CONSTITUENCY ACTIVITY

These are the issues that I have worked on over the past year many of which are ongoing: -

Over the last year I have operated an open door policy, which allows any person who wishes to contact me to do so at my home, by telephone, email or through social network.

I have held street surgeries with my ward colleague Cllr Eluned Stenner, our MP Gerald Jones and our AM Dawn Bowden in various locations within New Tredegar, many of these street surgeries have also been attended by Caerphilly CBC Safety Wardens, who were able to solve many issues for residents on the spot.

When undertaking these surgeries we pick up various concerns from residents, including issues with anti-social behaviour, house repairs, highways issues, planning issues and many more.

I have liaised with the local police and fire service to highlight various issues of concern in the ward.

I have helped various groups within the area to look for and find funding to run various activities within the ward.
