision.

Priority 3: Curriculum for Wales: Provide professional learning and support for schools and educational settings (PRUs and Non-Maintained Nursery Settings) to realise Curriculum for Wales (CfW) and to enable them to become effective learning organisations within and beyond clusters.

- All schools and educational settings have processes in place to ensure that the mandatory aspects of the curriculum for Wales framework support curriculum provision.
- All schools and educational settings follow the agreed syllabus to ensure that the mandatory requirements of RVE and Relationships and Sexuality Education (RSE) are met and support curriculum provision.
- Provision for Welsh enables a progressive pathway to qualifications in Welsh / through the medium of Welsh, including post 16, and opportunities for learners to use Welsh in different contexts in schools and educational settings (formal and informal).
- All Curriculum for Wales professional learning schools and learning network schools adhere to their annual workplan on behalf of the EAS.
- Where appropriate, leaders, schools and educational settings are encouraged to work collaboratively within and beyond their own cluster to support improvement and system leadership.

Priority 4: Health Wellbeing and Equity: Provide professional learning and support for health, wellbeing and equity to improve the outcomes of vulnerable and disadvantaged learners supporting the development of effective learning organisations.

Success Criteria	LA Partnership Working

- There are clear roles and responsibilities between the EAS and each local authority for the provision of support for Health, Wellbeing and Equity so that schools and educational settings are clear about where to access support.
- All schools and educational settings comply with the policy directive to prioritise health and wellbeing and community focussed schools in their SDPs.
- All schools and educational settings comply with PDG grant terms and condition requirements.
- All Curriculum for Wales professional learning and learning network schools adhere to their annual workplan on behalf of the EAS.
- Where appropriate, leaders, schools and educational settings are encouraged to work collaboratively within and beyond their own cluster to support improvement and system leadership.

Priority 5: School Governance: Provide a broad range of professional learning, support, advice and guidance, that has a positive impact on developing governance and its role in the development of schools as effective learning organisations.

Success Criteria	LA Partnership Working
 Professional Learning (PL) and networking enables governors to impact positively on school leadership and governance. Governing Bodies accurately evaluate the impact of their work on the development of the school, using the self-evaluation tool to identify their own development needs. Where schools require targeted or intensive support, the Governing Body is supported to understand both the implications and the support available, so that they can demonstrates a positive impact on leadership. Governing Bodies knowledge and understanding of their school is improved through the provision of the SIP Annual Report detailing the support that is being provided to the school. When required, Chairs of Governors engage with advice and support from the Regional Specialist HR service, through the school improvement team, so that they are able to support the development of school leadership. The Service Level Agreement provides a comprehensive range of support services to support governing bodies in meeting their core responsibilities and statutory requirements. Assumptions: Processes that should be in place	 Provide local authority specific professional learning for governors. Communicate support needs for specific governing bodies, to help target professional learning and support. Encourage governing bodies to engage with the self-evaluation process. Provide appropriate local authority input into statutory processes as required. Consider the suitability of any applications for local authority governors, through usual governor appointment processes. Take action to support recruitment or amend arrangements in governing bodies, where required. Take action to support the recruitment of governors, amending arrangements in governing bodies, where required. Ensure that they are satisfied, as per Welsh Government Guidance, that all schools have an adequate complaints procedure.

- All newly appointed governors attend mandatory training within the stipulated timescales and are supported by a mentor from within the governing body. Non-compliance is reported to the relevant chair of governors and LA.
- Where a Governing Body has more than three vacancies for over a term, does not hold three meetings in a year, or does not hold an Annual General Meeting the chair of governors, headteacher and LA are informed.
- All governing bodies have an 'adequate complaints procedure that is publicised' based on revised Welsh Government Guidance (December 2022).

Priority 6: EAS Organisational Foundations: Provide a lean, efficient organisational infrastructure which delivers on our agreed priorities to support all schools and educational settings to be thriving, learning organisations.

4. The financial and encretional delivery model analysis offertive delivery	
 The financial and operational delivery model enables effective delivery of the regional school improvement model. A balanced year end budget is achieved through effective financial management. Timely progress is made towards the Business Plan priorities demonstrating impact and value for money. Processes for self-evaluation and impact capture are used well to inform strengths and areas for improvement. Processes for performance management and professional learning enable a skilled and effective workforce. Effective systems enable the collation of a range of information on schools and educational settings to be used to support improvement. Effective partnership working including national and cross regional work contributes to system wide improvement in Wales and beyond. 	 Local authorities are committed to financing and supporting a sustainable regional model for school improvement. Support effective governance arrangements through engagement and attendance. Engage in consultation and self-evaluation processes, as appropriate.

- The EAS is an agile and responsive organisation providing bespoke and flexible support to local authorities.
- The EAS values and develops transparent and productive relationships with all partners.
- The EAS regular reviews all systems and processes to ensure they consider workload implications.
- A robust governance model is in operation with optimal attendance and engagement.
- The EAS complies with all legal requirements as an employer and as a company.
- The EAS engages in a broad range of internal and external audits that support improvement.

Foreword

The Educational Achievement Service (EAS) is the school improvement service of the five local authorities in South East Wales: Blaenau Gwent, Caerphilly, Monmouthshire, Newport and Torfaen.

The EAS is owned by the five Councils and operates within a robust governance structure which is populated by representative Elected Members from each Council.

The EAS has been in operation since September 2012 and has undergone many changes during this period. Through the commissioning of an annual Business Plan the EAS delivers key school improvement support to all schools and educational settings across the South East Wales region.

The EAS endeavours to work in partnership local authorities, schools and settings and wider stakeholders, ensuring that service delivery remains of a consistently high standard and meets the needs of the system. The service welcomes external expertise and challenge to support continued improvement and will remain agile and responsive to regional need.

