### **Annual Letter 2017/18**

Following the recent publication of my Annual Report, I am delighted to provide you with the Annual Letter (2017/18) for **Caerphilly County Borough Council**.

Despite a challenging complaints context, I am delighted to be able to report positive progress in the activities of the office over the past year.

Four public interest reports have been published in the past year, but none related to local authorities.

A new Public Services Ombudsman Bill has been introduced to the National Assembly and is currently at the second stage in the legislative process. This means that Members have agreed the general principles of the Bill and a Financial Resolution was agreed on 17 July 2018. This new legislation will help drive up public service standards as it is important that Wales continues to adopt best practices in complaints handling and public service improvement. If the Bill progresses I will be engaging with public bodies in Wales in preparation for the introduction of the new powers within the Bill.

### **Overview of complaints**

Overall the number of complaints and enquiries received by my office has increased by 5% this year, this is attributed to an 8% rise in enquiries.

This year my office saw a 4% decrease in public body complaints. Despite complaints against NHS bodies increasing by 7%, we have seen a 10% reduction in complaints against councils.

After Health, which comprises 41% of all complaints, housing (11%), social services (9%) and planning and building control (8%) remain significant areas of complaint.

The number of Code of Conduct complaints increased by 14% in the past year, this is attributed to a 33% increase in Code of Conduct complaints involving Community Councils. Many of these complaints have arisen following changes in the membership of councils.

42% of Code of Conduct complaints received were with regards to the promotion of equality and respect, 19% were with regards to disclosure and registration of interests and 16% were with regards to integrity.

We are pleased to report that the number of complaints received by the Ombudsman concerning Caerphilly has reduced in the past year by 26% from 54 to 40. We are pleased to see that complaints regarding Housing have dropped this year from 12 to 8 as well as complaints concerning Adult Social Services which have dropped from 8 to 5. However, we would like to draw your attention to Planning and Building Control which still remains high with 10 complaints.

You will find below a factsheet giving a breakdown of complaints data relating to your Local Authority. This year we have included a new set of statistics regarding Ombudsman interventions. These include all cases upheld by my office as well as early resolutions and voluntary settlements.

Please would you present my annual letter to the Cabinet to assist Members in their review of the Council's performance.

This correspondence has been copied to the Chief Executive of the Council and to your Contact Officer within your organisation. I would again reiterate the importance of this role. Finally, a copy of all annual letters will be published on my website.

Yours sincerely,

Nick Bennett

Public Services Ombudsman for Wales

CC: Christina Harray, Interim Chief Executive  
Andrea Jones, Contact Officer
