I undertook the following training and development seminars and courses: -

Caerphilly Town Centre Management Group (Annual)
Microsoft Upgrade IT Training
Regeneration and Environment (Update)
Information Governance (Mandatory)
Appointments (Mandatory)
Pensions/Compensation (Mandatory)

CONSTITUENCY ACTIVITY

During the last 12 months myself and my other two Ward colleagues (James Fussell and Steve Kent) have held six Ward Surgeries, however we tend to concentrate on door to door contact with residents. We try and cover most of the ward during the year.

I also received regular contact and enquiries from residents via letter, e-mail or telephone. During the past 12 months I assisted residents on numerous matters ranging from planning, highways matters, parking issues, anti-social behaviour and environmental matters (dog fouling, litter, pollution). I attended meetings of a local residents association and liaised with them regarding issues that arise around the many events that occur within the town during the year. My Ward colleagues and I meet regularly with local Police Officers to discuss problems within the Ward, which also includes the town centre.

I have also arranged for and attended two litter picking sessions on Caerffili Mountain and liaised with Council Officers to remove rubbish and to clean our Town Centre.

As Chair and Vice Chair of two schools within the ward I attended full Governing body meetings every six weeks as well termly sub committees that dealt with finance, staffing, curriculum, building maintenance and school development.

During the year I also receive hundred's of emails a week from Council Officers and numerous other official bodies and voluntary organisations. I send a few as well !

I am also the Honorary President of a local Children's Charity, Shining Stars, (previously know as the Caerphilly Disadvantaged Children's Group) which organised events for physically and mentally handicapped children and their families.

As a Caerffili Town Councillor I helped organise the annual town fireworks display (This included working on the weekend of the display erecting the sound systems, barriers, dealing the road closures, the stewarding and helping set up the fireworks). For the

Christmas lights switch on I helped in the placing of the lights around the Town in the evenings prior to the switch on and then during the day in preparation for the event.

Both myself and my Ward colleagues have also been engaged with Residents in respect of the Review of the Local Development Plan in an attempt to stop the building of houses on green field sites.