Section 1: Regional Context

Key regional facts and figures

- The number of pupils of compulsory school age within the region in 2021 was 73,324. This represents 19.3% of all pupils in Wales.
- There are 237 maintained schools in the region (which includes 4 pupil referral units),
 15.8% of all maintained schools in Wales (EAS figure correct from September 2021,
 Wales figure from Pupil Level Annual School Census (PLASC), 2021).
- There are 21 Welsh medium primary schools, 3 Welsh medium secondary, 17 Roman Catholic and 11 Church in Wales schools within the region
- The percentage of pupils of compulsory school age who are eligible for free school meals (FSM) is 24.8%. This level of eligibility is the second highest of the four regional consortia with Central South Consortium highest with 25.1% (PLASC, 2021).
- In the region, 10% of people aged three and over say that they can speak Welsh compared to the Wales average of 19% (2011 Census, ONS).
- The percentage of pupils aged 5 or over from an ethnic minority background is 11.8%.
- Based on local authority reported numbers (March 2021), 847 children in the region are looked after (LAC) by a local authority and attend a school in the region. An additional 54 Looked After Children are educated in schools in England. (This data is no longer collected in PLASC).

Section 2: Introduction

As an organisation we have reviewed how we have written the Business Plan and communicated this to our partners. We decided it was timely to review and adapt this process and to make it more accessible to a wider audience. We have used the 'Theory of Change' approach to help us articulate the changes and impact we want to make as the regional school improvement service for South East Wales and the connections and actions needed that will allow that change and impact to be successfully achieved. This Business Plan spans a three-year period and will receive annual reviews each year.

However, this plan also considers how schools and educational settings continue to face the challenges of the pandemic. The EAS will remain sensitive and responsive to the needs of the workforce and will continue to be a highly supportive, reflective, and responsive organisation.

The EAS will build upon what has worked well during this period, particularly the aspects of our role that have been successful within the virtual environment. The support that the EAS will offer will fully align to the expectations set by local authorities, Welsh Government (WG) and links to emerging research. The pandemic has reminded us that positive change is and has been possible. Schools, settings and the EAS have seized opportunities to explore innovative ways of working and delivering meaningful learning experiences through a creative blended learning approach. These experiences should be built upon to avoid a 'snap back,' keeping the positive learning that has been developed during this time.

Stats and Stories from 2020-2021

- Nearly all (98%) agreed or strongly agreed (46%) that the blended learning
 masterclass has directly brought about advances in knowledge, skills and/or practice.
 It has prompted reflection on beliefs and attitudes regarding professional practice.
- Over 90% of leaders agree that the EAS provides high quality professional learning that supports for Leadership and Teaching, access to inspirational guest speakers, digital support and access to an equitable national leadership offer.
- Nearly all schools are Adverse Childhood Experience (ACE) Aware
- Over 100 School Improvement Partners (SIP) from both within and beyond the region are current serving Headteachers who are contributing to the self-improving system and the Schools as Learning Organisations (SLO) agenda.
- Sharing of best practice events highlighting key learning and good practice during the pandemic involving international speakers.
- Strong Learning Network school to school provision has been secured for schools who
 require high levels of support. This support is holistic and addresses leadership and
 improving the quality of teaching.
- The development of a growing bank of case studies evidencing examples of school improvement and turnaround leadership.
- Enhanced schools' ability to network and share practice. Curriculum for Wales (CfW)
 Teaching and Learning Development Group has over 380 members and the
 Progression and Assessment Development Group has 340 members.

- 150 schools have accessed the CfW professional learning (PL) programme to support senior leaders and headteachers.
- Over the last 3 years 59 people in the EAS region have successfully met National Professional Qualification for Headship (NPQH). The average pass rate over the last three years is 76%.
- 2020/ 2021 58 Higher Level Teaching Assistant (HLTA) achieved the status, a 98% pass rate, building capacity in schools
- Governing Body meetings moved online from the end of March 2020. In the subsequent 18 months over 1800 meetings were clerked, an average of 31 each week in term time.
- We have able to connect with more governors than ever across the region, offering a virtual Professional Learning (training) programme from Summer 2020. Since then, we have delivered over 130 virtual events for governors, with over 2000 individual attendances.
- Since Autumn 2019 across the EAS over 500 participants have accessed the Middle Leadership Development Programme. Nearly 900 evaluative comments have been received about the PL experience.

We will continue to research, refine, respond and reflect to school needs. Our established networks will continue to be the mechanism of communicating with schools and settings. The Supporting our Schools website will continue to be the 'go to place' for all resources and guidance materials.

The EAS understands the need to over communicate with clarity to provide reassurance regarding advice, guidance, support and expectations. As a result, the EAS will work with local authorities to minimise any unnecessary bureaucracy for schools and settings to ensure they are able to focus on their important priorities and their support for learners.

The timing, delivery and focus of the support will be carefully considered in respect of the challenges that are likely to continue.

Section 3: Our Approach

The Theory of Change approach

This approach begins with asking why we are doing what we do in the EAS (our vision) and reinforces the need for the development of a collective regional vision, so that we are all clear about what we are trying to achieve and each other's respective roles in this. The EAS will work collaboratively with local authority partners, wider partners and schools and educational settings to implement the Business Plan.

Why? What are we aiming to achieve?

South East Wales Vision 2025

SE Wales Vision All young people are confident, ambitious, resilient and have a love of lifelong learning and realise their full potential.

The SE Wales Vision is currently under development

In working towards the SE Wales Vision, a strong commitment of partnership working is critical. It is important to recognise that each local authority, school and educational setting will have their own strategic priorities that support the realisation of the regional vision. These will be documented in LA Strategic Plans and School Development Plans.

EAS Vision 2025

Supporting and enabling schools and education settings to thrive ad effective learning organisations.

There is an existing vision that is currently under development with all stakeholders

In working towards the EAS Vision, it is critical that the EAS Business Plan reflects regional and local needs.

Wales has an ambition that all schools develop as learning organisations, in keeping with OECD principles. Schools that are learning organisations have the capacity to adapt more quickly and explore new approaches, with a means to improving learning and outcomes for all their learners.

