Education for Life (Update)

**CONSTITUENCY ACTIVITY:**

Every week I dealt with case work for individuals from all areas of my ward.

I am available at my home to individual callers and by telephone, the number of which is widely circulated to all constituents. On request I am prepared to meet: -

- Residents in their homes
- Local organisations or clubs.

I held a weekly surgery each Tuesday between 10.30am and 12.00pm at Gelligaer Community Council Offices, Cascade (except during school holidays).  
When I receive queries/complaints from residents or organisations I write to each person or group. I enclose a copy of the letter/email I have sent on their behalf and again when I receive the reply. I do this by email or by post.

Most of the issues I dealt with were the responsibility of CCBC, but some involved other organisations such as Welsh Water and Natural Resources Wales.

I am also prepared to accompany residents to meetings with Council Officers e.g. housing issues.

As Chair of the Education for Life Scrutiny Committee, I worked closely with Members and Officers to improve the quality of Scrutiny. The Committee worked hard to find budget savings to meet the reduced allocations from Welsh Government.
