

CAERPHILLY TOWN CENTRE MANAGEMENT GROUP – 20TH OCTOBER 2015

**SUBJECT: CHOOSE THE HIGH STREET 'PAST & PRESENT' – ANALYSIS
REPORT**

REPORT BY: CHIEF EXECUTIVE

1. PURPOSE OF REPORT

- 1.1 The report provides an overview of the 'Past & Present' initiative which was run over the summer months by the Council's Town Centre Management team.

2. SUMMARY

- 2.1 This summer, a new element to the successful 'Choose the High Street' campaign was launched. 'Past & Present' focused on re-establishing people's connection with their local town centre. The initiative consisted of library exhibitions in each of the five managed town centres, street galleries of historic photos displayed in shop windows and online *Flickr* galleries of archive photos.

3. LINKS TO STRATEGY

- 3.1 The Council has agreed to a five-year regeneration programme entitled "People, Businesses and Places". The proposals within the strategy are based on a number of regeneration principles, one of which is "Strengthening Town Centres".
- 3.2 "Prosperous Caerphilly" is identified as one of the key outcomes in the Council's "Single Integrated Plan". The Implementation of the *Unique Places* model of Town Centre Management in the County Borough's principal town centres is one of the actions identified to achieve this outcome.

4. THE REPORT

- 4.1 The 'Choose the High Street' - Past & Present campaign ran for five months from April – August inclusive and focused on two areas. Firstly, the past element used archive photographs to evoke memories and re-established people's connection to a particular place. Secondly, through asking people to think about why they choose the high street, people were encouraged to appreciate and value their town centre in the present day. The overall objective of the initiative was to encourage people to invest economically, socially and emotionally in the future of their town centres.
- 4.2 The aims of the scheme were:
- (a) To maintain town centre footfall over the summer period;
 - (b) Improve people's sense of connection with their local town;

- (c) Generate renewed interest in town centres as a location for business;

- (e) Increase footfall in town centre libraries;
- (f) Engage with local schools.

4.3 Library Exhibitions

4.3.1 As part of the initiative five exhibitions were held in town centre libraries, these featured historic photos of the town centre, artwork by local schools, car sticker and shopping bag giveaways, as well as the chance for local people to win high street shopping vouchers. The entry form for the competition included three questions:

1. "I choose the high street because..."
2. If someone wants to start a new business in xxx town centre what should it be?
3. In addition to shops what other facilities would you like to see located in the town centres?

4.3.2 Question 1 - Some of the reasons people gave for choosing the high street were:

A total of 5000 ‘Choose the High Street’ - Past & Present canvas bags were given out free across the five town centres and also in the Urdd Eisteddfod. The provision of these canvas shopping bags encourages shoppers to use a reusable bag, rather than buy a new plastic one.

4.5 **Street Galleries**

4.5.1 ‘Street Galleries’ were set up in each of the five town centres prior to the exhibitions. Each Street Gallery comprised of a series of black and white photos from the Council’s Winding House archive, these were displayed in shop windows throughout each town centre. The images were printed on Foamex board in an A3 format and set in a picture frame design.

4.9 **Schools Involvement**

4.9.1 Local Primary Schools were encouraged to get involved in the exhibitions by submitting children's artwork. The number of schools who actually took part was disappointing, with only artwork from Ty Sign Primary School in Risca being displayed.

4.9.2 At Blackwood Comprehensive School, as part of their Business Studies Course, students entered a 'Dragons Den' style competition to find the best new business idea. Many of these ideas related to businesses that could potentially be started up on Blackwood High Street. A short YouTube film was made by the Council's Communications Team in which a number of the students and their teacher explained how the potential new businesses could work in Blackwood town centre.

4.10 **Urdd Eisteddfod**

4.10.1 During the Urdd Eisteddfod, Town Centre Management took space within the Council's corporate marquee to promote the 'Choose the High Street' brand and explain the 'Past & Present' initiative. The event was seen as an important opportunity to highlight to visitors the individual character of each of the five principal towns and encourage them to visit the town centres whilst staying in the area for the Urdd Eisteddfod.

4.11 **Conclusion**

4.11.1 The 'Past & Present' initiative succeeded over a five month period in helping to re-establishing many peoples sense of connection with their local town centre. The library exhibitions were visited by large numbers of people and very well received; with a number of local residents requesting to buy the photos and maps displayed (these were provided on request at no cost).

4.11.2 The questionnaires which were completed provided a number of important pieces of information. It was particularly encouraging to read the positive reasons why people choose to shop on their local high street. Some of the key themes which emerged were: the desire to support local businesses, the convenience of the town to where people live and the importance of the social aspect of visiting a town centres. The businesses that people indicated they would like to see return to the high street showed that there is a still an appetite for more traditional retail outlets which have been lost as the retail sector has evolved. These responses identified some potential gaps in the retail offer in the town centres, which will assist officers as they work with new start-up businesses.

4.11.3 The Street Galleries proved to be extremely popular with retailers who enthusiastically engaged with the initiative and displayed photos prominently in their shop windows. Many commented on the positive responses that the photo had drawn from their customers.

4.11.4 The only disappointing aspect to the initiative was the lack of participation by local Primary Schools despite strenuous efforts by officers to encourage schools to become involved. However, the work with pupils at Blackwood Comprehensive as part of a Business Studies course offered an unexpected opportunity to engage pupils in the debate about how high street evolve in the future.