What? What will the EAS do to achieve our vision?

All schools will be able to access a universal offer of professional learning support in each of the following areas: School Improvement, Leadership and Teaching, Curriculum for Wales, Health Wellbeing and Equity and School Governors which are intrinsically linked. As well as a holistic professional learning offer, this will include a set number of days to work with their School Improvement Partner (SIP) and a professional dialogue with the EAS and LA to agree and or amend improvement priorities and support requirements as part of an annual professional discussion.

In addition to the universal offer, schools will be able to access specific and targeted support as determined through ongoing professional discussion with their SIP and in line with their school improvement priorities. This professional learning support may be related to a task and finish activity, an option for further work with their SIP or an option for peer working.

Bespoke support will also be available for schools who require more intensive support. This could include more support from the SIP or the use of a Learning Network School to School Partnership.

Activities:

School Improvement: Bespoke support to schools and education settings which is aligned to their needs. Create and facilitate collaborative networks of professional practice.

Leadership and Teaching

Professional learning and support for the development of leadership and teaching across the entire workforce.

Curriculum for Wales

Professional learning and support for curriculum for Wales.

Health, Wellbeing and Equity

Professional learning and support to improve health and wellbeing, with a practical focus on vulnerable and disadvantaged groups.

Governors: Provide a broad range of professional learning support.

These activities will be explained in more detail later in the document.

What are the foundations that enable activities to take place?

The EAS needs to have the following elements in place to enable the activities above. These are the foundations of the organisation:

- We are passionately committed to Wales, helping our staff, schools and education settings succeed.
- Agile, timely and responsive.
- Sensitive, flexible, and empathetic to system needs.
- The way we work is informed, drawing on research from a global perspective.
- Welcome challenge and review.
- Effective systems and processes for self-evaluation, risk, and financial management.
- The operation of a clear and effective governance model.
- Positive relationships with a range of partners and stakeholders.
- Adherence to all legislative requirements.
- Communicate clearly.
- Support the wellbeing and professional learning of staff.
- Work is well-planned and managed to deliver the best for schools and education settings.
- Draw upon expertise to improve our delivery.

9

What will be the impact?

If schools and educational settings have the capacity to secure improvement and engage with the support available from the EAS this is the expected impact:

Impact:

The EAS provides support to enable leaders, governors and education practitioners to develop the knowledge, skills and behaviours to positively impact practice, providing improved learner outcomes.

Professional learning is of high quality and appropriate to (individual) needs.

Support is aligned to needs, enabling schools and education settings to make progress.

The broad range of collaborative networks and activity support the development of a self-improving system.

How will we capture our work and share information with our partners?

There are many ways of capturing and sharing what the EAS does which are exemplified in this model as outputs.

Outputs:

Governance reports
Policies and processes
External research and review
PL resources and guidance

EAS Foundations:

Business delivery

- A clear EAS vision is articulated to schools and partners.
- Review and refine the hybrid working model and develop a balanced approach to Professional Learning delivery that incorporates the benefits of the virtual environment alongside face-to-face delivery where appropriate.
- Embed the EAS evaluation model, continuing to welcome external challenge and support, including engagement with research partners to evaluate current programmes and inform future developments.
- Use the Investors in People (IIP) development programme to support service improvements.
- Continue to develop and refine the broad range of ICT systems that support the business model and review the systems that enable the delivery of support for governors.
- Develop an effective communications strategy that meaningfully engage with all key stakeholders
- Continue to engage with other consortia and middle-tier organisations, such as Estyn, to realise efficiencies in programme development and delivery.
- Support and advise local authorities, as appropriate, in the delivery of their statutory functions for the regional Standing Advisory Councils for Religious Education (SACREs) and the development of individual Welsh in Education Strategic Plans (WESP).

Staff Development

- To maintain high levels of staff morale and wellbeing in the context of reduced funding and workforce planning.
- Implement new performance management processes to reflect individual and service needs.
- Continue to develop collaborative ways in which the EAS team contribute to decision-making processes and are recognised more systematically for their successes.
- Provide all staff with the professional learning opportunities that enable them to undertake their role and develop professionally and personally ensuring all mandatory professional learning is undertaken.
- Recruit, develop and retain a skilled, professional, well informed, and motivated workforce that represents the values and vision of the EAS.

Funding and Resources

- Work with key partners to secure a more sustainable deliverable funding model, aligned with workforce planning.
- Secure an updated Collaboration and Members Agreement (CAMA) with local authority partners, that recognises change management funding.

Section 5: Delivery arrangements and resources for 2022-2023

Governance

The EAS is subject to a robust governance model that is underpinned by the Articles of Association and a Collaboration and Members Agreement (CAMA).

Consortium funding

The EAS is funded on an annual basis from three sources: Local authority core contributions, regional school improvement grants and a service level agreement for governor support services. A spending plan accompanies this Business Plan which is intrinsically linked to all actions contained within it. A detailed overview of the regional distribution of all grants is available for all schools to view and compare allocations and rates of delegation through the regional grant monitoring tool.

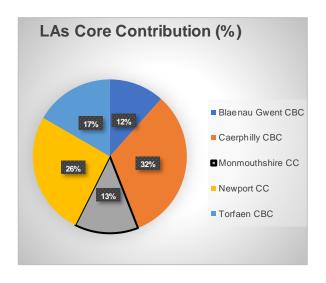

The delegation rate to schools increased to 95.5% in 2021/22, whilst the EAS staff profile has reduced by 53.1% since 2012.

As recipients of public funding, it is important that budgets are allocated and spent wisely. The EAS will continually strive to provide value for money through the optimal use of resources to achieve intended outcomes.

