CONSTITUENCY ACTIVITY

These are the issues that I have worked on over the past year many of which are ongoing: -

I hold a monthly surgery at Penybryn Community Centre and constituents are welcome to contact via email or telephone at any time.

I attended the Remembrance Service at St Catwg Church, Gelligaer.

I meet residents regularly regarding individual and local community concerns. I have a close working relationship with PCSO's and Police Officers in reducing anti-social behaviour/crime in the area, and I attend walks within the constituency with residents on a regular basis.

I am working towards establishing a MUGA and skate-park in the area.

I attend regular meetings with Bryn Discussion Group Work regarding the concerns raised of dust, smells and noise and I have spoken at planning meetings on a number of occasions on this matter.

I will continue to passionately support residents, local community groups regarding issues affecting individuals and our community.
