Survey Status: External Works 2015/16 Outside Main Contractor

Area	Contract	Description/address	Property/Block Surveys % Completed	ASB Surveys % Completed where requested	OT Surveys % Completed where requested	All Surveys % Completed
Eastern Valleys		WHQS Team Area with 594 Properties; 99% property surveys completed; 0% property surveys part-completed; 0% property surveys not started; and 6 with OT involvement.	99 %	94 %	0 %	94 %
Lower Rhymney Valley		WHQS Team Area with 105 Properties; 76% property surveys completed; 0% property surveys part-completed; 23% property surveys not started;	76 %	97 %	0 %	74 %
Upper Rhymney Valley		WHQS Team Area with 246 Properties; 64% property surveys completed; 30% property surveys part-completed; 6% property surveys not started;	64 %	97 %	0 %	64 %
Total		Outside Main Contractor with 945 Properties/Blocks; 88% property surveys completed; 4% property surveys not started; and 6 with OT involvement.	88 %	95 %	0 %	84 %

Note: The information in this dashboard is updated each night at 5pm. If you update Keystone you will not see your changes on this dashboard until after 5pm.

Note: Red colour indicates completions of less than 50%; amber indicates 50% to 99%; and green 100% complete. (These percentages are calculated excluding no-accesses on property surveys). Red colour on a property address indicates that the property requires an EPR check.