Local authority contributions 2022-2023

Local authority funding for consortium working is underpinned by the National Model for Regional Working, published by the Welsh Government in 2014. The model recommended a core funding allocation of £3.6m for the EAS. The local authorities' indicative figures for 2022-2023 are as follows:

Local Authority (to be agreed)	£
Blaenau Gwent CBC	£350,046
Caerphilly CBC	£980,663
Monmouthshire CC	£403,815
Newport CC	£783,291
Torfaen CBC	£503,498
Total	£3,021,313

In terms of the above £0.99m of this figure is used to secure capacity within the EAS team from current serving headteachers and schools and £0.18m of this figure is used to secure service level agreements and venue costs sourced through local authorities.

Regional school improvement grants

The Collaboration and Members Agreement (CAMA) details the procedure to be followed for all regional school improvement grants received into the region from Welsh Government. Before the grant can be accepted approval to funding distribution is required from the local authority Chief Education Officers / Directors of Education with a follow up ratification from JEG members.

^{*}Delegation: This refers to funding which gives freedom of choice to a school in how it is used. It must however be spent in accordance with, and in the spirit of, the core purpose of the grant and the individual school development plan.

Governor Support Service Level Agreement

The EAS has responsibility for providing a Governor Support Service to all schools in the region. The service provides support to school governing bodies, headteachers, and individual governors. This includes advice, guidance, training, and an optional clerking service to support governing bodies to deliver their responsibilities.

The optional clerking service is provided through a service level agreement with an option to buy into a clerking service and then additionally a statutory committee clerking service, through a Service Level Agreement (SLA). From 2020 to 2022, 99% of schools opted into the SLA clerking service, with 51% of schools choosing the additional statutory committee service. From April 2022 the service is being offered on a 3-year basis, which aligns with the revised Business Plan approach. The indicative funding for 2022/23 is £0.364m.

EAS - Integrated Impact Assessment

Appendix C

This Fairness and Equality Impact Assessment (FEIA) has been designed to assist to help support the EAS in making informed and effective decisions whilst ensuring compliance with a range of relevant legislation, including:

- > Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011
- ➤ Socio-economic Duty Sections 1 to 3 of the Equality Act 2010
- ➤ Welsh Language Standards (Wales) 2015
- ➤ Well-being of Future Generations (Wales) Act 2015

<u>PLEASE NOTE</u>: Section 3 Socio-economic Duty only needs to be completed if proposals are of a strategic nature or when reviewing previous strategic decisions.

1. Proposal Details

This is a Strategy / Plan

What is the proposal to be assessed? Provide brief details of the proposal and provide a link to any relevant report or documents.

The EAS is required by Welsh Government to submit an annual overarching regional Business Plan on an annual basis. The EAS then delivers, through this plan, a wide range of school improvement services to all schools (all key stages, including all through schools and special schools), pupil referral units and funded non-maintained nursery settings on behalf of each LA. This plan supports the role LAs have in delivering their statutory function, addressing their individual improvement priorities and promoting improved pupil outcomes.

As an organisation we have reviewed how we have written the Business Plan and communicated this to our partners. We have undertaken consultation to help us articulate the changes and impact we want to make as the regional school improvement service for South-East Wales and the connections and actions needed that will allow that change and impact to be successfully achieved. This Business Plan spans a three-year period and will receive annual reviews each year. This report is the annual update for year 2.

2. Equality Act 2010 (Statutory Duties) (Wales) Regulations 2011

(The Public Sector Equality Duty requires the Council to have "due regard" to the need to eliminate unlawful discrimination, harassment and victimisation; advance equality of opportunity between different groups; and foster good relations between different groups). Please note that an individual may have more than one protected characteristic.

	Protected Characteristics	Does the proposal have any positive, negative or neutral impacts on the protected characteristics and how?	If there are negative impacts how will these be mitigated?	What evidence has been used to support this view?

3. Socio-economic Duty (Strategic Decisions Only)

(The Socio-economic Duty gives us an opportunity to do things differently and put tackling inequality genuinely at the heart of key decision making. Socio-economic disadvantage means living on a low income compared to others in Wales, with little or no accumulated wealth, leading to greater material deprivation, restricting the ability to access basic goods and services)

Please consider these additional vulnerable groups and the impact your proposal may or may not have on them:

- > Single parents and vulnerable families
- People with low literacy/numeracy
- > Pensioners
- Looked after children (LAC / CLA)
- > Homeless people

- > Carers
- > Armed Forces Community

Which in turn support the national well-being goals for Wales as outlined in the Well-being of Future Generations (Wales) Act 2015. Are there any impacts (positive, negative or neutral? 5. Well-being of Future Generations (Wales) Act 2015 – The Five Ways of Working (ICLIP)

(Also known as the sustainable development principles. The Act requires the Council to consider how any proposal improves the economic, social, environmental and cultural well-being of Wales using the five ways of working as a baseline)

Ways of Working	How have you used the Sustainable Development Principles in forming the proposal?
Long Term	This is a three-year business plan with one-year updates as stipulated by Welsh Government. The plan however supports the development of a self-improving school system and all Welsh Government long term strategic objectives in relation to school improvement. Longer term projections are not possible due to significant proportions of EAS work being funded by Welsh Government Regional grants for schools which are only known on a one year basis.
Prevention	The plan is designed to support the development and growth of schools, as part of a self improving system.
Integration	This Business Plan has been completed in consultation and collaboration with all five Local Authorities, and been informed by a broad ranging consultation exercise. Individual councils will need to consider how the business plan links to other council services

