CONSTITUENCY ACTIVITY

These are the issues that I have worked on over the past year many of which are ongoing: -

A number of meetings with Aneurin Bevan Health Board and the Dr and staff at Penyrheol Surgery to try to get better premises which are safe and confidential for Doctor, patients and staff. This has not been resolved as yet but we! Myself and my ward colleagues will persevere.

Attended a meeting of the Penyrheol, Trecenydd and Energlyn Community Council to discuss with the owner and developer of the Aneurin Social Club plans for possible future use.

Pwllpant Roundabout Improvements . Attended a number of meetings with officers and members to discuss issues on the roundabout and receive information updates.

I have been involved with the ongoing issues on Eglwysilan Common and along with my ward colleagues have attended several meetings with officers.

I have met with council officers at site and at council offices to discuss day to day issues that residents have i.e. housing, schools admission, potholes, street lights. Etc.
