

## Appendix A

### Components of the Flood Risk Management Plan as Detailed in the Flood Risk Regulations – Part 4

- Each Lead Local Flood Authority has a duty to prepare a Flood Risk Management Plan in relation to each relevant Flood Risk Area.
- Natural Resources Wales must review the Flood Risk Management Plan and may recommend Modifications.
- Each Flood Risk Management Plan must include the following:
  - Objectives for the purpose of managing flood risk.
  - Measures for achieving the objectives.
  - Objectives must be set to reduce the adverse consequences of flooding for;
    - Human health
    - Economic health or
    - The environmental (including cultural heritage) and reducing the likelihood of flooding, whether by exercising powers to carry out structural work or otherwise.
  - Measures must include measures for;
    - Prevention of flooding
    - Protection of individuals, communities and the environment against the consequences of flooding and
    - Arrangements for forecasting and warning.
  - Measures must have regard to;
    - the cost and benefits of different methods of managing flood risk
    - the information included in the flood hazard maps and the flood risk maps and the flood risk maps
    - the river basin management plan for the area
    - the effect of floodplains that retain flood water
    - the environmental objectives
    - the likely effect of a flood, and of different methods of managing a flood, on a local area and the environment.
  - The Flood Risk Management Plan must include;
    - a map showing the boundaries of the flood risk area
    - a summary of the conclusions drawn from the flood hazard and the flood risk maps
    - a description of the proposed timing and manner of implementing the measures, including details of the bodies responsible for implementation
    - a description of the way in which implementation of the measures will be monitored
    - a report of the consultation and
    - details of the co-ordination between the measures in the Flood Risk Management Plan and the river basin management plan.