6. Well-being of Future Generations (Wales) Act 2015				
Wellbeing Goals	Does the proposal maximise council's contribution to the Well-being Goals and how?			
A Prosperous Wales An innovative, productive and low carbon society which recognises the limits of the global environment and therefore uses resources efficiently and proportionately (including acting on climate change); and which develops a skilled and well-educated population in an economy which generates wealth and provides employment opportunities, allowing people to take advantage of the wealth generated through securing decent work	The plan will deliver a wide range of school improvement services to all schools (all key stages, including all through schools and special schools), pupil referral units and funded non-maintained nursery settings on behalf of each LA. This will contribute, through schools and partners in the Local Authority to a skilled and well-educated population. High quality education is a fundamental of ensuring future local and national prosperity through the provision of an informed and well-educated workforce and society. The Local Authority's statutory role to support, monitor and evaluate school performance and the quality of provision is essential.			
A Resilient Wales A nation which maintains and enhances a biodiverse natural environment healthy functioning ecosystems that support social, economic and ecological resilience and the capacity to adapt to change (for climate change)	n/a			
A Healthier Wales A society in which people's physical and mental well-being is maximised and in which choices and behaviours that benefit future health are understood	The EAS has placed wellbeing at the forefront of its work and will continue to provide a range of professional learning to schools and settings that has provided support to the social and emotional needs of the workforce and learners.			
A More Equal Wales A society that enables people to fulfil their potential no matter what their background or circumstances (including their socio-economic background and circumstances)	The plan supports the development of strategies in schools that support equity and equality, including continuing to provide support to school leaders on the identification and support for specific groups of disadvantaged and vulnerable learners including those who have been disproportionality affected by school closures.

Well-being Goals	Does the proposal maximise our contribution to the Well-being Goal and how?
A Wales of Cohesive Communities Attractive, viable, safe and well-connected communities	n/a
A Wales of Vibrant Culture and Thriving Welsh Language A society that promotes and protects culture, heritage and the Welsh language, and which encourages people to participate in the arts, and sports and recreation	All schools are required to promote Welsh culture and heritage through the Cwricwlwm Cymreig and to ensure that pupils are able to learn and practice the Welsh Language. Support for both is a kye strand of the business plan.
A Globally Responsible Wales A nation which, when doing anything to improve the economic, social, environmental and cultural well-being of Wales, takes account of whether doing such a thing may make a positive contribution to global well-being	Ensuring high quality education is fundamental to securing the economic, social and cultural wellbeing of future generations. The Business Plan focuses support for all schools appropriately schools. The school curriculum includes focus on social, environmental and cultural well-being, and these aspects are support as part of the plan.

7. Welsh Language (Wales) Measure 2011 and Welsh Language Standards

(The Welsh Language Measure 2011 and the Welsh Language Standards require the Council's to have 'due regard' for the positive or negative impact a proposal may have on opportunities to use the Welsh language and ensuring the Welsh language is treated no less favourably than the English language). Whilst not bound by this standard the EAS Welsh Language Policy explains how this duty is complied with to the same level.

7a. Having considered the impacts above, how has the proposal been developed so that there are positive effects, or increased positive effects on (a) opportunities for persons to use the Welsh language, and b) treating the Welsh language no less favourably than the English language.

The EAS Welsh Language Policy (Updated September 2021) describes in full the ways in which the EAS complies with the Welsh Language Measure (2015), including accesses to all materials bilingually, actively promotes the use of the language and offers an ever a range of services and support through the medium of Welsh for those who require them.

8. Data and Information

(What data or other evidence has been used to inform the development of the proposal? Evidence may include the outcome of previous consultations, existing databases, pilot projects, review of customer complaints and compliments and or other service user feedback, national and regional data, academic publications and consultants' reports etc.)

Data/evidence	Key relevant findings	How has the data/evidence informed this

Please note that a mid-year evaluation of the current revised Covid Business Plan (2020/21) has been submitted to each of the EAS governance groups and has been available for local authorities to share as appropriate within their own democratic processes.		The plan has also been informed by a broad range of visioning sessions available for all stakeholders and is informed by a range of stakeholder surveys whose outcomes have been analysed across 2021-2022.	

Were there any gaps identified in the evidence and data used to develop this proposal and how will these gaps be filled? Details of further consultation can be included in Section 9.

No

9. Consultation

(In some instances, there is a legal requirement to consult. In others, even where there is no legal obligation, there may be a legitimate expectation from people that a consultation will take place.

Briefly describe any recent or planned consultations paying particular attention to evidencing the Gunning Principles.

The Business Plan has been through a consultation process. The Consultees are noted below:

- EAS staff
- Directors of Education (within South East Wales) and Diocesan Directors
- Regional Joint Executive Group
- EAS Company Board
- EAS Audit and Risk Assurance Committee
- Individual local authority education scrutiny committees
- All Headteachers from within the region
- All Chairs of Governors from within the region
- School Councils from within the region
- All school based Professional Learning Leads
- EAS Supporting School Trade Union Group (SSTU Group)

ToWhen were they consulted did the consultation take place at the formative stage and was adequate time given for consultees to consider and respond?

From October – December 2021

Was sufficient information provided to consultees to allow them to make an informed decision on the proposal?
The full draft Business Plan was shared with all consultees.

What were the key findings?

All feedback has been considered and where appropriate incorporated into the final Business Plan.

How have the consultation findings been taken into account?

All feedback has been considered and where appropriate incorporated into the final Business Plan.

10. Monitoring and Review				
How will the implementation and the impact of the proposal be monitored, including implementation of any amendments?	There are many ways of capturing and sharing what the EAS does which are exemplified in this model as outputs. The progress on the implementation and impact of the Business Plan will be reported to the Joint Executive Group and Company Board. These reports, as in previous years, will be suitable for scrutiny activity at local authority and national level. In addition, the progress made towards the implementation of key actions will be reported at each meeting of the Joint Executive Group and Company Board. This approach will be aligned to the national changes in the accountability system.			
What are the practical arrangements for monitoring?	Bi-monthly meetings of EAS Joint Executive Group, Company Board and the Audit and Risk Assurance Committee, all of whom have council representatives. All groups are chaired by an elected member.			
How will the results of the monitoring be used to develop future proposals?	In the same way that this business plan has been informed by previous business plans. Through a comprehensive evaluation and subsequent consultation process.			
When is the proposal due to be reviewed?	Bi-monthly internally to governance groups.			
Who is responsible for ensuring this happens?	Overall EAS Managing Director supported by broader Senior Leadership Team			

11. Re	11. Recommendation and Reasoning				
	Implement proposal with no amendments				
	Implement proposal taking account of the mitigating actions outlined				
	Reject the proposal due to disproportionate impact on equality, poverty and socio-economic disadvantage				

12. Reason(s) for Recommendation

(Provide below a summary of the Fairness and Equalities Impact Assessment.

