CONSTITUENCY ACTIVITY

These are the issues that I have worked on over the past year many of which are ongoing: -

I have represented several residents in housing issues, there are still a few that are ongoing at present.

I have been involved in several issues with regards to speeding vehicles, as a result we now have regular visits from the Road Safety Camera Vans across North Rd.

I am at present attempting to arrange similar results along other roads throughout the ward, I have met with Highways to discuss.

I have had many reports from residents regarding, missed bin collections, food caddies and recycling issues. Have reported and spoken with officers regarding the more complicated issues.

I regularly take part in litter picks and Path Maintenance around the wards.

As part of my new employment within funeral care I, with colleagues, will be helping start a bereavement group within the ward to help residents come to terms with a loss.
