## **CONSTITUENCY ACTIVITY**

These are the issues that I have worked on over the past year many of which are ongoing: -

I am a newly elected councillor for St-Cattwg. I have also recently been appointed for Tir-y-Berth Management Committee.

In early 2018 a weekly surgery was launched at Penybryn Village Hall for residents. These surgeries take place during term time.

I attended Remembrance Service at Tir- Y Berth.

I meet residents on a weekly basis around individual local community concerns. I have a close working relationship with PCSO's in reducing anti-social behaviour/crime in the area and I attend walks within the constituency with local persons on a regular basis.

Work is still ongoing with issues identified and raised regarding concerns of dust and smells. I will continue to passionately support residents, local community groups regarding issues affecting individuals and our community.