The EAS is required to submit an annual overarching regional Business Plan on an annual basis. The three year business plan 2022-2025 (which commenced on 1 April 2022, following consultation from January to early March) was approved by each Local Authority's Cabinet prior to submission to Welsh Government. This is the annual update for Year 2 of this three year period.

The plan provides support for school improvement services directly to schools across the region. The plan does not include changes to the services, or delivery methods for any particular group or groups. It is therefore at least neutral in its impact with many positive benefits, particularly in relation to wellbeing goals and support for disadvantaged learners.

13. Version Control

(The IIA should be used in the early stages of the proposal development process. The IIA can be strengthened as time progres ses to help shape the proposal. The Version Control section will act as an audit trail to evidence how the IIA has been developed over time)

EDUCATION SCRUTINY COMMITTEE - 28TH MARCH 2023

SUBJECT: SUPPORT FOR SCHOOLS

REPORT BY: JONATHAN KEOHANE, ASSISTANT DIRECTOR, EAS

1. PURPOSE OF REPORT

- 1.1 To inform members of the school improvement work undertaken in Caerphilly schools from September 2022 December 2023
- 1.2 To seek members' views on the school improvement work.

2. SUMMARY

2.1 The Education Achievement Service provides school improvement support, on behalf of Caerphilly Local Authority. The information included in this report outlines the key aspects of the EAS work, along with key actions and responsibilities that of the Local Authority to support schools in Caerphilly. This work contributes to the Local Authority's Strategic plans and the contribution of the EAS through their regional Business Plan (2022-2025).

3. RECOMMENDATIONS

3.1 Members are asked to consider the contents of the report and raise any questions or comments they may have of officers about the information contained within.

4. REASONS FOR THE RECOMMENDATIONS

4.1 Members should be made aware of the support available to Caerphilly schools.

5. THE REPORT

Professional Discussions

5.1 During an academic year, the Local Authority (LA) and Educational Achievement Service (EAS) engage with schools through a professional discussion with each school. This is one of the key processes that enables the LA to know their schools well,

using an increasing range of first-hand evidence. Discussions focus on school priorities for improvement and the progress the school is making towards them. This process is cyclical and supports schools to determine and/or review their priorities in line with their self-evaluation processes. The discussion also helps to determine the ongoing support needs of the school from both the LA and EAS and identify where practice is worth sharing.

5.2 Since September 2022, 19 professional discussions have taken place.

Progress against School Development Priorities

- 5.3 On a termly basis, School Improvement Partners (SIPs) provide a commentary for all schools on the progress that they are making towards their school development plan priorities.
- 5.4 In the Autumn Term, most schools in Caerphilly are on track towards meeting their priorities. Where schools are not on track, the School Improvement Partner will provide, or broker additional support as required and these schools will be closely monitored by the LA.
- 5.5 There are currently 3 schools in Caerphilly who are working on a Post Inspection Action Plan (PIAP). The PIAP addresses recommendations from an Estyn inspection and replaces the School Development Plan as the main driver for school improvement.

EAS Supported self-evaluation activity (SSE): Autumn Term 2022

5.6 Central to the School Improvement Partners (SIP) work is supporting leaders to develop processes for effective self-evaluation. This involves working alongside the Headteacher and senior leaders, as part of the school's established monitoring cycle, to help with any activities which the school uses to collect first-hand evidence to evaluate quality and impact. The approach provides a sounding board, quality assurance and moderation of evaluations made. The SIP will also help the school to use the outcomes of self-evaluation to develop priorities for improvement in the form of their School Development Plan (SDP) or to provide/broker bespoke professional learning based on the needs of whole school or individual staff.

Celebrate, Share, Support, Refine (CSSR) Teaching Approach

- 5.7 The Celebrate, Share, Support, Refine (CSSR) teaching approach is an extension of the supported self-evaluation activity. The CSSR has been designed to understand the key strengths and areas for development of teaching and learning, to enable the realisation of Curriculum for Wales. The process is voluntary and is led by schools.
- 5.8 During this period, 4 schools in Caerphilly volunteered and completed a CSSR activity.
- 5.9 A further 6 schools have come forward to undertake a CSSR activity in the Spring or Summer term.
- 5.10 More schools would benefit from engaging in this approach to enable a greater focus on improving the forensic elements of teaching. A number of schools have indicated

they would be willing to participate when the current period of industrial action has finished.

Team Around the School meetings (TAS)

- 5.11 Where a school requires targeted or intensive support to accelerate progress a Team Around the School meeting (TAS) is convened.
- 5.12 During the TAS meetings the LA holds the schools and the EAS to account for the progress that is being made and the effectiveness of the support that is being provided.
- 5.13 There are currently 13 schools who benefit from the TAS process in Caerphilly.

LA thematic focus for the Autumn Term 2022

- 5.14 At Caerphilly LA's request, in autumn 2022, wherever a supported self-evaluation activity was taking place in school, a specific focus was given to Digital Learning: Provision and Skills.
- 5.15 Nearly all schools in Caerphilly have an appropriate Information Communication Technology (ICT) / digital policy and a majority of schools have developed a digital vision. Where this is effective, the head teacher and senior leaders share a clear strategic digital vision which is well-known to all stakeholders, links with the whole-school vision and reflects Curriculum for Wales.
- 5.16 Many schools have referred to digital skills in their current school development plan. Many schools in Caerphilly have built the progressive application of digital skills into their Monitoring, Evaluation and Review (MER) cycle. Reviews involve a range of personnel including senior leaders, the digital lead, teachers, governors and pupils. Where effective practice was identified, in addition to tracking and monitoring digital provision and skills, learner progress is also tracked.
- 5.17 Where leaders have prioritised the development of digital provision and skills, regular professional learning opportunities are provided for staff, enabling them to share their digital expertise and supporting them to develop their digital knowledge and skills. Leaders have also given high priority to resourcing IT, investing in hardware and software.
- 5.18 A majority of schools in Caerphilly have identified that they use Hwb (the Welsh Government's online learning platform) as their main platform for delivering online provision. This is in-line with the average findings across the region. Where schools use Hwb they benefit from being aligned to the national platform and they are able to access a wide range of valuable resources to inform leadership, teaching and learning. Where schools were not using Hwb they indicated an alternative preferred platform
- 5.19 In the schools where good practice was identified, staff have high expectations of learners and they have the knowledge and understanding of the Digital Competency Framework (DCF) and the progressive development of digital skills to plan appropriate tasks and activities which use IT to enrich the curriculum e.g. in one school sampled, staff are also developing a digital planning tool with examples of activities in each progression step.

