CONSTITUENCY ACTIVITY

I have in one form or another contacted every house hold in the Morgan Jones ward with information regarding issue that affect them.

There have been a few planning issues and site meetings in the ward that I have tried to address and I have spoken at Planning Committee on behalf of local residents.

I have met with Highways on several occasions regarding traffic and parking issues throughout the whole of the ward.

I am on 2 Governing Bodies with YGC and Plas-y Felin in Churchill Park the latter has just gone through and achieved an excellent inspection report.

I have attended every meeting possible between Police and Residents raising issues and concerns for me and the police to try and address.

This year my term of office as Youth Champion was due to come to end but due to local authority election and Youth Champion election term conflicts, I offered to stay on as the Youth Champion rather than take out much needed funds to run an election throughout all the Youth Clubs and Schools in Caerphilly which would only cover the role for a year.

Looking forward to Y Gwindy School being completed later this year.

I have also undertaken and arranged a few charity events over the last year and helped run the Megaday Charity which I was a founder member some 20 yrs ago and have raised over £300,000 for Velindra Hospital,
