During these surgeries complaints are received such as dog fouling, illicit fly tipping, highway issues and anti social behaviour. I work closely with the relevant agencies to try and solve the problems that are presented to me.

I attend Meetings with the local residents associations where again complaints are received and solutions sought.

I attend regular meetings with New Tredegar Community Partnership where I am Vice Chairperson. I also sit on the board of directors at White Rose Resource Centre. I am also involved with the Phillipstown Forever Fund working along side Building Community Trust.