Curriculum for Wales Cluster Working

- 5.20 The Curriculum for Wales places an emphasis on clusters of schools working together effectively to meet the needs of their learners by developing a cluster approach to curriculum provision.
- 5.21 During the autumn term 2022, nearly all schools began implementing Curriculum for Wales. The EAS provides significant support, professional learning and advice to all schools and to the LA on this key aspect of reform.
- 5.22 The EAS has commissioned Professor Mick Waters to work alongside clusters to complete an action research project focussing on securing a shared understanding of learner progress on a cluster basis. The long-term aspiration for this work is to develop approaches that support clusters to work collaboratively to support learner progress in key areas identified within their transition plan. This may include developing common approaches to planning and curriculum design and/or teaching in some Areas of Learning. The overall aim being to support progression in pupils' knowledge and skills as they move across the 3-16 learning continuum.
 - 6 clusters are currently working with Professor Mick Waters on their curriculum offer.
 - 4 clusters are on tranche 3 and will begin their work with Professor Mick Waters on 21st March 2023.
 - 1 school is currently engaged in similar work with a group of Catholic schools in a neighbouring Local Authority
 - 1 school opted out of the Professional Learning offer to work alongside Professor Mick Waters.
- 5.23 Clusters will have the opportunity to share their work with other clusters across the region during the Summer Term.

EAS 'Stats and Stories'

5.24 The EAS has provided two versions of the Stats and Stories over the past few terms (September 2022 and January 2023). These documents draw out the impact of The EAS' work in schools across Caerphilly and highlight where interventions have led to improvement and added capacity to build schools as learning organisations.

Conclusion

5.25 This report describes the agreed regional approach to supporting schools to meet the needs of the Local Authority's 'Pursuing Excellence Together' education strategy'.

EDUCATION SCRUTINY COMMITTEE - 28TH MARCH 2023

SUBJECT: ADDITIONAL SUPPORT DELEGATION

REPORT BY: CORPORATE DIRECTOR EDUCATION AND CORPORATE

SERVICES

1. PURPOSE OF REPORT

1.1 This report provides an update for Members regarding the progress of the Local Authority (LA) in relation to the delegation of additional support to schools.

2. SUMMARY

- 2.1 A priority for the Education Directorate is ensuring compliance with the ALN Act and Code and ensuring that statutory duties for pupils with ALN are met. Neighbouring authorities and LAs across Wales have delegated additional support funding to schools. In Caerphilly funding for additional support for schools has historically been retained centrally.
- 2.2 Over time there have been attempts made to work with schools to model a scenario to distribute funding to schools.
- 2.3 The Additional Learning Needs and Education Tribunal (Wales) Act (2018) provides an ideal opportunity for the additional support allocation process to be refreshed.
- 2.4 The budget for additional support is currently £4.1 million; this includes the employment of centrally employed teaching assistants. Schools utilise the funding to support them to undertake their responsibility for ALN provision.
- 2.5 A working group with LA officers, Primary and Secondary Head Teachers was reestablished in October 2022 to take this work forward. In order to gain support from schools for a model of delegation LA officers identified the need to increase funding in this area, thus demonstrating a recognition of the concerns raised by schools.
- 2.6 The Head Teachers in the working group have agreed an approach that will be shared more broadly with all Head Teachers with a view to potential implementation from September 2023 or April 2024, subject to further discussions and the required consultation process.

3. RECOMMENDATIONS

3.1 Scrutinise the contents of the report and, if they are so minded, support a recommendation to Cabinet of the LA's intended approach to the delegation of additional support funding to schools.

4. REASONS FOR THE RECOMMENDATIONS

4.1 Members are asked to support the approach of the LA in order that the statutory duties of schools / education provisions and the LA are effectively met and all children with ALN have their needs identified and met with appropriate provision.

5. THE REPORT

- 5.1 Ensuring compliance with responsibilities in relation to the ALN Act (2018) and associated Code is a priority for the Local Authority (LA) and schools.
- 5.2 LA currently retains a central budget of £4.2 million which includes the employment of centrally employed teaching assistants to support school to undertake their responsibility for ensuring ALN provision is in place to meet need.
- 5.3 The current model of support is managed by the LA though a robust panel process based on information provided by schools.
- 5.4 The principle of the group was to find solutions to barriers and inequities within the existing system enabling schools to:
 - effectively plan and manage their resources
 - respond flexibly to the identified needs of their school
 - develop provision that is fit for purpose
 - monitor and evaluate impact on pupil outcomes
 - ensure value for money
- 5.5 The delegation of additional support group was established to re-explore a model for delegation with head teacher representatives from across primary and secondary phases. Over time there have been many different scenarios or formula's modelled to distribute this funding to schools. In all scenarios there are always some schools that appear to have less funding than allocated through the presenting funding system and some that will have more.
- 5.6 Year on year additional support has been overspending by around £500k, but this has in effect been funded by capacity in the out of county budget, with pupils remaining within the Authority's schools.
- 5.7 In addition to LA / Agency employed staff, schools have received devolved funding to support additional staff hours to support pupils. In 2021-22 £1.8m of funding devolved to schools (following panel decisions) supported staffing requirements. However, the rate that is devolved to schools is below the current hourly rate that centrally employed staff are employed at. This is a significant issue within schools and is being raised increasingly with LA Officers. Based on recent levels of devolved funding it is estimated that circa £1m would cover this differential. As part of the

