These are the issues that I have worked on over the past year many of which are ongoing: -

Many personal interventions on behalf of residents, which are of a private nature and not for publication. Residents are welcome to contact me via telephone or email.

I am currently trying to turn Dol-y-Felin Street into a one way system with full support from the residents.

Have been involved with:-

Trying to resolve the issue relating to waste ground at the junction of Pontygwindy road and Lawrence Street.

Supported the Community Allotment Mill road and acquired a steel container for their use.

Will continue efforts to remove the traffic issue caused by the crossing arrangement at the entrance to Morgan Jones Park.

Worked with colleagues on the Town Council to take over from the County Council the flower displays in and around the Town.
