CONSTITUENCY ACTIVITY

During the last 12 months myself and my other two Ward colleagues (James Fussell and Colin Elsbury) have held several Ward Surgeries however we tend to concentrate on door to door contact with residents. We try and cover most of the ward during the year.

I also received regular contact and enquiries from residents via letter, e-mail or telephone.

During the past 12 months I assisted residents on numerous matters ranging from planning (attending site visits and speaking at the Planning Committee), highways matters, parking issues, anti-social behaviour and environmental matters (dog fouling, litter, pollution). I attended meetings of a local residents association and liaised with them regarding issues that arise around the many events that occur within the town during the year.

My Ward colleagues and I meet regularly with local Police Officers to discuss problems within the Ward, which also includes the town centre.