- Authority's budget planning for 2023/24, additional funding of £1m was recently approved by Council (23rd February 2023 Budget Report 2023/24).
- 5.8 Finance officers have developed models for the distribution of funding on the basis of an increase of £1.5m. This increase addresses the pressure on budgets in recent years. To confirm £1m equates to budgetary growth and £0.5m is the realignment of budget within the budget for Vulnerable Learners (£0.5m from the Out of County budget to the Additional Support Budget).
- 5.9 The group agreed delegation should be explored through modelling a number of formula options. LA officers developed options based on criteria including ALN, Free School Meals (FSM), vulnerability and pupil numbers. Modelling was based on comparisons to the 2021-22 actuals and included the additional £1.5m.
- 5.10 The models were shared with the group and modifications made based of feedback. The group also agreed an element of funding would be retained centrally as a contingency to address specific exceptional circumstances that may arise. Despite modelling many options there is no scenario within the financial envelope where all schools will receive funding greater than the benchmark used. That said the benchmark is based at a specific point in time and we recognise that the type and levels of support will change from year to year within a school.
- 5.11 The group identified several challenges through discussion:
 - Establishing a clear & transparent model for delegation.
 - A funding allocation as part of the school formula which would support effective planning and management of school resources for all pupils.
 - Securing additional funding.
 - Identifying issues of losses and gains and understanding any particular issues in those schools that need to be considered to inform the model.
 - Identifying a rationale for managing losses and gains.
 - Identifying and supporting any HR issues.
 - Identifying the rationale and criteria for the use of contingency.
 - Establishing a realistic timeline for implementation.
 - Seeking a solution for the distribution other aspects of the secondary social need's calculation.
- 5.12 On the basis of the work with Head Teachers, four options were presented to the working group. In the options identified below, deprivation was discounted due to funding from other grant streams to support pupils.
 - Option 1 based on pupil population
 - Option 2 based on pupil population but prior to the distribution, a lump sum allocation to a small number of schools supporting a disproportionate number of pupils with Autistic Spectrum disorder and or Pathological Demand Avoidance
 - Option 3 based on pupil population but prior to the distribution, a lump sum allocation to schools under 90 pupils
 - Option 4 based on a combination of 1, 2 and 3
- 5.13 Head teachers identified benefits of option 1 and option 4 as appropriate methods of distribution. Anonymised figures shared indicated significant implications in terms of gains and losses leading to further work to scrutinise these particular issues at either

end of the distribution. Officers reviewed each school individually to further inform the model working on a proposal considering tapering percentages linked to three year average and pupil numbers. This is scheduled for further discussion with the group.

- 5.14 It is also proposed that the schools identified as receiving a reduced allocation could receive top up support for 12-month period which could equate to around £520k. This will require further discussion and the appropriate approval.
- 5.15 Based on discussions the group has identified several benefits in proceeding with either of the identified models:
 - Flexibility for schools to manage budgets to ensure the needs of all pupils are met.
 - A more responsive approach to resourcing provision to meet need.
 - Opportunity to recruit and train staff.
 - Less bureaucratic processes as the requirement for additional support discussions at panel will cease.
 - Greater flexibility for staff time in schools and LA thus allowing LA time to be utilised differently to support schools.
 - Helping to support schools to deliver their duties under the ALN Act / Code which
 states "In nearly all cases, the school should_be able to provide, arrange and develop
 the provision required to meet the needs of ALN pupils using a more holistic / whole
 school approach".
 - Takes into consideration circumstances of a school i.e. it's location, size, budget, experience could affect whether it would be reasonable for a school to secure the provision (as outlined within the ALN Code)
 - Clear / consistent messages to parents/carers around the provision available in school.
 - Quicker responses / resources to meet the needs of learners.
- 5.16 An update on the work to date has been provided for Trade Unions and this dialogue will continue as implications are identified. An update has also been provided to Education SMT.
- 5.17 A further meeting of the working group is scheduled to:
 - Share the updated modelling
 - Update regarding any agreement for additional funding
 - Schedule discussions with HR to work through any identified staffing issues linked to the agreed model
 - Agree a position by the end of March to take forward for wider consultation including implementation timescales.

5.18 Conclusion

- 5.19 LA Officers and Head Teachers, working together with HR have agreed to delegate additional support to schools and are currently finalising the approach through an agreed model.
- 5.20 The activity of the working group will be finalised and further consultation undertaken with all Head Teachers with a view to finalising staffing arrangement and timescales.

6. ASSUMPTIONS

- 6.1 In considering the recommendations the following assumptions have been made:
 - Meeting the ALN of children and young people 0 − 25 years is a key statutory duty
 of the Council and as such developments must be reported to scrutiny to ensure
 that members are kept informed.

7. SUMMARY OF INTEGRATED IMPACT ASSESSMENT

7.1 This report is provided in order to ask Members to support the intended approach to delegation and support a recommendation to Cabinet. This work is ongoing and therefore an Integrated Impact Assessment has not been completed. An integrated impact assessment would be provided for the final Cabinet decision on completion of the work.

8. FINANCIAL IMPLICATIONS

8.1 As part of the Authority's 2023/24 budget planning, an additional £1m has been approved to support the pressures presented. In addition an amount of £0.5m will be realigned within the Education budget. In total an additional £1.5m will be added to the additional support budget in financial year 2023/24.

9. PERSONNEL IMPLICATIONS

9.1 The delegation of additional support will have workforce implications and a potential associated cost. Work is ongoing with HR to identify any issues that arise as a result of the proposed or agreed model for delegation and the LA will continue to work with Officers and schools to ensure these implications are addressed.

10. CONSULTATIONS

10.1 The report reflects with views of the consultees.
