CONSTITUENCY ACTIVITY

I do not hold surgeries my constituents prefer to contact me by telephone and email.

Over the past twelve month I continued to hold the position of Town Councillor for the Bargoed ward and oversaw the Luncheon and Craft Clubs.

I frequently reported to Highways Officers the concerns from constituents, as well as working with Parks, Highways and Environment Departments of the Council to try and solve any problems and issues brought to my attention.

I worked with the Area Housing Officer to try and find solutions for tenants in my ward to the best of my ability.

My work in the community is my priority and to this end I fully supported the Bargoed Regeneration project and the efforts of Officers, Residents, Voluntary Organisations and Business Owners working together to make Bargoed a better place to live and work in.

I was an executive member of the Greater Bargoed Partnership and attended all the events held in my ward I could.
